In addition to the provisions in G.S. 105-277.1F, all liens arising under this subdivision are extinguished upon the real property being sold or transferred to a local, state, or federal government unit for conservation purposes or subject to an easement recorded at the time of sale that requires perpetual use of the land for one or more of the purposes listed in this subdivision. (a) Exclusion. – A permanent residence owned and occupied by a qualifying owner is designated a special class of property under Article V, Sec. 2(2) of the North Carolina Constitution and is taxable in accordance with this section. The amount of the appraised value of the residence equal to the exclusion amount is excluded from taxation. The exclusion amount is the greater of twenty five thousand dollars (\$25,000) or fifty percent (50%) of the appraised value of the

residence. An owner who receives an exclusion under this section may not receive other property tax relief.

A qualifying owner is an owner who meets all of the following requirements as of January 1 preceding the taxable year for which the benefit is claimed:

- (1) Is at least 65 years of age or totally and permanently disabled.
- (2) Has an income for the preceding calendar year of not more than the income eligibility limit.
- (3) Is a North Carolina resident.

(a1) Temporary Absence. – An otherwise qualifying owner does not lose the benefit of this exclusion because of a temporary absence from his or her permanent residence for reasons of health, or because of an extended absence while confined to a rest home or nursing home, so long as the residence is unoccupied or occupied by the owner's spouse or other dependent.

(a2) Income Eligibility Limit. – For the taxable year beginning on July 1, 2008, the income eligibility limit is twenty-five thousand dollars (\$25,000). For taxable years beginning on or after July 1, 2009, the income eligibility limit is the amount for the preceding year, adjusted by the same percentage of this amount as the percentage of any cost-of-living adjustment made to the benefits under Titles II and XVI of the Social Security Act for the preceding calendar year, rounded to the nearest one hundred dollars (\$100.00). On or before July 1 of each year, the Department of Revenue must determine the income eligibility amount to be in effect for the taxable year beginning the following July 1 and must notify the assessor of each county of the amount to be in effect for that taxable year.

(b) Definitions. – The following definitions apply in this section:

- (1) Code. – The Internal Revenue Code, as defined in G.S. 105-228.90.

A manufactured home jointly owned by husband and wife is considered property held by the entirety.
- (2) Repealed by Session Laws 1993, c. 360, s. 1.
- (2a) Repealed by Session Laws 1985 (Reg. Sess., 1986), c. 982, s. 20.
- (3) Permanent residence. – A person's legal residence. It includes the dwelling, the dwelling site, not to exceed one acre, and related improvements. The dwelling may be a single family residence, a unit in a multi-family residential complex, or a manufactured home.
- (3a) Property tax relief. – The property tax homestead exclusion provided in this section, the property tax homestead circuit breaker provided in G.S. 105-277.1B, or the disabled veteran property tax homestead exclusion provided in G.S. 105-277.1C.
- (4) Totally and permanently disabled. – A person is totally and permanently disabled if the person has a physical or mental impairment that substantially precludes him or her from obtaining gainful employment and appears reasonably certain to continue without substantial improvement throughout his or her life.

(c) Application. – An application for the exclusion provided by this section should be filed during the regular listing period, but may be filed and must be accepted at any time up to and through June 1 preceding the tax year for which the exclusion is claimed. When property is owned by two or more persons other than husband and wife and one or more of them qualifies for this exclusion, each owner must apply separately for his or her proportionate share of the exclusion.

(1) Elderly Applicants. – Persons 65 years of age or older may apply for this exclusion by entering the appropriate information on a form made available by the assessor under G.S. 105-282.1.

(2) Disabled Applicants. – Persons who are totally and permanently disabled may apply for this exclusion by (i) entering the appropriate information on a form made available by the assessor under G.S. 105-282.1 and (ii) furnishing acceptable proof of their disability. The proof must be in the form of a certificate from a physician licensed to practice medicine in North Carolina or from a governmental agency authorized to determine qualification for disability benefits. After a disabled applicant has qualified for this classification, the applicant is not required to furnish an additional certificate unless the applicant's disability is reduced to the extent that the applicant could no longer be certified for the taxation at reduced valuation.

(d) Ownership by Spouses. – A permanent residence owned and occupied by husband and wife is entitled to the full benefit of this exclusion notwithstanding that only one of them meets the age or disability requirements of this section.

(e) Other Multiple Owners. – This subsection applies to co-owners who are not husband and wife. Each co-owner of a permanent residence must apply separately for the exclusion allowed under this section.

When one or more co-owners of a permanent residence qualify for the exclusion allowed under this section and none of the co-owners qualifies for the exclusion allowed under G.S. 105-277.1C, each co-owner is entitled to the full amount of the exclusion allowed under this section. The exclusion allowed to one co-owner may not exceed the co-owner's proportionate share of the valuation of the property, and the amount of the exclusion allowed to all the co-owners may not exceed the exclusion allowed under this section.

The exclusion allowed to one co-owner may not exceed the co-owner's proportionate share of the valuation of the property, and the amount of the exclusion allowed to all the co-owners may not exceed the greater of the exclusion allowed under this section and the exclusion allowed under G.S. 105-277.1C. Sess., c. 18, s. 15.1(a); 2001-308, s. 1; 2007-484, s. 43.7T(a), (b); 2007-497, ss. 1.1, 2.1, 2.2; 2008-35, s. 3; 2008-107, s. 28.11(c)-(f), (i); 2009-445, s. 22(a).)

§ 105-277.1A: Repealed by Session Laws 2001-424, s. 34.15, as amended by Session Laws 2002-126, 30A.1, effective July 1, 2002.

§ 105-277.1B. Property tax homestead circuit breaker.

(a) Classification. – A permanent residence owned and occupied by a qualifying owner is designated a special class of property under Article V, Section 2(2) of the North Carolina Constitution and is taxable in accordance with this section.

(b) Definitions. – The definitions provided in G.S. 105-277.1 apply to this section.

(c) Income Eligibility Limit. – The income eligibility limit provided in G.S. 105-277.1(a2) applies to this section.

(d) Qualifying Owner. – For the purpose of qualifying for the property tax homestead circuit breaker under this section, a qualifying owner is an owner who meets all of the following requirements as of January 1 preceding the taxable year for which the benefit is claimed:

- (1) The owner has an income for the preceding calendar year of not more than one hundred fifty percent (150%) of the income eligibility limit specified in subsection (c) of this section.
- (2) The owner has owned the property as a permanent residence for at least five consecutive years and has occupied the property as a permanent residence for at least five years.
- (3) The owner is at least 65 years of age or totally and permanently disabled.
- (4) The owner is a North Carolina resident.

(e) Multiple Owners. – A permanent residence owned and occupied by husband and wife is entitled to the full benefit of the property tax homestead circuit breaker notwithstanding that only one of them meets the length of occupancy and ownership requirements and the age or disability requirement of this section. When a permanent residence is owned and occupied by two or more persons other than husband and wife, no property tax homestead circuit breaker is allowed unless all of the owners qualify and elect to defer taxes under this section.

(f) Tax Limitation. – A qualifying owner may defer the portion of the principal amount of tax that is imposed for the current tax year on his or her permanent residence and exceeds the percentage of the qualifying owner's income set out in the table in this subsection. If a permanent residence is subject to tax by more than one taxing unit and the total tax liability exceeds the tax limit imposed by this section, then both the taxes due under this section and the taxes deferred under this section must be apportioned among the taxing units based upon the ratio each taxing unit's tax rate bears to the total tax rate of all units.

Income Over	Income Up To	Percentage
-0-	Income Eligibility Limit	4.0%
Income Eligibility Limit	150% of Income Eligibility Limit	5.0%

(g) Temporary Absence. – An otherwise qualifying owner does not lose the benefit of this circuit breaker because of a temporary absence from his or her permanent residence for reasons of health, or because of an extended absence while confined to a rest home or nursing home, so long as the residence is unoccupied or occupied by the owner's spouse or other dependent.

(h) Deferred Taxes. – The difference between the taxes due under this section and the taxes that would have been payable in the absence of this section are a lien on the real property of the taxpayer as provided in G.S. 105-355(a). The difference in taxes must be carried forward in the records of each taxing unit as deferred taxes. The deferred taxes for the preceding three fiscal years are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result of a disqualifying event described in subsection (i) of this section. On or before September 1 of each year, the collector must send to the mailing address of a residence on which taxes have been deferred a notice stating the amount of deferred taxes and interest that would be due and payable upon the occurrence of a disqualifying event.

(i) Disqualifying Events. – Each of the following constitutes a disqualifying event:

- (1) The owner transfers the residence. Transfer of the residence is not a disqualifying event if (i) the owner transfers the residence to a co-owner of the residence or, as part of a divorce proceeding, to his or her spouse and (ii) that individual occupies or continues to occupy the property as his or her permanent residence.
- (2) The owner dies. Death of the owner is not a disqualifying event if (i) the owner's share passes to a co-owner of the residence or to his or her spouse and (ii) that individual occupies or continues to occupy the property as his or her permanent residence.
- (3) The owner ceases to use the property as a permanent residence.

(j) Gap in Deferral. – If an owner of a residence on which taxes have been deferred under this section is not eligible for continued deferral for a tax year, the deferred taxes are carried forward and are not due and payable until a disqualifying event occurs. If the owner of the residence qualifies for deferral after one or more years in which he or she did not qualify for deferral and a disqualifying event occurs, the years in which the owner did not qualify are disregarded in determining the preceding three years for which the deferred taxes are due and payable.

(k) Repealed by Session Laws 2008-35, s. 1.2, effective July 1, 2008.

(l) Creditor Limitations. – A mortgagee or trustee that elects to pay any tax deferred by the owner of a residence subject to a mortgage or deed of trust does not acquire a right to foreclose as a result of the election. Except for requirements dictated by federal law or regulation, any provision in a mortgage, deed of trust, or other agreement that prohibits the owner from deferring taxes on property under this section is void.

(m) Construction. – This section does not affect the attachment of a lien for personal property taxes against a tax-deferred residence.

(n) Application. – An application for property tax relief provided by this section should be filed during the regular listing period, but may be filed and must be accepted at any time up to and through June 1 preceding the tax year for which the relief is claimed. Persons may apply for this property tax relief by entering the appropriate information on a form made available by the assessor under G.S. 105-282.1. (2007-484, s. 43.7T(b); 2007-497, s. 2.3; 2008-35, s. 1.2; 2009-445, s. 22(b).)

The deferred taxes are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral because of the occurrence of a disqualifying event. - (6) G.S. 105-278.6(e), nonprofit property held as future site of low- or moderate-income housing.

(b) Payment. – Taxes deferred on property under a deferral program listed in subsection (a) of this section are due and payable on the day the property loses its eligibility for the deferral program as a result of a disqualifying event. If only a part of property for which taxes are deferred loses its eligibility for deferral, the assessor must determine the amount of deferred taxes that apply to that part and that amount is due and payable. Interest accrues on deferred taxes as if they had been payable on the dates on which they would have originally become due.

The tax for the fiscal year that begins in the calendar year in which the deferred taxes are due and payable is computed as if the property had not been classified for that year. A lien for deferred taxes is extinguished when the taxes are paid.

All or part of the deferred taxes that are not due and payable may be paid to the tax collector at any time without affecting the property's eligibility for deferral. A partial payment is applied first to accrued interest. (2008-35, s. 2.2; 2008-107, s. 28.11(h); 2008-171, s. 2; 2009-308, s. 3; 2011-274, s. 2; 2012-79, s. 1.9; 2013-130, s. 3.)

§ 105-277.2. Agricultural, horticultural, and forestland – Definitions.

The following definitions apply in G.S. 105-277.3 through G.S. 105-277.7:

- (1) **(Effective for taxes imposed for taxable years beginning before July 1, 2022)** Agricultural land. – Land that is a part of a farm unit that is actively engaged in the commercial production or growing of crops, plants, or animals under a sound management program. For purposes of this definition, the commercial production or growing of animals includes the rearing, feeding, training, caring, and managing of horses. Agricultural land includes woodland and wasteland that is a part of the farm unit, but the woodland and wasteland included in the unit must be appraised under the use-value schedules as woodland or wasteland. A farm unit may consist of more than one tract of agricultural land, but at least one of the tracts must meet the requirements in G.S. 105-277.3(a)(1), and each tract must be under a sound management program. If the agricultural land includes less than 20 acres of woodland, then the woodland portion is not required to be under a sound management program. Also, woodland is not required to be under a sound management program if it is

determined that the highest and best use of the woodland is to diminish wind erosion of adjacent agricultural land, protect water quality of adjacent agricultural land, or serve as buffers for adjacent livestock or poultry operations.

- (1) **(Effective for taxes imposed for taxable years beginning on or after July 1, 2022)** Agricultural land. – Land that is a part of a farm unit that is actively engaged in the commercial production or growing of crops, plants, or animals under a sound management program. For purposes of this definition, the commercial production or growing of animals includes the rearing, feeding, training, caring, boarding, and managing of horses. Agricultural land includes woodland and wasteland that is a part of the farm unit, but the woodland and wasteland included in the unit must be appraised under the use-value schedules as woodland or wasteland. A farm unit may consist of more than one tract of agricultural land, but at least one of the tracts must meet the requirements in G.S. 105-277.3(a)(1), and each tract must be under a sound management program. If the agricultural land includes less than 20 acres of woodland, then the woodland portion is not required to be under a sound management program. Also, woodland is not required to be under a sound management program if it is determined that the highest and best use of the woodland is to diminish wind erosion of adjacent agricultural land, protect water quality of adjacent agricultural land, or serve as buffers for adjacent livestock or poultry operations.
- (1a) Business entity. – A corporation, a general partnership, a limited partnership, or a limited liability company.
- (2) Forestland. – Land that is a part of a forest unit that is actively engaged in the commercial growing of trees under a sound management program. Forestland includes wasteland that is a part of the forest unit, but the wasteland included in the unit must be appraised under the use-value schedules as wasteland. A forest unit may consist of more than one tract of forestland, but at least one of the tracts must meet the requirements in G.S. 105-277.3(a)(3), and each tract must be under a sound management program.
- (3) Horticultural land. – Land that is a part of a horticultural unit that is actively engaged in the commercial production or growing of fruits or vegetables or nursery or floral products under a sound management program. Horticultural land includes woodland and wasteland that is a part of the horticultural unit, but the woodland and wasteland included in the unit must be appraised under the use-value schedules as woodland or wasteland. A horticultural unit may consist of more than one tract of horticultural land, but at least one of the tracts must meet the requirements in G.S. 105-277.3(a)(2), and each tract must be under a sound management program. If the horticultural land includes less than 20 acres of woodland, then the woodland portion is not required to be under a sound management program. Also, woodland is not required to be under a sound management program if it is determined that the highest and best use of the woodland is to diminish wind erosion of adjacent horticultural land or protect water quality of adjacent horticultural land. Land used to grow horticultural and agricultural crops on a rotating basis or where the horticultural crop is set out or

planted and harvested within one growing season, may be treated as agricultural land as described in subdivision (1) of this section when there is determined to be no significant difference in the cash rental rates for the land.

- (4) Individually owned. – Owned by one of the following:
- a. An individual.
 - b. A business entity that meets all of the following conditions:
 1. Its principal business is farming agricultural land, horticultural land, or forestland. When determining whether an applicant under G.S. 105-277.4 has as its principal business farming agricultural land, horticultural land, or forestland, the assessor shall presume the applicant's principal business to be farming agricultural land, horticultural land, or forestland if the applicant has been approved by another county for present-use value taxation for a qualifying property located within the other county; provided, however, the presumption afforded the applicant may be rebutted by the assessor and shall have no bearing on the determination of whether the individual parcel of land meets one or more of the classes defined in G.S. 105-277.3(a). If the assessor is able to rebut the presumption, this shall not invalidate the determination that the applicant's principal business is farming agricultural land, horticultural land, or forestland in the other county.
 2. All of its members are, directly or indirectly, individuals who are actively engaged in farming agricultural land, horticultural land, or forestland or a relative of one of the individuals who is actively engaged. An individual is indirectly a member of a business entity that owns the land if the individual is a member of a business entity or a beneficiary of a trust that is part of the ownership structure of the business entity that owns the land.
 3. It is not a corporation whose shares are publicly traded, and none of its members are corporations whose shares are publicly traded.
 4. If it leases the land, all of its members are individuals and are relatives. Under this condition, "principal business" and "actively engaged" include leasing.
 - c. A trust that meets all of the following conditions:
 1. It was created by an individual who owned the land and transferred the land to the trust.
 2. All of its beneficiaries are, directly or indirectly, individuals who are the creator of the trust or a relative of the creator. An individual is indirectly a beneficiary of a trust that owns the land if the individual is a beneficiary of another trust or a member of a business entity that has a beneficial interest in the trust that owns the land.
 - d. A testamentary trust that meets all of the following conditions:

1. It was created by an individual who transferred to the trust land that qualified in that individual's hands for classification under G.S. 105-277.3.
 2. At the date of the creator's death, the creator had no relatives.
 3. The trust income, less reasonable administrative expenses, is used exclusively for educational, scientific, literary, cultural, charitable, or religious purposes as defined in G.S. 105-278.3(d).
- e. Tenants in common, if each tenant would qualify as an owner if the tenant were the sole owner. Tenants in common may elect to treat their individual shares as owned by them individually in accordance with G.S. 105-302(c)(9). The ownership requirements of G.S. 105-277.3(b) apply to each tenant in common who is an individual, and the ownership requirements of G.S. 105-277.3(b1) apply to each tenant in common who is a business entity or a trust.
- (4a) Member. – A shareholder of a corporation, a partner of a general or limited partnership, or a member of a limited liability company.
- (5) Present-use value. – The value of land in its current use as agricultural land, horticultural land, or forestland, based solely on its ability to produce income and assuming an average level of management. A rate of nine percent (9%) shall be used to capitalize the expected net income of forestland. The capitalization rate for agricultural land and horticultural land is to be determined by the Use-Value Advisory Board as provided in G.S. 105-277.7.
- (5a) Relative. – Any of the following:
- a. A spouse or the spouse's lineal ancestor or descendant.
 - b. A lineal ancestor or a lineal descendant.
 - c. A brother or sister, or the lineal descendant of a brother or sister. For the purposes of this sub-subdivision, the term brother or sister includes stepbrother or stepsister.
 - d. An aunt or an uncle.
 - e. A spouse of an individual listed in paragraphs a. through d. For the purpose of this subdivision, an adoptive or adopted relative is a relative and the term "spouse" includes a surviving spouse.
- (6) Sound management program. – A program of production designed to obtain the greatest net return from the land consistent with its conservation and long-term improvement.
- (7) Unit. – One or more tracts of agricultural land, horticultural land, or forestland. Multiple tracts must be under the same ownership and be of the same type of classification. If the multiple tracts are located within different counties, they must be within 50 miles of a tract qualifying under G.S. 105-277.3(a). (1973, c. 709, s. 1; 1975, c. 746, s. 1; 1985, c. 628, s. 1; c. 667, ss. 1, 4; 1987, c. 698, s. 1; 1995, c. 454, s. 1; 1995 (Reg. Sess., 1996), c. 646, s. 17; 1998-98, s. 24; 2002-184, s. 1; 2004-8, s. 1; 2005-313, ss. 1, 2; 2008-146, s. 2.1; 2015-263, s. 12(a); 2022-55, s. 6(a).)

§ 105-277.3. Agricultural, horticultural, and forestland – Classifications.

(a) Classes Defined. – The following classes of property are designated special classes of property under authority of Section 2(2) of Article V of the North Carolina Constitution and must be appraised, assessed, and taxed as provided in G.S. 105-277.2 through G.S. 105-277.7.

- (1) **(Effective for taxable years beginning before July 1, 2023)** Agricultural land. – Individually owned agricultural land consisting of one or more tracts, one of which satisfies the requirements of this subdivision. For agricultural land used as a farm for aquatic species, as defined in G.S. 106-758, the tract must meet the income requirement for agricultural land and must consist of at least five acres in actual production or produce at least 20,000 pounds of aquatic species for commercial sale annually, regardless of acreage. For all other agricultural land, the tract must meet the income requirement for agricultural land and must consist of at least 10 acres that are in actual production. Land in actual production includes land under improvements used in the commercial production or growing of crops, plants, or animals.

To meet the income requirement, agricultural land must, for the three years preceding January 1 of the year for which the benefit of this section is claimed, have produced an average gross income of at least one thousand dollars (\$1,000). Gross income includes income from the sale of the agricultural products produced from the land, grazing fees for livestock, the sale of bees or products derived from beehives other than honey, any payments received under a governmental soil conservation or land retirement program, and the amount paid to the taxpayer during the taxable year pursuant to P.L. 108-357, Title VI, Fair and Equitable Tobacco Reform Act of 2004.

- (1) **(Effective for taxable years beginning on or after July 1, 2023)** Agricultural land. – Individually owned agricultural land consisting of one or more tracts, one of which satisfies the requirements of this subdivision. For agricultural land used as a farm for aquatic species, as defined in G.S. 106-758, the tract must meet the income requirement for agricultural land and must consist of at least five acres in actual production or produce at least 20,000 pounds of aquatic species for commercial sale annually, regardless of acreage. For all other agricultural land, the tract must meet the income requirement for agricultural land and must consist of at least 10 acres that are in actual production. Land in actual production includes land under improvements used in the commercial production or growing of crops, plants, or animals.

To meet the income requirement, agricultural land must, for the three years preceding January 1 of the year for which the benefit of this section is claimed, have produced an average gross income of at least one thousand dollars (\$1,000). Gross income includes income from the sale of the agricultural products produced from the land, grazing fees for livestock, the sale of bees or products derived from beehives, any payments received under a governmental soil conservation or land retirement program, and the amount paid to the taxpayer during the taxable year pursuant to P.L. 108-357, Title VI, Fair and Equitable Tobacco Reform Act of 2004.

- (2) Horticultural land. – Individually owned horticultural land consisting of one or more tracts, one of which consists of at least five acres that are in actual production and that, for the three years preceding January 1 of the year for

which the benefit of this section is claimed, have met the applicable minimum gross income requirement. Land in actual production includes land under improvements used in the commercial production or growing of fruits or vegetables or nursery or floral products. Land that has been used to produce evergreens intended for use as Christmas trees must have met the minimum gross income requirements established by the Department of Revenue for the land. All other horticultural land must have produced an average gross income of at least one thousand dollars (\$1,000). Gross income includes income from the sale of the horticultural products produced from the land and any payments received under a governmental soil conservation or land retirement program.

- (3) Forestland. – Individually owned forestland consisting of one or more tracts, one of which consists of at least 20 acres that are in actual production and are not included in a farm unit.

(b) Individual Ownership Requirements. – In order to come within a classification described in subsection (a) of this section, land owned by an individual must also satisfy one of the following conditions:

- (1) It is the owner's place of residence.
- (2) It has been owned by the current owner or a relative of the current owner for the four years preceding January 1 of the year for which the benefit of this section is claimed.
- (3) At the time of transfer to the current owner, it qualified for classification in the hands of a business entity or trust that transferred the land to the current owner who was a member of the business entity or a beneficiary of the trust, as appropriate.

(b1) Entity Ownership Requirements. – In order to come within a classification described in subsection (a) of this section, land owned by a business entity must meet the requirements of subdivision (1) of this subsection and land owned by a trust must meet the requirements of subdivision (2) of this subsection.

- (1) Land owned by a business entity must have been owned by one or more of the following for the four years immediately preceding January 1 of the year for which the benefit of this section is claimed:
 - a. The business entity.
 - b. A member of the business entity.
 - c. Another business entity whose members include a member of the business entity that currently owns the land.
- (2) Land owned by a trust must have been owned by the trust or by one or more of its creators for the four years immediately preceding January 1 of the year for which the benefit of this section is claimed.

(b2) Exceptions to Ownership Requirements. – Notwithstanding the provisions of subsections (b) and (b1) of this section, land may qualify for classification in the hands of the new owner if all of the conditions listed in either subdivision of this subsection are met, even if the new owner does not meet all of the ownership requirements of subsections (b) and (b1) of this section with respect to the land.

- (1) Continued use. – If the land qualifies for classification in the hands of the new owner under the provisions of this subdivision, then any deferred taxes remain a lien on the land under G.S. 105-277.4(c), the new owner becomes liable for the

deferred taxes, and the deferred taxes become payable if the land fails to meet any other condition or requirement for classification. Land qualifies for classification in the hands of the new owner if all of the following conditions are met:

- a. The land was appraised at its present use value at the time title to the land passed to the new owner.
- b. The new owner acquires the land and continues to use the land for the purpose for which it was classified under subsection (a) of this section while under previous ownership.
- c. The new owner has timely filed an application as required by G.S. 105-277.4(a) and has certified that the new owner accepts liability for any deferred taxes and intends to continue the present use of the land.

(2) Expansion of existing unit. – Land qualifies for classification in the hands of the new owner if, at the time title passed to the new owner, the land was not appraised at its present-use value but was being used for the same purpose and was eligible for appraisal at its present-use value as other land already owned by the new owner and classified under subsection (a) of this section. The new owner must timely file an application as required by G.S. 105-277.4(a).

(c) Repealed by Session Laws 1995, c. 454, s. 2.

(d) Exception for Conservation Reserve Program. – Land enrolled in the federal Conservation Reserve Program authorized by 16 U.S.C. Chapter 58 is considered to be in actual production, and income derived from participation in the federal Conservation Reserve Program may be used in meeting the minimum gross income requirements of this section either separately or in combination with income from actual production. Land enrolled in the federal Conservation Reserve Program must be assessed as agricultural land if it is planted in vegetation other than trees, or as forestland if it is planted in trees.

(d1) Conservation Exception. – Property that is appraised at its present-use value under G.S. 105-277.4(b) shall continue to qualify for appraisal, assessment, and taxation as provided in G.S. 105-277.2 through G.S. 105-277.7 without regard to actual production or income requirements of this section as long as (i) the property is subject to a qualifying conservation easement that meets the requirements of G.S. 113A-235(a); and (ii) the taxpayer received no more than seventy-five percent (75%) of the fair market value of the donated property interest in compensation. Notwithstanding G.S. 105-277.3(b) and (b1), subsequent transfer of the property does not extinguish its present-use value eligibility as long as the property remains subject to a qualifying conservation easement. The exception provided in this subsection applies only to that part of the property that is subject to the easement.

(d2) Wildlife Exception. – When an owner of land classified under this section does not transfer the land and the land becomes eligible for classification under G.S. 105-277.15, no deferred taxes are due. The deferred taxes remain a lien on the land and are payable in accordance with G.S. 105-277.15.

(d3) Site Infrastructure Exception. – When an owner of land classified under this section (i) does not transfer the land and the land becomes eligible for classification under G.S. 105-277.15A or (ii) does transfer the land but the land becomes eligible for classification under G.S. 105-277.15A within six months of the transfer, no deferred taxes are due. The deferred taxes remain a lien on the land and are payable in accordance with G.S. 105-277.15A.

(e) Exception for Turkey Disease. – Agricultural land that meets all of the following conditions is considered to be in actual production and to meet the minimum gross income requirements:

- (1) The land was in actual production in turkey growing within the preceding two years and qualified for present use value treatment while it was in actual production.
- (2) The land was taken out of actual production in turkey growing solely for health and safety considerations due to the presence of Poultry Enteritis Mortality Syndrome among turkeys in the same county or a neighboring county.
- (3) The land is otherwise eligible for present use value treatment.

(f) Sound Management Program for Agricultural Land and Horticultural Land. – If the property owner demonstrates any one of the following factors with respect to agricultural land or horticultural land, then the land is operated under a sound management program:

- (1) Enrollment in and compliance with an agency-administered and approved farm management plan.
- (2) Compliance with a set of best management practices.
- (3) Compliance with a minimum gross income per acre test.
- (4) Evidence of net income from the farm operation.
- (5) Evidence that farming is the farm operator's principal source of income.
- (6) Certification by a recognized agricultural or horticultural agency within the county that the land is operated under a sound management program.

Operation under a sound management program may also be demonstrated by evidence of other similar factors. As long as a farm operator meets the sound management requirements, it is irrelevant whether the property owner received income or rent from the farm operator.

(g) Sound Management Program for Forestland. – If the owner of forestland demonstrates that the forestland complies with a written sound forest management plan for the production and sale of forest products, then the forestland is operated under a sound management program. (1973, c. 709, s. 1; 1975, c. 746, s. 2; 1983, c. 821; c. 826; 1985, c. 667, ss. 2, 3, 6.1; 1987, c. 698, ss. 2-5; 1987 (Reg. Sess., 1988), c. 1044, s. 13.1; 1989, cc. 99, 736, s. 1; 1989 (Reg. Sess., 1990), c. 814, s. 29; 1995, c. 454, s. 2; 1997-272, s. 1; 1998-98, s. 22; 2001-499, s. 1; 2002-184, s. 2; 2005-293, s. 1; 2005-313, s. 3; 2007-484, s. 43.7T(c); 2007-497, s. 3.1; 2008-146, s. 2.2; 2008-171, ss. 4, 5; 2011-9, s. 1; 2013-130, s. 2; 2014-3, s. 14.14(a); 2017-108, s. 3(a); 2022-13, s. 6.1; 2023-63, s. 1(a).)

§ 105-277.4. Agricultural, horticultural and forestland – Application; appraisal at use value; notice and appeal; deferred taxes.

(a) Application. – Property coming within one of the classes defined in G.S. 105-277.3 is eligible for taxation on the basis of the value of the property in its present use if a timely and proper application is filed with the assessor of the county in which the property is located. The application must clearly show that the property comes within one of the classes and must also contain any other relevant information required by the assessor to properly appraise the property at its present-use value. An initial application must be filed during the regular listing period of the year for which the benefit of this classification is first claimed, or within 30 days of the date shown on a notice of a change in valuation made pursuant to G.S. 105-286 or G.S. 105-287. A new application is not required to be submitted unless the property is transferred or becomes ineligible for use-value appraisal because of a change in use or acreage. An application required due to transfer of the land

may be submitted at any time during the calendar year but must be submitted within 60 days of the date of the property's transfer.

(a) Late Application. – Upon a showing of good cause by the applicant for failure to make a timely application as required by subsection (a) of this section, an application may be approved by the board of equalization and review or, if that board is not in session, by the board of county commissioners. An untimely application approved under this subsection applies only to property taxes levied by the county or municipality in the calendar year in which the untimely application is filed. Decisions of the county board may be appealed to the Property Tax Commission.

(b) Appraisal at Present-use Value. – Upon receipt of a properly executed application, the assessor must appraise the property at its present-use value as established in the schedule prepared pursuant to G.S. 105-317. In appraising the property at its present-use value, the assessor must appraise the improvements located on qualifying land according to the schedules and standards used in appraising other similar improvements in the county. If all or any part of a qualifying tract of land is located within the limits of an incorporated city or town, or is property annexed subject to G.S. 160A-37(f1) or G.S. 160A-49(f1), the assessor must furnish a copy of the property record showing both the present-use appraisal and the valuation upon which the property would have been taxed in the absence of this classification to the collector of the city or town. The assessor must also notify the tax collector of any changes in the appraisals or in the eligibility of the property for the benefit of this classification. Upon a request for a certification pursuant to G.S. 160A-37(f1) or G.S. 160A-49(f1), or any change in the certification, the assessor for the county where the land subject to the annexation is located must, within 30 days, determine if the land meets the requirements of G.S. 160A-37(f1)(2) or G.S. 160A-49(f1)(2) and report the results of its findings to the city.

(b1) Notice and Appeal. – If the assessor determines that the property loses its eligibility for present-use value classification for a reason other than failure to file a timely application required due to transfer of the land, the assessor shall provide written notice of the decision as required by G.S. 105-296(i). The notice shall include the property's tax identification number, the specific reason for the disqualification, and the date of the decision. Decisions of the assessor regarding the qualification or appraisal of property under this section may be appealed to the county board of equalization and review or, if that board is not in session, to the board of county commissioners. An appeal must be made within 60 days after date of the written notice of the decision of the assessor. If an owner submits additional information to the assessor pursuant to G.S. 105-296(j), the appeal must be made within 60 days after the assessor's decision based on the additional information. Decisions of the county board may be appealed to the Property Tax Commission.

A new appeal to a decision of the assessor regarding the disqualification of property for which notice was received is not required to be submitted for subsequent tax years while the appeal of that disqualifying event is outstanding. When a property's present-use value classification is reinstated upon appeal of the disqualifying event, it is reinstated retroactive to the date the classification was revoked, as provided under G.S. 105-296(j).

If, while an assessor's decision that a property has lost its eligibility for present-use value classification is under appeal to the county board or to the Property Tax Commission, the assessor determines that the property is no longer eligible for present-use value classification because of an additional disqualifying event independent of the one that is the basis of the disqualification under appeal, the assessor shall follow the notice and appeal procedure set forth in this subsection with regard to the subsequent disqualification.

(c) Deferred Taxes. – Land meeting the conditions for classification under G.S. 105-277.3 must be taxed on the basis of the value of the land for its present use. The difference between the taxes due on the present-use basis and the taxes that would have been payable in the absence of this classification, together with any interest, penalties, or costs that may accrue thereon, are a lien on the real property of the taxpayer as provided in G.S. 105-355(a). The difference in taxes must be carried forward in the records of the taxing unit or units as deferred taxes. The deferred taxes for the preceding three fiscal years are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result of a disqualifying event. A disqualifying event occurs when the land fails to meet any condition or requirement for classification or when an application is not approved.

(d) Set Exception. – Notwithstanding the provisions of subsection (c) of this section, if property loses its eligibility for present use value classification solely due to a change in income caused by enrollment of the property in the federal conservation reserve program established under 16 U.S.C. Chapter 58, then no deferred taxes are due and the lien for the deferred taxes is extinguished.

(d1) Variable Exception. – Notwithstanding the provisions of subsection (c) of this section, if property loses its eligibility for present-use value classification because the property is conveyed to a nonprofit organization and qualifies for exclusion from the tax base pursuant to G.S. 105-275(12) or G.S. 105-275(29) or to the State, a political subdivision of the State, or the United States, then deferred taxes are due as follows:

- (1) If the property is conveyed at or below present-use value, then no deferred taxes are due, and the lien for the deferred taxes is extinguished.
- (2) If the property is conveyed for more than present-use value, then a portion of the deferred taxes for the preceding three fiscal years is due and payable in accordance with G.S. 105-277.1F. The portion due is equal to the lesser of the amount of the deferred taxes or the deferred taxes multiplied by a fraction, the numerator of which is the sale price of the property minus the present-use value of the property and the denominator of which is the true value of the property minus the present-use value of the property.

(e) Repealed by Session Laws 1997-270, s. 3, effective July 3, 1997.

(f) The Department shall publish a present-use value program guide annually and make the guide available electronically on its Web site. When making decisions regarding the qualifications or appraisal of property under this section, the assessor shall adhere to the Department's present-use value program guide. (1973, c. 709, s. 1; c. 905; c. 906, ss. 1, 2; 1975, c. 62; c. 746, ss. 3-7; 1981, c. 835; 1985, c. 518, s. 1; c. 667, ss. 5, 6; 1987, c. 45, s. 1; c. 295, s. 5; c. 698, s. 6; 1987 (Reg. (d) Restrictions. – The following restrictions apply to the classification allowed under this section:

- (1) For land used as a wildlife reserve under subdivision (c3)(3) of this section, no more than 800 acres of an owner's land in a county may be classified under this

section. For all other land classified under this section, no more than 200 acres of an owner's land in a county may be classified under this section.

- (2) Land owned by a business entity is not eligible for classification under this section if the business entity is a corporation whose shares are publicly traded or one of its members is a corporation whose shares are publicly traded.

(e) **Deferred Taxes.** – The difference between the taxes that are due on wildlife conservation land classified under this section and that would be due if the land were taxed on the basis of its true value is a lien on the property. The difference in taxes must be carried forward in the records of each taxing unit as deferred taxes. The deferred taxes for the preceding three fiscal years are due and payable in accordance with G.S. 105-277.1F when the land loses its eligibility for deferral as a result of a disqualifying event. A disqualifying event occurs when the property no longer qualifies as wildlife conservation land.

(f) **Exceptions to Payment.** – No deferred taxes are due in the following circumstances and the deferred taxes remain a lien on the land:

- (1) When the owner of wildlife conservation land that was previously classified under G.S. 105-277.3 before the wildlife habitat conservation agreement was signed does not transfer the land and the land again becomes eligible for classification under G.S. 105-277.3. In this circumstance, the deferred taxes are payable in accordance with G.S. 105-277.3.
- (2) When land that is classified under this section is transferred to an owner who signed the wildlife habitat conservation agreement in effect for the land at the time of the transfer and the land remains classified under this section. In this circumstance, the deferred taxes are payable in accordance with this section.

(g) **Exceptions to Payment and Lien.** – Notwithstanding subsection (e) of this section, if land loses its eligibility for deferral solely due to one of the following reasons, no deferred taxes are due and the lien for the deferred taxes is extinguished:

- (1) The property is conveyed by gift to a nonprofit organization and qualifies for exclusion from the tax base under G.S. 105-275(12) or G.S. 105-275(29).
- (2) The property is conveyed by gift to the State, a political subdivision of the State, or the United States.

(h) **Administration.** – An owner who applies for the classification allowed under this section must attach a copy of the owner's written wildlife habitat agreement required under subsection (c3) of this section. An owner who fails to notify the county assessor when land classified under this section loses its eligibility for classification is subject to a penalty in the amount set in G.S. 105-277.5. (2008-171, s. 1; 2018-95, s. 1; 2022-45, s. 3(a), (b).)

§ 105-277.15A. Taxation of site infrastructure land.

(a) **Classification.** – Site infrastructure land is designated a special class of property under Section 2(2) of Article V of the North Carolina Constitution and must be appraised, assessed, and taxed in accordance with this section.

(b) **Requirements.** – Land qualifies as site infrastructure land if it meets the following size and use requirements:

- (1) **Size.** – The land must consist of at least 100 contiguous acres.
- (2) **Use.** – The land must meet all of the following requirements:
 - a. It must be zoned for industrial use, office use, or both.

- b. A building permit for a primary building or structure must not have been issued for the land, and there is no primary building or structure on the land.

(c) **Deferred Taxes.** – An owner may defer a portion of tax imposed on site infrastructure land that represents the sum of the following: (i) the increase in value of the property attributable solely to improvements made to the site infrastructure land, if any, and (ii) the difference between the true value of the site infrastructure land as it is currently zoned and the value of the site infrastructure land as if it were zoned the same as it was in the calendar year prior to the time the application for property tax relief under this section was filed.

The difference between the taxes due under this section and the taxes that would have been payable in the absence of this section is a lien on the site infrastructure land as provided in G.S. 105-355(a). The difference in taxes must be carried forward in the records of each taxing unit as deferred taxes. The deferred taxes are due and payable in accordance with G.S. 105-277.1F when the site infrastructure land loses its eligibility for deferral because of the occurrence of a disqualifying event as follows:

- (1) The deferred taxes for the preceding five fiscal years are due and payable when an amount equal to the deferred taxes is not invested in improvements to make the land suitable for industrial use, office use, or both within five years from the first day of the fiscal year the property was classified under this section.
- (2) The deferred taxes for the preceding five fiscal years are due and payable when the minimum investment required by subdivision (1) of this subsection is timely made, but the land has been classified under this section for 10 years.
- (3) All deferred taxes are due and payable when some or all of the site infrastructure land is rezoned for a use other than for industrial use, office use, or both.
- (4) The deferred taxes for the preceding year are due and payable when the land is transferred or when a building permit for a primary building or structure for the land is issued.

(d) **Notice.** – On or before September 1 of each year, the collector shall notify each owner to whom a tax deferral has previously been granted of the accumulated sum of deferred taxes and interest. An owner who fails to notify the county assessor when land classified under this section loses its eligibility for classification is subject to a penalty in the amount set in G.S. 105-277.5.

(e) **Exception to Payment.** – No deferred taxes are due in the following circumstances, and the deferred taxes remain a lien on the land:

- (1) When the owner of site infrastructure land that was previously classified under G.S. 105-277.3 does not transfer the land, and the land again becomes eligible for classification under G.S. 105-277.3. In this circumstance, the deferred taxes are payable in accordance with G.S. 105-277.3.
- (2) When a portion of the site infrastructure land is transferred for industrial use, office use, or both or has issued for the land a building permit for a primary building or structure for industrial use, office use, or both, and the remainder of the site infrastructure land no longer meets the size requirement of this section. In this circumstance, the deferred taxes for the remainder are payable in accordance with this section without application of the size requirement of subdivision (b)(1) of this section.

(f) **Application.** – An application for property tax relief provided by this section should be filed during the regular listing period but may be filed after the regular listing period upon a

showing of good cause by the applicant for failure to make a timely application, as determined and approved by the board of equalization and review or, if that board is not in session, by the board of county commissioners. An untimely application approved under this subsection applies only to property taxes levied by the county or municipality in the calendar year in which the untimely application is filed. Decisions of the county board may be appealed to the Property Tax Commission. Persons may apply for this property tax relief by entering the appropriate information on a form made available by the assessor under G.S. 105-282.1. An application for property tax relief provided by this section may not be approved for any portion of site infrastructure land which has previously lost eligibility for the program.

(g) Report. – On August 1 of each year, the Secretary shall report to the Department of Commerce the number and location of site infrastructure lands qualified under this section. (2013-130, s. 1; 2014-39, s. 2(a).)

§ 105-277.16. Taxation of low-income housing property.

A North Carolina low-income housing development to which the North Carolina Housing Finance Agency allocated a federal tax credit under section 42 of the Code is designated a special class of property under Article V, Section 2(2) of the North Carolina Constitution and must be appraised, assessed, and taxed in accordance with this section. The assessor must use the income approach as the method of valuation for property classified under this section and must take rent restrictions that apply to the property into consideration in determining the income attributable to the property. The assessor may not consider income tax credits received under section 42 of the Code or under G.S. 105-129.42 in determining the income attributable to the property. (2008-146, s. 3.1; 2008-187, s. 47.6.)

§ 105-277.17. Taxation of community land trust property.

(a) Classification. – Community land trust property is designated a special class of property under Section 2(2) of Article V of the North Carolina Constitution and must be appraised, assessed, and taxed in accordance with this section.

(b) Definitions. – The following definitions apply in this section:

 - b. The community land trust developer retains an interest in the property pursuant to the deed of conveyance or the long-term ground lease.
- (3) Ground lease. – A lease between the community land trust developer of a dwelling site, as landlord, and the owner or lessee of a permanent residence constructed on the dwelling site, as tenant. The leasehold interest of the tenant in the dwelling site includes an undivided interest and nonexclusive easement for ingress and egress to the dwelling site and for the use and enjoyment of the common areas and community facilities, if any.
- (4) Income. – Defined in G.S. 105-277.1(b).

- (7) Resale restrictions. – Binding restrictions that affect the price at which a qualifying owner's interest in community land trust property can be transferred for value to a subsequent qualifying owner or the community land trust developer.
- (8) Silent mortgage amount. – The amount of debt incurred by a qualifying owner that is represented by a deed of trust or leasehold deed of trust on community land trust property and that earns no interest and requires no repayment prior to satisfaction of any interest-earning mortgage or a subsequent transfer of the property, whichever occurs first.
- (9) Transfer. – Any method of disposing of an interest in real property.

(c) Valuation. – The initial appraised value of community land trust property in the year the property first qualifies for classification under this section is the initial investment basis. In subsequent general reappraisals, the value of the community land trust property shall not exceed the sum of the restricted capital gain amount and the initial investment basis. The restricted capital gain amount is the market value of the community land trust property that would be established for the current general reappraisal if not for this classification (i) adjusted to the maximum sales price permitted pursuant to the resale restrictions effective for a hypothetical sale occurring on the date of reappraisal, if less, and (ii) subtracting the initial investment basis and any silent mortgage amount. (2009-481, s. 1.)

§ 105-278. Historic properties.

(a) Real property designated as a historic property by a local ordinance adopted pursuant to former G.S. 160A-399.4 or designated as a historic landmark by a local ordinance adopted pursuant to G.S. 160D-945 or former G.S. 160A-400.5 is designated a special class of property under authority of Article V, Sec. 2(2) of the North Carolina Constitution. (b) The difference between the taxes due on the basis of fifty percent (50%) of the true value of the property and the taxes that would have been payable in the absence of the classification provided for in subsection (a) shall be a lien on the property of the taxpayer as provided in G.S. 105-355(a). The taxes shall be carried forward in the records of the taxing unit or units as deferred taxes. The deferred taxes for the preceding three fiscal years are due and payable in accordance with G.S. 105-277.1F when the property loses the benefit of this classification as a result of a disqualifying event. A disqualifying event occurs when there is a change in an ordinance designating a historic property or a change in the property, other than by fire or other natural disaster, that causes the property's historical significance to be lost or substantially impaired. In addition to the provisions in G.S. 105-277.1F, no deferred taxes are due and all liens arising under this subsection are extinguished when the property's historical significance is lost or substantially

impaired due to fire or other natural disaster. (1977, c. 869, s. 2; 1981, c. 501; 1989, c. 706, s. 3.1; 2005-435, s. 38; 2006-162, s. 28; 2008-35, s. 2.5; 2010-95, s. 17; 2021-180, s. 42.13F(a).)

(b) Taxable real property set apart for human burial purposes is hereby designated a special class of property under authority of Article V, Section 2(2) of the North Carolina Constitution, and it shall be assessed for taxation taking into consideration the following:

§ 105-278.3. Real and personal property used for religious purposes.

(a) Buildings, the land they actually occupy, and additional adjacent land reasonably necessary for the convenient use of any such building shall be exempted from taxation if wholly owned by an agency listed in subsection (c), below, and if:

- (1) Wholly and exclusively used by its owner for religious purposes as defined in subsection (d)(1), below; or
- (2) Occupied gratuitously by one other than the owner and wholly and exclusively used by the occupant for religious, charitable, or nonprofit educational, literary, scientific, or cultural purposes.

(b) Personal property shall be exempted from taxation if wholly owned by an agency listed in subsection (c), below, and if:

- (1) Wholly and exclusively used by its owner for religious purposes; or

- (1) A religious purpose is one that pertains to practicing, teaching, and setting forth a religion. Although worship is the most common religious purpose, the term

encompasses other activities that demonstrate and further the beliefs and objectives of a given church or religious body. Within the meaning of this section, the ownership and maintenance of a general or promotional office or headquarters by an owner listed in subdivision (2) of subsection (c), above, is a religious purpose and the ownership and maintenance of residences for clergy, rabbis, priests or nuns assigned to or serving a congregation, parish, mission or similar local unit, or a conference, association, presbytery, diocese, district, synod, province or similar unit of a church or religious body or residences for clergy on furlough or unassigned, is also a religious purpose. However, the ownership and maintenance of residences for other employees is not a religious purpose for either a local unit of a church or a religious body or a conference, association, presbytery, diocese, district, synod, or similar unit of a church or religious body. Provided, however, that where part of property which otherwise qualifies for the exemption provided herein is made available as a residence for an individual who provides guardian, janitorial and custodial services for such property, or who oversees and supervises qualifying activities upon and in connection with said property, the entire property shall be considered as wholly and exclusively used for a religious purpose.

- (2) A charitable purpose is one that has humane and philanthropic objectives; it is an activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward. The humane treatment of animals is also a charitable purpose.

(e) Notwithstanding the exclusive-use requirement of subsection (a), above, if part of a property that otherwise meets that subsection's requirements is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(f) The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, shall not defeat the exemption granted by this section.

(g) The following exceptions apply to the exclusive-use requirement of subsection (a) of this section:

- (1) If part, but not all, of a property meets the requirements of subsection (a) of this section, the valuation of the part so used is exempt from taxation.

- (2) Any parking lot wholly owned by an agency listed in subsection (c) of this section may be used for parking without removing the tax exemption granted in this section if the total charge for parking uses does not exceed that portion of the actual maintenance expenditures for the parking lot reasonably estimated to have been made on account of parking uses. This subsection shall apply beginning with the taxable year that commences on January 1, 1978.
- (3) A building and the land occupied by the building is exempt from taxation if it is under construction and intended to be wholly and exclusively used by its owner for religious purposes upon completion. For purposes of this subdivision, a building is under construction starting when a building permit is issued and ending at the earlier of (i) 90 days after a certificate of occupancy is issued or (ii) 180 days after the end of active construction. (1973, c. 695, s. 4; c. 1421; 1975, c. 848; 1977, c. 867; 2005-435, s. 59(a); 2015-185, s. 1(a).)

§ 105-278.4. Real and personal property used for educational purposes.

- (2) The owner is not organized or operated for profit and no officer, shareholder, member, or employee of the owner or any other person is entitled to receive pecuniary profit from the owner's operations except reasonable compensation for services;
- (3) Of a kind commonly employed in the performance of those activities naturally and properly incident to the operation of an educational institution such as the owner; and

(c) Partial Exemption. – Notwithstanding the exclusive-use requirements of subsections (a) and (b), above, if part of a property that otherwise meets the requirements of one of those subsections is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(d) Public Use. – The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, does not defeat the exemption granted by this section.

(e) Personal Property. – Personal property owned by a church, a religious body, or an educational institution shall be exempted from taxation if:

(1) The owner is not organized or operated for profit, and no officer, shareholder, member, or employee of the owner, or any other person is entitled to receive pecuniary profit from the owner's operations except reasonable compensation for services; and

(2) Used wholly and exclusively for educational purposes by the owner or held gratuitously by a church, religious body, or nonprofit educational institution other than the owner, and wholly and exclusively used for nonprofit educational purposes by the possessor.

(2) Educational purpose. – A purpose that has as its objective the education or instruction of human beings; it comprehends the transmission of information and the training or development of the knowledge or skills of individual persons. The operation of a student housing facility, a student dining facility, a golf course, a tennis court, a sports arena, a similar sport property, or a similar recreational sport property for the use of students or faculty is also an educational purpose, regardless of the extent to which the property is also available to and patronized by the general public. (1973, c. 695, s. 4; 1991 (Reg. Sess., 1992), c. 926, s. 1; 2004-173, s. 1; 2011-145, s. 9.18(f).)

§ 105-278.5. Real and personal property of religious educational assemblies used for religious and educational purposes.

(a) Buildings, the land they actually occupy, and additional adjacent land reasonably necessary for the convenient use of any such building or for the religious educational programs of the owner, shall be exempted from taxation if:

(1) Owned by a religious educational assembly, retreat, or similar organization;

(2) No officer, shareholder, member, or employee of the owner, or any other person is entitled to receive pecuniary profit from the owner's operations except reasonable compensation for services; and

(3) Of a kind commonly employed in those activities naturally and properly incident to the operation of a religious educational assembly such as the owner; and

(4) Wholly and exclusively used for

a. Religious worship or

b. Purposes of instruction in religious education.

(b) Notwithstanding the exclusive-use requirement of subsection (a), above, if part of a property that otherwise meets the subsection's requirements is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(c) The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, shall not defeat the exemption granted by this section.

(d) Personal property owned by a religious educational assembly, retreat, or similar organization shall be exempted from taxation if it is exclusively maintained and used in connection with real property granted exemption under the provisions of subsection (a) or (b), above. (1973, c. 695, s. 4.)

§ 105-278.6. Real and personal property used for charitable purposes.

(b) A charitable purpose within the meaning of this section is one that has humane and philanthropic objectives; it is an activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward. The humane treatment of animals is also a charitable purpose.

(c) The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, shall not defeat the exemption granted by this section.

(d) Notwithstanding the exclusive-use requirements of this section, if part of a property that otherwise meets the section's requirements is used for a purpose that would require exemption under subsection (a), above, if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(e) Real property held by an organization described in subdivision (a)(8) for a charitable purpose under this section as a future site for housing for individuals or families with low or moderate incomes may be classified under this section for no more than 10 years. The taxes that would otherwise be due on real property exempt under this subsection shall be a lien on the property as provided in G.S. 105-355(a). The taxes shall be carried forward in the records of the taxing unit as deferred taxes. The deferred taxes are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result of a disqualifying event. A disqualifying event occurs when the property was not used for low- or moderate-income housing within 10 years from the first day of the fiscal year the property was classified under this

subsection. § 105-278.7. Real and personal property used for educational, scientific, literary, or charitable purposes.

(a) Buildings, the land they actually occupy, and additional adjacent land necessary for the convenient use of any such building shall be exempted from taxation if wholly owned by an agency listed in subsection (c), below, and if:

- (1) Wholly and exclusively used by its owner for nonprofit educational, scientific, literary, or charitable purposes as defined in subsection (f), below; or
 - (2) Occupied gratuitously by an agency listed in subsection (c), below, other than the owner, and wholly and exclusively used by the occupant for nonprofit educational, scientific, literary, charitable, or cultural purposes.
- (b) Personal property shall be exempted from taxation if wholly owned by an agency listed in subsection (c), below, and if:
- (1) Wholly and exclusively used by its owner for nonprofit educational, scientific, literary, or charitable purposes; or
 - (2) Gratuitously made available to an agency listed in subsection (c), below, other than the owner, and wholly and exclusively used by the possessor for nonprofit educational, scientific, literary, or charitable purposes.
- (c) The following agencies, when the other requirements of this section are met, may obtain property tax exemption under this section:
- (1) A charitable association or institution,
 - (2) An historical association or institution,
 - (3) A veterans' organization or association,
 - (4) A scientific association or institution,
 - (5) A literary association or institution,
 - (6) A benevolent association or institution, or
 - (7) A nonprofit community or neighborhood organization.
- (d) Notwithstanding the exclusive-use requirements of subsection (a), above, if part of a property that otherwise meets the subsection's requirements is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.
- (e) The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, shall not defeat the exemption granted by this section.
- (f) Within the meaning of this section:
- (1) An educational purpose is one that has as its objective the education or instruction of human beings; it comprehends the transmission of information and the training or development of the knowledge or skills of individual persons.
 - (2) A scientific purpose is one that yields knowledge systematically through research, experimentation, or other work done in one or more of the natural sciences.
 - (3) A literary purpose is one that pertains to letters or literature, especially writing, publishing, and the study of literature. It includes the literature of the stage and screen as well as the performance or exhibition of works based on literature.
 - (4) A charitable purpose is one that has humane and philanthropic objectives; it is an activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward. The humane treatment of animals is also a charitable purpose.
 - (5) A cultural purpose is one that is conducive to the enlightenment and refinement of taste acquired through intellectual and aesthetic training, education, and

discipline. (1973, c. 695, s. 4; 1995 (Reg. Sess., 1996), c. 646, s. 15; 2005-435, ss. 59(b), 59(c).)

§ 105-278.8. Real and personal property used for charitable hospital purposes.

(a) Real and personal property held for or owned by a hospital organized and operated as a nonstock, nonprofit, charitable institution (without profit to members or their successors) shall be exempted from taxation if actually and exclusively used for charitable hospital purposes.

(b) Notwithstanding the exclusive-use requirements of subsection (a), above, if part of a property that otherwise meets that subsection's requirements is used for a purpose that would require exemption under that subsection if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(c) Within the meaning of this section, a charitable hospital purpose is a hospital purpose that has humane and philanthropic objectives; it is a hospital activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward. However, the fact that a qualifying hospital charges patients who are able to pay for services rendered does not defeat the exemption granted by this section. (1973, c. 695, s. 4.)

§ 105-282.1. Applications for property tax exemption or exclusion; annual review of property exempted or excluded from property tax.

(a) Application. – Every owner of property claiming exemption or exclusion from property taxes under the provisions of this Subchapter has the burden of establishing that the property is entitled to it. If the property for which the exemption or exclusion is claimed is appraised by the Department of Revenue, the application shall be filed with the Department. Otherwise, the application shall be filed with the assessor of the county in which the property is situated. An application must contain a complete and accurate statement of the facts that entitle the property to the exemption or exclusion and must indicate the municipality, if any, in which the property is located. Each application filed with the Department of Revenue or an assessor shall be submitted on a form approved by the Department. Application forms shall be made available by the assessor and the Department, as appropriate.

Except as provided below, an owner claiming an exemption or exclusion from property taxes must file an application for the exemption or exclusion annually during the listing period:

- (1) No application required. – Owners of the following exempt or excluded property do not need to file an application for the exemption or exclusion to be entitled to receive it:

- a. **(Effective for taxes imposed for taxable years beginning before July 1, 2022)** Property exempt from taxation under G.S. 105-278.1 or G.S. 105-278.2.
 - a. **(Effective for taxes imposed for taxable years beginning on or after July 1, 2022)** Property exempt from taxation under G.S. 105-278.1 or G.S. 105-278.2(b).

 - c. Property classified for taxation at a reduced valuation under G.S. 105-277(g) or G.S. 105-277.9.
- (2) Single application required. – An owner of one or more of the following properties eligible for a property tax benefit must file an application for the benefit to receive it. Once the application has been approved, the owner does not need to file an application in subsequent years unless new or additional property is acquired or improvements are added or removed, necessitating a change in the valuation of the property, or there is a change in the use of the property or the qualifications or eligibility of the taxpayer necessitating a review of the benefit. The properties are as follows:
- a. **(Effective for taxes imposed for taxable years beginning before July 1, 2022)** Property exempted from taxation under G.S. 105-278.3, 105-278.4, 105-278.5, 105-278.6, 105-278.7, or 105-278.8.
 - a. **(Effective for taxes imposed for taxable years beginning on or after July 1, 2022)** Property exempted from taxation under G.S. 105-278.2(a), 105-278.3, 105-278.4, 105-278.5, 105-278.6, 105-278.7, or 105-278.8.
 - b. Special classes of property excluded from taxation under G.S. 105-275(3), (7), (8), (12), (17), (18), (19), (20), (21), (31e), (35), (36), (38), (39), (41), (45), (46), (47), (48), or (49) or under G.S. 131A-21.
 - c. **(Effective for taxable years imposed for taxable years beginning before July 1, 2019)** Special classes of property classified for taxation at a reduced valuation under G.S. 105-277(h), 105-277.1, 105-277.1C, 105-277.10, 105-277.13, 105-277.14, 105-277.15, 105-277.17, or 105-278.
 - c. **(Effective for taxable years imposed for taxable years beginning on or after July 1, 2019)** Special classes of property classified for taxation at a reduced valuation under G.S. 105-277(h), 105-277.02, 105-277.1, 105-277.1C, 105-277.10, 105-277.13, 105-277.14, 105-277.15, 105-277.17, or 105-278.
 - d. Property owned by a nonprofit homeowners' association but where the value of the property is included in the appraisals of property owned by members of the association under G.S. 105-277.8.
 - e. Repealed by Session Laws 2008-35, s. 1.2, effective for taxes imposed for taxable years beginning on or after July 1, 2008.

(a1) Late Application. – Upon a showing of good cause by the applicant for failure to make a timely application, an application for exemption or exclusion filed after the close of the listing period may be approved by the Department of Revenue, the board of equalization and review, the board of county commissioners, or the governing body of a municipality, as appropriate. An untimely application for exemption or exclusion approved under this subsection applies only to property taxes levied by the county or municipality in the calendar year in which the untimely application is filed.

(b) Approval and Appeal Process. – The Department of Revenue or the assessor to whom an application for exemption or exclusion is submitted must review the application and either approve or deny the application. Approved applications shall be filed and made available to all taxing units in which the exempted or excluded property is situated. If the Department denies an application for exemption or exclusion, it shall notify the taxpayer, who may appeal the denial to the Property Tax Commission.

If an assessor denies an application for exemption or exclusion, the assessor must notify the owner of the decision and the owner may appeal the decision to the board of equalization and review or the board of county commissioners, as appropriate, and from the county board to the Property Tax Commission. If the notice of denial covers property located within a municipality, the assessor shall send a copy of the notice and a copy of the application to the governing body of the municipality. The municipal governing body shall then advise the owner whether it will adopt the decision of the county board or require the owner to file a separate appeal with the municipal governing body. In the event the owner is required to appeal to the municipal governing body and that body renders an adverse decision, the owner may appeal to the Property Tax Commission. Nothing in this subsection shall prevent the governing body of a municipality from denying an application which has been approved by the assessor or by the county board provided the owner's rights to notice and hearing are not abridged. Applications handled separately by a municipality shall be filed in the office of the person designated by the governing body, or in the absence of such designation, in the office of the chief fiscal officer of the municipality.

(c) Discovery of Property. – When an owner of property that may be eligible for exemption or exclusion neither lists the property nor files an application for exemption or exclusion, the assessor or the Department of Revenue, as appropriate, shall proceed to discover the property. If, upon appeal, the owner demonstrates that the property meets the conditions for exemption or exclusion, the body hearing the appeal may approve the exemption or exclusion. Discovery of the property by the Department or the county shall automatically constitute a discovery by any taxing unit in which the property has a taxable situs.

(d) Roster of Exempted and Excluded Property. – The assessor shall prepare and maintain a roster of all property in the county that is granted tax relief through classification or exemption. On or before November 1 of each year, the assessor must send a report to the Department of Revenue summarizing the information contained in the roster. The report must be in the format required by the Department. The assessor must also send the Department a copy of the roster upon the request of the Department. As to affected real and personal property, the roster shall set forth:

- (1) The name of the owner of the property.
- (2) A brief description of the property.
- (3) A statement of the use to which the property is put.
- (4) A statement of the value of the property.
- (5) The total value of exempt property in the county and in each municipality therein.

(e) Annual Review of Exempted or Excluded Property. – Pursuant to G.S. 105-296(l), the assessor must annually review at least one-eighth of the parcels in the county exempted or excluded from taxation to verify that the parcels qualify for the exemption or exclusion.
