The bond shall be in favor of the students. The bond shall be executed by the applicant as principal and by a bonding company authorized to do business in this State. The bond shall be conditioned to provide indemnification to any student, or his parent or guardian, who has suffered a loss of tuition or any fees by reason of the failure of the school to offer or complete student instruction, academic services, or other goods and services related to course enrollment for any reason, including the suspension, revocation, or nonrenewal of a school's approval, bankruptcy, foreclosure, or the school ceasing to operate.

The bond shall be in an amount determined by the Board to be adequate to provide indemnification to any student, or his parent or guardian, under the terms of the bond. The bond amount for a school shall be at least equal to the maximum amount of prepaid tuition held at any time during the last fiscal year by the school. The bond amount shall also be at least ten thousand dollars ($10,000).

Each application for approval shall include a letter signed by an authorized representative of the school showing in detail the calculations made and the method of computing the amount of the bond pursuant to this subpart and the rules of the Board. If the Board finds that the calculations made and the method of computing the amount of the bond are inaccurate or that the amount of the bond is otherwise inadequate to provide indemnification under the terms of the bond, the Board may require the applicant to provide an additional bond.

The bond shall remain in force and effect until cancelled by the guarantor. The guarantor may cancel the bond upon 30 days notice to the Board. Cancellation of the bond shall not affect any liability incurred or accrued prior to the termination of the notice period.

c. An applicant that is unable to secure a bond may seek a waiver of the guaranty bond from the Board and approval of one of the guaranty bond alternatives set forth in this subpart. With the approval of the Board, an applicant may file with the clerk of the superior court of the county in which the school will be located, in lieu of a bond:

1. An assignment of a savings account in an amount equal to the bond required (i) that is in a form acceptable to the Board; (ii) that is executed by the applicant; (iii) that is executed by a federally insured depository institution or a trust institution authorized to do business in this State; and (iv) for which access to the account in favor of the State of North Carolina is subject to the same conditions as for a bond in subpart b. above.
2. A certificate of deposit (i) that is executed by a federally insured depository institution or a trust institution authorized to do business in this State (ii) that is either payable to the State of North Carolina, unrestrictively endorsed to the Board; in the case of a negotiable certificate of deposit, is unrestrictively endorsed to the Board; or in the case of a nonnegotiable certificate of deposit, is assigned to the Board in a form satisfactory to the Board; and (iii) for which access to the certificate of deposit in favor of the State of North Carolina is subject to the same conditions as for a bond in subpart b. above.

(b) A person desiring to take an instructor's examination must make application to the Board for examination on forms to be furnished by the Board and pay the instructor's examination fee. Each person who passes the instructor's examination shall be issued a license as an instructor by paying the issuance fee. Every instructor's license shall expire on May 31 of each year. Any instructor's license issued under this Chapter is automatically suspended by operation of law after failure to renew the instructor's license by the expiration date and may be renewed only upon payment of all lapsed renewal fees and the required late fee. Any person whose instructor's license has expired for a period of three years or more shall be required to take and pass the instructor's examination before the license can be renewed. (b) An apprentice license expires on May 31 of each year. Every holder of an apprentice license shall annually renew the apprentice license by the expiration date and pay the required renewal fee. An apprentice license issued under this Chapter is automatically suspended by operation of law after failure to renew the apprentice license by the expiration date. An apprentice whose apprentice license has expired may have the license restored immediately upon paying all lapsed renewal fees and the required late fee. The license of an apprentice is valid only so long as the apprentice works under the supervision of a licensed barber. The licensed barber shall remain present on the premises of the barbershop at all times while the apprentice is working. No apprentice shall operate a barbershop.

(c) On completion of at least one year's apprenticeship, evidenced by affidavit of the supervising licensed barber or barbers, and upon meeting the other requirements of G.S. 86B-23, the apprentice shall be issued a license as a barber, pursuant to G.S. 86B-26. No licensed apprentice may practice for a period exceeding three years without retaking and passing the required examination to receive a license as an apprentice.
