The total amount of creditable service purchased under each subdivision of this section shall not exceed five years. No purchase of service credit under any subdivision of this section shall be made if a benefit is allowable under another public retirement system as a result of the service. If there is a conflict between a provision of G.S. 135-56 and a provision of this subsection, then this subsection shall control.

The following purchases of creditable service are authorized under this subsection:

- (1) ~~If a member whose creditable service has been cancelled in accordance with this subsection subsequently returns to membership service and completes five years of membership service upon that return, then the member may purchase an amount of creditable service corresponding to the total of the membership service associated with the withdrawn contributions, provided that the total amount of creditable service purchased under this subsection may not exceed five years. Notwithstanding any provision of this Chapter to the contrary, on and after January 1, 2023, any member in service with five or more years of membership service may purchase creditable service for service~~

~~as a member of the General Assembly not otherwise creditable under this section, provided the service is not credited in the Legislative Retirement Fund nor the Legislative Retirement System, by paying a total lump sum payment. The amount of creditable service purchased under this subsection may not exceed a total of five years. The member shall purchase this service by paying a lump sum amount to the Annuity Savings Fund equal to the full liability increase due to the additional service credits on the basis of the assumptions used for the purposes of the actuarial valuation of the liabilities of the Retirement System, except for the following assumptions specific to this calculation: (i) the allowance shall be assumed to commence at the earliest age at which the member could retire on an unreduced retirement allowance and (ii) assumed annual postretirement allowance increases as set by the Board of Trustees upon the advice of the consulting actuary. Subject to the requirements of this subsection, an employer may pay all or part of the cost of a service purchase of a member in service. To the extent that the purchase is paid by the employer, the cost paid by the employer shall be credited to the pension accumulation fund. To the extent that the purchase is paid by the member, the cost paid by the member shall be credited to the member's annuity savings account.~~Withdrawn service. – Service withdrawn in accordance with the provisions of any of the following, limited to a total maximum purchase of five years:

- a. G.S. 120-4.25.
- b. G.S. 128-27(f).
- c. G.S. 135-5(f).
- d. G.S. 135-62.
- e. Any rules adopted under Article 12 of Chapter 143 of the General Statutes, as it existed prior to 1986.

- (2) ~~Any member may purchase creditable service for service as a State teacher or employee, as defined under G.S. 135-1(10) and (25), and for service as an employee of local government, as defined under G.S. 128-21(10). A member, upon the completion of 10 years of membership service, may also purchase creditable service for periods of federal employment, provided that the member is not receiving any retirement benefits resulting from this federal employment, and provided that the member is not vested in the particular federal retirement system to which the member may have belonged while a federal employee. The member, after the transfer of any accumulated contributions from the Teachers' and State Employees' Retirement System or Local Governmental Employees' Retirement System, shall purchase this service by paying a lump sum amount to the annuity savings fund equal to the full liability increase due to the additional service credits on the basis of the assumptions used for the purposes of the actuarial valuation of the liabilities of the Retirement System, except for the following assumptions specific to this calculation: (i) the allowance shall be assumed to commence at the earliest age at which the member could retire on an unreduced retirement allowance and (ii) assumed annual postretirement allowance increases as set by the Board of Trustees upon the advice of the consulting actuary. Subject to the requirements of this subsection, an employer may pay all or part of the cost of a service purchase of a member in service. To the extent that the purchase is paid by the employer, the cost paid by the employer shall be credited to the pension accumulation fund. Notwithstanding the foregoing provisions of this section that provide for the purchase of service credits, the terms "full cost",~~

~~"full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance. Federal, state, or local government service. – Service previously rendered to the federal government or to any state, territory, or other governmental subdivision of the United States other than this State. Service under this subdivision is limited to full-time service that would be allowable under the laws governing this Retirement System.~~

(3) Part-time service. – Service previously rendered on a part-time basis to an employer, as defined under either G.S. 135-1 or G.S. 128-21, for which the member would have met the definition of employee or teacher under either G.S. 135-1 or G.S. 128-21 except for the part-time nature of the service. For the purposes of this subdivision, the following service is not eligible to be purchased:

a. Part-time service rendered as a bus driver to a public school while a full-time high school student.

b. Temporary or part-time service rendered while a full-time student in pursuit of a degree or diploma in a degree-granting program, unless that service was rendered on a permanent part-time basis and required at least 20 hours of service per week.

The amount of the single lump sum to be paid for the purchase of service credit under this subdivision shall be calculated by applying the ratio of actual gross compensation earned as a part-time employee to the gross compensation that would have been earned as a full-time employee to the period of service rendered in months.

In no case shall more than one year of service be creditable for all service in one year. Service rendered for the regular school year in any district shall be equivalent to one year of service.

(4) Temporary service. – Service previously rendered on a temporary basis to an employer, as defined under either G.S. 135-1 or G.S. 128-21, and that meets both of the following conditions:

a. The member would have met the definition of employee or teacher under either G.S. 135-1 or G.S. 128-21 except for the temporary nature of the service.

b. The member has acquired from the employer all certifications of temporary employment that are required by the Board of Trustees.

(5) Probationary local government service. – Service previously rendered to any local employer, as defined under G.S. 128-21, when performed in a probationary or employer-imposed waiting period status that occurred between the date of employment and the date of membership service with the Local Governmental Employees' Retirement System.

(6) Involuntary furlough. – Periods of interrupted service due to involuntary administrative furlough caused by the lack of funds to support the position.

(7) Leave due to extended illness. – Periods of interrupted service while on leave without pay status due to the member's illness or injury, excluding leave due to parental leave or pregnancy or childbirth-related leave, provided that any single period of interrupted service included a period of time during which the member failed to earn at least two months membership service.

(8) Parental leave and pregnancy or childbirth-related leave. – Periods of interrupted service due to parental leave, pregnancy, or childbirth.

- (9) Charter school service. – Periods of service previously rendered as an employee of a charter school operated by a private nonprofit corporation or a charter school operated by a municipality whose board of directors did not elect to participate in the Teachers' and State Employees' Retirement System under G.S. 135-5.3.
- (10) The University of North Carolina Optional Retirement Program service. – Periods of employment with The University of North Carolina during which the member participated in the Optional Retirement Program, as provided for under G.S. 135-5.1, provided that the member is not receiving, and is not entitled to receive, any retirement benefits resulting from this employment.
- (11) ~~Notwithstanding any provision of this Chapter to the contrary, on and after January 1, 2023, any member may purchase creditable service for service Employment not otherwise creditable. – Service not creditable in any other retirement system or plan that was previously rendered as a judge, district attorney, or clerk of superior court, when not otherwise provided for in this section, and or as a judge of any lawfully constituted court of this State inferior to the superior court, not to include service as a magistrate, justice of the peace, or mayor's court judge. The member, after the transfer of any accumulated contributions from the Teachers' and State Employees' Retirement System or Local Governmental Employees' Retirement System, shall pay an amount equal to the full cost of the additional service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the System's liabilities, taking into account the additional retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire with an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual postretirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.~~

(b) Omitted Membership Service. – A member who (i) had service qualifying for membership under G.S. 135-55 as a judge, a clerk of superior court, a Director of Indigent Defense Services, a district attorney, or a public defender and (ii) was omitted from contributing membership through error shall be allowed the omitted membership service if the requirements of this subsection are met and the total payment required for that service under this subsection is made. Submission of clear and convincing evidence of the error is required prior to approval of, and payment for, the omitted membership service. Payment for service under this subsection shall be made in the following manner:

- (1) Within 90 days of the omission, by the payment of employee and employer contributions that would have been paid.
- (2) After 90 days and prior to three years of the omission, by the payment of the employee and employer contributions that would have been paid plus interest compounded annually at a rate equal to the greater of the average yield on the Pension Accumulation Fund for the preceding calendar year or the actuarial investment rate-of-return assumption, as adopted by the Board of Trustees.
- (3) After three years of the omission, by paying a lump sum amount to the Annuity Savings Fund. The amount payable shall be equal to the full liability increase of the Retirement System due to the service credits purchased plus

an administrative fee that is set by the Board of Trustees. The full liability increase shall be calculated on the basis of the same assumptions used for the purposes of the actuarial valuation of the liabilities of the Retirement System, except for the following assumptions specific to this calculation: (i) the allowance shall be assumed to commence at the earliest age at which the member could retire on an unreduced retirement allowance and (ii) there shall be assumed annual postretirement allowance increases set by the Board of Trustees upon the advice of the consulting actuary.

Nothing contained in this subsection shall prevent an employer or member from paying all or a part of the required payment for the omitted membership service. To the extent the amount is paid by the employer, the amount paid by the employer shall be credited to the Pension Accumulation Fund. To the extent the amount is paid by the member, the amount paid by the member shall be credited to the member's accumulated contributions and interest in the Annuity Savings Fund. An employer shall not discriminate against any employed member or group of employed members in paying all or any part of the payment required under this subsection for the omitted membership service.

(c) Purchase of Service Credits Through Rollover Contributions From Certain Other Plans. – Notwithstanding any other provision of this Article, Article to the contrary, subject to the requirements of this subsection and any rules adopted, or policies established, by the Board of Trustees and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase payments or repayments made for membership or creditable service pursuant to the provisions of this Article, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits allowed under this section or any other provision of this Article may be made by a member through rollover contributions to the Annuity Savings Fund from ~~(i) any of the following sources:~~

- (1) An annuity contract described in Section 403(b) of the Internal Revenue Code, ~~(ii) an Code.~~
- (2) An eligible plan under Section 457(b) of the Internal Revenue Code which that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state, ~~(iii) an state.~~
- (3) An individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includible in gross income, or ~~(iv) a income.~~
- (4) A qualified plan described in Section 401(a) or 403(a) of the Internal Revenue Code. ~~Notwithstanding the foregoing,~~

No rollover contribution shall be made under this subsection, and the Retirement System shall not accept any amount as a rollover ~~contribution~~ contribution, unless such the amount required for the payment or repayment is eligible to be rolled over to a qualified trust in accordance with applicable law and the member provides evidence satisfactory to the Retirement System that such the amount qualifies for rollover treatment. Unless received by the Retirement System in the form of a direct rollover, the rollover contribution must be paid to the Retirement System on or before the 60th day after the date it was received by the member.

~~Purchase of Service Credits Through Plan to Plan Transfers. – Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of this Article, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) an annuity contract described in Section 403(b) of the Internal Revenue Code or (ii) an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.~~

(d) Purchase of Service Credits Through Plan-to-Plan Transfers. – Notwithstanding any other provision of this ~~Article~~, Article to the contrary, subject to the requirements of this subsection and any rules adopted, or policies established, by the Board of Trustees and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase payments or repayments made for membership or creditable service pursuant to the provisions of this Article, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits allowed under this section or any other provision of this Article may be made by a member through a direct transfer to the Annuity Savings Fund of funds from (i) the any of the following sources:

- (1) An annuity contract described in Section 403(b) of the Internal Revenue Code.

- (3) Supplemental Retirement Income Plans A, B, or C of North ~~Carolina~~ or (ii) any Carolina.
- (4) Any other defined contribution plan qualified under Section 401(a) of the Internal Revenue Code which that is maintained by the State of North Carolina, a political subdivision of a the State or any other state, or any agency or instrumentality of a the State or any other state or political subdivision of a the State or any other state."

SECTION 14.(a) G.S. 135-53(6) reads as rewritten:

"(6) "Creditable service" shall mean for any member the total of ~~his~~ prior service plus ~~his~~ membership ~~service~~ service for which credit is allowable under this Article. In no event shall creditable service be deemed membership service for the purpose of determining eligibility for benefits accruing under this Article."

SECTION 14.(b) G.S. 135-56 is amended by adding a new subsection to read:

"(k) Creditable service may be purchased in accordance with G.S. 135-56.5, or as otherwise provided for in this Article."

SECTION 14.(c) G.S. 135-58(a6) reads as rewritten:

"(a6) Any member who retires under the provisions of G.S. 135-57(a) or G.S. 135-57(c) on or after July 1, 2008, after the member has either attained the member's 65th birthday or has completed 24 years or more of creditable service, shall receive an annual retirement allowance, payable ~~monthly, which~~ monthly. The payments shall commence on the effective date of the member's retirement and shall be continued on the first day of each month thereafter during the member's lifetime, the lifetime. The amount of which the monthly retirement allowance payments shall be computed as the sum of the applicable amounts in subdivisions (1), (2), (3), (4), and (5) contained in the subdivisions of this subsection, provided that in no event shall the annual allowance payable to any member be greater than an amount which, when added to the allowance, if any, to which the member is entitled under the Teachers' and State Employees' Retirement System, the Legislative Retirement System, or the Local Governmental Employees' Retirement System (prior System, prior in any case to any reduction for early retirement or for an optional mode of payment), payment, would total three-fourths of the member's final compensation: compensation. The following amounts shall be used for the purposes of calculations under this subsection:

PART IV. RECODIFY AND STANDARDIZE SERVICE PURCHASE UNDER THE LEGISLATIVE RETIREMENT SYSTEM

SECTION 15.(a) Article 1A of Chapter 120 of the General Statutes is amended by adding a new G.S. 120-4.12B to be entitled "Purchase of creditable service for service in Armed Forces."

SECTION 15.(b) Subsection (d) of G.S. 120-4.12 is recodified as subsection (a) of G.S. 120-4.12B, as created by subsection (a) of this section.

SECTION 15.(c) G.S. 120-4.12(e) is repealed.

SECTION 16. G.S. 120-4.12B, as created and amended by Section 15 of this act, reads as rewritten:

"§ 120-4.12B. Purchase of creditable service for service in Armed Forces.

(a) ~~Any~~On or before December 31, 2024, any member of the Retirement System who has eight or more years of creditable service as a member of the General Assembly may purchase prior service credit for service in the Armed Forces of the United States at the same rates and conditions as set forth in G.S. 120-4.14 and G.S. 120-4.16; provided that credit is allowed only for the initial period of active duty in the Armed Forces of the United States up to the time the member was first eligible to be separated or released therefrom, and subsequent periods of such active duty as required by the Armed Forces of the United States up to the date of first eligibility for separation or release ~~therefrom; and further provided that the member submits satisfactory evidence of the service claimed and that service credit be allowed only for the period of active service in the Armed Forces of the United States not creditable in any other retirement system, except the National Guard or any reserve component of the Armed Forces of the United States therefrom.~~

(b) On or after January 1, 2025, any member or retired member with five or more years of membership service may purchase creditable service for service in the Armed Forces of the United States by paying a lump sum amount to the Annuity Savings Fund. The amount payable shall be equal to the full liability increase of the Retirement System due to the additional service credits purchased plus an administrative fee that is set by the Board of Trustees. The full liability

increase shall be calculated on the basis of the same assumptions used for the purposes of the actuarial valuation of the liabilities of the Retirement System, except for the following assumptions specific to this calculation: (i) the allowance shall be assumed to commence at the earliest age at which the member could retire on an unreduced retirement allowance and (ii) there shall be assumed annual postretirement allowance increases set by the Board of Trustees upon the advice of the consulting actuary.

(c) Only periods of active service in the Armed Forces of the United States are eligible for the purchase of creditable service under this section, except that service in the National Guard or any reserve component of the Armed Forces of the United States shall be eligible. To make a purchase under this section, the member is required to submit satisfactory evidence of the claimed service in the Armed Forces of the United States.
