SECTION 17.12. Of the funds appropriated by this act for the 2011-2012 fiscal year and for the 2012-2013 fiscal year to the Department of Juvenile Justice and Delinquency Prevention for the operation of the Cumberland Regional Juvenile Detention Center the sum of one hundred twenty-four thousand seventy-five dollars ($124,075) shall be used for the Juvenile Assessment Center in each fiscal year.

PART XVIII. DEPARTMENT OF CORRECTION

FEDERAL GRANT REPORTING

SECTION 18.1. The Department of Correction, the Department of Justice, the Department of Crime Control and Public Safety, the Judicial Department, and the Department of Juvenile Justice and Delinquency Prevention shall report by May 1 of each year to the Joint Legislative Commission on Governmental Operations, the Chairs of the House of Representatives and Senate Appropriations Committees, and the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety on federal grant funds received or preapproved for receipt by those departments. The report shall include information on the amount of grant funds received or preapproved for receipt by each department, the use of the funds, the State match expended to receive the funds, and the period to be covered by each grant. If the department intends to continue the program beyond the end of the grant period, the department shall report on the proposed method for continuing the funding of the program at the end of the grant period. Each department shall also report on any information it may have indicating that the State will be requested to provide future funding for a program presently supported by a local grant.

FEDERAL GRANT MATCHING FUNDS

SECTION 18.2. Notwithstanding the provisions of G.S. 143C-6-9, the Department of Correction may use up to the sum of one million two hundred thousand dollars ($1,200,000) during the 2011-2012 fiscal year and up to the sum of one million two hundred thousand dollars ($1,200,000) during the 2012-2013 fiscal year from funds available to the Department to provide the State match needed in order to receive federal grant funds. Prior to using funds for this purpose, the Department shall report to the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety and the Joint Legislative Commission on Governmental Operations on the grants to be matched using these funds.

USE OF CLOSED PRISON FACILITIES

SECTION 18.3. In conjunction with the closing of prison facilities, including small expensive prison units recommended for consolidation by the Government Performance Audit Committee, the Department of Correction shall consult with the county or municipality in which the unit is located, with the elected State and local officials, and with State and federal agencies about the possibility of converting that unit to other use. The Department may also

consult with any private for-profit or nonprofit firm about the possibility of converting the unit to other use. In developing a proposal for future use of each unit, the Department shall give priority to converting the unit to other criminal justice use. Consistent with existing law and the future needs of the Department of Correction, the State may provide for the transfer or the lease of any of these units to counties, municipalities, State agencies, federal agencies, or private firms wishing to convert them to other use. The Department of Correction may also consider converting some of the units recommended for closing from one security custody level to another, where that conversion would be cost-effective. A prison unit under lease to a county pursuant to the provisions of this section for use as a jail is exempt for the period of the lease from any of the minimum standards adopted by the Secretary of Health and Human Services pursuant to G.S. 153A-221 for the housing of adult prisoners that would subject the unit to greater standards than those required of a unit of the State prison system.

LIMIT USE OF OPERATIONAL FUNDS

SECTION 18.4. Funds appropriated in this act to the Department of Correction for operational costs for additional facilities shall be used for personnel and operating expenses set forth in the budget approved by the General Assembly in this act. These funds shall not be expended for any other purpose, except as provided for in this act, and shall not be expended for additional prison personnel positions until the new facilities are within 120 days of projected completion, except that the Department may establish critical positions prior to 120 days of completion representing no more than twenty percent (20%) of the total estimated number of positions.

REIMBURSE COUNTIES FOR HOUSING AND EXTRAORDINARY MEDICAL COSTS FOR INMATES, PAROLEES, AND POST-RELEASE SUPERVISEES AWAITING TRANSFER TO STATE PRISON SYSTEM

SECTION 18.5. Notwithstanding G.S. 143C-6-9, the Department of Correction may use funds available to the Department for the 2011-2013 fiscal biennium to pay the sum of forty dollars ($40.00) per day as reimbursement to counties for the cost of housing convicted inmates, parolees, and post-release supervisees awaiting transfer to the State prison system, as provided in G.S. 148-29. The Department shall report quarterly to the Joint Legislative Commission on Governmental Operations, the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee, the Chairs of the House of Representatives and Senate Appropriations Committees, and the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety on the expenditure of funds to reimburse counties for prisoners awaiting transfer and on its progress in reducing the jail backlog.

CENTER FOR COMMUNITY TRANSITIONS/CONTRACT AND REPORT

SECTION 18.6. The Department of Correction may continue to contract with The Center for Community Transitions, Inc., a nonprofit corporation, for the purchase of prison beds for minimum security female inmates during the 2011-2013 fiscal biennium. The Center for Community Transitions, Inc., shall report by February 1 of each year to the Joint Legislative Commission on Governmental Operations on the annual cost per inmate and the average daily inmate population compared to bed capacity using the same methodology as that used by the Department of Correction.

PAROLE ELIGIBILITY REPORT/MUTUAL AGREEMENT PAROLE PROGRAM/MEDICAL RELEASE PROGRAM

SECTION 18.7.(a) The Post-Release Supervision and Parole Commission shall, with the assistance of the North Carolina Sentencing and Policy Advisory Commission and the Department of Correction, analyze the amount of time each inmate who is eligible for parole on or before July 1, 2012, has served compared to the time served by offenders under Structured

Sentencing for comparable crimes. The Commission shall determine if the person has served more time in custody than the person would have served if sentenced to the maximum sentence under the provisions of Article 81B of Chapter 15A of the General Statutes. The "maximum sentence," for the purposes of this section, shall be calculated as set forth in subsection (b) of this section.

SECTION 18.7.(b) For the purposes of this section, the following rules apply for the calculation of the maximum sentence:

(1) The offense upon which the person was convicted shall be classified as the same felony class as the offense would have been classified if committed after the effective date of Article 81B of Chapter 15A of the General Statutes.

(2) The minimum sentence shall be the maximum number of months in the presumptive range of minimum durations in Prior Record Level VI of G.S. 15A-1340.17(c) for the felony class determined under subdivision (1) of this subsection. The maximum sentence shall be calculated using G.S. 15A-1340.17(d), (e), or (e1).

(3) If a person is serving sentences for two or more offenses that are concurrent in any respect, then the offense with the greater classification shall be used to determine a single maximum sentence for the concurrent offenses. The fact that the person has been convicted of multiple offenses may be considered by the Commission in making its determinations under subsection (a) of this section.

SECTION 18.7.(c) The Post-Release Supervision and Parole Commission shall report to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee and to the Chairs of the House of Representatives and Senate Appropriations Committees, and the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety by April 1, 2012. The report shall include the following: the class of the offense for which each parole-eligible inmate was convicted and whether an inmate had multiple criminal convictions. The Commission shall reinitiate the parole review process for each offender who has served more time than that person would have under Structured Sentencing as provided by subsections (a) and (b) of this section.

The Commission shall also report on the number of parole-eligible inmates reconsidered in compliance with this section and the number who were actually paroled.

SECTION 18.7.(d) The Department of Correction and the Post-Release Supervision and Parole Commission shall report by March 1 of each year to the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety and to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee on the number of inmates enrolled in the mutual agreement parole program, the number completing the program and being paroled, and the number who enrolled but were terminated from the program. The information should be based on the previous calendar year.

SECTION 18.7.(e) The Department of Correction and the Post-Release Supervision and Parole Commission shall report by March 1 of each year to the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety and to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee on the number of inmates proposed for release, considered for release, and granted release under Chapter 84B of Chapter 15A of the General Statutes, providing for the medical release of inmates who are either permanently and totally disabled, terminally ill, or geriatric.

CRIMINAL JUSTICE PARTNERSHIP

SECTION 18.8.(a) Notwithstanding any other provision of law, a county may use funds appropriated pursuant to the Criminal Justice Partnership Act, Article 6A of Chapter 143B of the General Statutes, to provide more than one community-based corrections program.

SECTION 18.8.(b) Effective July 1, 2011, the Department of Correction shall recalculate the county allocation funding formula mandated under G.S. 143B-273.15 using updated data.

SECTION 18.8.(c) Notwithstanding the provisions of G.S. 143B-273.15 specifying that grants to participating counties are for the full fiscal year and that unobligated funds are returned to the State-County Criminal Justice Partnership Account at the end of the grant period, the Department of Correction may reallocate unspent or unclaimed funds distributed to counties participating in the State-County Criminal Justice Partnership Program in an effort to maintain the level of services realized in previous fiscal years.

SECTION 18.8.(d) The Department of Correction may not deny funds to a county to support both a residential program and a day reporting center if the Department of Correction determines that the county has a demonstrated need and a fully developed plan for each type of sanction.

SECTION 18.8.(e) The Department of Correction shall report by March 1 of each year to the Chairs of the House of Representatives and Senate Appropriations Committees, the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety, and the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee on the status of the State-County Criminal Justice Partnership Program. The report shall include the following information:

(1) The amount of funds carried over from the prior fiscal year;
(2) The dollar amount and purpose of grants awarded to counties as discretionary grants for the current fiscal year;
(3) Any counties the Department anticipates will submit requests for new implementation grants;
(4) An update on efforts to ensure that all counties make use of the electronic reporting system, including the number of counties submitting offender participation data via the system;
(5) An analysis of offender participation data received, including data on each program's utilization and capacity;
(6) An analysis of comparable programs prepared by the Division of Research and Planning, Department of Correction, including a comparison of programs in each program type on selected outcome measures developed by the Division of Community Corrections in consultation with the Fiscal Research Division and the Division of Research and Planning, and a summary of the reports prepared by county Criminal Justice Partnerships Advisory Boards;
(7) A review of whether each sentenced offender program is meeting established program goals developed by the Division of Community Corrections in consultation with the Division of Research and Planning and the State Criminal Justice Partnership Advisory Board;
(8) The number of community offenders and intermediate offenders served by each county program;
(9) The amount of Criminal Justice Partnership funds spent on community offenders and intermediate offenders; and
(10) A short description of the services and programs provided by each partnership, including who the service providers are and the amount of funds each service provider receives.

SWANNANOA CORRECTIONAL CENTER FOR WOMEN

SECTION 18.9. The Department of Correction shall relocate the fence at Swannanoa Correctional Center for Women so that the school building is located on the side of the campus housing the Department of Correction facilities, and the Department shall retain the sight and sound barrier between the adults and juveniles at the center.

INMATE MEDICAL COST CONTAINMENT

SECTION 18.10.(a) The Department of Correction shall reimburse those providers and facilities providing approved inmate medical services outside the correctional facility the lesser amount of either a rate of seventy percent (70%) of the provider's then-current prevailing charge or two times the then-current Medicaid rate for any given service. The Department shall have the right to audit any given provider to determine the actual prevailing charge to ensure compliance with this provision.

This section does apply to vendors providing services that are not billed on a fee-for-service basis, such as temporary staffing. Nothing in this section shall preclude the Department from contracting with a provider for services at rates that provide greater documentable cost avoidance for the State than do the rates contained in this section or at rates that are less favorable to the State but that will ensure the continued access to care.

SECTION 18.10.(b) The Department of Correction shall make every effort to contain inmate medical costs by making use of its own hospital and health care facilities to provide health care services to inmates. To the extent that the Department of Correction must utilize other facilities and services to provide health care services to inmates, the Department shall make reasonable efforts to make use of hospitals or other providers with which it has a contract or, if none is reasonably available, hospitals with available capacity or other health care facilities in a region to accomplish that goal. The Department shall make reasonable efforts to equitably distribute inmates among all hospitals or other appropriate health care facilities. With respect to any single hospital, the Department of Correction shall continue to make its best effort to seek admission of the number of inmates representing no more than nine percent (9%) of all inmates requiring hospitalization or hospital services on an annual basis beginning in the 2011-2012 fiscal year, unless the failure to do so would jeopardize the health of an inmate or unless a higher level is agreed to by contract. The Department shall also give preference to those hospitals or other health care facilities in the same county or an adjoining county to the correctional facility where an inmate requiring hospitalization is incarcerated. The Department will continue these efforts until it has reached a number which represents no more than five percent (5%) of all inmates requiring hospitalization or hospital services on an annual basis at any single hospital by July 1, 2013, unless the failure to do so would jeopardize the health of an inmate or unless a higher level is agreed to by contract.

SECTION 18.10.(c) G.S. 131E-77 is amended by adding a new subsection to read:

"(a1) As a condition of licensure, hospitals licensed under this Article shall treat inmates in the custody of the Department of Correction, unless a hospital lacks the capacity or capability to provide such treatment."

SECTION 18.10.(d) The Department of Correction shall report to the Joint Legislative Commission on Governmental Operations no later than November 1, 2011, and quarterly thereafter on:

(1) The volume of services provided by community medical providers that can be scheduled in advance and, of that volume, the percentage of those services that are provided by contracted providers; and

(2) The volume of services provided by community medical providers that cannot be scheduled in advance and, of that volume, the percentage of those services that are provided by contracted providers.

DEPARTMENT OF CORRECTION RULES FOR INMATE LABOR

SECTION 18.12. G.S. 148-26 is amended by adding a new subsection to read:

"(g) The Department of Correction shall establish rules, standards, and procedures for establishing inmate labor services contracts with any county or municipality expressing interest in contracting for inmate labor."

(5) The number and role of paraprofessionals in supervising low-risk caseloads;
(6) An update on the Department's implementation of the recommendations contained in the National Institute of Correction study conducted on the Division of Community Corrections in 2004 and 2008;
(7) The process of assigning offenders to an appropriate supervision level based on a risk assessment and an examination of other existing resources for assessment and case planning, including the Sentencing Services Program in the Office of Indigent Defense Services and the range of screening and assessment services provided by the Division of Mental Health, Developmental Disability, and Substance Abuse Services in the Department of Health and Human Services; and
(8) Data on cases supervised solely for the collection of court-ordered payments.

SECTION 18.13.(b) The Department of Correction shall conduct a study of probation/parole officer workload. The study shall include analysis of the type of offenders supervised, the distribution of the probation/parole officers' time by type of activity, the caseload carried by the officers, and comparisons to practices in other states. The study shall be used to determine whether the caseload goals established by the Structured Sentencing Act are still appropriate, based on the nature of the offenders supervised and the time required to supervise those offenders.

SECTION 18.13.(c) The Department of Correction shall report the results of the study and recommendations for any adjustments to caseload goals to the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety by January 1, 2013.

SECTION 18.13.(d) The Department of Correction shall report by March 1 of each year to the Chairs of the House and Senate Appropriations Committees, the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety, and the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee on the following:

(1) The number of sex offenders enrolled on active and passive GPS monitoring.
(2) The caseloads of probation officers assigned to GPS-monitored sex offenders.
(3) The number of violations.

(2) Whether air quality standards would be violated based on (i) existing air quality standards adopted under Article 21B of Chapter 143 of the General Statutes and (ii) revised air quality standards, including a revised standard for ozone, that are currently being considered for adoption by the United States Environmental Protection Agency.

(3) Whether the State would be in jeopardy of being found to be out of conformity such that its State and local transportation plans would interfere with the State's ability to attain federal air standards, resulting in loss of future federal transportation funds.

SECTION 1. The Charter of the Town of Belhaven, being Chapter 714, Session Laws of 1969, is amended by adding a new section to read:

"Sec. 4.8. **Recall.**

(a) The Mayor and members of the Board of Aldermen are subject to removal pursuant to this section. An officer is removed upon the filing of a sufficient recall petition and the election of another person in a recall election.

(b) A recall petition shall be filed with the Town Clerk, who shall immediately forward the petition to the board of elections that conducts elections for the Town of Belhaven. The petition shall contain a general statement of the grounds for which removal is sought. A petition to recall the Mayor or a member of the Board of Aldermen shall bear the signatures equal in number to at least twenty-five percent (25%) of the registered voters of the Town of Belhaven.

The board of elections shall verify the petition signatures are those of only registered voters in the Town of Belhaven and are sufficient in number. Each petition submitted shall contain the name of only one officer to be recalled. Multiple qualified petitions may be filed simultaneously with the Town Clerk in which case the name of the officer on each petition, once certified, shall be included in the recall election.

(c) If the petition shall be found to be sufficient, the board of elections shall set a date for holding an election for the remainder of the unexpired term, such election to be held not less than 60 days nor more than 120 days from the date of certification that a sufficient petition has been filed. Candidates' names shall be placed on the ballot, the election held, and the results canvassed, under the same rules, conditions, and regulations as provided under Section 4.4 of this Charter and under Chapter 163 of the General Statutes. Opening and closing dates for candidate filing shall be set by the county board of elections, and notice of the election shall be published at least three days prior to the opening of candidate filing. The election shall be conducted under the nonpartisan election and runoff election method set forth in G.S. 163-293, except that no runoff shall be held if the candidate with the highest number of votes receives forty percent (40%) or more of the votes cast, with a similar rule to apply if more than one Board of Aldermen member is being recalled.

(d) The successor of any officer so removed shall hold office for the unexpired term of the predecessor. Any person sought to be removed may be a candidate to succeed himself. Notwithstanding Section 4.4 of this Charter, unless that incumbent requests otherwise in writing, the incumbent's name shall be placed on the official ballot without filing. At the election, if some other person than the incumbent is elected, the incumbent shall thereupon be deemed removed from the office upon the taking of the oath of office of the successor. The registered voters of the Town of Belhaven are eligible to vote in an election to recall the Mayor or a member of the Board of Aldermen.

(e) No petition to recall an officer may be filed within six months of the officer's election nor within seven months before the expiration of the officer's term. No more than one election may be held to recall an officer within a single term of office of that officer."

AN ACT TO ALLOW RECALL OF MEMBERS OF THE BURKE COUNTY BOARD OF EDUCATION.

The General Assembly of North Carolina enacts:

SECTION 1. Any member of the Burke County Board of Education may be removed from office in the manner provided for in this act.

SECTION 2.(a) Any registered voter of the Burke County School Administrative Unit may make and file with the Board of Elections of Burke County an affidavit containing the name of the official whose removal is sought and a general statement of the grounds alleged for removal. The supervisor of elections shall thereupon deliver to the registered voter making such affidavit copies of petitions for demanding such a removal, printed forms of which the supervisor of elections shall keep on hand. Such blank forms shall be issued by the supervisor of elections with his or her signature thereto attached and shall be dated and addressed to the Board of Elections of Burke County, indicate the person to whom issued, state the name of the official whose removal is sought, and shall contain the general statement of the grounds on which the removal is sought as alleged in the affidavit.

SECTION 2.(b) A copy of the petition shall be promptly delivered to the Superintendent of the Burke County School Administrative Unit, who shall enter the copy of the petition in a record book kept for that purpose in the office of the superintendent. A recall petition to be effective must be returned within 30 days after the filing of the affidavit and, to be sufficient, must bear the signatures of registered voters of the school administrative unit equal in number to at least fifteen percent (15%) of the registered voters of the school administrative unit as shown by the registration records of the last preceding general school administrative unit election.

SECTION 2.(c) The signatures to the petition need not all be appended to one paper, but each signer shall add the signer's place of residence, giving the residence address, including town. One of the signers of each such paper shall take an oath before an officer competent to administer oaths that each signature to the paper appended is the genuine signature of the person whose name it purports to be.

SECTION 2.(d) The Board of Elections of Burke County shall investigate the sufficiency of any such petition and certify the results of such investigation to the Board of Education. The Board of Elections may employ such persons as it deems necessary to undertake such investigations, and the reasonable cost of such investigation shall be reimbursed to the Board of Elections by the school administrative unit. The Board of Elections may adopt such rules and regulations as it deems necessary or advisable concerning the validation of signatures appearing on the recall petition.

SECTION 2.(e) The Board of Elections shall complete its investigation and issue its certification of the results of such investigation within 15 days after the filing of any such petition. If, by the Board of Elections' certification, the petition is shown to be insufficient, it may be amended within 10 days from the date of said certificate. The Board shall, within 10 days after such amendment, make like examination of the amended petition, and if its certificate shall show the same to be insufficient, it shall be returned to the person filing the same, without prejudice, however, to the filing of a new petition to the same effect.

SECTION 2.(f) Upon a determination that a sufficient recall petition has been submitted, the Board of Elections shall order and fix a date for holding a recall election. Subject to the remaining provisions of this subsection, any such election shall be held not less than 60 or more than 90 days after the petition has been certified as being sufficient. If any other primary, general, or special election is scheduled within such period, the Board of Elections shall schedule the special election at the same time. If the provisions of general law prohibit the holding of special elections during the time aforesaid, and no general or special election is otherwise scheduled during said period of time, then the Board of Elections shall schedule the special recall election for some date within 10 days after the last day of the period of time during which special elections are prohibited by general law.

SECTION 2.(g) The Burke County Board of Elections shall cause legal notice of the election to be published, the notice to include the general statement of the grounds on which the recall is sought as alleged in the affidavit, and shall make all arrangements for holding such election in accordance with general law, and the same shall be conducted, returned, and the results thereof declared in all respects as other school administrative unit elections in the Burke County School Administrative Unit. The reasonable costs of such election shall be reimbursed to the Board of Elections by the school administrative unit.

SECTION 2.(h) The question of recalling any number of officials may be submitted at the same election, but, as to each such official, a separate petition shall be filed, and there shall be an entirely separate ballot.

SECTION 2.(i) The ballots used in a recall election shall submit the following proposition:

"[ ] FOR [ ] AGAINST
Recall of (name and title of official)."

SECTION 2.(j) If less than a majority of the votes cast on the question of recalling an official be for recall, the official shall continue in office for the remainder of the unexpired term, but, except as provided by Section 3(a) of this act, subject to the recall as before. If a majority of such votes be for the recall of the official designated on the ballot, the official shall, regardless of any defects in the recall petition, be deemed removed from office.

SECTION 2.(k) If an official is removed from office as a result of a recall election, the vacancy so caused shall be filled in the manner provided by law for filling vacancies in such office. An official removed from office by the voters as a result of a recall election shall not be appointed to fill the vacancy caused by that official's own removal or resignation.

SECTION 3.(a) No recall petition shall be filed during that term of office against an officer who has been subjected to a recall election and not removed thereby.

SECTION 3.(b) No recall petition shall be filed against an officer during either the first or last six months of the term of that office. If a person is serving only until an election shall be held to fill the office for the remainder of a term, no recall petition shall be filed against that officer during the six-month period before that election.

AN ACT TO ENACT THE COMMERCIAL REAL ESTATE BROKER LIEN ACT.

The General Assembly of North Carolina enacts:

SECTION 1. Article 2 of Chapter 44A of the General Statutes is amended by adding a new Part to read:

"Part 4. Commercial Real Estate Broker Lien Act.

"**§ 44A-24.1. Short title.**

This Part shall be known and may be cited as the 'Commercial Real Estate Broker Lien Act.'

"**§ 44A-24.2. Definitions.**

The following definitions apply in this Part:

(1) Broker. – A real estate broker licensed pursuant to Chapter 93A of the General Statutes.

(2) Broker services. – Services for which a license issued by the North Carolina Real Estate Commission is required pursuant to Chapter 93A of the General Statutes.

(3) Commercial real estate. – Any real property or interest therein, whether freehold or nonfreehold, which at the time the property or interest is made the subject of an agreement for broker services:

a. Is lawfully used primarily for sales, office, research, institutional, warehouse, manufacturing, industrial, or mining purposes or for multifamily residential purposes involving five or more dwelling units;

b. May lawfully be used for any of the purposes listed in subdivision (3) of this section by a zoning ordinance adopted pursuant to the provisions of Article 18 of Chapter 153A or Article 19 of Chapter 160A of the General Statutes or which is the subject of an official application or petition to amend the applicable zoning ordinance to permit any of the uses listed in subdivision (3) of this section which is under consideration by the government agency with authority to approve the amendment; or

c. Is in good faith intended to be immediately used for any of the purposes listed in subdivision (3) of this section by the parties to any contract, lease, option, or offer to make any contract, lease, or option.

(4) Commission. – Any compensation which is due a broker for performance of broker services.

(5) Lien claimant. – A broker claiming a lien pursuant to this Part.

(6) Owner. – The owner of record of any interest in commercial real estate.

"**§ 44A-24.3. Commercial real estate lien.**

(a) A broker shall have a lien upon commercial real estate in the amount that the broker is due under a written agreement for broker services signed by the owner or signed by the owner's duly authorized agent, if:

(1) The broker has performed under the provisions of the agreement;

(2) The written agreement for broker services clearly sets forth the broker's duties to the owner; and

(3) The written agreement for broker services sets forth the conditions upon which the compensation shall be earned and the amount of such compensation.

(b) The lien under this section shall be available only to the broker named in the instrument signed by the owner or the owner's duly authorized agent. A lien under this section

shall be available only against the commercial real estate which is the subject of the written agreement for broker services.

(c) When payment of commission to a broker is due in installments, a portion of which is due only after the conveyance or transfer of the commercial real estate, any notice of lien for those payments due after the transfer or conveyance may be recorded at any time subsequent to the transfer or conveyance of the commercial real estate and within 90 days of the date on which the payment is due. The notice of lien shall be effective as a lien against the owner's interest in the commercial real estate only to the extent funds are owed to the owner by the transferee, but the lien shall be effective as a lien against the transferee's interest in the commercial real estate. A single claim for lien filed prior to transfer or conveyance of the commercial real estate claiming all commissions due in installments shall also be valid and enforceable as it pertains to payments due after the transfer or conveyance; provided, however, that as payments or partial payments of commission are received, the broker shall provide partial releases for those payments, thereby reducing the amount due the broker under the broker's lien.

"**§ 44A-24.4. When lien attaches to commercial real estate.**

A lien authorized by this Part attaches to the commercial real estate only when the lien claimant files a timely notice of the lien conforming to the requirements of G.S. 44A-24.5 and this section in the office of the clerk of superior court. A notice of lien is timely if it is filed after the claimant's performance under the written agreement for broker services and before the conveyance or transfer of the commercial real estate which is the subject of the lien, except that in the case of a lease or transfer of a nonfreehold interest, the notice of a lien shall be filed no later than 90 days following the tenant's possession of the commercial real estate or no later than 60 days following any date or dates set out in the written agreement for broker services for subsequent payment or payments. When a notice of a lien is filed more than 30 days preceding the date for settlement or possession set out in an offer to purchase, sales contract, or lease, which establishes the broker's claim of performance, the lien shall be available only upon grounds of the owner's breach of the written agreement for broker services.

"**§ 44A-24.5. Lien notice; content.**

(a) A lien notice under this Part shall be signed by the lien claimant and shall contain an attestation by the lien claimant that the information contained in the notice is true and accurate to the best of the lien claimant's knowledge and belief.

(b) The lien notice shall include all of the following information:

(1) The name of the lien claimant.

(2) The name of the owner.

(3) A description of the commercial real estate upon which the lien is being claimed.

(4) The amount for which the lien is claimed and whether the amount is due in installments.

(5) The claimant's grounds for the lien, including a reference to the written agreement for broker services that is the basis for the lien.

"**§ 44A-24.6. When lien claim release or satisfaction to be filed.**

If a claim for a lien has been filed with the clerk of superior court and a condition occurs that would preclude the lien claimant from receiving compensation under the terms of the written agreement for broker services on which the lien is based, the lien claimant shall file and serve the owner of record a written release or satisfaction of the lien promptly, and in no event more than 30 days after the demand.

"**§ 44A-24.7. Lien claimant to mail copy of notice of lien to owner by certified mail.**

Any lien claimant who files a lien on commercial real estate pursuant to the provisions of this Part shall mail a copy of the notice of the lien to the owner of the commercial real estate by certified mail, return receipt requested, or shall serve a copy of the notice of the lien in accordance with any of the provisions for service of process set forth in G.S. 1A-1, Rule 4. The

lien claimant shall file proof of service with the clerk of the superior court. The lien is void if the lien claimant does not file and serve the lien as provided in this Part.

"**§ 44A-24.8. Enforcing lien.**

A lien claimant may bring suit to enforce a lien which attaches pursuant to the provisions of this Part in any court of competent jurisdiction in the county where the commercial real estate is located. The lien claimant shall commence proceedings within 18 months after filing the lien, and failure to commence proceedings within the 18 months shall extinguish the lien. If a claim is based upon an option to purchase the commercial real estate, the lien claimant shall commence proceedings within one year of the option to purchase being exercised. A claim for the same lien extinguished pursuant to this section and G.S. 44A-24.10 may not be asserted in any subsequent proceeding. A lender shall not be made a party to any suit to enforce a lien under this Part unless the lender has willfully caused the nonpayment of the commission giving rise to the lien.

"**§ 44A-24.9. Complaint; content; parties' foreclosure action; procedure.**

(a) A complaint filed pursuant to the provisions of this section and G.S. 44A-24.8 shall contain all of the following:

(1) A statement of the terms of the written agreement for broker services on which the lien is based or a copy of the written contract or agreement.

(2) The date when the written agreement for broker services was made.

(3) A description of the services performed.

(4) The amount due and unpaid.

(5) A description of the property that is subject to the lien.

(6) Any other facts necessary for a full understanding of the rights of the parties.

(b) The plaintiff shall file the action against all parties that have an interest of record in the commercial real estate; provided that a lender shall not be made a party to any suit to enforce a lien under this Part unless the lender has willfully caused the nonpayment of the commission giving rise to the lien: a foreclosure action for a lien claimed pursuant to this Part shall be brought pursuant to the provisions of this Article.

(c) Valid prior recorded liens or mortgages shall have priority over a lien under this Part.

"**§ 44A-24.10. Lien extinguished for lien claimant failing to file suit or answer in pending suit within 30 days after service on owner.**

If a lien claimant fails to file a suit to enforce the lien or fails to file an answer in a pending suit to enforce a lien within 30 days after a properly served written demand of the owner, lienee, or other authorized agent, the lien shall be extinguished. Service of the demand shall be by registered or certified mail, return receipt requested, or by personal service. The claimant shall file proof of properly served written demand with the clerk of the superior court. The provisions of this section shall not extend to any other deadline provided by law for the filing of any pleadings or for the foreclosure of any lien governed by this Part.

"**§ 44A-24.11. Satisfaction or release of lien.**

If a claim for a lien has been filed pursuant to the provisions of this Part with the clerk of superior court and the claim has been paid in full, or if the lien claimant fails to institute a suit to enforce the lien within the time as provided by law, the lien claimant shall acknowledge satisfaction or release of the lien in writing upon written demand of the owner promptly, and in no event more than 30 days after the demand.

"**§ 44A-24.12. Cost of proceeding to be paid by nonprevailing party.**

The costs of any proceeding brought to enforce a lien filed pursuant to this Part, including reasonable attorneys' fees and prejudgment interest due to the prevailing party, shall be paid by the nonprevailing party or parties. If more than one party is responsible for costs, fees, and prejudgment interest, the costs, fees, and prejudgment interest shall be equitably apportioned by the court among the responsible parties.

"§ **44A-24.13. Discharge of lien.**

(a) Unless an alternative procedure is available and is acceptable to the transferee in a real estate transaction, any claim of lien on commercial real estate filed under this Article may be discharged by any of the following methods:

(1) The lien claimant of record, the claimant's agent, or attorney, in the presence of the clerk of superior court, may acknowledge the satisfaction of the claim of lien on the commercial real estate indebtedness, whereupon the clerk of superior court shall enter on the record of the claim of lien on the commercial real estate the acknowledgment of satisfaction, which shall be signed by the lien claimant of record, the claimant's agent, or attorney, and witnessed by the clerk of superior court.

(2) The owner may exhibit an instrument of satisfaction signed and acknowledged by the lien claimant of record, which instrument states that the claim of lien on the commercial real estate indebtedness has been paid or satisfied, whereupon the clerk of superior court shall cancel the claim of lien on the commercial real estate by entry of satisfaction on the record of the claim of lien on the commercial real estate.

(3) By failure to enforce the claim of lien on the commercial real estate within the time prescribed in this Article.

(4) By filing in the office of the clerk of superior court the original or certified copy of a judgment or decree of a court of competent jurisdiction showing that the action by the claimant to enforce the claim of lien on the commercial real estate has been dismissed or finally determined adversely to the claimant.

(5) Whenever funds in an amount equal to one hundred twenty-five percent (125%) of the amount of the claim of lien on the commercial real estate is deposited with the clerk of superior court to be applied to the payment finally determined to be due, whereupon the clerk of superior court shall cancel the claim of lien on the commercial real estate.

(6) Whenever a corporate surety bond, in an amount equal to one hundred twenty-five percent (125%) of the amount of the claim of lien on the commercial real estate and conditioned upon the payment of the amount finally determined to be due in satisfaction of the claim of lien on the commercial real estate is deposited with the clerk of superior court, whereupon the clerk of superior court shall cancel the claim of lien on the commercial real estate.

(7) By failure to file documentation if required pursuant to G.S. 44A-24.6 or G.S. 44A-24.10.

(b) If funds in an amount equal to one hundred twenty-five percent (125%) of the amount that is sufficient to release the claim of lien have been deposited with the clerk of superior court, or a bond in an equal amount has been secured, the lien claimant shall release the claim for the lien on the commercial real estate, and the lien claimant shall have a lien on the funds deposited with the clerk of superior court.

"§ **44A-24.14. Priority of lien under this Part.**

Any claim of lien on real property or claim of lien on funds allowed under Part 1 or Part 2 of this Article shall be deemed superior in all respects to any lien asserted under this Part, regardless of the effective date of the competing liens and shall survive notwithstanding any judgment awarding a lien under this Part. No lien claimant filing a lien pursuant to this Part shall be entitled to participate in any pro rata distributions to claimants proceeding under G.S. 44A-21."

Became law upon approval of the Governor at 11:25 a.m. on the 20th day of June, 2011.

Session Law 2011-186 **H.B. 45**

AN ACT TO ALLOW THE USE OF RISK-BASED REMEDIATION TO ACCELERATE THE CLEANUP OF CONTAMINATED INDUSTRIAL SITES FOR THE PURPOSE OF LIMITING HUMAN AND ENVIRONMENTAL EXPOSURE TO SAFE LEVELS, TO PROTECT CURRENT AND LIKELY FUTURE USES OF GROUNDWATER, AND TO ENSURE THE COST-EFFECTIVE APPLICATION OF LIMITED PUBLIC AND PRIVATE RESOURCES.

Whereas, the General Assembly finds that public health, safety, and welfare and the environment can be protected by implementing a remediation process that requires that contaminated industrial sites be cleaned up to a level that is sufficient to ensure protection of public health, safety, and welfare and the environment without excessive expenditure of public or private resources; and

Whereas, the General Assembly finds that there are contaminated industrial sites in North Carolina, including land and other property, surface water, and groundwater, that are adversely affected by environmental contamination due to the presence of drilling waste; hazardous and toxic materials, substances, and wastes; solid waste; oil; and other wastes, contaminants, and regulated substances; and

Whereas, the General Assembly finds that the presence of environmental contamination on industrial sites creates both potential and actual harm to public health, safety, and welfare and to the environment; and

Whereas, the General Assembly finds that this potential and actual harm results in substantial economic losses, including reduced property values and tax revenues, decreased ability to develop and expand the beneficial use of these sites, and other opportunity costs because of the uncertainties and concerns that result from the environmental contamination of these sites; and

Whereas, the General Assembly finds that it is in the public interest that contaminated industrial sites are cleaned up or managed in a manner that protects public health, safety, and welfare and the environment and protects groundwater that is a current or probable future water supply; and

Whereas, the General Assembly finds that North Carolina has numerous and varied State-managed remediation programs to address environmental contamination, including the Inactive Hazardous Sites Response Act of 1987; the hazardous waste management program administered by the State pursuant to the federal Resource Conservation and Recovery Act of

1976; the Leaking Petroleum Underground Storage Tank Cleanup Act of 1988; the Brownfields Property Reuse Act of 1997; the Dry-Cleaning Solvent Cleanup Act of 1997; the federal Superfund program administered in part by the State pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 and the Superfund Amendments and Reauthorization Act of 1986; and the groundwater protection rules adopted by the Environmental Management Commission; and

Whereas, the General Assembly finds that the expenditure of public and private resources on unnecessary remediation could better be channeled to other purposes, including new development, renovation and repair, research and development, training and education, and other activities that maintain and enhance North Carolina's competitive position in the world and the excellent quality of life enjoyed by the citizens of North Carolina; and

Whereas, the General Assembly finds that North Carolina's groundwater is a valuable public and private resource, serving as the drinking water source for one-half of the State's population and also as a water supply for industrial and commercial uses; and

Whereas, the General Assembly finds that maintenance of North Carolina's surface water and groundwater resources will become increasingly important to the continued economic vitality of the State in the future; and

Whereas, the General Assembly finds that use of site-specific remediation standards based on an objective, scientific, and uniform approach to the evaluation of the risk posed by each contaminated site can be protective of public health, safety, and welfare and the environment; and

Whereas, the General Assembly finds that use of site-specific remediation standards in appropriate circumstances may encourage accelerated cleanup of contaminated industrial sites; and

Whereas, the General Assembly intends that the levels of remediation that are established for each contaminated site are to be applicable or relevant under federal remediation programs; and

Whereas, the General Assembly intends that the protections afforded to public health, safety, and welfare and to the environment by existing environmental, health, and safety standards that apply to ongoing activities not be diminished in any way, in order that those standards will continue to protect against the discharge or release of contaminants to the environment that would result in additional contaminated sites; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 130A-310.62 through G.S. 130A-310.64 are reserved for future codification purposes.

"**§ 130A-310.68. Remediation standards.**

(a) When conducting remediation activities pursuant to this Part, a person who proposes to or is required to respond to the release of a contaminant at a contaminated industrial site shall comply with one of the following standards:

(1) The unrestricted use standards applicable to each affected medium.

(2) The background standard, if the background standard exceeds the unrestricted use standards.

(3) A site-specific remediation standard developed in accordance with subsection (b) of this section that is approved by the Department.

(4) Any combination of remediation standards described in this subsection that is approved by the Department.

(b) Site-specific remediation standards shall be developed for each medium as provided in this subsection to achieve remediation that eliminates or reduces to protective levels any substantial present or probable future risk to human health, including sensitive subgroups, and the environment based upon the present or currently planned future use of the property comprising the site. Site-specific remediation standards shall be developed in accordance with all of the following:

(1) Remediation methods and technologies that result in emissions of air pollutants shall comply with applicable air quality standards adopted by the Commission.

(2) The site-specific remediation standard for surface waters shall be the water quality standards adopted by the Commission.

(3) The current and probable future use of groundwater shall be identified and protected. Site-specific sources of contaminants and potential receptors shall be identified. Potential receptors must be protected, controlled, or eliminated whether the receptors are located on or off the site where the source of contamination is located. Natural environmental conditions affecting the fate and transport of contaminants, such as natural attenuation, shall be determined by appropriate scientific methods.

(4) Permits for facilities located at sites covered by any of the programs or requirements set out in G.S. 130A-310.67(a) shall contain conditions to avoid exceedances of applicable groundwater standards adopted by the Commission pursuant to Article 21 of Chapter 143 of the General Statutes due to operation of the facility.

(5) Soil shall be remediated to levels that no longer constitute a continuing source of groundwater contamination in excess of the site-specific groundwater remediation standards approved under this Part.

(6) Soil shall be remediated to unrestricted use standards on residential property with the following exceptions:

a. For mixed-use developments where the ground level uses are nonresidential and where all potential exposure to contaminated soil has been eliminated, the Department may allow soil to remain on the site in excess of unrestricted use standards.

b. If soil remediation is impracticable because of the presence of preexisting structures or impracticability of removal, all areas of the real property at which a person may come into contact with soil shall be remediated to unrestricted use standards, and, on all other areas of the real property, engineering and institutional controls that are sufficient to protect public health, safety, and welfare and the environment shall be implemented and maintained.

(7) The potential for human inhalation of contaminants from the outdoor air and other site-specific indoor air exposure pathways shall be considered, if applicable.

(8) The site-specific remediation standard shall protect against human exposure to contamination through the consumption of contaminated fish or wildlife and through the ingestion of contaminants in surface water or groundwater supplies.

(9) For known or suspected carcinogens, site-specific remediation standards shall be established at exposures that represent an excess lifetime cancer risk of one in 1,000,000. The site-specific remediation standard may depart from the one-in-1,000,000 risk level based on the criteria set out in 40 Code of Federal Regulations § 300.430(e)(9) (July 1, 2003 Edition). The cumulative excess lifetime cancer risk to an exposed individual shall not be greater than one in 10,000 based on the sum of carcinogenic risk posed by each contaminant present.

(10) For systemic toxicants, site-specific remediation standards shall represent levels to which the human population, including sensitive subgroups, may be exposed without any adverse health effect during a lifetime or part of a lifetime. Site-specific remediation standards for systemic toxicants shall incorporate an adequate margin of safety and shall take into account cases where two or more systemic toxicants affect the same organ or organ system.

(11) The site-specific remediation standards for each medium shall be adequate to avoid foreseeable adverse effects to other media or the environment that are inconsistent with the risk-based approach under this Part.

"§ **130A-310.69. Remedial investigation report; remedial action plans.**

(a) A person who proposes to conduct remediation pursuant to this Part shall submit a remedial investigation report to the Department prior to submitting a remedial action plan. The remedial investigation report shall include, but is not limited to, a legal description of the location of the site; a map showing the location of the site; a description of the contaminants involved and their concentration in the media of the site; a narrative description of the methodology used in the investigation; a description of all on-site releases of contamination; a

site map, drawn to scale, showing benchmarks, directional arrow, location of property boundaries, buildings, structures, all perennial and nonperennial surface water features, drainage ditches, dense vegetation, contaminant spill or disposal areas, underground utilities, storage vessels, and existing on-site wells; identification of adjacent property owners and adjacent land uses; description of local geologic and hydrologic conditions; an evaluation of the site and adjacent properties for the existence of environmentally sensitive areas; a description of groundwater monitoring well design and installation procedures; a map, drawn to scale, that shows all groundwater sample locations; a description of field and laboratory quality control and quality assurance procedures followed during the remedial investigation; a description of methods used to manage investigation-derived wastes; tabulation of analytical results for all sampling; copies of all laboratory reports; a description of procedures and the results of any special assessments; and any other information required by the Department or considered relevant by the investigator. The remedial investigation shall assess all contaminated areas of the site, including types and levels of contamination, and the risk that the contamination poses to public health, safety, and welfare and to the environment.

(b) A person who proposes to conduct remediation pursuant to this Part shall develop and submit a proposed remedial action plan to the Department. A remedial action plan shall provide for the protection of public health, safety, and welfare and the environment. A remedial action plan shall do all of the following:

(1) Identify actions required to remove, treat, or otherwise appropriately mitigate or isolate the source of contamination to ensure that the source will not cause unrestricted use standards to be exceeded in any medium.

(2) Address contamination that moves from one medium to another in order to prevent a violation of the remediation standards established under G.S. 130A-310.68. A more stringent remediation standard may be required for a particular medium to control impact on other media.

(3) Identify the current and anticipated future uses of property comprising the contaminated site and address any concerns raised in public comment on the proposed remedial action plan as to the proposed future uses of the property.

(4) Identify the current and anticipated future uses of groundwater in the contaminated site and address any concerns raised in public comment on the proposed remedial action plan as to the future uses of groundwater.

(5) Determine the appropriate method of remediation to achieve the site-specific remediation standards.

(6) Specify any measures that may be necessary to prevent adverse effects to the environment that may occur at levels of contamination that are lower than the standard necessary to protect human health.

(7) Specify any measures that may be necessary to prevent any discharge into surface waters during implementation of the remedial action plan that violates applicable surface water quality standards adopted by the Commission.

(8) Specify any measures that may be necessary to prevent any air emission during implementation of the remedial action plan that violates applicable air quality standards adopted by the Commission.

(9) Provide for attainment and maintenance of the remediation standards established under G.S. 130A-310.68.

(10) Provide for methods and procedures to verify that the quantity, concentration, range, or other measure of each contaminant remaining at the contaminated site at the conclusion of the contaminant-reduction phase of remediation meets the remediation standards established for the site, that an acceptable level of risk has been achieved, and that no further remediation is required.

(11) Provide for the imposition and recordation of land-use restrictions as provided in G.S. 143B-279.9, 143B-279.10, 130A-310.3(f), 130A-310.8, 130A-310.35, 143-215.84(f), and 143-215.85A if the remedial action plan allows contamination in excess of the greater of unrestricted use standards or background standards to remain on any real property or in groundwater that underlies any real property.

(12) Provide for submission of an annual certification to the Department by the property owner that land use at the site is in compliance with land-use restrictions recorded pursuant to this Part and that the land-use restrictions are still properly recorded in the chain of title for the property.

(13) Provide a detailed description of the proposed remedial action to be taken; the results of any treatability studies and additional site characterization needed to support the proposed remedial action; plans for postremedial and confirmatory sampling; a project schedule; a schedule for progress reports to the Department; and any other information required by the Department or considered relevant by the person who submits the proposed remedial action plan.

(14) Provide a description of measures that will be employed to ensure that the safety and health of persons on properties in the vicinity of the site and persons visiting or doing business on the site will not be adversely affected by any remediation activity.

(15) Provide a reasonable estimate of the probable cost of the remedial action sufficient for the Department to determine an acceptable level of financial assurance.

(16) Provide proof of financial assurance as required by G.S. 130A-310.72.

(c) A remedial action plan shall also include an analysis of each of the following factors:

(1) Long-term risks and effectiveness of the proposed remediation, including an evaluation of all of the following:

a. The magnitude of risks remaining after completion of the remediation.

b. The type, degree, frequency, and duration of any postremediation activity that may be required, including, but not limited to, operation and maintenance, monitoring, inspection, reports, and other activities necessary to protect public health, safety, and welfare and the environment.

c. Potential for exposure of human and environmental receptors to contaminants remaining at the site.

d. Long-term reliability of any engineering and voluntary institutional controls, including repair, maintenance, or replacement of components.

e. Time required to achieve remediation standards.

(2) Toxicity, mobility, and volume of contaminants, including the amount of contaminants that will be removed, contained, treated, or destroyed; the degree of expected reduction in toxicity, mobility, and volume; and the type, quantity, toxicity, and mobility of contaminants that will remain after implementation of the remedial action plan.

(3) Short-term risks and effectiveness of the remediation, including the short-term risks that may be posed to the community, workers, or the environment during implementation of the remedial action plan, and the effectiveness and reliability of protective measures to address short-term risks.

(4) The ease or difficulty of implementing the remedial action plan, including commercially available remedial measures; expected operational reliability; available capacity and location of needed treatment, storage, and disposal services for wastes; time to initiate remediation; and approvals necessary to implement the remediation.

(d) The development of a remedial action plan may require supplemental submissions and revisions based on Department review, remedial action pilot studies, and public comment from local government and citizens.

"§ **130A-310.70. Notice of intent to remediate.**

In addition to the public participation requirements of the individual programs listed in G.S. 130A-310.67(a), the person who proposes to remediate a site under this Part shall send a notice of intent to remediate to all local governments having taxing or land-use jurisdiction over the site, and to all adjoining landowners. The notice shall include all of the information required in G.S. 130A-310.69(a) and include a statement of intent to clean up the site to site-specific remediation standards. The person shall submit to the Department a copy of the notice of intent provided to local governments and adjoining landowners, a certification that the notice of intent to remediate was so provided to those parties, and all information and comments that the person received in response to the notice. In addition, the person shall, when appropriate, describe how the remedial action plan was modified to address comments received in response to the notice.

"§ **130A-310.71. Review and approval of proposed remedial action plans.**

(a) The Department shall review and approve a proposed remedial action plan consistent with the remediation standards set out in G.S. 130A-310.68 and the procedures set out in this section. In its review of a proposed remedial action plan, the Department shall do all of the following:

(1) Determine whether site-specific remediation standards are appropriate for a particular contaminated site. In making this determination, the Department shall consider proximity of the contamination to water supply wells or other receptors; current and probable future reliance on the groundwater as a water supply; current and anticipated future land use; environmental impacts; and the feasibility of remediation to unrestricted use standards.

(2) Determine whether the party conducting the remediation has adequately demonstrated through modeling or other scientific means acceptable to the Department that no contamination will migrate to adjacent property at levels above unrestricted use standards.

(3) Determine whether the proposed remedial action plan meets the requirements of G.S. 130A-310.69.

(4) Determine whether the proposed remedial action plan meets the requirements of any other applicable remediation program except those pertaining to remediation standards.

(5) Establish the acceptable level or range of levels of risk to public health, safety, and welfare and to the environment.

(6) Establish, for each contaminant, the maximum allowable quantity, concentration, range, or other measures of contamination that will remain at the contaminated site at the conclusion of the contaminant-reduction phase of the remediation.

(7) Consider the technical performance, effectiveness, and reliability of the proposed remedial action plan in attaining and maintaining compliance with applicable remediation standards.

(8) Consider the ability of the person who proposes to remediate the site to implement the proposed remedial action plan within a reasonable time and without jeopardizing public health, safety, or welfare or the environment.

(9) Determine whether the proposed remedial action plan adequately provides for the imposition and maintenance of engineering and institutional controls and for sampling, monitoring, and reporting requirements necessary to protect public health, safety, and welfare and the environment.

(10) Approve the circumstances under which no further remediation is required.

(b) The person who proposes a remedial action plan has the burden of demonstrating with reasonable assurance that contamination from the site will not migrate to adjacent property above unrestricted use levels and that the remedial action plan is protective of public health, safety, and welfare and the environment by virtue of its compliance with this Part. The demonstration shall (i) take into account actions proposed in the remedial action plan that will prevent contamination from migrating off the site; and (ii) use scientifically valid site-specific data.

(c) The Department may require a person who proposes a remedial action plan to supply any additional information necessary for the Department to approve or disapprove the plan.

(d) In making a determination on a proposed remedial action plan, the Department shall consider the information provided by the person who proposes the remedial action plan as well as information provided by local governments and adjoining landowners pursuant to G.S. 130A-310.70. The Department shall disapprove a proposed remedial action plan unless the Department finds that the plan is protective of public health, safety, and welfare and the environment and complies with the requirements of this Part. If the Department disapproves a proposed remedial action plan, the person who submitted the plan may seek review as provided in Article 3 of Chapter 150B of the General Statutes. If the Department fails to approve or disapprove a proposed remedial action plan within 120 days after a complete plan has been submitted, the person who submitted the plan may treat the plan as having been disapproved at the end of that time period.

"**§ 130A-310.72. Financial assurance requirement.**

The person conducting remediation of a contaminated industrial site pursuant to the provisions of this Part shall establish financial assurance that will ensure that sufficient funds are available to implement and maintain the actions or controls specified in the remedial action plan for the site. The person conducting remediation of a site may establish financial assurance through one of the following mechanisms, or any combination of the following mechanisms, in a form specified or approved by the Department: insurance products issued from entities having no corporate or ownership association with the person conducting the remediation; funded trusts; surety bonds; certificates of deposit; letters of credit; corporate financial tests; local government financial tests; corporate guarantees; local government guarantees; capital reserve funds; or any other financial mechanism authorized for the demonstration of financial assurance under (i) 40 Code of Federal Regulations Part 264, Subpart H (July 1, 2010 Edition) and (ii) Section .1600 of Subchapter B of Chapter 13 of Title 15A of the North Carolina Administrative Code. Proof of financial assurance shall be provided in the remedial action plan and annually thereafter on the anniversary date of the approval of the plan.

"**§ 130A-310.73. Attainment of the remediation standards.**

(a) Compliance with the approved remediation standards is attained for a site or portion of a site when a remedial action plan approved by the Department has been implemented and applicable soil, groundwater, surface water, and air emission standards have been attained. The remediation standards may be attained through a combination of remediation activities that can include treatment, removal, engineering, or institutional controls, except that the person conducting the remediation may not demonstrate attainment of an unrestricted use standard or a background standard through the use of institutional controls alone. When the remedial action plan has been fully implemented, the person conducting the remediation shall submit a final report to the Department, with notice to all local governments with taxing and land-use jurisdiction over the site, that demonstrates that the remedial action plan has been fully implemented, that any land-use restrictions have been certified on an annual basis, and that the

remediation standards have been attained. The final report shall be accompanied by a request that the Department issue a determination that no further remediation beyond that specified in the approved remedial action plan is required.

(b) The person conducting the remediation has the burden of demonstrating that the remedial action plan has been fully implemented and that the remediation standards have been attained in compliance with the requirements of this Part. The Department may require a person who implements the remedial action plan to supply any additional information necessary for the Department to determine whether the remediation standards have been attained.

(c) The Department shall review the final report, and, upon determining that the person conducting the remediation has completed remediation to the approved remediation standard and met all the requirements of the approved remedial action plan, the Department shall issue a determination that no further remediation beyond that specified in the approved remedial action plan is required at the site. Once the Department has issued a no further action determination, the Department may require additional remedial action by the responsible party only upon finding any of the following:

(1) Monitoring, testing, or analysis of the site subsequent to the issuance of the no further action determination indicates that the remediation standards and objectives were not achieved or are not being maintained.

(2) One or more of the conditions, restrictions, or limitations imposed on the site as part of the remediation have been violated.

(3) Site monitoring or operation and maintenance activities that are required as part of the remedial action plan or no further action determination for the site are not adequately funded or are not adequately implemented.

(4) A contaminant or hazardous substance release is discovered at the site that was not the subject of the remedial investigation report or the remedial action plan.

(5) A material change in the facts known to the Department at the time the written no further action determination was issued, or new facts, cause the Department to find that further assessment or remediation is necessary to prevent a significant risk to human health and safety or to the environment.

(6) The no further action determination was based on fraud, misrepresentation, or intentional nondisclosure of information by the person conducting the remediation.

(7) Installation or use of wells would induce the flow of contaminated groundwater off the site.

(d) The Department shall issue a final decision on a request for a determination that remediation has been completed to approved standards and that no further remediation beyond that specified in the approved remedial action plan is required within 180 days after receipt of a complete final report. Failure of the Department to issue a final decision on a no further remediation determination within 180 days after receipt of a complete final report and request for a determination of no further remediation may be treated as a denial of the request for a no further remediation determination. The responsible person may seek review of a denial of a request for a release from further remediation as provided in Article 3 of Chapter 150B of the General Statutes.

"§ **130A-310.74. Compliance with other laws.**

Where a site is covered by an agreement under the Brownfields Property Reuse Act of 1997, as codified as Part 5 of Article 9 of Chapter 130A of the General Statutes, any work performed by the prospective developer pursuant to that agreement is not required to comply with this Part, but any work not covered by such agreement and performed at the site by another person not a party to that agreement may be performed pursuant to this Part.

SECTION 1. G.S. 20-179 reads as rewritten:

"§ **20-179. Sentencing hearing after conviction for impaired driving; determination of grossly aggravating and aggravating and mitigating factors; punishments.**

(a) Sentencing Hearing Required. – After a conviction under G.S. 20-138.1, G.S. 20-138.2, a second or subsequent conviction under G.S. 20-138.2A, or a second or subsequent conviction under G.S. 20-138.2B, or when any of those offenses are remanded back to district court after an appeal to superior court, the judge shall hold a sentencing hearing to determine whether there are aggravating or mitigating factors that affect the sentence to be imposed.

…

(c) Determining Existence of Grossly Aggravating Factors. – At the sentencing hearing, based upon the evidence presented at trial and in the hearing, the judge, or the jury in superior court, must first determine whether there are any grossly aggravating factors in the case. Whether a prior conviction exists under subdivision (1) of this subsection, or whether a conviction exists under subdivision (d)(5) of this section, shall be matters to be determined by the judge, and not the jury, in district or superior court. If the sentencing hearing is for a case remanded back to district court from superior court, the judge shall determine whether the defendant has been convicted of any offense that was not considered at the initial sentencing hearing and impose the appropriate sentence under this section. The judge must impose the Aggravated Level One punishment under subsection (f3) of this section if it is determined that three or more grossly aggravating factors apply. The judge must impose the Level One punishment under subsection (g) of this section if it is determined that two ~~or more~~ grossly aggravating factors apply.    c. The conviction occurred in district court; the case was appealed to superior court; the appeal has been withdrawn, or the case has been remanded back to district court; and a new sentencing hearing has not been held pursuant to G.S. 20-38.7.

   Each prior conviction is a separate grossly aggravating factor.

(2) Driving by the defendant at the time of the offense while his driver's license was revoked under G.S. 20-28, and the revocation was an impaired driving revocation under G.S. 20-28.2(a).

(3) Serious injury to another person caused by the defendant's impaired driving at the time of the offense.

(4) Driving by the defendant while a child under the age of 16 years was in the vehicle at the time of the offense.

In imposing an Aggravated Level One, a Level ~~One~~ One, or a Level Two punishment, the judge may consider the aggravating and mitigating factors in subsections (d) and (e) in

determining the appropriate sentence. If there are no grossly aggravating factors in the case, the judge must weigh all aggravating and mitigating factors and impose punishment as required by subsection (f).

…

(f3) Aggravated Level One Punishment. – A defendant subject to Aggravated Level One punishment may be fined up to ten thousand dollars ($10,000) and shall be sentenced to a term of imprisonment that includes a minimum term of not less than 12 months and a maximum term of not more than 36 months. Notwithstanding G.S. 15A-1371, a defendant sentenced to a term of imprisonment pursuant to this subsection shall not be eligible for parole. The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least 120 days. If the defendant is placed on probation, the judge shall impose as requirements that the defendant (i) abstain from alcohol consumption for a minimum of 120 days to a maximum of the term of probation, as verified by a continuous alcohol monitoring system pursuant to subsections (h1) and (h3) of this section, and (ii) obtain a substance abuse assessment and the education or treatment required by G.S. 20-17.6 for the restoration of a drivers license and as a condition of probation. The judge may impose any other lawful condition of probation.

(g) Level One Punishment. – A defendant subject to Level One punishment may be fined up to four thousand dollars ($4,000) and shall be sentenced to a term of imprisonment that includes a minimum term of not less than 30 days and a maximum term of not more than 24 months. The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least 30 days. If the defendant is placed on probation, the judge shall impose a requirement that the defendant obtain a substance abuse assessment and the education or treatment required by G.S. 20-17.6 for the restoration of a drivers license and as a condition of probation. The judge may impose any other lawful condition of probation.

…

(h1) The judge may impose, as a condition of probation for defendants subject to Level One or Level Two punishments, that the defendant abstain from alcohol consumption for a minimum of 30 days, to a maximum of ~~60 days,~~ the term of probation, as verified by a continuous alcohol monitoring system. ~~The total cost to the defendant for the continuous alcohol monitoring system may not exceed one thousand dollars ($1,000).~~ The defendant's abstinence from alcohol shall be verified by a continuous alcohol monitoring system of a type approved by the Department of Correction.

~~(h2) Notwithstanding the provisions of subsection (h1), if the court finds, upon good cause shown, that the defendant should not be required to pay the costs of the continuous alcohol monitoring system, the court shall not impose the use of a continuous alcohol monitoring system unless the local governmental entity responsible for the incarceration of the defendant in the local confinement facility agrees to pay the costs of the system.~~

(h3) Any fees or costs paid pursuant to ~~subsections (h1) or (h2)~~ subsection (h1) of this section shall be paid to the clerk of court for the county in which the judgment was entered or the deferred prosecution agreement was filed. Fees or costs collected under this subsection shall be transmitted to the entity providing the continuous alcohol monitoring system.

SECTION 2.(h) G.S. 15A-1368(a)(5) reads as rewritten:

"(5) Maximum imposed term. – The maximum term of imprisonment imposed on an individual prisoner by a court judgment, as described in G.S. 15A-1340.13(c). SECTION 2.(j) This section becomes effective December 1, 2011, and applies to offenses committed on or after that date.

PART III. STATUS OFFENSE OF HABITUAL BREAKING AND ENTERING

SECTION 3.(a) Chapter 14 of the General Statutes is amended by adding a new Article to read:

"Article 2D.

"Habitual Breaking and Entering Status Offense.

"**§ 14-7.25. Definitions.**

The following definitions apply in this Article:

(1) "Breaking and entering." – The term means any of the following felony offenses:

a. First degree burglary (G.S. 14-51).

b. Second degree burglary (G.S. 14-51).

c. Breaking out of dwelling house burglary (G.S. 14-53).

d. Breaking or entering buildings generally (G.S. 14-54(a)).

e. Breaking or entering a building that is a place of religious worship (G.S. 14-54.1).

f. Any repealed or superseded offense substantially equivalent to any of the offenses in sub-subdivision a., b., c., d., or e. of this subdivision.

g. Any offense committed in another jurisdiction substantially similar to any of the offenses in sub-subdivision a., b., c., d., or e. of this subdivision.

(2) "Convicted." – The person has been adjudged guilty of or has entered a plea of guilty or no contest to the offense of breaking and entering.

(3) "Status offender." – A person who is a habitual breaking and entering status offender as described in G.S. 14-7.26.

"**§ 14-7.26. Habitual breaking and entering status offender.**

Any person who has been convicted of or pled guilty to one or more prior felony offenses of breaking and entering in any federal court or state court in the United States, or combination thereof, is guilty of the status offense of habitual breaking and entering and may be charged with that status offense pursuant to this Article.

This Article does not apply to a second felony offense of breaking and entering unless it is committed after the conviction of the first felony offense of breaking and entering. For purposes of this Article, felony offenses of breaking and entering committed before the person is 18 years of age shall not constitute more than one felony of breaking and entering. Any felony to which a pardon has been extended shall not, for the purposes of this Article, constitute a felony offense of breaking and entering.

"**§ 14-7.27. Punishment.**

When any person is charged with a felony offense of breaking and entering and is also charged with being a status offender as defined in G.S. 14-7.26, the person must, upon conviction, be sentenced and punished as a status offender as provided by this Article.

"**§ 14-7.28. Charge of habitual breaking and entering status offender.**

(a) The district attorney, in his or her discretion, may charge a person with the status offense of habitual breaking and entering pursuant to this Article. To sustain a conviction of a person as a status offender, the person must be charged separately for the felony offense of breaking and entering and for the habitual breaking and entering status offense. The indictment charging the defendant as a status offender shall be separate from the indictment charging the person with the principal felony offense of breaking and entering.

(b) An indictment that charges a person with being a status offender must set forth the date that the prior felony offense of breaking and entering was committed, the name of the state or other sovereign against whom the felony offense of breaking and entering was committed, the dates that the plea of guilty was entered into or conviction returned in the felony offense of breaking and entering, and the identity of the court in which the plea or conviction took place. No defendant charged with being a status offender in a bill of indictment shall be required to go to trial on the charge within 20 days of the finding of a true bill by the grand jury; provided, the defendant may waive this 20-day period.

"§ **14-7.29. Evidence of prior convictions of breaking and entering.**

In all cases in which a person is charged under the provisions of this Article with being a status offender, the record of prior conviction of the felony offense of breaking and entering shall be admissible in evidence, but only for the purpose of proving that the person has been convicted of a former felony offense of breaking and entering. A prior conviction may be proved by stipulation of the parties or by the original or a certified copy of the court record of the prior conviction. The original or certified copy of the court record, bearing the same name as that by which the defendant is charged, shall be prima facie evidence that the defendant named therein is the same as the defendant before the court and shall be prima facie evidence of the facts set out therein.

"§ **14-7.30. Verdict and judgment.**

(a) When an indictment charges a person with a felony offense of breaking and entering as provided by this Article and an indictment also charges that the person is a status offender, the defendant shall be tried for the principal offense of breaking and entering as provided by law. The indictment that the person is a status offender shall not be revealed to the jury unless the jury shall find that the defendant is guilty of the principal felony offense of breaking and entering with which the defendant is charged.

(b) If the jury finds the defendant guilty of the felony offense of breaking and entering, the bill of indictment charging the defendant as a status offender may be presented to the same jury. Except that the same jury may be used, the proceedings shall be as if the issue of status offender were a principal charge.

(c) If the jury finds that the defendant is a status offender, the trial judge shall enter judgment according to the provisions of this Article. If the jury finds that the defendant is not a status offender, the trial judge shall pronounce judgment on the principal felony offense of breaking and entering as provided by law.

"§ **14-7.31. Sentencing of status offenders.**

(a) When a status offender as defined in this Article commits a felony offense of breaking and entering under the laws of the State of North Carolina, the status offender must, upon conviction or plea of guilty under indictment as provided in this Article, be sentenced as a Class E felon.

(b) In determining the prior record level, any conviction used to establish a person's status as a status offender shall not be used. Sentences imposed under this Article shall run consecutively with and shall commence at the expiration of any sentence being served by the person sentenced under this section.

(c) A conviction as a status offender under this Article shall not constitute commission of a felony for the purpose of either Article 2A or Article 2B of Chapter 14 of the General Statutes."

SECTION 3.(b) G.S. 14-7.1 reads as rewritten:

"§ **14-7.1. Persons defined as habitual felons.**

Any person who has been convicted of or pled guilty to three felony offenses in any federal court or state court in the United States or combination thereof is declared to be an habitual ~~felon.~~ felon and may be charged as a status offender pursuant to this Article. For the purpose of this Article, a felony offense is defined as an offense which is a felony under the laws of the State or other sovereign wherein a plea of guilty was entered or a conviction was returned regardless of the sentence actually imposed. Provided, however, that federal offenses relating to

the manufacture, possession, sale and kindred offenses involving intoxicating liquors shall not be considered felonies for the purposes of this Article. For the purposes of this Article, felonies committed before a person attains the age of 18 years shall not constitute more than one felony. The commission of a second felony shall not fall within the purview of this Article unless it is committed after the conviction of or plea of guilty to the first felony. The commission of a third felony shall not fall within the purview of this Article unless it is committed after the conviction of or plea of guilty to the second felony. Pleas of guilty to or convictions of felony offenses prior to July 6, 1967, shall not be felony offenses within the meaning of this Article. Any felony offense to which a pardon has been extended shall not for the purpose of this Article constitute a felony. The burden of proving such pardon shall rest with the defendant and the State shall not be required to disprove a pardon."

SECTION 3.(c) G.S. 14-7.3 reads as rewritten:

"§ **14-7.3. Charge of habitual felon.**

The district attorney, in his or her discretion, may charge a person as an habitual felon pursuant to this Article. An indictment which charges a person who is an habitual felon within the meaning of G.S. 14-7.1 with the commission of any felony under the laws of the State of North Carolina must, in order to sustain a conviction of habitual felon, also charge that said person is an habitual felon. The indictment charging the defendant as an habitual felon shall be separate from the indictment charging him with the principal felony. An indictment which charges a person with being an habitual felon must set forth the date that prior felony offenses were committed, the name of the state or other sovereign against whom said felony offenses were committed, the dates that pleas of guilty were entered to or convictions returned in said felony offenses, and the identity of the court wherein said pleas or convictions took place. No defendant charged with being an habitual felon in a bill of indictment shall be required to go to trial on said charge within 20 days of the finding of a true bill by the grand jury; provided, the defendant may waive this 20-day period."

SECTION 3.(d) G.S. 14-7.6 reads as rewritten:

"§ **14-7.6. Sentencing of habitual felons.**

When an habitual felon as defined in this Article commits any felony under the laws of the State of North Carolina, the felon must, upon conviction or plea of guilty under indictment as provided in this Article (except where the felon has been sentenced as a Class A, B1, or B2 felon) be sentenced ~~as a Class C felon.~~ at a felony class level that is four classes higher than the principal felony for which the person was convicted; but under no circumstances shall an habitual felon be sentenced at a level higher than a Class C felony. In determining the prior record level, convictions used to establish a person's status as an habitual felon shall not be used. Sentences imposed under this Article shall run consecutively with and shall commence at the expiration of any sentence being served by the person sentenced under this section."

SECTION 3.(e) This section becomes effective December 1, 2011, and applies to any offense that occurs on or after that date and that is the principal felony offense for a charge of either the status offenses of habitual breaking and entering or habitual felon. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions.

PART IV. LIMIT TIME/CERTAIN VIOLATIONS OF PROBATION

SECTION 4.(a) G.S. 15A-1343(b) is amended by adding a new subdivision to read:

"(3a) Not to abscond, by willfully avoiding supervision or by willfully making the defendant's whereabouts unknown to the supervising probation officer."

SECTION 4.(b) G.S. 15A-1344(a) reads as rewritten:

"(a) Authority to Alter or Revoke. – Except as provided in subsection (a1) or (b), probation may be reduced, terminated, continued, extended, modified, or revoked by any judge entitled to sit in the court which imposed probation and who is resident or presiding in the

district court district as defined in G.S. 7A-133 or superior court district or set of districts as defined in G.S. 7A-41.1, as the case may be, where the sentence of probation was imposed, where the probationer violates probation, or where the probationer resides. Upon a finding that an offender sentenced to community punishment under Article 81B has violated one or more conditions of probation, the court's authority to modify the probation judgment includes the authority to require the offender to comply with conditions of probation that would otherwise make the sentence an intermediate punishment. The court may only revoke probation for a violation of a condition of probation under G.S. 15A-1343(b)(1) or G.S. 15A-1343(b)(3a), except as provided in G.S. 15A-1344(d2). Imprisonment may be imposed pursuant to G.S. 15A-1344(d2) for a violation of a requirement other than G.S. 15A-1343(b)(1) or G.S. 15A-1343(b)(3a). The district attorney of the prosecutorial district as defined in G.S. 7A-60 in which probation was imposed must be given reasonable notice of any hearing to affect probation substantially."

SECTION 4.(c) G.S. 15A-1344 is amended by adding a new subsection to read:

"(d2) Confinement in Response to Violation. – When a defendant has violated a condition of probation other than G.S. 15A-1343(b)(1) or G.S. 15A-1343(b)(3a), the court may impose a 90-day period of confinement for a defendant under supervision for a felony conviction or a period of confinement of up to 90 days for a defendant under supervision for a misdemeanor conviction. The court may not revoke probation unless the defendant has previously received a total of two periods of confinement under this subsection. A defendant may receive only two periods of confinement under this subsection. If the time remaining on the defendant's maximum imposed sentence is less than 90 days, then the term of confinement is for the remaining period of the sentence. Confinement under this section shall be credited pursuant to G.S. 15-196.1."

SECTION 4.(d) This section is effective December 1, 2011, and applies to probation violations occurring on or after that date.

PART V. DIVERSION PROGRAM/FELONY DRUG POSSESSION

SECTION 5.(a) G.S. 90-96 reads as rewritten:

"§ **90-96. Conditional discharge for first offense.**

(a) Whenever any person who has not previously been convicted of (i) any felony offense under any state or federal laws; (ii) any offense under this ~~Article~~ Article; or (iii) an offense under any statute of the United States or any state relating to those substances included in Article 5 or 5A of Chapter 90 or to that paraphernalia included in Article 5B of Chapter ~~90~~90 of the General Statutes pleads guilty to or is found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules ~~II~~ I through VI of this Article or by possessing drug paraphernalia as prohibited by G.S. 90 113.22, or (ii) a felony under G.S. 90-95(a)(3), ~~G.S. 90 95(a)(3) by possessing less than one gram of cocaine,~~ the court ~~may,~~ shall, without entering a judgment of guilt and with the consent of such person, defer further proceedings and place him on probation upon such reasonable terms and conditions as it may require. Notwithstanding the provisions of G.S. 15A 1342(c) or any other statute or law, probation may be imposed under this section for an offense under this Article for which the prescribed punishment includes only a fine. To fulfill the terms and conditions of probation the court may allow the defendant to participate in a drug education program approved for this purpose by the Department of Health and Human ~~Services.~~ Services or in the Treatment for Effective Community Supervision Program under Article 6B of Chapter 143B of the General Statutes. Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge such person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without court adjudication of guilt and shall not be deemed a conviction for purposes of this section or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime including the additional penalties imposed for second or subsequent convictions under this Article. Discharge and dismissal under this section or G.S. 90 113.14

may occur only once with respect to any person. Disposition of a case to determine discharge and dismissal under this section at the district court division of the General Court of Justice shall be final for the purpose of appeal. Prior to taking any action to discharge and dismiss under this section the court shall make a finding that the defendant has no record of previous convictions ~~under the "North Carolina Controlled Substances Act", Article 5, Chapter 90, the "North Carolina Toxic Vapors Act", Article 5A, Chapter 90, or the "Drug Paraphernalia Act", Article 5B, Chapter 90.~~as provided in this subsection.

(a1) Upon the first conviction only of any offense ~~included in G.S. 90-95(a)(3) or G.S. 90-113.22 and subject to the provisions of this subsection (a1),~~ which qualifies under the provisions of subsection (a) of this section, and the provisions of this subsection, the court may place defendant on probation under this section for an offense under this Article including an offense for which the prescribed punishment includes only a fine. The probation, if imposed, shall be for not less than one year and shall contain a minimum condition that the defendant who was found guilty or pleads guilty enroll in and successfully complete, within 150 days of the date of the imposition of said probation, the program of instruction at the drug education school approved by the Department of Health and Human Services pursuant to G.S. 90 96.01. The court may impose probation that does not contain a condition that defendant successfully complete the program of instruction at a drug education school if:

(1) There is no drug education school within a reasonable distance of the defendant's residence; or

(2) There are specific, extenuating circumstances which make it likely that defendant will not benefit from the program of instruction.

The court shall enter such specific findings in the record; provided that in the case of subdivision (2) above, such findings shall include the specific, extenuating circumstances which make it likely that the defendant will not benefit from the program of instruction.

Upon fulfillment of the terms and conditions of the probation, the court shall discharge such person and dismiss the proceedings against the person.

For the purposes of determining whether the conviction is a first conviction or whether a person has already had discharge and dismissal, no prior offense occurring more than seven years before the date of the current offense shall be considered. In addition, convictions for violations of a provision of G.S. 90-95(a)(1) or 90-95(a)(2) or 90-95(a)(3), or 90-113.10, or 90-113.11, or 90-113.12, or 90-113.22 shall be considered previous convictions.

Failure to complete successfully an approved program of instruction at a drug education school shall constitute grounds to revoke probation pursuant to this subsection and deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to G.S. 15A-145.2. For purposes of this subsection, the phrase "failure to complete successfully the prescribed program of instruction at a drug education school" includes failure to attend scheduled classes without a valid excuse, failure to complete the course within 150 days of imposition of probation, willful failure to pay the required fee for the course as provided in G.S. 90-96.01(b), or any other manner in which the person fails to complete the course successfully. The instructor of the course to which a person is assigned shall report any failure of a person to complete successfully the program of instruction to the court which imposed probation. Upon receipt of the instructor's report that the person failed to complete the program successfully, the court shall revoke probation, shall not discharge such person, shall not dismiss the proceedings against the person, and shall deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to G.S. 15A-145.2. A person may obtain a hearing before the court of original jurisdiction prior to revocation of probation or denial of application for expunction.

This subsection is supplemental and in addition to existing law and shall not be construed so as to repeal any existing provision contained in the General Statutes of North Carolina.

(b) Upon the discharge of such person, and dismissal of the proceedings against the person under subsection (a) or (a1) of this section, such person, if he or she was not over 21

years of age at the time of the offense, may be eligible to apply for expunction of certain records relating to the offense pursuant to G.S. 15A-145.2(a).

(c) Repealed by Session Laws 2009-510, s. 8(b), effective October 1, 2010.

(d) Whenever any person is charged with a misdemeanor under this Article by possessing a controlled substance included within Schedules ~~II~~ I through VI of this Article or a felony under ~~G.S. 90-95(a)(3) by possessing less than one gram of cocaine,~~ G.S. 90-95(a)(3), upon dismissal by the State of the charges against such person, upon entry of a nolle prosequi, or upon a finding of not guilty or other adjudication of innocence, the person may be eligible to apply for expunction of certain records relating to the offense pursuant to G.S. 15A-145.2(b).

(e) Whenever any person who has not previously been convicted of (i) any felony offense under any state or federal laws; (ii) any offense under this Article; or (iii) an offense under any statute of the United States or any state relating to ~~Whenever any person who has not previously been convicted of an offense under this Article or under any statute of the United States or any state relating to~~ controlled substances included in any schedule of this Article or to that paraphernalia included in Article 5B of Chapter 90 of the General Statutes pleads guilty to or has been found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules ~~II~~ I through VI of this Article, or by possessing drug paraphernalia as prohibited by G.S. 90-113.22 or (ii) a felony under ~~G.S. 90-95(a)(3) by possessing less than one gram of cocaine,~~G.S. 90-95(a)(3), the person may be eligible to apply for cancellation of the judgment and expunction of certain records related to the offense pursuant to G.S. 15A-145.2(c).

SECTION 5.(b) G.S. 15A-145.2 reads as rewritten:

"§ **15A-145.2. Expunction of records for first offenders not over 21 years of age at the time of the offense of certain drug offenses.**

If the sentencing judge makes a finding of fact that the person would be suitable for placement in a county satellite jail/work release unit and the person meets the requirements listed in G.S. 153A-230.3(a)(1), then the custodian of the local confinement facility may transfer the misdemeanant to a county satellite jail/work release unit.

"(b) In the event that the custodian of the local confinement facility certifies in writing to the clerk of the superior court in the county in which ~~said~~ the local confinement facility is located that the local confinement facility is filled to capacity, or that the facility cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners, or that the custodian anticipates, in light of local experiences, an influx of temporary prisoners at that time, or if the local confinement facility does not meet the minimum standards published pursuant to G.S. 153A-221, any judge of the district court in the district court district as defined in G.S. 7A-133 where the facility is located, or any superior court judge who has jurisdiction pursuant to G.S. 7A-47.1 or G.S. 7A-48 in a district or set of districts as defined in G.S. 7A-41.1 where the facility is located may order that ~~the~~ a prisoner not housed pursuant to the Statewide Misdemeanant Confinement Program established in subsection (b2) of this section be transferred to any other qualified local confinement facility within that district or within another such district where space is available, including a satellite jail unit operated pursuant to G.S. 153A-230.3 if the prisoner is a non-violent misdemeanant, which local facility shall accept the transferred ~~prisoner, if the prison population has exceeded a manageable level as provided for in G.S. 148-4.1(a). If no such local confinement facility is available, then any such judge may order the prisoner transferred to such camp or facility as the proper authorities of the Department of Correction shall designate, notwithstanding that the term of imprisonment of the prisoner is 90 days or less. In no event, however, shall a prisoner whose term of imprisonment is less than 30 days be assigned or ordered transferred to any such camp or facility.~~prisoner.

If no other local confinement facility is available and the reason for the requested transfer is that the local confinement facility that would be required to house the prisoner cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners or the local facility does not meet the minimum standards published pursuant to G.S. 153A-221, then the judge may order that a prisoner not housed pursuant to the Statewide Misdemeanant Confinement Program established in subsection (b2) of this section be transferred to a facility operated by the Department of Correction as designated by the Department of Correction. AN ACT TO DIRECT THE INTERAGENCY GROUP TO ESTABLISH AGRONOMIC RATES FOR ENERGY CROPS FOR UTILIZATION BY BIOFUELS FACILITIES.

Whereas, in 2007, as directed by the General Assembly, the North Carolina's Strategic Plan for Biofuels Leadership established a goal that by 2017, ten percent (10%) of liquid fuels sold in North Carolina will come from biofuels grown and produced within the State; and

Whereas, the identification and development of reliable and cost-effective feedstocks to service biofuels facilities is imperative to the development of the biofuels industry in North Carolina; and

Whereas, North Carolina is one of the leading pork producing states in the nation, and the swine industry is a significant component of North Carolina's agricultural sector; and

Whereas, the lands utilized for swine waste application in North Carolina represent a potential opportunity for the planting and growing of energy crops; and

Whereas, appropriate levels of animal waste application and proper agronomic rates of crops must be established to ensure environmental compliance and to protect water quality; and

Whereas, in 1995, the General Assembly through the passage of Session Law 1995-626 (Senate Bill 1217) established an Interagency Group to provide uniform interpretations to technical specialists regarding the requirements of the animal waste management rules; Now, therefore,

The Interagency Group shall establish interim agronomic rates no later than July 1, 2011, and final agronomic rates no later than December 1, 2014.

SECTION 1.(b) In developing the agronomic rates, the Interagency Group may consider nutrient data from research trials, peer-reviewed publications, current studies, and any other information it deems appropriate. The agronomic rates shall ensure that land application of swine waste at the proposed rate will not cause or contribute to a violation of groundwater standards. The Interagency Group may seek the assistance and expertise of any other entity and with other State agencies with respect to their areas of responsibility regarding agronomic rates. All agencies of the State of North Carolina shall cooperate with the Interagency Group and, upon request, shall assist the Interagency Group in fulfilling its responsibilities.

SECTION 1.(c) The Interagency Group shall publish the interim agronomic rates and any accompanying guidance for the use of technical specialists no later than July 1, 2011. The Interagency Group shall publish the final agronomic rates and any accompanying guidance for the use of technical specialists no later than December 1, 2014.

SECTION 1.(d) No later than July 1, 2011, the Interagency Group shall submit a report on the development and publication of the interim agronomic rates to the Environmental Review Commission; the Commissioner of Agriculture; and the chairs of the Joint Regulatory Reform Committee, the House Agriculture Committee, the House Environment Committee, and the Senate Agriculture/Environment/Natural Resources Committee. No later than December 1, 2014, the Interagency Group shall submit a report on the development and publication of the final agronomic rates to the Environmental Review Commission; the Commissioner of Agriculture; and the chairs of the Joint Regulatory Reform Committee, the House Agriculture Committee, the House Environment Committee, and the Senate Agriculture/Environment/Natural Resources Committee.

SECTION 2. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 14th day of June, 2011.

Became law upon approval of the Governor at 11:40 a.m. on the 23rd day of June, 2011.

Session Law 2011-199 **H.B. 380**

AN ACT TO CLARIFY THE PROCEDURE FOR DISCOVERY OF ELECTRONICALLY STORED INFORMATION AND TO MAKE CONFORMING CHANGES TO THE NORTH CAROLINA RULES OF CIVIL PROCEDURE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 1A-1, Rule 16, reads as rewritten:

"**Rule 16. Pre-trial procedure; formulating issues.**

(a) In any action, the ~~judge~~ court may in ~~his~~ its discretion direct the attorneys for the parties to appear before ~~him~~ the court for a conference to consider

(1) The simplification and formulation of the issues;

(2) The necessity or desirability of amendments to the pleadings;

(3) The possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof;

(4) The limitation of the number of expert witnesses;

(5) The advisability or necessity of a reference of the case, either in whole or in part;

(6) Matters of which the court is to be asked to take judicial notice;

(7) Such other matters as may aid in the disposition of the action.

If a conference is held, the judge ~~may~~ shall make an order which recites the action taken at the conference, ~~the~~ any amendments allowed to the pleadings, and ~~the~~ any agreements made by the parties as to any of the matters considered, and which ~~limits~~ may limit the issues for trial to those not disposed of by admissions or agreements of counsel; and such order when entered controls the subsequent course of the action, unless modified at the trial to prevent manifest injustice. If any issue for trial as stated in the order is not raised by the pleadings in accordance with the provisions of Rule 8, upon motion of any party, the order shall require amendment of the pleadings.

(b) In a medical malpractice action as defined in G.S. 90-21.11, at the close of the discovery period scheduled pursuant to ~~Rule 26(f1),~~ Rule 26(g), the judge shall schedule a final conference. After the conference, the judge shall refer any consent order calendaring the case for trial to the senior resident superior court judge or the chief district court judge, who shall approve the consent order unless ~~he~~ the judge finds that:

(1) The date specified in the order is unavailable,

(2) The terms of the order unreasonably delay the trial, or

(3) The ends of justice would not be served by approving the order.

If the senior resident superior court judge or the chief district court judge does not approve the consent order, ~~he~~ the judge shall calendar the case for trial.

In calendaring the case, the court shall take into consideration the nature and complexity of the case, the proximity and convenience of witnesses, the needs of counsel for both parties concerning their respective calendars, the benefits of an early disposition and such other matters as the court may deem proper."

SECTION 2. G.S. 1A-1, Rule 26, reads as rewritten:

"**Rule 26. General provisions governing discovery.**

(a) Discovery methods. – Parties may obtain discovery by one or more of the following methods: depositions upon oral examination or written questions; written interrogatories; production of documents or things or permission to enter upon land or other property, for inspection and other purposes; physical and mental examinations; and requests for admission.

(b) Discovery scope and limits. – Unless otherwise limited by order of the court in accordance with these rules, the scope of discovery is as follows:

(1) In General. – Parties may obtain discovery regarding any matter, not privileged, which is relevant to the subject matter involved in the pending action, whether it relates to the claim or defense of the party seeking discovery or to the claim or defense of any other party, including the existence, description, nature, custody, condition and location of any books, documents, electronically stored information, or other tangible things and the identity and location of persons having knowledge of any discoverable matter. It is not ground for objection that the information sought will be inadmissible at the trial if the information sought appears reasonably calculated to lead to the discovery of admissible evidence nor is it grounds for objection that the examining party has knowledge of the information as to which discovery is sought. For the purposes of these rules regarding discovery, the phrase 'electronically stored information' includes reasonably accessible metadata that will enable the discovering party to have the ability to access such information as the date sent, date received, author, and recipients. The phrase does not include other metadata unless the parties agree otherwise or the court orders otherwise upon motion of a party and a showing of good cause for the production of certain metadata.

(2) Limitations on Frequency and Extent. – The frequency or extent of use of the discovery methods set forth in section (a) shall be limited by the court if it determines that: (i) the discovery sought is unreasonably cumulative or duplicative, or is obtainable from some other source that is more convenient,

less burdensome, or less expensive; (ii) the party seeking discovery has had ample opportunity by discovery in the action to obtain the information sought; or (iii) the discovery is unduly burdensome or expensive, taking into account the needs of the case, the amount in controversy, limitations on the parties' resources, and the importance of the issues at stake in the litigation. The court may act upon its own initiative after reasonable notice or pursuant to a motion under section (c).

(3) Specific Limitations on Electronically Stored Information. – In addition to any limitations imposed by subdivision (b)(2) of this rule, discovery of electronically stored information is subject to the limitations set forth in Rule 34(b). The court may specify conditions for the discovery, including allocation of discovery costs.

~~(2)~~(4) Insurance Agreements. – A party may obtain discovery of the existence and contents of any insurance agreement under which any person carrying on an insurance business may be liable to satisfy part or all of a judgment which may be entered in the action or to indemnify or reimburse for payments made to satisfy the judgment. Information concerning the insurance agreement is not by reason of disclosure admissible in evidence at trial. For purposes of this subsection, an application for insurance shall not be treated as part of an insurance agreement.

~~(3)~~(5) Trial Preparation; Materials. – Subject to the provisions of subsection ~~(b)(4)~~ (b)(6) of this rule, a party may obtain discovery of documents and tangible things otherwise discoverable under subsection (b)(1) of this rule and prepared in anticipation of litigation or for trial by or for another party or by or for that other party's consultant, surety, indemnitor, insurer, or agent only upon a showing that the party seeking discovery has substantial need of the materials in the preparation of ~~his~~ the case and that ~~he~~ the party is unable without undue hardship to obtain the substantial equivalent of the materials by other means. In ordering discovery of such materials when the required showing has been made, the court may not permit disclosure of the mental impressions, conclusions, opinions, or legal theories of an attorney or other representative of a party concerning the litigation in which the material is sought or work product of the attorney or attorneys of record in the particular action.

A party may obtain without the required showing a statement concerning the action or its subject matter previously made by that party. Upon request, a person not a party may obtain without the required showing a statement concerning the action or its subject matter previously made by that person. If the request is refused, the person may move for a court order. The provisions of Rule 37(a)(4) apply to the award of expenses incurred in relation to the motion. For purposes of this paragraph, a statement previously made is (i) a written statement signed or otherwise adopted or approved by the person making it, or (ii) a stenographic, mechanical, electrical, or other recording, or a transcription thereof, which is a substantially verbatim recital of an oral statement by the person making it and contemporaneously recorded.

~~(4)~~(6) Trial Preparation; Experts. – Discovery of facts known and opinions held by experts, otherwise discoverable under the provisions of subsection (b)(1) of this rule and acquired or developed in anticipation of litigation or for trial, may be obtained only as follows:

a. 1. A party may through interrogatories require any other party to identify each person whom the other party expects to call as an expert witness at trial, to state the subject matter on which the expert is expected to testify, and to state the substance of

the facts and opinions to which the expert is expected to testify and a summary of the grounds for each opinion.

2. Upon motion, the court may order further discovery by other means, subject to such restrictions as to scope and such provisions, pursuant to ~~subdivision~~ sub-subdivision ~~(b)(4)c~~ (b)(6)b. of this rule, concerning fees and expenses as the court may deem appropriate.

b. Unless manifest injustice would result, (i) the court shall require that the party seeking discovery pay the expert a reasonable fee for time spent in responding to discovery under subdivision ~~(b)(4)a2~~ (b)(6)a2 of this rule; and (ii) with respect to discovery obtained under subdivision ~~(b)(4)a2~~ (b)(6)a2 of this rule the court may require the party seeking discovery to pay the other party a fair portion of the fees and expenses reasonably incurred by the latter party in obtaining facts and opinions from the expert.

(7) Claiming privilege or protecting trial-preparation materials.

a. Information withheld. – When a party withholds information otherwise discoverable by claiming that the information is privileged or subject to protection as trial-preparation material, the party must (i) expressly make the claim and (ii) describe the nature of the documents, communications, or tangible things not produced or disclosed, and do so in a manner that, without revealing information itself privileged or protected, will enable other parties to assess the claim.

b. Information produced. – If information subject to a claim of privilege or protection as trial-preparation material is inadvertently produced in response to a discovery request, the party that produced the material may assert the claim by notifying any party that received the information of the claim and basis for it. After being notified, a party (i) must promptly return, sequester, or destroy the specified information and any copies it has, (ii) must not use or disclose the information until the claim is resolved, (iii) must take reasonable steps to retrieve the information if the party disclosed it before being notified, and (iv) may promptly present the information to the court under seal for determination of the claim. The producing party must preserve the information until the claim is resolved.

(c) Protective orders. – Upon motion by a party or by the person from whom discovery is sought, and for good cause shown, the judge of the court in which the action is pending may make any order which justice requires to protect a party or person from unreasonable annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following: (i) that the discovery not be had; (ii) that the discovery may be had only on specified terms and conditions, including a designation of the time or place; (iii) that the discovery may be had only by a method of discovery other than that selected by the party seeking discovery; (iv) that certain matters not be inquired into, or that the scope of the discovery be limited to certain matters; (v) that discovery be conducted with no one present except persons designated by the court; (vi) that a deposition after being sealed be opened only by order of the court; (vii) that a trade secret or other confidential research, development, or commercial information not be disclosed or be disclosed only in a designated way; (viii) that the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the court.

A party seeking a protective order on the basis that electronically stored information sought is from a source identified as not reasonably accessible because of undue burden or cost has the burden of showing that the basis exists. If the showing is made, the court may nonetheless order

discovery from the source if the requesting party shows good cause, but only after considering the limitations of subsection (b)(2) of this rule.

If the motion for a protective order is denied in whole or in part, the court may, on such terms and conditions as are just, order that any party or person provide or permit discovery. The provisions of Rule 37(a)(4) apply to the award of expenses incurred in relation to the motion.

(d) Sequence and timing of discovery. – Unless the court upon motion, for the convenience of parties and witnesses and in the interests of justice, orders otherwise, methods of discovery may be used in any sequence and the fact that a party is conducting discovery, whether by deposition or otherwise, shall not operate to delay any other party's discovery. Any order or rule of court setting the time within which discovery must be completed shall be construed to fix the date after which the pendency of discovery will not be allowed to delay trial or any other proceeding before the court, but shall not be construed to prevent any party from utilizing any procedures afforded under Rules 26 through 36, so long as trial or any hearing before the court is not thereby delayed.

(e) Supplementation of responses. – A party who has responded to a request for discovery with a response that was complete when made is under no duty to supplement ~~his~~ the party's response to include information thereafter acquired, except as follows:

(1) A party is under a duty seasonably to supplement ~~his~~ the party's response with respect to any question directly addressed to (i) the identity and location of persons having knowledge of discoverable matters, and (ii) the identity of each person expected to be called as an expert witness at trial, the subject matter on which ~~he~~ the person is expected to testify, and the substance of ~~his~~ the testimony.

(2) A party is under a duty seasonably to amend a prior response if ~~he~~ the party obtains information upon the basis of which (i) ~~he~~ the party knows that the response was incorrect when made, or (ii) ~~he~~ the party knows that the response though correct when made is no longer true and the circumstances are such that a failure to amend the response is in substance a knowing concealment.

(3) A duty to supplement responses may be imposed by order of the court, agreement of the parties, or at any time prior to trial through new requests for supplementation of prior responses.

(f) Discovery ~~conference.~~ meeting, discovery conference, discovery plan. – ~~At any time after commencement of an action the court may direct the attorneys for the parties to appear before it for a conference on the subject of discovery. The court may do so upon motion by the attorney for any party if the motion includes:~~

~~(1) A statement of the issues as they then appear;~~

~~(2) A proposed plan and schedule of discovery;~~

~~(3) Any limitations proposed to be placed on discovery;~~

~~(4) Any other proposed orders with respect to discovery; and~~

~~(5) A statement showing that the attorney making the motion has made a reasonable effort to reach agreement with opposing attorneys on the matters set forth in the motion. Each party and his attorney are under a duty to participate in good faith in the framing of a discovery plan if a plan is proposed by the attorney for any party. Notice of the motion shall be served on all parties. Objections or additions to matters set forth in the motion shall be served not later than 10 days after service of the motion.~~

~~Following the discovery conference, the court shall enter an order tentatively identifying the issues for discovery purposes, establishing a plan and schedule for discovery, setting limitations on discovery, if any; and determining such other matters, including the allocation of expenses, as are necessary for the proper management of discovery in the action. An order may be altered or amended whenever justice so requires.~~

~~Subject to the right of a party who properly moves for a discovery conference to prompt convening of the conference, the court may combine the discovery conference with a pretrial conference authorized by Rule 16.~~

(1) No earlier than 40 days after the complaint is filed in an action, any party's attorney or an unrepresented party may request a meeting on the subject of discovery, including the discovery of electronically stored information. If such a request is filed, the parties shall meet in the county in which the action is pending not less than 21 days after the initial request for a meeting is filed and served upon the parties, unless agreed otherwise by the parties or their attorneys and unless an earlier time for the meeting is ordered by the court or agreed by the parties. Even if the parties or their attorneys do not seek to have a discovery meeting, at any time after commencement of an action the court may direct the parties or their attorneys to appear before it for a discovery conference.

(2) During a discovery meeting held pursuant to subdivision (f)(1) of this rule, the attorneys and any unrepresented parties shall (i) consider the nature and basis of the parties' claims and defenses and the possibilities for promptly settling or resolving the case and (ii) discuss the preparation of a discovery plan as set forth in subdivision (f)(3) of this rule. Attorneys for the parties, and any unrepresented parties, that have appeared in the case are jointly responsible for arranging the meeting, for being prepared to discuss a discovery plan, and for attempting in good faith to agree on a discovery plan. The meeting may be held by telephone, by videoconference, or in person, or a combination thereof, unless the court, on motion, orders the attorneys and the unrepresented parties to attend in person. If a discovery plan is agreed upon, the plan shall be submitted to the court within 14 days after the meeting, and the parties may request a conference with the court regarding the plan. If the parties do not agree upon a discovery plan, they shall submit to the court within 14 days after the meeting a joint report containing those parts of a discovery plan upon which they agree and the position of each of the parties on the parts upon which they disagree. Unless the parties agree otherwise, the attorney for the first plaintiff listed on the complaint shall be responsible for submitting the discovery plan or joint report.

(3) A discovery plan shall contain the following: (i) a statement of the issues as they then appear; (ii) a proposed plan and schedule of discovery, including the discovery of electronically stored information; (iii) with respect to electronically stored information, and if appropriate under the circumstances of the case, a reference to the preservation of such information, the media form, format, or procedures by which such information will be produced, the allocation of the costs of preservation, production, and, if necessary, restoration, of such information, the method for asserting or preserving claims of privilege or of protection of the information as trial-preparation materials if different from that provided in subdivision (b)(7) of this rule, the method for asserting or preserving confidentiality and proprietary status, and any other matters addressed by the parties; (iv) any limitations proposed to be placed on discovery, including, if appropriate under the circumstances of the case, that discovery be conducted in phases or be limited to or focused on particular issues; (v) when discovery should be completed; and (vi) if appropriate under the circumstances of the case, any limitations or conditions pursuant to section (c) of this rule regarding protective orders.

(4) If the parties are unable to agree to a discovery plan at a meeting held pursuant to subdivision (f)(1) of this rule, they shall, upon motion of any party, appear before the court for a discovery conference at which the court

shall order the entry of a discovery plan after consideration of the report required to be submitted under subdivision (f)(2) of this rule and the position of the parties. The order may address other matters, including the allocation of discovery costs, as are necessary for the proper management of discovery in the action. An order may be altered or amended as justice may require.

The court may combine the discovery conference with a pretrial conference authorized by Rule 16. A discovery conference in a medical malpractice action shall be governed by subsection (g) of this rule.

~~(f1)~~(g) Medical malpractice discovery conference. – In a medical malpractice action as defined in G.S. 90-21.11, upon the case coming at issue or the filing of a responsive pleading or motion requiring a determination by the court, the judge shall, within 30 days, direct the attorneys for the parties to appear for a discovery conference. At the conference the court may consider the matters set out in Rule 16 and subdivision (f)(3) of this rule and shall:

(1) Rule on all motions;

(2) Establish an appropriate schedule for designating expert witnesses, consistent with a discovery schedule pursuant to subdivision (3), to be complied with by all parties to the action such that there is a deadline for designating all expert witnesses within an appropriate time for all parties to implement discovery mechanisms with regard to the designated expert witnesses;

(3) Establish by order an appropriate discovery schedule designated so that, unless good cause is shown at the conference for a longer time, and subject to further orders of the court, discovery shall be completed within 150 days after the order is issued; nothing herein shall be construed to prevent any party from utilizing any procedures afforded under Rules 26 through 36, so long as trial or any hearing before the court is not thereby delayed; and

(4) Approve any consent order which may be presented by counsel for the parties relating to ~~parts~~ subdivisions (2) and (3) of this subsection, unless the court finds that the terms of the consent order are unreasonable.

If a party fails to identify an expert witness as ordered, the court shall, upon motion by the moving party, impose an appropriate sanction, which may include dismissal of the action, entry of default against the defendant, or exclusion of the testimony of the expert witness at trial.

~~(g)~~(h) Signing of discovery requests, responses, and objections. – Every request for discovery or response or objection thereto made by a party represented by an attorney shall be signed by at least one attorney of record in ~~his individual~~ that attorney's name, whose address shall be stated. A party who is not represented by an attorney shall sign the request, response, or objection and state ~~his~~ that party's address. The signature of the attorney or party constitutes a certification that ~~he~~ the attorney or party has read the request, response, or objection and that to the best of ~~his~~ the knowledge, information, and belief of that attorney or party formed after a reasonable inquiry it is: (1) consistent with the rules and warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law; (2) not interposed for any improper purpose, such as to harass or cause unnecessary delay or needless increase in the cost of litigation; and (3) not unreasonable or unduly burdensome or expensive, given the needs of the case, the discovery already had in the case, the amount in controversy, and the importance of the issues at stake in the litigation. If a request, response, or objection is not signed, it shall be stricken unless it is signed promptly after the omission is called to the attention of the party making the request, response, or objection and a party shall not be obligated to take any action with respect to it until it is signed.

If a certification is made in violation of the rule, the court, upon motion or upon its own initiative, shall impose upon the person who made the certification, the party on whose behalf the request, response, or objection is made, or both, an appropriate sanction, which may include an order to pay the amount of the reasonable expenses incurred because of the violation, including a reasonable attorney's fee."

SECTION 3. G.S. 1A-1, Rule 33(c), reads as rewritten:

"(c) Option to produce business records. – Where the answer to an interrogatory may be derived or ascertained from the business ~~records~~ records, including electronically stored information, of the party upon whom the interrogatory has been served or from an examination, audit or inspection of such business records, or from a compilation, abstract or summary based thereon, and the burden of deriving or ascertaining the answer is substantially the same for the party serving the interrogatory as for the party served, it is a sufficient answer to such interrogatory to specify the records from which the answer may be derived or ascertained and to afford to the party serving the interrogatory reasonable opportunity to examine, audit or inspect such records and to make copies, compilations, abstracts or summaries. A specification shall be in sufficient detail to permit the interrogating party to locate and to identify, as readily as can the party served, the records from which the answer may be ascertained."

SECTION 4. G.S. 1A-1, Rule 34, reads as rewritten:

"**Rule 34. Production of ~~documents and things and~~ documents, electronically stored information, and things; entry upon land for inspection and other purposes.**

(a) Scope. – Any party may serve on any other party a request (i) to produce and permit the party making the request, or someone acting on ~~his~~ that party's behalf, to inspect and copy, ~~any designated documents (including writings, drawings, graphs, charts, photographs, phono-records, and other data compilations from which information can be obtained, translated, if necessary, by the respondent through detection devices into reasonably usable form), or to inspect and copy,~~ test, or sample any designated documents, electronically stored information, or tangible things which constitute or contain matters within the scope of Rule 26(b) and which are in the possession, custody or control of the party upon whom the request is served; or (ii) to permit entry upon designated land or other property in the possession or control of the party upon whom the request is served for the purpose of inspection and measuring, surveying, photographing, testing, or sampling the property or any designated object or operation thereon, within the scope of Rule 26(b).

(b) Procedure. – The request may, without leave of court, be served upon the plaintiff after commencement of the action and upon any other party with or after service of the summons and complaint upon that party. The request shall set forth the items to be inspected either by individual item or by category, and describe each item and category with reasonable particularity. The request shall specify a reasonable time, place, and manner of making the inspection and performing the related acts. The request may specify the form or forms in which electronically stored information is to be produced.

The party upon whom the request is served shall serve a written response within 30 days after the service of the request, except that a defendant may serve a response within 45 days after service of the summons and complaint upon that defendant. The court may allow a shorter or longer time. The response shall state, with respect to each item or category, that inspection and related activities will be permitted as requested, unless the request is objected to, in which event the reasons for objection shall be stated. If objection is made to part of an item or category, the part shall be specified. In addition to other bases for objection, the response may state an objection to production of electronically stored information from sources that the party identifies as not reasonably accessible because of undue burden or cost. The response may also state an objection to a requested form for producing electronically stored information. If the responding party objects to a requested form, or if no form is specified in the request, the party must state the form or forms it intends to use. The party submitting the request may move for an order under Rule 37(a) with respect to any objection to or other failure to respond to the request or any part thereof, or any failure to permit inspection as requested.

Unless otherwise stipulated by the parties or ordered by the court, the following procedures apply to producing documents or electronically stored information:

(1) A party must produce documents as they are kept in the usual course of business or must organize and label them to correspond to the categories in the request;

(2) If a request does not specify a form for producing the electronically stored information, a party must produce it in a reasonably usable form or forms; and

(3) A party need not produce the same electronically stored information in more than one form.

(c) Form of response. – There shall be sufficient space following each request in which the respondent may state the response. The respondent shall: (1) state the response in the space provided, using additional pages if necessary; or (2) restate the request to be followed by the response. An objection to a request shall be made by stating the objection and the reason therefor either in the space following the request or following the restated request.

~~(c)~~(d) Persons not parties. – This rule does not preclude an independent action against a person not a party for production of documents and things and permission to enter upon land."

SECTION 5. G.S. 1A-1, Rule 37, reads as rewritten:

"**Rule 37. Failure to make discovery; sanctions.**

(a) Motion for order compelling discovery. – A party, upon reasonable notice to other parties and all persons affected thereby, may apply for an order compelling discovery as follows:

(1) Appropriate Court. – An application for an order to a party or a deponent who is not a party may be made to a judge of the court in which the action is pending, or, on matters relating to a deposition where the deposition is being taken in this State, to a judge of the court in the county where the deposition is being taken, as defined by Rule 30(h).

(2) Motion. – If a deponent fails to answer a question propounded or submitted under Rules 30 or 31, or a corporation or other entity fails to make a designation under Rule 30(b)(6) or 31(a), or a party fails to answer an interrogatory submitted under Rule 33, or if a party, in response to a request for inspection submitted under Rule 34, fails to respond that inspection will be permitted as requested or fails to permit inspection as requested, the discovering party may move for an order compelling an answer, or a designation, or an order compelling inspection in accordance with the request. The motion must include a certification that the movant has in good faith conferred or attempted to confer with the person or party failing to make the discovery in an effort to secure the information or material without court action. When taking a deposition on oral examination, the proponent of the question shall complete the examination on all other matters before ~~he adjourns~~ the examination is adjourned, in order to apply for an order. If the motion is based upon an objection to production of electronically stored information from sources the objecting party identified as not reasonably accessible because of undue burden or cost, the objecting party has the burden of showing that the basis for the objection exists.

If the court denies the motion in whole or in part, it may make such protective order as it would have been empowered to make on a motion made pursuant to Rule 26(c).

(3) Evasive or Incomplete Answer. – For purposes of this subdivision an evasive or incomplete answer is to be treated as a failure to answer.

(4) Award of Expenses of Motion. – If the motion is granted, the court shall, after opportunity for hearing, require the party or deponent whose conduct necessitated the motion or the party advising such conduct or both of them to pay to the moving party the reasonable expenses incurred in obtaining the order, including attorney's fees, unless the court finds that the opposition to the motion was substantially justified or that other circumstances make an award of expenses unjust.

If the motion is denied, the court shall, after opportunity for hearing, require the moving party to pay to the party or deponent who opposed the motion the reasonable expenses incurred in opposing the motion, including attorney's fees, unless the court finds that the making of the motion was substantially justified or that other circumstances make an award of expenses unjust.

If the motion is granted in part and denied in part, the court may apportion the reasonable expenses incurred in relation to the motion among the parties and persons in a just manner.

(b) Failure to comply with order. –

(1) Sanctions by Court in County Where Deposition Is Taken. – If a deponent fails to be sworn or to answer a question after being directed to do so by a judge of the court in the county in which the deposition is being taken, the failure may be considered a contempt of that court.

(2) Sanctions by Court in Which Action Is Pending. – If a party or an officer, director, or managing agent of a party or a person designated under Rule 30(b)(6) or 31(a) to testify on behalf of a party fails to obey an order to provide or permit discovery, including an order made under section (a) of this rule or Rule 35, or if a party fails to obey an order entered under Rule 26(f) a judge of the court in which the action is pending may make such orders in regard to the failure as are just, and among others the following:

a. An order that the matters regarding which the order was made or any other designated facts shall be taken to be established for the purposes of the action in accordance with the claim of the party obtaining the order;

b. An order refusing to allow the disobedient party to support or oppose designated claims or defenses, or prohibiting ~~him~~ the party from introducing designated matters in evidence;

c. An order striking out pleadings or parts thereof, or staying further proceedings until the order is obeyed, or dismissing the action or proceeding or any part thereof, or rendering a judgment by default against the disobedient party;

d. In lieu of any of the foregoing orders or in addition thereto, an order treating as a contempt of court the failure to obey any orders except an order to submit to a physical or mental examination;

e. Where a party has failed to comply with an order under Rule 35(a) requiring ~~him~~ the party to produce another for examination, such orders as are listed in subdivisions a, b, and c of this subsection, unless the party failing to comply shows that ~~he~~ the party is unable to produce such person for examination.

In lieu of any of the foregoing orders or in addition thereto, the court shall require the party failing to obey the order to pay the reasonable expenses, including attorney's fees, caused by the failure, unless the court finds that the failure was substantially justified or that other circumstances make an award of expenses unjust.

(c) Failure to provide electronically stored information. – Absent exceptional circumstances, a court may not impose sanctions under these rules on a party for failing to provide electronically stored information lost as a result of routine, good-faith operation of an electronic information system.

~~(c)~~(d) Expenses on failure to admit. – If a party fails to admit the genuineness of any document or the truth of any matter as requested under Rule 36, and if the party requesting the admissions thereafter proves the genuineness of the document or the truth of the matter, ~~he~~ the requesting party may apply to the court for an order requiring the other party to pay to him or

In lieu of any order or in addition thereto, the court shall require the party failing to act to pay the reasonable expenses, including attorney's fees, caused by the failure, unless the court finds that the failure was substantially justified or that other circumstances make an award of expenses unjust.

The failure to act described in this section may not be excused on the ground that the discovery sought is objectionable unless the party failing to act has applied for a protective order as provided by Rule 26(c).

~~(e),~~ (f) Reserved for future codification purposes.

(g) Failure to participate in the framing of a discovery plan. – If a party or ~~his~~ the party's attorney fails to participate in good faith in the framing of a discovery plan by agreement as is required by Rule 26(f), the court may, after opportunity for hearing, require such party or ~~his~~ the party's attorney to pay to any other party the reasonable expenses, including attorney's fees, caused by the failure."

c. The subpoena subjects a person to an undue ~~burden.~~burden or expense.

Session Law 2011-209 **S.B. 309**

AN ACT TO AUTHORIZE THE GOVERNING BOARD OF ANY SOIL AND WATER CONSERVATION DISTRICT TO ESTABLISH A SPECIAL RESERVE FUND TO BE USED FOR MAINTAINING CONSERVATION EASEMENTS.

Whereas, North Carolina is and always has been a leader in soil and water conservation, with the nation's first soil and water conservation district established in Brown Creek, Anson County, under the leadership of Dr. Hugh Hammond Bennett, the "father of soil conservation" in the United States; and

Whereas, soil and water conservation districts continue into the 21st century to provide a critical voluntary, nonregulatory means to enhance conservation values of private lands, including much of the State's agricultural and timber lands; and

Whereas, conservation easements provide an increasingly important way that soil and water conservation districts, along with other units of State and local government and private land trusts, help private landowners conserve important soil and water resources on their property; and

Whereas, to be effective in the long run, conservation easements require long-term or perpetual monitoring to assure that the intent of the easement donors and sellers is honored; and

Whereas, soil and water conservation districts receive funds from diverse sources for long-term easement stewardship, including private contributions and donations, portions of transaction fees, donations from private charitable foundations, and contributions from and appropriation of public funds; and

Whereas, the current local budgeting and finance laws do not adequately provide a means to ensure that these funds are dedicated to long-term or perpetual stewardship of conservation easements; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 139-3 is amended by adding a new subdivision to read:

"(4a) 'Conservation easement' has the same meaning as provided in G.S. 40A-80."

SECTION 2. Article 1 of Chapter 139 of the General Statutes is amended by adding the following new section to read:

"**§ 139-7.1. Special revenue funds for the maintenance of conservation easements.**

(a) Establishing Fund. – The governing body of a soil and water conservation district may establish and maintain a special revenue fund for the purpose of maintaining conservation easements, including maintenance activities such as travel to and observation of easement property, remote monitoring of easement property, and education and ongoing communication with landowners about their easement responsibilities. To establish a special revenue fund under this section, the governing body of a soil and water conservation district shall adopt a resolution or ordinance that includes all of the following provisions:

(1) The specific purposes of maintaining conservation easements for which the special revenue fund is created.

(2) The approximate periods of time during which the moneys are to be accumulated for each purpose specified under subdivision (1) of this subsection.

(3) The approximate amounts to be accumulated for each purpose specified under subdivision (1) of this subsection.

(4) The sources from which moneys will be derived for each purpose specified under subdivision (1) of this subsection.

(b) Changes Authorized. – The resolution or ordinance that establishes a special revenue fund under subsection (a) of this section may be amended from time to time in the same manner in which it was adopted. Such amendments may authorize the use of moneys in the special revenue fund for conservation easement maintenance purposes that are not previously provided for by resolution or ordinance.

(c) Funding. – Any special revenue fund established under this section shall consist of funds received by appropriation from any other fund consistent with the limitations under G.S. 159-13(b); grant moneys; donations; direct appropriations from the State or any of its agencies or political subdivisions; or any other unrestricted funds appropriated to a soil and water conservation district from any source. When the conservation easement maintenance fund receives moneys or investment securities, the use of which is restricted by law, the identity of such moneys or investment securities shall be maintained by appropriate accounting entries.

(d) Investment of Fund. – All or any part of the cash balances of a special revenue fund established under this section may be deposited at interest or invested as provided by G.S. 159-30.

(e) Fund Withdrawals When District Adopts Its Own Budget Ordinance. – Withdrawals from a special revenue fund established under this section may be authorized by resolution or ordinance of the governing body of the soil and water conservation district. No withdrawal may be authorized unless it is for a purpose that is specified in the resolution or ordinance under subsection (a) of this section or in a resolution or ordinance under subsection (b) of this section. The resolution or ordinance to authorize a withdrawal under this subsection shall authorize an appropriation from the special revenue fund to one of the funds maintained pursuant to G.S. 159-13(a); however, no withdrawal may be authorized that would result in an appropriation for conservation easement maintenance purposes for which an adequate balance of eligible moneys or investment securities is not available in the special revenue fund at the time the resolution or ordinance under this subsection is adopted.

(f) Fund Withdrawals When Other Body Adopts District's Budget Ordinance. – If a soil and water conservation district's budget ordinance is subject to adoption by another governing body, then the governing body that is responsible for adopting the soil and water district's budget ordinance must approve the appropriation of moneys from the special revenue fund

established under this section to one of the funds maintained pursuant to G.S. 159-13(a), subject to the other limitations provided in subsection (e) of this section."

AN ACT TO INCREASE THE REGULATION ON PSEUDOEPHEDRINE PRODUCTS TO CURTAIL METHAMPHETAMINE PRODUCTION AND TO REDUCE COSTS TO LOCAL GOVERNMENTS FOR LAB CLEANUP COSTS, AND TO STUDY THE EFFICACY OF ELECTRONIC RECORD KEEPING WITH A REPORT TO THE 2013 GENERAL ASSEMBLY.

The General Assembly of North Carolina enacts:

SECTION 1. It is the intent and purpose of this act to continue efforts begun with the Methamphetamine Lab Prevention Act of 2005 to regulate the sale of pseudoephedrine products that are used to manufacture methamphetamine. The use of electronic tracking of methamphetamine sales is being used in several states, including those bordering this State. Other states, which at the time of this act include Oregon and Mississippi, have seen a reduction in methamphetamine labs by designating pseudoephedrine and like products as Schedule III controlled substances, thereby requiring a prescription to obtain pseudoephedrine products. A study should be undertaken to evaluate the efficacy of this act in addressing the

production of methamphetamine and to determine whether more stringent methods for the curtailment of methamphetamine production should be allowed to take effect.

SECTION 2. Article 5D of Chapter 90 of the General Statutes is amended by adding a new section to read:

"§ **90-113.52A. Electronic record keeping.**

(a) A retailer shall, before completing a sale of a product containing a pseudoephedrine product, electronically submit the required information to the National Precursor Log Exchange (NPLEx) administered by the National Association of Drug Diversion Investigators (NADDI), provided that the NPLEx system is available to retailers in the State without a charge for accessing the system and the retailer has Internet access. The seller shall not complete the sale if the system generates a stop alert. Absent negligence, wantoness, recklessness, or deliberate misconduct, any retailer utilizing the electronic sales tracking system in accordance with this subsection shall not be civilly liable as a result of any act or omission in carrying out the duties required by this subsection and shall be immune from liability to any third party unless the retailer has violated any provision of this subsection in relation to a claim brought for such violation.

(b) If a pharmacy selling a product containing a pseudoephedrine product experiences mechanical or electronic failure of the electronic sales tracking system and is unable to comply with the electronic sales tracking requirement, the pharmacy or retail establishment shall record that the sale was made without submission to the NPLEx system in the record of disposition required under G.S. 90-113.52.

(c) The NADDI shall forward North Carolina transaction records in NPLEx to the State Bureau of Investigation weekly and provide real-time access to NPLEx information through the NPLEx online portal to law enforcement in the State as authorized by the SBI, provided that the SBI executes a memorandum of understanding with NADDI governing access.

(d) This system shall be capable of generating a stop sale alert, which shall be a notification that completion of the sale would result in the seller or purchaser violating the quantity limits set forth in G.S. 90-113.52. The system shall contain an override function that may be used by a dispenser of a pseudoephedrine product who has a reasonable fear of imminent bodily harm if the dispenser does not complete a sale. Each instance in which the override function is utilized shall be logged by the system."

SECTION 3. G.S. 90-113.56 reads as rewritten:

"§ **90-113.56. Penalties.**

(a) If a retailer willfully and knowingly violates the provisions of G.S. 90-113.52, 90-113.52A, 90-113.53, or 90-113.54, the retailer shall be guilty of a Class A1 misdemeanor for the first offense and a Class I felony for a second or subsequent offense. A retailer convicted of a third offense occurring on the premises of a single establishment shall be prohibited from making pseudoephedrine products available for sale at that establishment.

(b) Any purchaser or employee who willfully and knowingly violates G.S. 90-113.52A, G.S. 90-113.52(c) or G.S. 90-113.53 shall be guilty of a Class 1 misdemeanor for the first offense, a Class A1 misdemeanor for a second offense, and a Class I felony for a third or subsequent offense. This subsection shall not be construed to apply to bona fide innocent purchasers.

(c) A retailer who fails to train employees in accordance with G.S. 90-113.55, adequately supervise employees in transactions involving pseudoephedrine products, or reasonably discipline employees for violations of this Article shall be fined up to five hundred dollars ($500.00) for the first violation, up to seven hundred fifty dollars ($750.00) for the second violation, and up to one thousand dollars ($1,000) for a third or subsequent violation of this section."

SECTION 4. Beginning with the 2011 calendar year, the State Bureau of Investigation shall determine the number of methamphetamine laboratories discovered in the State each calendar year and report its findings to the Legislative Commission on Methamphetamine Abuse by March 1, 2012, for the 2011 calendar year and each March 1

thereafter for the preceding calendar year. The State Bureau of Investigation shall participate in the High Intensity Drug Trafficking Areas (HIDTA) program, assist in coordinating the drug control efforts between local and State law enforcement agencies, and monitor the implementation and effectiveness of the electronic record-keeping requirements included in this act. The SBI shall include its findings in the report to the Commission required by this section.

SECTION 5. The Legislative Commission on Methamphetamine Abuse, established by the Methamphetamine Lab Prevention Act of 2005, in addition to its statutory responsibilities, shall study (i) the implementation of the provisions in this act, including the number of methamphetamine labs that are discovered annually and (ii) the potential costs of making pseudoephedrine products Schedule III controlled substances. The Commission may make an interim report to the 2012 Regular Session of the 2011 General Assembly and shall make a final report with findings and recommendations to the General Assembly upon the convening of the 2013 General Assembly.

SECTION 6. Sections 2 and 3 of this act become effective January 1, 2012, and Section 3 applies to offenses occurring on or after that date, and the remainder of this act is effective when it becomes law.

In the General Assembly read three times and ratified this the 16th day of June, 2011.

Became law upon approval of the Governor at 1:02 p.m. on the 23rd day of June, 2011.

f. If the court, in its discretion, determines that any party opposing the motion did so without good cause, the court shall require the party opposing the motion to pay the moving party the reasonable costs and expenses incurred in obtaining the order, including attorneys' fees, unless circumstances exist which make an award of expenses unjust.

Session Law 2011-257 **H.B. 765**

AN ACT TO ESTABLISH A BLUE RIBBON COMMISSION TO STUDY THE CURRENT LENGTH OF THE SCHOOL YEAR IN NORTH CAROLINA AND TO DETERMINE HOW LONG THE SCHOOL YEAR SHOULD BE.

Whereas, the Constitution of North Carolina reads as follows: "The people have a right to the privilege of education, and it is the duty of the State to guard and maintain that right"; and

Whereas, the length of the school year in North Carolina, like many other states in the United States, is currently a minimum of 180 teaching days, and 1,000 hours, and funds for public education in the State are based on the length of the school term; and

Whereas, North Carolina law does not prohibit school districts from providing more than 180 days of instruction time; and

Whereas, the seminal education report "A Nation at Risk" noted in 1984 that the 180-day school calendar had become outdated and could not sufficiently supply the kind of instructional time that American students needed in a world of increasing complexity; and

Whereas, 180 instructional days consistently puts the United States at or near the bottom of other industrialized nations, according to rankings of instructional time done by the Organization for Economic Cooperation and Development (OECD); and

Whereas, Trends in International Mathematics and Science Study (TIMSS) studies show that the average time spent in the classroom by students in participating nations is 193, translating into a 156-day instructional day gap for American students over a 12-year academic career, or nearly one full school year.

Whereas, North Carolina's graduation rate continues to need to improve; and

Whereas, some experts contend that the current length of the school year does not afford ample time to equip young North Carolinians with the knowledge and skills necessary to compete in an increasingly competitive and global workplace; and

Whereas, studies document that approximately two-thirds of the grade 9 achievement gap between lower and higher income youth can be explained by unequal access to summer learning opportunities during the elementary school years; and

Whereas, studies have documented that most students lose about two months of grade level equivalency in mathematical computation skills over the summer break; and

Whereas, low-income students also lose more than two months in reading achievement, despite the fact that their middle-class peers make slight gains; and

Whereas, children lose more than academic knowledge over the summer. Most children, particularly children at high risk of obesity, gain weight more rapidly when they are out of school during summer break; and

Whereas, students typically score lower on standardized tests at the end of summer vacation than they do on the same tests at the beginning of the summer; and

Whereas, North Carolina continues to spend precious resources on the remediation of its students; and

Whereas, the State of North Carolina should explore the feasibility of extending its school year and potentially being a model for the nation; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly reaffirms its intent that every child in North Carolina deserves an opportunity to a sound basic education.

SECTION 2. There is established a Blue Ribbon Commission to Study the Current Length of the School Year (Commission).

SECTION 3. The Commission shall be composed of 19 members as follows:

(1) Five members of the House of Representatives appointed by the Speaker of the House of Representatives.
(2) Five members of the Senate appointed by the President Pro Tempore of the Senate.
(3) The chair of the North Carolina State Board of Education.
(4) The executive director of the North Carolina School Boards Association.
(5) The Superintendent of Public Instruction.
(6) The president of North Carolina Association of Educators, Inc.
(7) The executive director of the North Carolina Association of School Administrators.
(8) The executive director of the Public School Forum of North Carolina.
(9) The executive director of the Professional Educators of North Carolina, Inc.
(10) The executive director of the N.C. Principals/Assistant Principals Association, Inc.
(11) The executive director of the North Carolina Congress of Parents and Teachers, Incorporated.

SECTION 4. The Commission shall study the following matters related to North Carolina's educational needs:

(1) Strategies for making North Carolina's children ready to compete in the 21st century.
(2) The cost of implementing a longer school year.
(3) A plan for implementing a longer school year.
(4) The impact of summer learning loss.
(5) The cost of remediation in the public schools, the community colleges, and the constituent institutions of The University of North Carolina.
(6) The impact of the current calendar on low-income and at-risk students.
(7) The impact of the current calendar on math and science scores.
(8) The achievement gap.

SECTION 5. The Speaker of the House of Representatives shall designate one Representative as Cochair, and the President Pro Tempore of the Senate shall designate one Senator as Cochair. The Commission shall meet upon the call of the chairs. A quorum of the Commission shall be 10 members. Any vacancy on the Commission shall be filled by the appointing authority.

SECTION 6. Members of the Commission shall receive per diem, subsistence, and travel allowances in accordance with G.S. 120-3.1, 138-5, or 138-6, as appropriate. The Commission, while in the discharge of its official duties, may exercise all powers provided for under G.S. 120-19 and G.S. 120-19.4. The Commission may meet upon the call of the Cochairs. The Commission may meet in the Legislative Building or the Legislative Office Building. With approval of the Legislative Services Commission, the Legislative Services Officer shall assign professional staff to assist the Commission in its work. The House of

Representatives' and the Senate's Directors of Legislative Assistants shall assign clerical staff to the Commission, and the expenses relating to the clerical employees shall be borne by the Commission. The Commission may contract for professional, clerical, or consultant services as provided by G.S. 120-32.02. If the Commission hires a consultant, the consultant shall not be a State employee or a person currently under contract with the State to provide services.

All State departments and agencies and local governments and their subdivisions shall furnish the Commission with any information in their possession or available to them.

The Commission may apply for, receive, and accept grants of non-State funds or other contribution as appropriate to assist in the performance of its duties.

SECTION 7. The Commission may make an interim report of its findings and recommendations to the 2012 Regular Session of the 2011 General Assembly and shall make a final report of its findings and recommendations to the 2013 General Assembly. The Commission shall terminate on December 31, 2012, or the filing of its final report, whichever occurs first.

SECTION 8. This act becomes effective July 1, 2011.

In the General Assembly read three times and ratified this the 16th day of June, 2011.

Became law upon approval of the Governor at 1:50 p.m. on the 23rd day of June, 2011.

(2) Failure of the Division of Health Service Regulation to complete informal dispute resolution timely does not delay the effective date of any enforcement action taken by the Division of Health Service Regulation against an adult care home.

(3) An adult care home is not entitled to seek a delay of any enforcement action against it on the grounds that the Division of Health Service Regulation has not completed informal dispute resolution prior to the effective date of the enforcement action.

Session Law 2011-259 **H.B. 822**

AN ACT DIRECTING THE STATE BOARD OF EDUCATION TO IMPLEMENT A DROPOUT RECOVERY PILOT PROGRAM.

Whereas, dropout rates continue to plague North Carolina, limiting career opportunities for dropouts and costing the State billions of dollars in lost wages; and

Whereas, high school dropouts are more likely to be incarcerated and more likely to need social welfare assistance; and

Whereas, the traditional path to a complete high school education is not for everyone; and

Whereas, many students perform best in nontraditional settings, and many students have family and employment obligations that hinder them from following the traditional route to a diploma; and

Whereas, these students require flexibility in terms of scheduling and content delivery; and

Whereas, there is also a need to close the gap in the graduation rates between minority students and white students; and

Whereas, it would be more efficient for North Carolina to reengage students across the State by implementing a statewide pilot program with an initial focus on the districts of highest need to allow the program to be effectively monitored prior to a statewide implementation; and

Whereas, North Carolina can implement such a program without additional taxes or appropriations; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. The State Board of Education shall implement a three-year Dropout Recovery Pilot Program in New Hanover County Schools and three other local school administrative units selected by the State Board of Education. The purpose of the pilot program is to reengage students and increase the graduation rates in North Carolina through an

educational program that provides flexible scheduling and a blended learning environment with individualized and self-paced learning options.

SECTION 2. Under the pilot program, the educational services and programming shall be provided by an education partner that is a nonprofit or for-profit entity approved by the State Board of Education. The local school administrative unit shall be responsible for reporting enrollment to the Department of Public Instruction, working with the education partner to align graduation requirements, and issuing diplomas to those students in the program who complete the necessary graduation requirements.

SECTION 3. The pilot program shall provide the following:

(1) Facilities that are easily accessible to the students being served.

(2) Flexible scheduling, including at least two different program schedules.

(3) Differentiated instruction that shall include individualized, group, and online instructional components.

(4) The capacity for assessing, recording, and responding to the students' academic progress on a daily basis using assessments that are aligned with State and local standards and requirements.

SECTION 4. Before the State Board of Education approves an applicant as an education partner, the applicant must demonstrate the following:

(1) A history providing dropout recovery services to high school students in charter or noncharter public schools.

(2) At least two years of relevant experience operating and providing services to brick-and-mortar public schools.

(3) At least two years of relevant experience providing comprehensive online learning programs.

(4) Relevant experience serving diverse student populations, including socioeconomically disadvantaged students.

(5) An explanation of the steps taken by the applicant to ensure that its proposed instructional content is aligned with State standards.

(6) A plan for the recruitment and hiring of State-certified teachers, including hiring criteria.

(7) A plan for the recruitment and hiring of qualified administrators, including hiring criteria.

(8) A detailed description of the applicant's plan to work with the participating local school administrative units and the State Board of Education to identify students who need to be served, to reengage those students, and to provide alternative education options for students at risk of dropping out. Students at risk of dropping out from their current schools may be transferred into the pilot program.

(9) An operational plan that includes the following:

a. The number and physical location of proposed sites and a list of the equipment required.

b. A proposed program calendar and daily schedule and an explanation of how the calendar and schedule meet the needs of prospective students. The schedule must include at least four hours per school day of on-site learning at a physical location.

c. The student-to-teacher ratio.

d. A description of each of the instructional methods to be used and number of hours per day for each method.

e. A plan for differentiated instruction that must include individualized, group, and online instructional components.

f. Capacity for assessing, recording, and responding to students' academic progress on a daily basis using standards-aligned assessments.

g. A detailed one-year budget.
h. A system of competency-based credit.
i. A plan for aggregation and reporting of student performance data and reporting of financial activity.

SECTION 5. Data and student performance results shall be collected and compiled from the pilot program and the participating local school administrative units. By implementing a uniform statewide pilot program, the success of the pilot program as a whole can be measured by the State Board of Education. In an effort to provide services to students for the 2011-2012 school year, if a request for proposals is necessary, the process shall be completed within 60 days of the effective date of the legislation.

SECTION 6. A student attending the pilot program shall be enrolled as a student of the resident local school administrative unit. The student shall be included in the ADM of that unit. The resident local school administrative unit shall retain five percent (5%) of the total per pupil funding for the student to cover administrative costs and shall remit payment to the education partner of the remaining ninety-five percent (95%) within 15 days of receiving payment from the Department of Public Instruction.

SECTION 7. Notwithstanding any other provision of law, the State Board of Education shall authorize participating local school administrative units to implement flexible attendance requirements for students participating in the pilot program due to the flexible scheduling and online portions of the pilot program.

SECTION 8. The pilot program shall be operated through the State Board of Education or as a program of the contracting school administrative unit. The pilot program may be an alternative school.

SECTION 9. This act becomes effective July 1, 2011.

AN ACT TO ESTABLISH REQUIREMENTS FOR THE DEPARTMENT OF HEALTH AND HUMAN SERVICES AND LOCAL MANAGEMENT ENTITIES WITH RESPECT TO STATEWIDE EXPANSION OF THE 1915(B)/(C) MEDICAID WAIVER.

The General Assembly of North Carolina enacts:

SECTION 1.(a) The Department of Health and Human Services (Department) shall proceed with statewide restructuring of the management responsibilities for the delivery of services for individuals with mental illness, intellectual and developmental disabilities, and substance abuse disorders through expansion of the 1915(b)/(c) Medicaid Waiver. It is the intent of the General Assembly that expansion of the 1915(b)/(c) Medicaid Waiver will be completed by July 1, 2013, and will result in the establishment of a system that is capable of managing all public resources that may become available for mental health, intellectual and developmental disabilities, and substance abuse services, including federal block grant funds, federal funding for Medicaid and Health Choice, and all other public funding sources. In implementing the restructuring and expansion authorized in this section, the Department shall do all of the following:

(1) Establish accountability for the development and management of a local system that ensures easy access to care, the availability and delivery of

necessary services, and continuity of care for consumers in need of mental health, intellectual and developmental disabilities, and substance abuse services.

(2) Maintain fidelity to the Piedmont Behavioral Health (PBH) demonstration model, a proven system for the operation of all public resources for mental health, developmental disabilities, and substance abuse services.

(3) Designate a single entity to assume responsibility for all aspects of Waiver management. The following operational models are acceptable options for Local Management Entity (LME) applicants:

a. Merger model: A single larger LME is formed from the merger of two or more LMEs.

b. Interlocal agreement among LMEs: A single LME is identified as the leader for all Waiver operations, financial management, and accountability for performance measures.

(4) Use managed care strategies, including care coordination and utilization management, to reduce the trend of escalating costs in the State Medicaid program while ensuring medically necessary care and deploy a system for the allocation of resources based on the reliable assessment of intensity of need. The Department shall design these strategies to efficiently direct consumers to appropriate services and to ensure that consumers receive no more and no less than the amount of services determined to be medically necessary and at the appropriate funding level.

(5) As the 1915(b)/(c) Medicaid Waiver expands statewide, phase out the current CAP-MR/DD Waiver as well as the utilization management functions currently performed by public and private contractors.

(6) Design the Innovations Waiver in such a way as to serve the maximum number of individuals with intellectual and developmental disabilities within aggregate funding.

(7) Require LMEs approved to operate a 1915(b)/(c) Medicaid Waiver to do all of the following:

a. Maintain a local presence in order to respond to the unique needs and priorities of localities.

b. Implement a process for feedback end exchange of information and ideas to ensure communication with consumers, families, providers, and stakeholders regarding disability-specific and general Waiver operations.

c. Establish and maintain systems for ongoing communication and coordination regarding the care of individuals with mental illness, intellectual and developmental disabilities, and substance abuse disorders with other organized systems such as local departments of social services, Community Care of North Carolina, hospitals, school systems, the Department of Juvenile Justice, and other community agencies.

d. Comply with the following operational requirements:

1. Maintain disability specific infrastructure and competency to address the clinical, treatment, rehabilitative, habilitative, and support needs of all disabilities covered by the 1915(b)/(c) Medicaid Waiver.

2. Maintain administrative and clinical functions, including requirements for customer service, quality management, due process, provider network development, information systems, financial reporting, and staffing.

3. Maintain full accountability for all aspects of Waiver operations and for meeting all contract requirements specified by the Department. The Department shall not require LMEs to subcontract any managed care functions or nonservice activities to other entities. However, LMEs that choose to subcontract managed care functions to other entities will be limited to the following:
   I. Information systems.
   II. Customer service (including call center) operations.
   III. Claims processing.
   IV. Provider, enrollment, credentialing, and monitoring.
   V. Professional services.
   VI. Treatment Plan development.
   VII. Referral to services.

SECTION 1.(b) By August 1, 2011, the Department shall select LMEs that have been assessed to meet minimum criteria for Waiver operations according to the requirements of RFA #2011-261 issued on April 1, 2011.

SECTION 1.(c) The Department shall require LMEs that have not been approved by the Department to operate a 1915(b)/(c) Medicaid Waiver by January 1, 2013, to merge with or be aligned through an interlocal agreement with an LME that has been approved by the Department to operate a 1915(b)/(c) Medicaid Waiver. If any LME fails to comply with this requirement, the Department shall assign responsibility for management of the 1915(b)/(c) Medicaid Waiver on behalf of the noncompliant LME to an LME that is successfully operating the Waiver and successfully meeting performance requirements of the contract with the Department. Those LMEs approved to operate the 1915(b)/(c) Medicaid Waiver under an interlocal agreement must have a single LME entity designated as responsible for all aspects of Waiver operations and solely responsible for meeting contract requirements.

SECTION 1.(d) County governments are not financially liable for overspending or cost overruns associated with an area authority's operation of a 1915(b)/(c) Medicaid Waiver. County governments are not financially liable for overspending or cost overruns of Medicaid services associated with a county program or multicounty program's operation of a 1915(b)/(c) Medicaid Waiver beyond the county program or multicounty program's Medicaid risk reserve and Medicaid fund balance amounts.

SECTION 1.(e) Providers of targeted case management under the CAP-MR/DD Waiver are qualified to provide the 1915(c) service known as Community Guide under the Innovations Waiver. During the first year of assuming responsibility for Waiver operations, LMEs shall offer to contract with providers that were previously approved to provide targeted case management to individuals with intellectual and developmental disabilities under the CAP-MR/DD Waiver, for the provision of Community Guide services.

SECTION 1.(f) By December 31, 2011, the Department shall determine the feasibility of adding habilitation services to the State Medicaid Plan through the 1915(i) Option as a strategy to address the needs of Medicaid enrollees with IDD who are not enrolled in the Innovations Waiver and are not residing in an intermediate care facility for the mentally retarded (ICF-MR facility).

SECTION 1.(g) The Department shall consider the impact on ICF-MR facilities included in the 1915(b)/(c) Medicaid Waiver to determine and, to the extent possible, minimize potential inconsistencies with the requirements of G.S. 131E-176 and G.S. 131E-178 without negatively impacting the viability and success of the 1915(b)/(c) Medicaid Waiver programs.

SECTION 1.(h) The Department shall discontinue the pilot program to administer the Supports Intensity Scale to people with intellectual and developmental disabilities in non-Waiver LMEs.

SECTION 1.(i) The Department shall establish written policies ensuring alignment of objectives and operational coordination of the 1915(b)/(c) Medicaid Waiver and the care of

individuals with mental illness, intellectual and developmental disabilities, and substance abuse disorders with other organized systems under the auspices of the Department, including Community Care of North Carolina.

SECTION 1.(j) In the development of the budget for the 2013-2015 fiscal biennium and subsequent biennia, the General Assembly shall consider a reinvestment of at least fifteen percent (15%) of the total projected State savings for that biennium from the operation of the 1915(b)/(c) Waiver, for the purpose of expanding the number of consumers served by the Innovations 1915(c) Medicaid Waiver, or for the purpose of expanding other services that are designed to meet the needs of individuals with intellectual and developmental disabilities.

SECTION 1.(k) By October 1, 2011, the Department, in coordination with the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, the Division of Medical Assistance, LMEs, PBH, and with stakeholder input, shall submit to the appropriate Oversight Committee of the General Assembly a strategic plan delineating specific strategies and agency responsibilities for the achievement of the objectives and deadlines set forth in this Act.

SECTION 1.(l) The Department shall submit status reports to the General Assembly on the restructuring and expansion authorized in this section on January 1, 2012, April 1, 2012, October 1, 2012, February 1, 2013, and October 1, 2013.

SECTION 2. G.S. 122C-115(a) reads as rewritten:

Session Law 2011-265 **H.B. 641**

AN ACT TO ESTABLISH A CERTIFICATE OF RELIEF THAT WILL ASSIST INDIVIDUALS CONVICTED OF LESS SERIOUS CRIMES IN DEALING WITH COLLATERAL SANCTIONS AND DISQUALIFICATIONS THAT RESULT FROM A CRIMINAL CONVICTION AND A PROCEDURE FOR ISSUING THAT CERTIFICATE.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 15A of the General Statutes is amended by adding a new Article to read:

"Article 6.
"Certificate of Relief.

"**§ 15A-173.1. Definitions.**

The following definitions apply in this Article:

(1) Collateral consequence. – A collateral sanction or a disqualification.

(2) Collateral sanction. – A penalty, disability, or disadvantage, however denominated, imposed on an individual as a result of the individual's conviction of an offense which applies by operation of law, whether or not the penalty, disability, or disadvantage is included in the judgment or sentence. The term does not include imprisonment, probation, parole, post-release supervision, forfeiture, restitution, fine, assessment, or costs of prosecution.

(3) District attorney. – The office of the district attorney that prosecuted the offense giving rise to the collateral consequence from which relief is sought.

(4) Disqualification. – A penalty, disability, or disadvantage, however denominated, that an administrative agency, governmental official, or court in a civil proceeding may impose on an individual on grounds relating to the individual's conviction of an offense.

"**§ 15A-173.2. Certificate of Relief.**

(a) An individual who is convicted of no more than two Class G, H, or I felonies or misdemeanors in one session of court, and who has no other convictions for a felony or misdemeanor other than a traffic violation, may petition the court where the individual was convicted for a Certificate of Relief relieving collateral consequences as permitted by this Article. Except as otherwise provided in this subsection, the petition shall be heard by the senior resident superior court judge if the convictions were in superior court, or the chief district court judge if the convictions were in district court. The senior resident superior court judge and chief district court judge in each district may delegate their authority to hold hearings and issue, modify, or revoke Certificates of Relief to judges, clerks, or magistrates in that district.

(b) Except as otherwise provided in G.S. 15A-173.3, the court may issue a Certificate of Relief if, after reviewing the petition, the individual's criminal history, any information provided by a victim under G.S. 15A-173.6 or the district attorney, and any other relevant evidence, it finds the individual has established by a preponderance of the evidence all of the following:

(1) Twelve months have passed since the individual has completed his or her sentence. For purposes of this subdivision, an individual has not completed his or her sentence until the individual has served all of the active time, if any, imposed for each offense and has also completed any period of probation, post-release supervision, and parole related to the offense that is required by State law or court order.

(2) The individual is engaged in, or seeking to engage in, a lawful occupation or activity, including employment, training, education, or rehabilitative programs, or the individual otherwise has a lawful source of support.

(3) The individual has complied with all requirements of the individual's sentence, including any terms of probation, that may include substance abuse treatment, anger management, and educational requirements.

(4) The individual is not in violation of the terms of any criminal sentence, or that any failure to comply is justified, excused, involuntary, or insubstantial.

(5) A criminal charge is not pending against the individual.

(6) Granting the petition would not pose an unreasonable risk to the safety or welfare of the public or any individual.

(c) The Certificate of Relief shall specify any restriction imposed and collateral sanction or disqualification from which relief has not been granted under G.S. 15A-173.4(a).

(d) A Certificate of Relief relieves all collateral sanctions, except those listed in G.S. 15A-173.3, those sanctions imposed by the North Carolina Constitution or federal law, and any others specifically excluded in the certificate. A Certificate of Relief does not automatically relieve a disqualification; however, an administrative agency, governmental official, or court in a civil proceeding may consider a Certificate of Relief favorably in determining whether a conviction should result in disqualification.

(e) A Certificate of Relief issued under this Article does not result in the expunction of any criminal history record information, nor does it constitute a pardon.

(f) A Certificate of Relief may be revoked pursuant to G.S. 15A-173.4(b) if the individual is subsequently convicted of a felony or misdemeanor other than a traffic violation or is found to have made any material misrepresentation in his or her petition.

(g) The denial of a petition for a Certificate of Relief shall state the reasons for the denial, and the petitioner may file a subsequent petition 12 months from the denial and shall demonstrate that the petitioner has remedied the defects in the previous petition and has complied with any conditions for reapplication set by the court pursuant to G.S. 15A-173.4(a) in order to have the petition granted.

"**§ 15A-173.3. Collateral sanctions not subject to order of limited relief or Certificate of Relief.**

A Certificate of Relief shall not be issued to relieve any of the following collateral sanctions:

(1) Requirements imposed by, and any statutory requirements or prohibitions imposed as a result of registration pursuant to, Article 27A of Chapter 14 of the General Statutes.

(2) Prohibitions on possession of firearms imposed by Articles 54A and 54B of Chapter 14 of the General Statutes.

(3) A motor vehicle license suspension, revocation, limitation, or ineligibility imposed pursuant to Chapter 20 of the General Statutes.

(4) Ineligibility for certification pursuant to Chapter 17C or 17E of the General Statutes.

(5) Ineligibility for employment as any of the following if the ineligibility is a sanction imposed by a statute or session law of North Carolina.

a. A corrections or probation officer.

b. A prosecutor or investigator in either the Department of Justice or in the office of a district attorney. For purposes of this subdivision, the term district attorney shall include any district attorney authorized pursuant to G.S. 7A-60.

"**§ 15A-173.4. Issuance, modification, and revocation of Certificate of Relief.**

(a) When a petition is filed under G.S. 15A-173.2, including a petition for enlargement of an existing Certificate of Relief, the court shall notify the district attorney at least three weeks before the hearing on the matter. The court may issue a Certificate of Relief subject to restriction, condition, or additional requirement. When issuing, denying, modifying, or revoking a Certificate of Relief, the court may impose conditions for reapplication.

(b) The court may modify or revoke a Certificate of Relief it issued if it finds just cause by a preponderance of the evidence. Just cause includes subsequent conviction of a felony or misdemeanor other than a traffic violation in this State, or of an offense in another jurisdiction that is deemed a felony or misdemeanor other than a traffic violation in this State, or material misrepresentation by the petitioner in the petition for Certificate of Relief. A motion for modification or revocation of a Certificate of Relief may be initiated by the court on its own motion, or upon motion of the district attorney. The individual for whom the Certificate of Relief has been issued, and the district attorney, shall be given notice of the motion at least three weeks before any hearing on the matter. A hearing on the motion shall be held if requested by either the individual for whom the Certificate of Relief has been issued, or the district attorney.

(c) The district attorney shall have the right to appear and be heard at any proceeding relating to the issuance, modification, or revocation of the Certificate of Relief.

(d) The court is authorized to call upon a probation officer for any additional investigation or verification of the individual's conduct it reasonably believes necessary to its decision to issue, modify, or revoke a Certificate of Relief. If there are material disputed issues of fact or law, the individual and the district attorney may submit evidence and be heard on those issues.

(e) The issuance, modification, and revocation of Certificates of Relief shall be a public record.

"**§ 15A-173.5. Reliance on order or Certificate of Relief as evidence of due care.**

In a judicial or administrative proceeding alleging negligence, a Certificate of Relief is a bar to any action alleging lack of due care in hiring, retaining, licensing, leasing to, admitting to a school or program, or otherwise transacting business or engaging in activity with the individual to whom the Certificate of Relief was issued, if the person against whom the judicial or administrative proceeding is brought knew of the Certificate of Relief at the time of the alleged negligence.

"**§ 15A-173.6. Victim's rights.**

The victim of the underlying offense for which a Certificate of Relief is sought may appear and be heard, or may file a statement for consideration by the court, in a proceeding for issuance, modification, or revocation of the Certificate of Relief. Notification to the victim shall be made through the Victim Witness Coordinator in the office of the district attorney."

AN ACT TO PROVIDE FOR THE SEIZURE, FORFEITURE, AND SALE OF MOTOR VEHICLES USED BY DEFENDANTS IN FELONY CASES INVOLVING SPEEDING TO ELUDE ARREST.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-141.5 reads as rewritten:

"§ **20-141.5. Speeding to elude arrest.**

…

(f) Each law enforcement agency shall adopt a policy applicable to the pursuit of fleeing or eluding motorists. Each policy adopted pursuant to this subsection shall specifically include factors to be considered by an officer in determining when ~~it is advisable to break off a chase to stop and apprehend a suspect.~~ to initiate or terminate a pursuit. The Attorney General shall develop a model policy or policies to be considered for use by law enforcement agencies.

(g) If a person is arrested for a felony violation under this section, then the law enforcement agency shall seize the motor vehicle and deliver the same to the sheriff of the county in which such offense is committed, or the same shall be placed under said sheriff's constructive possession if delivery of actual possession is impractical, and the vehicle shall be held by the sheriff pending the trial of the person or persons operating such motor vehicle and charged with a felony offense under this section.

(1) The sheriff shall restore the seized motor vehicle to the owner upon execution by the owner of a good and valid bond, with sufficient sureties, in an amount double the value of the property, which bond shall be approved by said sheriff and shall be conditioned on the return of the motor vehicle to the custody of the sheriff on the day of trial of the person or persons accused. Upon an acquittal or dismissal of any felony charge under this section, the sheriff shall return the motor vehicle to the owner thereof.

(2) Notwithstanding the provisions for sale set out in subsection (h) of this section, on petition by a lienholder, the court, in its discretion and upon such terms and conditions as it may prescribe, may allow reclamation of the vehicle by the lienholder. The lienholder shall file with the court an accounting of the proceeds of any subsequent sale of the vehicle and pay into the court any proceeds received in excess of the amount of the lien.

(h) Upon conviction of the operator of said motor vehicle of a felony offense under this section, the court shall order a sale at public auction of said motor vehicle.

(1) The officer making the sale shall make the following deductions from the sale proceeds:

a. The expenses of keeping the motor vehicle.

b. The fee for the seizure.

c. The costs of the sale.

The officer shall then pay, from the net proceeds, all liens, according to their priorities, which are established by intervention or otherwise at the hearing or in other proceeding brought for said purpose as being bona fide. The officer shall pay the balance of the proceeds to the proper officer of the county who receives fines and forfeitures to be used for the school fund of the county.

(2) All liens against a motor vehicle sold under the provisions of this section shall be transferred from the motor vehicle to the proceeds of its sale.

(3) If, at the time of hearing, or other proceeding in which the matter is considered, the owner of the vehicle can establish to the satisfaction of the court that the provisions of sub-subdivisions a. through c. of this subdivision apply, then the court shall not order a sale of the vehicle but shall restore it to the owner. The owner shall be entitled to a trial by jury upon the issues in this subdivision.

a. The defendant was an immediate member of the owner's family at the time of the offense.

b. The defendant had no previous felony or misdemeanor convictions at the time of the offense and had no previous or pending violations of any provision in Chapter 20 of the General Statutes for the three years previous to the time of the offense.

If the clerk determines that the petitioner is an innocent owner, the clerk shall release the motor vehicle to the petitioner. The clerk shall send a copy of the order authorizing or denying release of the vehicle to the district attorney and the sheriff. An order issued under this subdivision finding that the petitioner failed to establish that the petitioner is an innocent owner may be reconsidered by the court as part of the forfeiture hearing under this section.

(i) If the owner of a motor vehicle seized pursuant to this section cannot be found, the taking of the same, with a description thereof, shall be advertised in some newspaper published in the city or county where taken, or, if there be no newspaper published in such city or county, in a newspaper having circulation in the county, once a week for two weeks and by handbills posted in three public places near the place of seizure, and if said owner shall not appear within 10 days after the last publication of the advertisement, the property shall be sold, or otherwise disposed of in the manner set forth in this section.

(j) When any vehicle confiscated under the provisions of this section is found to be specially equipped or modified from its original manufactured condition so as to increase its speed, the court shall, prior to sale, order that the special equipment or modification be removed and destroyed and the vehicle restored to its original manufactured condition. However, if the court should find that such equipment and modifications are so extensive that it would be impractical to restore said vehicle to its original manufactured condition, then the court may order that the vehicle be turned over to such governmental agency or public official within the territorial jurisdiction of the court as the court shall see fit, to be used in the performance of official duties only, and not for resale, transfer, or disposition other than as junk: Provided, that nothing herein contained shall affect the rights of lienholders and other claimants to said vehicles as set out in this section."

The Medical Care Commission shall adopt rules pertaining to the transfer and discharge of residents that offer ~~at least the same~~ protections to ~~residents as State and federal rules and regulations governing the transfer or discharge of residents from nursing homes.~~residents for safe and orderly transfer and discharge."

SECTION 4. Article 1 of Chapter 131D of the General Statutes is amended by adding a new section to read:

"**§ 131D-4.8. Discharge of residents; appeals.**

(a) An adult care home may initiate discharge of a resident based on any of the following reasons:

(1) The discharge is necessary to protect the welfare of the resident and the adult care home cannot meet the needs of the resident, as documented by the resident's physician, physician assistant, or nurse practitioner.

(2) The health of the resident has improved sufficiently so that the resident is no longer in need of the services provided by the adult care home, as documented by the resident's physician, physician assistant, or nurse practitioner.

(3) The safety of the resident or other individuals in the adult care home is endangered.

(4) The health of the resident or other individuals in the adult care home is endangered, as documented by a physician, physician assistant, or nurse practitioner.

(5) The resident has failed to pay the costs of services and accommodations by the payment due date specified in the resident's contract with the adult care home, after receiving written notice of warning of discharge for failure to pay.

(6) The discharge is mandated under this Article, Article 3 of this Chapter, or rules adopted by the Medical Care Commission.

(b) Upon arrival at any adult care home, an individual must be identified to receive a discharge notice on behalf of the resident. An adult care home shall notify a resident, the resident's legal representative, and the individual identified to receive a discharge notice of its intent to initiate the discharge of the resident under subsection (a) of this section, in writing, at least 30 days before the resident is discharged. The written notice shall include (i) the reasons for the discharge, (ii) an appropriate discharge destination if known, (iii) personal medical care information relating to the resident, as required by the Department, (iv) a copy of the Adult Care Home Notice of Discharge, (v) a copy of the Adult Care Home Hearing Request Form, and (vi) other information, as required under rules adopted by the Medical Care Commission. If a discharge is initiated under subdivision (a)(1) of this section on the basis that a resident's physician requires a different level of care for the resident, the discharge is not subject to appeal for that specific reason unless there is a documented conflict between two or more of the resident's physicians regarding the resident's appropriate level of care but remains subject to appeal on all other available grounds.

(c) During any appeal of a discharge to the Hearing Unit, if the Hearing Unit determines that the discharge destination identified in the written notice required by subsection (b) of this section does not include an appropriate discharge destination, the Department shall not prohibit discharge solely for that reason, provided that any discharge shall comply with subsection (e) of this section.

(d) If an adult care home resident or the resident's legal representative elects to appeal a discharge initiated by the adult care home, the appeal shall be to the Hearing Unit. The Hearing Unit shall decide all appeals pertaining to the discharge of adult care home residents. The decision of the Hearing Unit is the final agency decision. Any person aggrieved by a decision

of the Hearing Unit pertaining to an adult care home resident discharge is entitled to immediate judicial review of the decision in Wake County Superior Court or in the superior court of the county where the person resides. The appellant shall file a petition for judicial review not later than 30 days after the person is served with a written copy of the Hearing Unit decision. Within 10 days after the petition for judicial review is filed with the superior court, the appellant shall serve copies of the petition by personal service or certified mail upon all parties who were parties of record to the appeal to the Hearing Unit. Other parties to the appeal to the Hearing Unit may file a response to the petition within 30 days after service. The Department as the decision maker in the appeal to the Hearing Unit is not a party of record. Within 30 days after receipt of a petition for judicial review, the Department shall transmit to the superior court the original or a certified copy of the official record in the appeal to the Hearing Unit, together with the final agency decision. In reviewing the Department's final decision, the superior court shall review the official record, de novo, and make findings of fact and conclusions of law. The decision of the Department remains in effect during the pendency of review by the superior court and any further review in the appellate courts.

(e) The facility shall convene the adult care home resident discharge team to assist with finding a placement for a resident if, at the time of notice of discharge, the destination is unknown, or the destination is not appropriate for the resident. The facility is not solely responsible for securing an appropriate discharge destination. Local management entities shall take the lead role for the discharge destination for those residents whose primary unmet needs are related to mental health, developmental disabilities, or substance abuse and who meet the criteria for the target population established by the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services. Local departments of social services shall take the lead role for those residents whose primary unmet needs are related to health, including Alzheimer's disease and other forms of dementia, welfare, abuse, or neglect. Upon the request of the resident or the resident's legal representative, the Regional Long-Term Care Ombudsman shall serve as a member of the adult care home resident discharge team. The facility requesting the adult care home resident discharge team to be convened shall notify the resident and the resident's legal representative of this right. The adult care home resident discharge team shall provide the Hearing Unit with the discharge location at or before the discharge hearing.

(f) Meetings of the adult care home resident discharge team are not subject to the provisions of Article 33C of Chapter 143 of the General Statutes. All information and records acquired by the adult care home resident discharge team in the exercise of its duties are confidential unless all parties give written consent to the release of that information.

(g) If a discharge is under appeal to the Hearing Unit, the resident shall remain in the facility and shall not be subject to discharge until issuance of the decision of the Hearing Unit with the following exceptions:

(1) The discharge is necessary for the resident's welfare and the resident's needs cannot be met in the facility as documented by the resident's physician, physician assistant, or nurse practitioner;

(2) The safety of other individuals in the facility is endangered;

(3) The health of other individuals in the facility is endangered as documented by a physician, physician assistant, or nurse practioner."

The Department of Environment and Natural Resources, the Department of Commerce as specifically directed by subdivision (5) of this section, and the Consumer Protection Division of the Department of Justice as specifically directed by subdivision (8) of this section shall study the issue of oil and gas exploration in the State and the use of directional and horizontal drilling and hydraulic fracturing for that purpose. The Department of Environment and Natural Resources, in conjunction with the Department of Commerce and the Consumer Protection Division of the Department of Justice, shall report their findings and recommendations, including specific legislative proposals, to the Environmental Review Commission no later than May 1, 2012. At a minimum, the study shall include information on the following:

(1) Oil and gas resources present in the Triassic Basins and in any other areas of the State.

(2) Methods of exploration and extraction of oil and gas, including directional and horizontal drilling and hydraulic fracturing.

(3) Potential impacts on infrastructure, including roads, pipelines, and water and wastewater services. In analyzing potential impacts, the Department shall specifically examine the expected water usage from hydraulic fracturing, water resources in the area in which drilling may occur, as well as existing water users in the area that may be impacted by increased consumption of water for use in hydraulic fracturing.

(4) Potential environmental impacts, including constituents or contaminants that may be present in the fluid used in the hydraulic fracturing process; the potential for the contamination of nearby wells and groundwater, as well as the options for disposal and reuse of the wastewater produced; stormwater management; the potential for emission of toxic air pollutants; impacts on

wildlife; management and reclamation of drilling sites, including orphaned sites; management of naturally occurring radioactive materials (NORM) generated by the drilling and production of natural gas; and the potential for seismic activity in the area in which drilling may occur. In examining this issue, the Department shall formulate regulatory requirements advisable to address potential environmental impacts and in doing so shall gather information on regulatory programs in other states where oil and gas exploration or extraction is occurring, particularly with regard to the use of hydraulic fracturing for that purpose.

(5) Potential economic impacts, including possible sources of revenue that could accrue to the benefit of the State in the event that drilling for oil or natural gas were to take place in the State. In examining this issue, the Department of Commerce, in consultation with the Department of Environment and Natural Resources, shall gather information on (i) the number of jobs that may be expected as a result from drilling activities in the State and (ii) what severance taxes, fees, royalties, bonds, or assessments may be appropriate in connection with the activity. For any sources of revenue that may be anticipated, the Department of Commerce, in consultation with the Department of Environment and Natural Resources, shall evaluate use of the revenue for the following purposes: funds necessary to implement an oil and gas regulatory program; funds dedicated to the conservation and preservation of land and water resources; funds dedicated to remediation of environmental contamination such as the Inactive Hazardous Sites Cleanup Fund; and funds dedicated to improving water and wastewater infrastructure across the State.

(6) Potential social impacts, including impacts of drilling operations on nearby communities and quality of life within those communities, recreational activities, and commercial and residential development.

(7) Potential oversight and administrative issues associated with an oil and gas regulatory program, including statutory authority necessary for implementation of such a program; funding requirements necessary to implement a stable and effective program; criteria for permit issuance or denial; frequency and scope of inspections; compliance and enforcement procedures; coordination of agency involvement to ensure efficient permitting and clear delineation of compliance responsibilities; opportunities for public participation; and data management.

(8) Consumer protection and legal issues relevant to oil and gas exploration in the State, including matters of contract and property law, mineral leases, and landowner rights. In examining these issues, the Consumer Protection Division of the Department of Justice, in consultation with the Department of Environment and Natural Resources, shall specifically examine appropriate provisions on recommended disclosures to landowners, compensation for damages, payment of royalties, and remedies for breach, and any other matters the Division deems relevant. The Division shall also study such issues in consultation with the Rural Advancement Foundation International (RAFI).

(9) Any other pertinent issues that the Department deems relevant to oil and gas exploration in the State and the use of hydraulic fracturing for that purpose.

SECTION 5. By February 1, 2012, the Department of Environment and Natural Resources shall hold at least two public hearings at separate locations within the Triassic Basin on the issue of drilling for natural gas by means of directional and horizontal drilling and hydraulic fracturing. The public hearings shall be conducted in order to promote awareness of the issue generally and inform and consult with the public and user groups on potential

environmental impacts, potential regulatory controls, potential economic impacts, and consumer protection issues, including landowner rights and mineral leases. In developing the consumer protection portion of the public hearings, the Department shall consult with the Consumer Protection Division of the North Carolina Department of Justice and the Rural Advancement Foundation International (RAFI).

SECTION 6. In order to avoid redundancy and to make the most efficient use of State resources, the Department of Environment and Natural Resources and the Energy Jobs Council shall, to the maximum extent practicable, conduct the study required by Section 4 of this act in conjunction with the study required by Section 3(a) of Senate Bill 709, 2011 Regular Session, if Senate Bill 709 becomes law. The result of these consolidated studies, if applicable, shall result in one final report from the Department.

SECTION 7. This act is effective when it becomes law.

(1) Call upon a probation officer for additional investigation or verification of the petitioner's conduct during the four-year period since the date of conviction of the nonviolent felony in question.

(2) Review the petitioner's juvenile record, ensuring that the petitioner's juvenile records remain separate from adult records and files and are withheld from public inspection as provided under Article 30 of Chapter 7B of the General Statutes.

(3) Review the amount of restitution made by the petitioner to the victim of the nonviolent felony to be expunged and give consideration to whether or not restitution was paid in full.

(4) Review any other information the court deems relevant, including, but not limited to, affidavits or other testimony provided by law enforcement officers, district attorneys, and victims of nonviolent felonies committed by the petitioner.

(e) The court may order that the person be restored, in the contemplation of the law, to the status the person occupied before the arrest or indictment or information if the court finds all of the following after a hearing:

(1) The petitioner has remained of good moral character and has been free of conviction of any felony or misdemeanor, other than a traffic violation, for four years from the date of conviction of the nonviolent felony in question or any active sentence, period of probation, or post-release supervision has been served, whichever is later.

(2) The petitioner has not previously been convicted of any felony or misdemeanor other than a traffic violation under the laws of the United States or the laws of this State or any other state.

(3) The petitioner has no outstanding warrants or pending criminal cases.

(7) The search of the confidential records of expunctions conducted by the Administrative Office of the Courts shows that the petitioner has not been previously granted an expunction.

(f) No person as to whom an order has been entered pursuant to subsection (e) of this section shall be held thereafter under any provision of any laws to be guilty of perjury or otherwise giving a false statement by reason of that person's failure to recite or acknowledge the arrest, indictment, information, trial, or conviction. Persons pursuing certification under the provisions of Chapter 17C or 17E of the General Statutes, however, shall disclose any and all felony convictions to the certifying Commission regardless of whether or not the felony convictions were expunged pursuant to the provisions of this section.

Persons required by State law to obtain a criminal history record check on a prospective employee shall not be deemed to have knowledge of any convictions expunged under this section.

(g) The court shall also order that the nonviolent felony conviction be expunged from the records of the court and direct all law enforcement agencies bearing record of the same to expunge their records of the conviction. The clerk shall notify State and local agencies of the court's order as provided in G.S. 15A-150.

(h) Any other applicable State or local government agency shall expunge from its records entries made as a result of the conviction ordered expunged under this section. The agency shall also reverse any administrative actions taken against a person whose record is expunged under this section as a result of the charges or convictions expunged. This subsection shall not apply to the Department of Justice for DNA records and samples stored in the State DNA Database and the State DNA Databank.

(i) Any person eligible for expunction of a criminal record under this section shall be notified about the provisions of this section by the probation officer assigned to that person. If no probation officer is assigned, notification of the provisions of this section shall be provided by the court at the time of the conviction of the felony which is to be expunged under this section."

SECTION 1. G.S. 153A-364 reads as rewritten:

"**§ 153A-364. Periodic inspections for hazardous or unlawful conditions.**

(a) The inspection department ~~shall~~ may make periodic inspections, subject to the board of commissioners' directions, for unsafe, unsanitary, or otherwise hazardous and unlawful conditions in buildings or structures within its territorial jurisdiction. Except as provided in subsection (b) of this section, the inspection department may make periodic inspections only when there is reasonable cause to believe that unsafe, unsanitary, or otherwise hazardous or unlawful conditions may exist in a residential building or structure. For purposes of this section, the term 'reasonable cause' means any of the following: (i) the landlord or owner has a history of more than two verified violations of the housing ordinances or codes within a 12-month period; (ii) there has been a complaint that substandard conditions exist within the building or there has been a request that the building be inspected; (iii) the inspection department has actual knowledge of an unsafe condition within the building; or (iv) violations of the local ordinances or codes are visible from the outside of the property. In conducting inspections authorized under this section, the inspection department shall not discriminate between single-family and multifamily buildings. ~~In addition, it shall make any necessary inspections when it has reason to believe that such conditions may exist in a particular building.~~ In exercising these powers, each member of the inspection department has a right, upon presentation of proper credentials, to enter on any premises within the territorial jurisdiction of the department at any reasonable hour for the purposes of inspection or other enforcement

action. Nothing in this section shall be construed to prohibit periodic inspections in accordance with State fire prevention code or as otherwise required by State law.

(b) A county may require periodic inspections as part of a targeted effort within a geographic area that has been designated by the county commissioners. The county shall not discriminate in its selection of areas or housing types to be targeted and shall (i) provide notice to all owners and residents of properties in the affected area about the periodic inspections plan and information regarding a public hearing regarding the plan; (ii) hold a public hearing regarding the plan; and (iii) establish a plan to address the ability of low-income residential property owners to comply with minimum housing code standards.

(d) A county may levy a fee for residential rental property registration under subsection (c) of this section for those rental units which have been found with more than two verified violations of housing ordinances or codes within the previous 12 months or upon the property being identified within the top 10% of properties with crime or disorder problems as set forth in a local ordinance. The fee shall be an amount that covers the cost of operating a residential registration program and shall not be used to supplant revenue in other areas. Counties using registration programs that charge registration fees for all residential rental properties as of June 1, 2011, may continue levying a fee on all residential rental properties as follows:

(1) For properties with 20 or more residential rental units, the fee shall be no more than fifty dollars ($50.00) per year.

AN ACT TO REORGANIZE THE GENERAL STATUTES RELATING TO SCHOOL DISCIPLINE; PREVENT LITIGATION BY ADDING DEFINITIONS TO, AND CLARIFYING AMBIGUITIES IN, THE CURRENT LAW; CODIFY EXISTING CASE LAW; AND INCREASE LOCAL CONTROL AND FLEXIBILITY REGARDING DISCIPLINE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115C-390 and G.S. 115C-391 are repealed.

SECTION 2. Article 27 of chapter 115C of the General Statutes is amended by adding the following new sections:

"**§ 115C-390.1. State policy and definitions.**

(a) In order to create and maintain a safe and orderly school environment conducive to learning, school officials and teachers need adequate tools to maintain good discipline in schools. However, the General Assembly also recognizes that removal of students from school, while sometimes necessary, can exacerbate behavioral problems, diminish academic achievement, and hasten school dropout. School discipline must balance these interests to provide a safe and productive learning environment, to continually teach students to respect themselves, others, and property, and to conduct themselves in a manner that fosters their own learning and the learning of those around them.

(b) The following definitions apply in this Article:

(1) Alternative education services. – Part or full-time programs, wherever situated, providing direct or computer-based instruction that allow a student to progress in one or more core academic courses. Alternative education services include programs established by the local board of education in conformity with G.S. 115C-105.47A and local board of education policies.

(2) Corporal punishment. – The intentional infliction of physical pain upon the body of a student as a disciplinary measure.

The term shall not include an inoperable antique firearm, a BB gun, stun gun, air rifle, or air pistol.

(6) Long-term suspension. – The exclusion for more than 10 school days of a student from school attendance for disciplinary purposes from the school to which the student was assigned at the time of the disciplinary action. If the offense leading to the long-term suspension occurs before the final quarter of the school year, the exclusion shall be no longer than the remainder of the school year in which the offense was committed. If the offense leading to the long-term suspension occurs during the final quarter of the school year, the exclusion may include a period up to the remainder of the school year in which the offense was committed and the first semester of the following school year.

(7) Parent. – Includes a parent, legal guardian, legal custodian, or other caregiver adult who is acting in the place of a parent and is entitled to enroll the student in school under Article 25 of this Chapter.

(8) Destructive device. – An explosive, incendiary, or poison gas:

a. Bomb.

b. Grenade.

c. Rocket having a propellant charge of more than four ounces.

d. Missile having an explosive or incendiary charge of more than one-quarter ounce.

f. Device similar to any of the devices listed in this subdivision.

(9) Principal. – Includes the principal and the principal's designee.

(10) School official. – A superintendent or any other central office administrator to whom the superintendent has delegated duties under this Article and any principal or assistant principal.

(11) School personnel. – Any of the following:

a. An employee of a local board of education.

b. Any person working on school grounds or at a school function under a contract or written agreement with the public school system to provide educational or related services to students.

c. Any person working on school grounds or at a school function for another agency providing educational or related services to students."

(12) Short-term suspension. – The exclusion of a student from school attendance for disciplinary purposes for up to 10 school days from the school to which the student was assigned at the time of the disciplinary action.

(13) Substantial evidence. – Such relevant evidence as a reasonable person might accept as adequate to support a conclusion; it is more than a scintilla or permissible inference.

(14) Superintendent. – Includes the superintendent and the superintendent's designee.

(c) Notwithstanding the provisions of this Article, the policies and procedures for the discipline of students shall be consistent with the requirements of the Gun Free Schools Act, 20 U.S.C. § 7151, the Individuals with Disabilities Education Act (IDEA), 29 U.S.C. § 1400, et seq., section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701, et seq., and with other federal laws and regulations.

"§ **115C-390.2. Discipline policies.**

(a) Local boards of education shall adopt policies to govern the conduct of students and establish procedures to be followed by school officials in disciplining students. These policies must be consistent with the provisions of this Article and the constitutions, statutes, and regulations of the United States and the State of North Carolina.

(b) Board policies shall include or provide for the development of a Code of Student Conduct that notifies students of the standards of behavior expected of them, conduct that may subject them to discipline, and the range of disciplinary measures that may be used by school officials.

(c) Board policies may authorize suspension for conduct not occurring on educational property, but only if the student's conduct otherwise violates the Code of Student Conduct and the conduct has or is reasonably expected to have a direct and immediate impact on the orderly and efficient operation of the schools or the safety of individuals in the school environment.

(d) Board policies shall not allow students to be long-term suspended or expelled from school solely for truancy or tardiness offenses and shall not allow short-term suspension of more than two days for such offenses.

(e) Board policies shall not impose mandatory long-term suspensions or expulsions for specific violations unless otherwise provided in State or federal law.

(f) Board policies shall minimize the use of long-term suspension and expulsion by restricting the availability of long-term suspension or expulsion to those violations deemed to be serious violations of the board's Code of Student Conduct that either threaten the safety of students, staff, or school visitors or threaten to substantially disrupt the educational environment. Examples of conduct that would not be deemed to be a serious violation include the use of inappropriate or disrespectful language, noncompliance with a staff directive, dress code violations, and minor physical altercations that do not involve weapons or injury. The principal may, however, in his or her discretion, determine that aggravating circumstances justify treating a minor violation as a serious violation.

(g) Board policies shall not prohibit the superintendent and principals from considering the student's intent, disciplinary and academic history, the potential benefits to the student of

alternatives to suspension, and other mitigating or aggravating factors when deciding whether to recommend or impose long-term suspension.

(h) Board policies shall include the procedures to be followed by school officials in suspending, expelling, or administering corporal punishment to any student, which shall be consistent with this Article.

(i) Each local board shall publish all policies, administrative procedures, or school rules mandated by this section and make them available to each student and his or her parent at the beginning of each school year and upon request.

(j) Local boards of education are encouraged to include in their safe schools plans, adopted pursuant to G.S. 115C-105.47, research-based behavior management programs that take positive approaches to improving student behaviors.

(k) School officials are encouraged to use a full range of responses to violations of disciplinary rules, such as conferences, counseling, peer mediation, behavior contracts, instruction in conflict resolution and anger management, detention, academic interventions, community service, and other similar tools that do not remove a student from the classroom or school building.

"**§ 115C-390.3. Reasonable force.**

(a) School personnel may use physical restraint only in accordance with G.S. 115C-391.1.

(b) School personnel may use reasonable force to control behavior or to remove a person from the scene in those situations when necessary for any of the following reasons:

(1) To correct students.

(2) To quell a disturbance threatening injury to others.

(3) To obtain possession of weapons or other dangerous objects on the person, or within the control, of a student.

(4) For self-defense.

(5) For the protection of persons or property.

(6) To maintain order on educational property, in the classroom, or at a school-related activity on or off educational property.

(c) Notwithstanding any other law, no officer or employee of the State Board of Education or of a local board of education shall be civilly liable for using reasonable force in conformity with State law, State or local rules, or State or local policies regarding the control, discipline, suspension, and expulsion of students. Furthermore, the burden of proof is on the claimant to show that the amount of force used was not reasonable.

"**§ 115C-390.4. Corporal punishment.**

(a) Each local board of education shall determine whether corporal punishment will be permitted in its school administrative unit. Notwithstanding a local board of education's prohibition on the use of corporal punishment, school personnel may use physical restraint in accordance with federal law and G.S. 115C-391.1 and reasonable force pursuant to G.S. 115C-390.3.

(b) To the extent that corporal punishment is permitted, the policies adopted for the administration of corporal punishment shall include at a minimum the following:

(1) Corporal punishment shall not be administered in a classroom with other students present.

(2) Only a teacher, principal, or assistant principal may administer corporal punishment and may do so only in the presence of a principal, assistant principal, or teacher who shall be informed beforehand and in the student's presence of the reason for the punishment.

(3) A school person shall provide the student's parent with notification that corporal punishment has been administered, and the person who administered the corporal punishment shall provide the student's parent a written explanation of the reasons and the name of the second person who was present.

(4) The school shall maintain records of each administration of corporal punishment and the reasons for its administration.

(5) In no event shall excessive force be used in the administration of corporal punishment. Excessive force includes force that results in injury to the child that requires medical attention beyond simple first aid.

(6) Corporal punishment shall not be administered on a student whose parent or guardian has stated in writing that corporal punishment shall not be administered to that student. Parents and guardians shall be given a form to make such an election at the beginning of the school year or when the student first enters the school during the year. The form shall advise the parent or guardian that the student may be subject to suspension, among other possible punishments, for offenses that would otherwise not require suspension if corporal punishment were available. If the parent or guardian does not return the form, corporal punishment may be administered on the student.

(c) Each local board of education shall report annually to the State Board of Education, in a manner prescribed by the State Board of Education, on the number of times that corporal punishment was administered. The report shall be in compliance with the federal Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g, and shall include the following:

(1) The number of students who received corporal punishment.

"**§ 115C-390.6. Short-term suspension procedures.**

(a) Except as authorized in this section, no short-term suspension shall be imposed upon a student without first providing the student an opportunity for an informal hearing with the principal. The notice to the student of the charges may be oral or written, and the hearing may be held immediately after the notice is given. The student has the right to be present, to be informed of the charges and the basis for the accusations, and to make statements in defense or mitigation of the charges.

(b) The principal may impose a short-term suspension without providing the student an opportunity for a hearing if the presence of the student creates a direct and immediate threat to

In such cases, the notice of the charges and informal hearing described in subsection (a) of this section shall occur as soon as practicable.

(c) The principal shall provide notice to the student's parent of any short-term suspension, including the reason for the suspension and a description of the alleged student conduct upon which the suspension is based. (e) A student is not entitled to appeal the principal's decision to impose a short-term suspension to the superintendent or local board of education. Further, such a decision is not subject to judicial review. Notwithstanding this subsection, the local board of education, in its discretion, may provide students an opportunity for a review or appeal of a short-term suspension to the superintendent or local board of education.

"**§ 115C-390.7. Long-term suspension.**

(a) A principal may recommend to the superintendent the long-term suspension of any student who willfully engages in conduct that violates a provision of the Code of Student Conduct that authorizes long-term suspension. Only the superintendent has the authority to long-term suspend a student.

(b) Before the superintendent's imposition of a long-term suspension, the student must be provided an opportunity for a hearing consistent with G.S. 115C-390.8.

(c) If the student recommended for long-term suspension declines the opportunity for a hearing, the superintendent shall review the circumstances of the recommended long-term suspension. Following such review, the superintendent (i) may impose the suspension if is it consistent with board policies and appropriate under the circumstances, (ii) may impose another appropriate penalty authorized by board policy, or (iii) may decline to impose any penalty.

(d) If a teacher is assaulted or injured by a student and as a result the student is long-term suspended or reassigned to alternative education services, the student shall not be returned to that teacher's classroom unless the teacher consents.

(e) Disciplinary reassignment of a student to a full-time educational program that meets the academic requirements of the standard course of study established by the State Board of Education as provided in G.S. 115C-12 and provides the student with the opportunity to make timely progress towards graduation and grade promotion is not a long-term suspension requiring the due process procedures described in G.S. 115C-390.8.

"**§ 115C-390.8. Long-term suspension procedures.**

(a) When a student is recommended by the principal for long-term suspension, the principal shall give written notice to the student's parent. The notice shall be provided to the student's parent by the end of the workday during which the suspension was recommended when reasonably possible or as soon thereafter as practicable. The written notice shall provide at least the following information:

(2) A reference to the provisions of the Code of Student Conduct that the student is alleged to have violated.

(3) The specific process by which the parent may request a hearing to contest the decision, including the number of days within which the hearing must be requested.

(4) The process by which a hearing will be held, including, at a minimum, the procedures described in subsection (e) of this section.

(5) Notice that the parent is permitted to retain an attorney to represent the student in the hearing process.

(8) A reference to the local board policy on the expungement of discipline records as required by G.S. 115C-402.

When school personnel are aware that English is not the primary language of the parent or guardian, the notice shall be written in both English and in the primary language of the parent or guardian when the appropriate foreign language resources are readily available. All notices described in this section shall be written in plain English, and shall include the following information translated into the dominant non-English language used by residents within the local school administrative unit:

(1) The nature of the document, i.e., that it is a long-term suspension notice.

(2) The process by which the parent may request a hearing to contest the long-term suspension.

(3) The identity and phone number of a school employee that the parent may call to obtain assistance in understanding the English language information included in the document.

If a hearing is timely requested, it shall be held and a decision issued before a long-term suspension is imposed, except as otherwise provided in this subsection. The student and parent shall be given reasonable notice of the time and place of the hearing.

(1) If no hearing is timely requested, the superintendent shall follow the procedures described in G.S. 115C-390.7(c).

(2) If the student or parent requests a postponement of the hearing, or if the hearing is requested beyond the time set for such request, the hearing shall be scheduled, but the student shall not have the right to return to school pending the hearing.

(3) If neither the student nor parent appears for the scheduled hearing, after having been given reasonable notice of the time and place of the hearing, the parent and student are deemed to have waived the right to a hearing and the superintendent shall conduct the review required by G.S. 115C-390.7(c).

(d) The formal hearing may be conducted by the local board of education, by the superintendent, or by a person or group of persons appointed by the local board or superintendent to serve as a hearing officer or hearing panel. Neither the board nor the superintendent shall appoint any individual to serve as a hearing officer or on a hearing panel who is under the direct supervision of the principal recommending suspension. If the hearing is conducted by an appointed hearing officer or hearing panel, such officer or panel shall determine the relevant facts and credibility of witnesses based on the evidence presented at the hearing. Following the hearing, the superintendent or local board shall make a final decision regarding the suspension. The superintendent or board shall adopt the hearing officer's or panel's factual determinations unless they are not supported by substantial evidence in the record.

(e) Long-term suspension hearings shall be conducted in accordance with policies adopted by the board of education. Such policies shall offer the student procedural due process including, but not limited to, the following:

(6) The right to have a record made of the hearing.

(7) The right to make his or her own audio recording of the hearing.

(8) The right to a written decision, based on substantial evidence presented at the hearing, either upholding, modifying, or rejecting the principal's recommendation of suspension and containing at least the following information:

a. The basis for the decision, including a reference to any policy or rule that the student is determined to have violated.

b. Notice of what information will be included in the student's official record pursuant to G.S. 115C-402.

c. The student's right to appeal the decision and notice of the procedures for such appeal.

(f) Following the issuance of the decision, the superintendent shall implement the decision by authorizing the student's return to school or by imposing the suspension reflected in the decision.

(g) Unless the decision was made by the local board, the student may appeal the decision to the local board in accordance with G.S. 115C-45(c) and policies adopted by the board. Notwithstanding the provisions of G.S. 115C-45(c), a student's appeal to the board of a decision upholding a long-term suspension shall be heard and a final written decision issued in not more than 30 calendar days following the request for such appeal.

(h) Nothing in this section shall compel school officials to release names or other information that could allow the student or his or her representative to identify witnesses when such identification could create a safety risk for the witness.

(i) A decision of the local board to uphold the long-term suspension of a student is subject to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes. The action must be brought within 30 days of the local board's decision. A person seeking judicial review shall file a petition in the superior court of the county where the local board made its decision. Local rules notwithstanding, petitions for judicial review of a long-term suspension shall be set for hearing in the first succeeding term of superior court in the county following the filing of the certified copy of the official record.

"**§ 115C-390.9. Alternative education services.**

(a) Students who are long-term suspended shall be offered alternative education services unless the superintendent provides a significant or important reason for declining to offer such services. The following may be significant or important reasons, depending on the circumstances and the nature and setting of the alternative education services:

(1) The student exhibits violent behavior.

(2) The student poses a threat to staff or other students.

(3) The student substantially disrupts the learning process.

(4) The student otherwise engaged in serious misconduct that makes the provision of alternative educational services not feasible.

(5) Educationally appropriate alternative education services are not available in the local school administrative unit due to limited resources.

(6) The student failed to comply with reasonable conditions for admittance into an alternative education program.

(b) If the superintendent declines to provide alternative education services to the suspended student, the student may seek review of such decision by the local board of education as permitted by G.S. 115C-45(c)(2). If the student seeks such review, the superintendent shall provide to the student and the local board, in advance of the board's review, a written explanation for the denial of services together with any documents or other information supporting the decision.

"**§ 115C-390.10. 365-day suspension for gun possession.**

A principal shall recommend to the superintendent the 365-day suspension of any student believed to have violated board policies regarding weapons. The superintendent has the authority to suspend for 365 days a student who has been recommended for such suspension by the principal when such recommendation is consistent with board policies. Notwithstanding the foregoing, the superintendent may modify, in writing, the required 365-day suspension for an individual student on a case-by-case basis. The superintendent shall not impose a 365-day suspension if the superintendent determines that the student took or received the firearm or destructive device from another person at school or found the firearm or destructive device at school, provided that the student delivered or reported the firearm or destructive device as soon as practicable to a law enforcement officer or a school employee and had no intent to use such firearm or destructive device in a harmful or threatening way.

(b) The principal must report all incidents of firearms or destructive devices on educational property or at a school-sponsored event as required by G.S. 115C-288(g) and State Board of Education policy.

(c) Nothing in this provision shall apply to a firearm that was brought onto educational property for activities approved and authorized by the local board of education, provided that the local board of education has adopted appropriate safeguards to protect student safety.

(d) At the time the student and parent receive notice that the student is suspended for 365 days under this section, the superintendent shall provide notice to the student and the student's parent of the right to petition the local board of education for readmission pursuant to G.S. 115C-390.12.

(e) The procedures described in G.S. 115C-390.8 apply to students facing a 365-day suspension pursuant to this section.

(f) Students who are suspended for 365 days pursuant to this section shall be considered for alternative educational services consistent with the provisions of G.S. 115C-390.9.

"**§ 115C-390.11. Expulsion.**

(a) Upon recommendation of the superintendent, a local board of education may expel any student 14 years of age or older whose continued presence in school constitutes a clear threat to the safety of other students or school staff. Prior to the expulsion of any student, the local board shall conduct a hearing to determine whether the student's continued presence in school constitutes a clear threat to the safety of other students or school staff. The student shall

be given reasonable notice of the recommendation in accordance with G.S. 115C-390.8(a) and (b), as well as reasonable notice of the time and place of the scheduled hearing.

(1) The procedures described in G.S. 115C-390.8(e)(1)-(8) apply to students facing expulsion pursuant to this section, except that the decision to expel a student by the local board of education shall be based on clear and convincing evidence that the student's continued presence in school constitutes a clear threat to the safety of other students and school staff.

(2) A local board of education may expel any student subject to G.S. 14-208.18 in accordance with the procedures of this section. Prior to ordering the expulsion of a student, the local board of education shall consider whether there are alternative education services that may be offered to the student. As provided by G.S. 14-208.18(f), if the local board of education determines that the student shall be provided educational services on school property, the student shall be under the supervision of school personnel at all times.

(3) At the time a student is expelled under this section, the student shall be provided notice of the right to petition for readmission pursuant to G.S. 115C-390.12.

(b) During the expulsion, the student is not entitled to be present on any property of the local school administrative unit and is not considered a student of the local board of education. Nothing in this section shall prevent a local board of education from offering access to some type of alternative educational services that can be provided to the student in a manner that does not create safety risks to other students and school staff.

"**§ 115C-390.12. Request for readmission.**

(a) All students suspended for 365 days or expelled may, after 180 calendar days from the date of the beginning of the student's suspension or expulsion, request in writing readmission to the local school administrative unit. The local board of education shall develop and publish written policies and procedures for the readmission of all students who have been expelled or suspended for 365 days, which shall provide, at a minimum, the following process:

If the decision maker is the superintendent, the superintendent shall offer the student an opportunity for an in-person meeting. If the decision maker is the local board of education, the board may offer the student an in-person meeting or may make a determination based on the records submitted by the student and the superintendent.

b. The student shall be readmitted if the student demonstrates to the satisfaction of the board or superintendent that the student's presence in school no longer constitutes a threat to the safety of other students or staff.

c. A superintendent's decision not to readmit the student may be appealed to the local board of education pursuant to G.S. 115C-45(c). The superintendent shall notify the parents of the right to appeal.

d. There is no right to judicial review of the board's decision not to readmit a 365-day suspended student.

e. A decision on readmission under this subsection shall be issued within 30 days of the petition.

(2) The process for expelled students.

a. The board of education shall consider all petitions for readmission of expelled students, together with the recommendation of the superintendent on the matter, and shall rule on the request for readmission. The board shall consider the petition based on the records submitted by the student and the response by the

administration and shall allow the parties to be heard in the same manner as provided by G.S. 115C-45(c).

b. The student shall be readmitted if the student demonstrates to the satisfaction of the board or superintendent that his or her presence in a school no longer constitutes a clear threat to the safety of other students or staff.

c. A decision by a board of education to deny readmission of an expelled student is not subject to judicial review.

d. An expelled student may subsequently request readmission not more often than every six months. The local board of education is not required to consider subsequent readmission petitions filed sooner than six months after the previous petition was filed.

e. A decision on readmission under this section shall be issued within 30 days of the petition.

(b) If a student is readmitted under this section, the board and the superintendent have the right to assign the student to any program within the school system and to place reasonable conditions on the readmission.

(c) If a teacher was assaulted or injured by a student, and as a result the student was expelled, the student shall not be returned to that teacher's classroom following readmission unless the teacher consents."

AN ACT TO PROVIDE TORT REFORM FOR NORTH CAROLINA CITIZENS AND BUSINESSES.

The General Assembly of North Carolina enacts:

PART I. GENERAL REFORMS

SECTION 1.1. Article 4 of Chapter 8C of the General Statutes is amended by adding a new section to read:

"**Rule 414. Evidence of medical expenses.**

Evidence offered to prove past medical expenses shall be limited to evidence of the amounts actually paid to satisfy the bills that have been satisfied, regardless of the source of payment, and evidence of the amounts actually necessary to satisfy the bills that have been incurred but not yet satisfied. This rule does not impose upon any party an affirmative duty to seek a reduction in billed charges to which the party is not contractually entitled."

SECTION 1.2. G.S. 8-58.1 reads as rewritten:

"§ **8-58.1. Injured party as witness when medical charges at issue.**

(a) Whenever an issue of hospital, medical, dental, pharmaceutical, or funeral charges arises in any civil proceeding, the injured party or his guardian, administrator, or executor is competent to give evidence regarding the amount paid or required to be paid in full satisfaction of such charges, provided that records or copies of such charges showing the amount paid or required to be paid in full satisfaction of such charges accompany such testimony.

(b) The testimony of ~~such~~ a person pursuant to subsection (a) of this section establishes a rebuttable presumption of the reasonableness of the amount paid or required to be paid in full satisfaction of the ~~charges.~~charges. However, in the event that the provider of hospital, medical, dental, pharmaceutical, or funeral services gives sworn testimony that the charge for that provider's service either was satisfied by payment of an amount less than the amount charged, or can be satisfied by payment of an amount less than the amount charged, then with respect to that provider's charge only, the presumption of the reasonableness of the amount charged is rebutted and a rebuttable presumption is established that the lesser satisfaction amount is the reasonable amount of the charges for the testifying provider's services. For the purposes of this subsection, the word "provider" shall include the agent or employee of a provider of hospital, medical, dental, pharmaceutical, or funeral services, or a person with responsibility to pay a provider of hospital, medical, dental, pharmaceutical, or funeral services on behalf of an injured party.

(c) The fact that a provider charged for services provided to the injured person establishes a permissive presumption that the services provided were reasonably necessary but no presumption is established that the services provided were necessary because of injuries caused by the acts or omissions of an alleged tortfeasor."

In those counties where the office of coroner is abolished, or is vacant, and in which process is required to be executed on the sheriff, the authority to execute such process shall be vested in the clerk of court; however, the clerk of court is hereby empowered to designate and direct by appropriate order some person to act in ~~his~~ the clerk of court's stead to execute the same. The execution must also be subscribed by the clerk of the court, and must refer to the judgment, stating the county where the judgment roll or transcript is filed, the names of the parties, the amount of the judgment, if it is for money, the amount actually due thereon, and the time of docketing in the county to which the execution is issued, and shall require the officer substantially as follows:

This subsection shall not apply to perishable property sold pursuant to G.S. 1-339.19."

SECTION 5. G.S. 1A-1, Rule 27, reads as rewritten:

"**Rule 27. Depositions before action or pending appeal.**

(a) Before action. –

(1) Petition. – A person who desires to perpetuate ~~his~~ that person's own testimony or ~~that~~ the testimony of another person regarding any matter may file a verified petition in the appropriate court in a county where any expected adverse party resides. The petition shall be entitled in the name of the petitioner and shall show: (i) that the petitioner expects that ~~he,~~ the petitioner, or ~~his~~ the petitioner's personal representative, ~~heirs, legatees~~ heirs or devisees, will be a party to an action cognizable in any court, but that ~~he~~ the petitioner is presently unable to bring it or cause it to be brought, (ii) the subject matter of the expected action and ~~his~~ the petitioner's reasons for desiring to perpetuate it, (iii) the facts which ~~he~~ the petitioner desires to establish by the proposed testimony and ~~his~~ the petitioner's reasons for desiring to perpetuate it, (iv) the names or a description of the persons ~~he~~ the petitioner expects will be adverse parties and their addresses so far as known, and (v) the names and addresses of the persons to be examined and the substance of the testimony which ~~he~~ the petitioner expects to elicit from

each, and shall ask for an order authorizing the petitioner to take the depositions of the persons to be examined named in the petition, for the purpose of perpetuating their testimony.

(2) Notice and Service. – The petitioner shall thereafter serve a notice upon each person named in the petition as an expected adverse party, together with a copy of the petition, stating that the petitioner will apply to the court, at a time and place named therein, for the order described in the petition. At least 20 days before the date of hearing (or within such time as the court may direct) the notice shall be served in the manner provided in Rule 4(j)(1) or (2) for service of summons; but if such service cannot with due diligence be made upon any expected adverse party named in the petition, the court may make such order as is just for service by publication or otherwise, and shall appoint, for persons not served in the manner provided in Rule 4(j)(1) or (2), an attorney who shall represent them, in case they are not otherwise represented. If any expected adverse party is a minor or incompetent the provisions of Rule 17(c) apply.

(3) Order and Examination. – If the court is satisfied that the perpetuation of the testimony may prevent a failure or delay of justice, it shall make an order designating or describing the persons whose depositions may be taken and specifying the subject matter of the examination and whether the depositions shall be taken upon oral examination or written questions. The depositions may then be taken in accordance with these rules; and the court may make orders of the character provided for by Rules 34 and 35. For the purpose of applying these rules to depositions for perpetuating testimony, each reference therein to the court in which the action is pending shall be deemed to refer to the court in which the petition for such deposition was filed.

(4) Use of Deposition. – If a deposition to perpetuate testimony is taken under these rules or if, although not so taken, it would be admissible in evidence in the courts of the United States or the state in which it is taken, it may be used in any action involving the same subject matter subsequently brought in a court of this State in accordance with the provisions of Rule 32(a), or in any other court under whose rules it is admissible.

(b) Pending appeal. – If an appeal has been taken from the determination of any court or if petition for review or certiorari has been served and filed, or before the taking of an appeal or the filing of a petition for review or certiorari if the time therefor has not expired, the court in which the determination was made may allow the taking of the depositions of witnesses to perpetuate their testimony for use in the event of further proceedings in the trial court. In such case the party who desires to perpetuate the testimony may make a motion in the trial court for leave to take the depositions, upon the same notice and service thereof as if the action was pending in the trial court. The motion shall show (i) the names and addresses of the persons to be examined and the substance of the testimony which ~~he~~ the party expects to elicit from each; (ii) the reasons for perpetuating their testimony. If the court finds that the perpetuation of the testimony is proper to avoid a failure or delay of justice, it may make an order allowing the depositions to be taken and may make orders of the character provided for by Rules 34 and 35, and thereupon the depositions may be taken and used in the same manner and under the same conditions as are prescribed in these rules for depositions taken in actions pending in the trial court.

(c) Perpetuation by action. – This rule does not limit the power of a court to entertain an action to perpetuate testimony."

SECTION 6. G.S. 1C-1604(b) reads as rewritten:

"(b) Exempt property which passes by ~~bequest,~~ devise, intestate succession or gift to a dependent spouse, child or person to whom the debtor stands in loco parentis, continues to be

SECTION 17. G.S. 28A-22-5 reads as rewritten:

"§ **28A-22-5. Distribution of assets in kind in satisfaction of ~~bequests~~ devises and transfers in trust.**

Any such fiduciary shall be authorized to enter into any other agreement not in conflict with the express terms of the will or trust indenture that may be necessary or advisable in order to secure for federal estate tax purposes the appropriate marital deduction available under the Internal Revenue Laws of the United States of America and to do and perform all acts incident to such purpose."

This section does not apply in any instance where the result will be to deprive the estate of a deduction otherwise allowable under Section 2053(d) of the Internal Revenue Code of 1954 of the United States or corresponding provisions of any subsequent tax law, relating to deduction for State death taxes on transfers for public, charitable, or religious uses."
