

Chapter 18B.

Regulation of Alcoholic Beverages.

Article 1.

General Provisions.

§ 18B-100. Purpose of Chapter.

This Chapter is intended to establish a uniform system of control over the sale, purchase, transportation, manufacture, consumption, and possession of alcoholic beverages in North Carolina, and to provide procedures to insure the proper administration of the ABC laws under a uniform system throughout the State. This Chapter shall be liberally construed to the end that the sale, purchase, transportation, manufacture, consumption, and possession of alcoholic beverages shall be prohibited except as authorized in this Chapter. If any provision of this Chapter, or its application to any person or circumstance, is determined by a court or other authority of competent jurisdiction to be invalid or unconstitutional, such provision shall be stricken and the remaining provisions shall be construed in accordance with the intent of the General Assembly to further limit rather than expand commerce in alcoholic beverages, and with respect to malt beverages, unfortified wine, and fortified wine, the remaining provisions shall be construed to enhance strict regulatory control over taxation, distribution, and sale of alcoholic beverages through the three-tier regulatory system and the franchise laws imposed by this Chapter.

Except as provided in this Chapter, local ordinances establishing different rules on the manufacture, sale, purchase, transportation, possession, consumption, or other use of alcoholic beverages, or requiring additional permits or fees, are prohibited. (1937, c. 49, s. 1; 1971, c. 872, s. 1; 1981, c. 412, s. 2; 2019-18, s. 1.)

The North Carolina Alcoholic Beverage Control Commission shall recognize any commercial activity permit issued by the tribal alcoholic beverage commission in the same manner as if the permit were issued by the North Carolina Alcoholic Beverage Control Commission.

- c. The North Carolina Alcoholic Beverage Control Commission shall retain exclusive enforcement authority over all permits it issues to commercial activity permittees for violations of its rules or this Chapter.

Any provision of Articles 12 and 13 of this Chapter which has not been made applicable to the Eastern Band of Cherokee Indians and the Catawba Indian Nation by this section shall act as a bar to engaging in any activity authorized by that Article or section.

The fees generated by the tribal alcoholic beverage control commission for the issuance of retail permits may be retained by each tribe to offset costs of operating the tribal alcoholic beverage control commission.

(e) Establishment of Rules. – The tribal alcoholic beverage control commission shall adopt the rules of the North Carolina Alcoholic Beverage Control Commission regulating retail outlet activity.

(f) Authority of the North Carolina Alcoholic Beverage Control Commission. – The North Carolina Alcoholic Beverage Control Commission shall have the authority to enter into agreements with the tribal alcoholic beverage control commission to provide for the sale, delivery, and distribution of spirituous liquor to the tribal alcoholic beverage control commission. To the extent there is a conflict between the tribal alcoholic beverage control commission's authority or purpose and the North Carolina Alcoholic Beverage Control

Commission's authority or purpose, the North Carolina Alcoholic Beverage Control Commission shall prevail.

(g) **Discrimination.** – The tribal alcoholic beverage control commission shall not discriminate against non-Indians in the application of the tribal ABC law. Any further appeal shall be to the appellate courts of the tribe. § 18B-120. Definitions.

As used in this Article:

- (1) "Aggrieved party" means a person who sustains an injury as a consequence of the actions of the underage person, but does not include the underage person or a person who aided or abetted in the sale or furnishing to the underage person.
- (2) "Injury" includes, but is not limited to, personal injury, property loss, loss of means of support, or death. Damages for death shall be determined under the provisions of G.S. 28A-18-2(b). Nothing in G.S. 28A-18-2(a) or subdivision (1) of this section shall be interpreted to preclude recovery under this Article for loss of support or death on account of injury to or death of the underage person or a person who aided or abetted in the sale or furnishing to the underage person.
- (3) "Underage person" means a person who is less than the age legally required for purchase of the alcoholic beverage in question.
- (4) "Vehicle" shall have the same meaning as prescribed by G.S. 20-4.01(49). (1983, c. 435, s. 37.)

§ 18B-121. Claim for relief created for sale to underage person.

An aggrieved party has a claim for relief for damages against a permittee or local Alcoholic Beverage Control Board if:

- (1) The permittee or his agent or employee or the local board or its agent or employee negligently sold or furnished an alcoholic beverage to an underage person; and
- (2) The consumption of the alcoholic beverage that was sold or furnished to an underage person caused or contributed to, in whole or in part, an underage driver's being subject to an impairing substance within the meaning of G.S. 20-138.1 at the time of the injury; and
- (3) The injury that resulted was proximately caused by the underage driver's negligent operation of a vehicle while so impaired. (1983, c. 435, s. 37.)

§ 18B-122. Burden of proof and admissibility of evidence.

The plaintiff shall have the burden of proving that the sale or furnishing of the alcoholic beverage to the underage person, as defined, was, under the circumstances, negligent. Proof of the sale or furnishing of the alcoholic beverage to an underage person, as defined, without request for identification shall be admissible as evidence of negligence. Proof of good practices (including but not limited to, instruction of employees as to laws regarding the sale of alcoholic beverages, training of employees, enforcement techniques, admonishment to patrons concerning laws regarding the purchase or furnishing of alcoholic beverages, or detention of a person's identification documents in accordance with G.S. 18B-129 and inquiry about the age or degree of intoxication of the person), evidence that an underage person misrepresented his age, or that the sale or furnishing was made under duress is admissible as evidence that the permittee was not negligent. (1983, c. 435, s. 37.)

§ 18B-123. Limitation on damages.

The total amount of damages that may be awarded to all aggrieved parties pursuant to any claims for relief under this Article is limited to no more than five hundred thousand dollars (\$500,000) per occurrence. When all claims arising out of an occurrence exceed five hundred

thousand dollars (\$500,000), each claim shall abate in the proportion it bears to the total of all claims. (1983, c. 435, s. 37.)

§ 18B-124. Joint and several liability.

The liability of the negligent driver or owner of the vehicle that caused the injury and the permittee or ABC board which sold or furnished the alcoholic beverage shall be joint and several, with right of contribution but not indemnification. (1983, c. 435, s. 37.)

- (2) One who holds only a special one-time permit under G.S. 18B-1002;
- (3) One who holds only permits listed in G.S. 18B-1100;
- (4) One who holds any combination of the permits listed in this section. (1983, c. 435, s. 37.)

§ 18B-126. Statute of limitations.

The statute of limitations is as provided in G.S. 1-54. (1983, c. 435, s. 37.)

§ 18B-127. Duty of clerk of superior court.

When execution on a judgment on a cause of action under G.S. 18B-121 is returned unsatisfied, in whole or in part, the clerk of superior court to whom such return is made shall transmit to the Commission certified copies of the judgment, the execution and return and any other proceedings upon the judgment. (1983, c. 435, s. 37.)

§ 18B-128. Common-law rights not abridged.

The creation of any claim for relief by this Article may not be interpreted to abrogate or abridge any claims for relief under the common law, but this Article does not authorize double recovery for the same injury. (1983, c. 435, s. 37.)

§ 18B-129. No liability for refusal to sell or for holding documents.

(a) No permittee or his agent or employee may be held liable for damages resulting from the refusal to sell or furnish an alcoholic beverage to a person who fails to show proper identification as described in G.S. 18B-302(d), or who appears to be an underage person.

(b) No permittee or his agent or employee may be held civilly liable if the permittee or his agent or employee holds a customer's identification documents for a reasonable length of time in a good faith attempt to determine whether the customer is of legal age to purchase an alcoholic beverage, provided the permittee or his agent or employee informs the customer of the reason for his actions. The Commission may exempt from this provision any person, other than a Commission member, when the financial interest in question is so insignificant or remote that it is unlikely to affect the person's official actions in any way. Exemptions may be granted only to individuals, not to groups or classes of people, and each exemption shall be in writing, be available for public inspection, and contain a statement of the financial interest in question.

(b) Self-dealing. – The provisions of G.S. 14-234 shall apply to the Commission and local boards.

(c) Dealing for Family Members. – Neither the Commission nor any local board shall contract or otherwise deal in any business matter so that a member, member's spouse or any person related to the member by blood to a degree of first cousin or closer in any way financially benefits, directly or indirectly, from the transaction unless:

- (d) Gifts Generally. – The provisions of G.S. 133-32 shall apply to the Commission and local boards.
- (e) Conflicts of Interest for the Commission. – The provisions of Article 4 of Chapter 138A of the General Statutes shall apply to the Commission.
- (f) Conflicts of Interest for Local Boards. – Except as permitted under subsection (h) of this section, a local ABC board member shall not knowingly use the local ABC board member's position on the board in any way that will result in financial benefit to the local ABC board member, the local ABC board member's spouse, any person related to the local ABC board member by blood to a degree of first cousin or closer, or any business with which the local ABC board member is associated.
- (g) For purposes of subsection (f) of this section, "business with which associated" shall have the same meaning as in G.S. 138A-3(7). For purposes of this section, "financial benefit" shall mean a direct pecuniary gain or loss, or a direct pecuniary loss to a business competitor.
- (h) Notwithstanding subsection (f) of this section, a local ABC board member may participate in an action of the local ABC board under any of the following circumstances except as specifically limited:
- (1) The financial benefit that accrues to the local ABC board member, the local ABC board member's spouse or any person related to the local ABC board member by blood to a degree of first cousin or closer, or a business with which the local ABC board member is associated is one that is accrued as a member of a profession, occupation, or general class and is no greater than that which could reasonably be foreseen to accrue to all members of that profession, occupation, or general class.
 - (2) The financial benefit derived by a local ABC board member, the local ABC board member's spouse or any person related to the local ABC board member by blood to a degree of first cousin or closer, or a business with which the local ABC board member is associated is one that would be enjoyed to an extent no greater than that which other citizens of the State would or could enjoy.
 - (3) The financial benefit derived by a local ABC board member, the local ABC board member's spouse or any person related to the local ABC board member by blood to a degree of first cousin or closer, or a business with which the local ABC board member is so remote, tenuous, insignificant, or speculative that a reasonable person would conclude under the circumstances that the local ABC board member's ability to protect the public interest and perform the local ABC board member's duties would not be compromised.
 - (4) When an action affects or would affect the local ABC board member's compensation as a local ABC board member.
 - (5) Before the local ABC board member participated in the action, the board member requested and received from the ABC Commission a written advisory opinion that authorized the participation. In authorizing the participation under this subdivision, the ABC Commission shall consider the need for the local

ABC board member's particular contribution, such as special knowledge of the subject matter and the effective functioning of the local ABC board.

- (6) When action is ministerial only and does not require the exercise of discretion.
- (7) When the local ABC board records in its minutes that it cannot obtain a quorum in order to take the action because the local ABC board member is disqualified from acting, the local ABC board member may be counted for purposes of a quorum but shall otherwise abstain from taking any further action.

(i) Nothing in this section shall allow participation in an action prohibited by G.S. 14-234 or G.S. 133-32.

(j) A local board member shall not improperly use or improperly disclose any confidential information.

Conviction of a crime under this Chapter or of any felony shall also be grounds for the Commission to remove from office or discharge from employment any local board member or employee. In addition to imposing any other penalty authorized by law, a judge may prohibit an individual convicted of a violation of this Chapter, or of any felony, from participating in any contract to enforce the ABC laws for a local board if that individual is a designated officer of an agency which holds a contract to enforce the ABC laws for a local board. (d) Rules. – The Commission may adopt rules regarding warehouse operations, and violations of those rules by a party with whom the Commission contracts shall be grounds for termination by the Commission of a contract entered into under this section. (c) Testing. – The Commission may test malt beverages, unfortified wine, fortified wine, and spirituous liquor possessed or offered for sale in this State to determine whether they meet the standards set by the Commission. If the Commission chooses to test an alcoholic beverage, that test may be performed by the Commission, the Commission may arrange for the State Chemist to perform the testing, or the Commission may have the testing performed in some other manner. The manufacturer of tested alcoholic beverages shall pay the costs of the test. In lieu of testing an alcoholic beverage, the Commission may rely on testing by a federal agency or an agency of another state or may accept test results from a federal agency, an agency of another state, or the manufacturer of the alcoholic beverage or his authorized agent. A manufacturer who submits test results shall also submit a fee of ten dollars (\$10.00) for each test result to cover administrative costs. The issuance of revenue bonds shall not directly or indirectly or contingently obligate the State to levy or to pledge any form of taxation or to make any appropriation for their payment. Revenue bonds issued pursuant to this subsection shall be repaid from the bailment surcharge as provided in subsection (b). These bonds and the income from them are exempt from all taxation within the State.

(b) Special Fund. – A special fund in the office of the State Treasurer, the ABC Commission Fund, is created. On and after November 1, 1982, all moneys derived from the collection of bailment charges and bailment surcharges shall be deposited in the ABC Commission Fund for the purpose of carrying out the provisions of this Chapter. The ABC Commission Fund shall be subject to the provisions of the State Budget Act except that no unexpended surplus of this fund shall revert to the General Fund. § 18B-300. Purchase, possession and consumption of malt beverages and unfortified wine.

(a) Generally. – Except as otherwise provided in this Chapter, the purchase, consumption, and possession of malt beverages and unfortified wine by individuals 21 years old and older for their own use is permitted without restriction.

(a1) Consumption on Premises During Time of Permit Revocation or Suspension. – It shall be unlawful to consume or for a permittee or his agent or employee to allow the consumption of malt beverages or unfortified wine on the premises of any business during the period of time that any on-premises permit issued to the business authorizing the sale and consumption of malt

beverages or unfortified wine has been suspended or revoked by the Commission. The prohibition in this subsection does not apply to the premises upon which the business was located at the time the permit was suspended or revoked if the business ceases to operate in that location and the owner of the property is not the permittee, provided that the permittee is not engaged in any other business or other activity on the premises during the period of suspension or revocation.

(b) Consumption at Off-Premises Establishment. – It shall be unlawful to consume, or for a permittee to allow the consumption of, malt beverages or unfortified wine on any premises having only an off-premises permit for the kind of alcoholic beverage being consumed.

(c) Local Ordinance. – A city or county may by ordinance:

- (1) Regulate or prohibit the consumption of malt beverages and unfortified wine on the public streets in that city or county by persons who are not occupants of motor vehicles and on property owned, occupied, or controlled by that city or county;
- (2) Regulate or prohibit the possession of open containers of malt beverages and unfortified wine on public streets in that city or county by persons who are not occupants of motor vehicles and on property owned, occupied, or controlled by that city or county; and
- (3) Regulate or prohibit the possession of malt beverages and unfortified wine on public streets, alleys, or parking lots which are temporarily closed to regular traffic for special events.

For the purposes of this subsection, an open container means a container whose seal has been broken or a container other than the manufacturer's unopened original container. As provided by G.S. 18B-102(a), possession or consumption of alcoholic beverages is unlawful except as authorized by the ABC law. (1939, c. 158, s. 503; 1971, c. 872, s. 1; 1973, c. 1452, ss. 1-3; 1977, c. 176, ss. 2, 3; c. 693; 1979, c. 19, s. 2; c. 445, s. 4; c. 893, s. 11; 1981, c. 412, s. 2; 1983, c. 435, s. 32; 1985, c. 141, s. 1; 1995, c. 144, s. 1; c. 366, s. 2; 2001-79, s. 1; 2013-392, s. 1.)

§ 18B-300.1. Authorization and regulation of social districts.

(a) Policy. – The intent of this section is to regulate open containers of alcoholic beverages that customers of a permittee take from the permittee's licensed premises into another area where consumption of the alcoholic beverages is allowed. This section shall not in any way limit the consumption or possession of alcoholic beverages otherwise allowed under this Chapter.

(b) Definitions. – The following definitions apply in this section:

- (2) Non-permittee business. – A business that is located in a social district and does not hold any ABC permit.

- f. A distillery permit issued pursuant to G.S. 18B-1100(5).
- g. A malt beverage shop permit issued pursuant to G.S. 18B-1001(16a).

(c) Local Ordinances Authorized. – Pursuant to G.S. 153A-145.9, a county may adopt an ordinance designating one or more social districts in the parts of the county outside any city. Pursuant to G.S. 160A-205.4, a city may adopt an ordinance designating one or more social districts.

(d) Requirements for Designation. – A social district designated under this section shall meet all of the following requirements:

- (1) The social district shall be clearly defined with signs posted in a conspicuous location indicating which area is included in the social district, the days and hours during which alcoholic beverages may be consumed in the social district, the telephone number for the ALE Division and the local law enforcement agency with jurisdiction over the area comprising the social district, and a clear statement that an alcoholic beverage purchased from a permittee for consumption in a social district shall (i) only be consumed in the social district and (ii) be disposed of before the person in possession of the alcoholic beverage exits the social district. The hours set by a city or county during which customer-purchased alcoholic beverages may be consumed in a social district shall be in accordance with G.S. 18B-1004.
- (2) The city or county, or the city's or county's designee, shall establish or approve management and maintenance plans for the social district and post these plans, along with a rendering of the boundaries of the social district and days and hours during which alcoholic beverages may be consumed in the social district, on the website for the city or county. The city's or county's designee may include a private entity, including a property owner or property owner's association. Any plan established under this subdivision shall be approved by the governing body of the city or county. The social district shall be maintained in a manner that protects the health and safety of the general public. The city or county may establish guidelines in the ordinance establishing the social district or in its management and maintenance plan to allow for suspension of regular days and hours of alcohol consumption in all or part of a social district during events requiring other permits pursuant to subsection (j) of this section.
- (3) Before allowing consumption of alcoholic beverages in a social district, the city or county shall submit to the Commission a detailed map of the social district with the boundaries of the social district clearly marked, and the days and hours during which alcoholic beverages may be consumed in the social district. The city or county shall only be required to submit a revised map to the Commission if the city or county amends the geographic footprint of a social district. A permittee may be included in the social district even if it chooses to exclude open containers of alcoholic beverages purchased from other permittees in the social district.

(1939, c. 158, s. 514; 1943, c. 400, s. 6; 1949, c. 974, ss. 11, 14; c. 1251, s. 4; 1951, c. 1056, s. 1; c. 1186, ss. 1, 2; 1953, c. 1207, ss. 2-4; 1957, c. 1440; 1961, c. 645; 1963, c. 426, ss. 1, 2, 4, 5, 12; 1967, c. 868; 1971, c. 872, s. 1; 1977, c. 70, s. 17; 1981, c. 412, s. 2; 1983, c. 629, s. 1; c. 768, ss. 25.1, 25.2; 1995, c. 466, s. 2; c. 507, s. 6.2(a); 2005-276, ss. 31.1(y), 31.1(z); 2005-344, ss. 10.1(b), 10.1(c); 2006-264, s. 35; 2011-145, s. 19.1(z); 2011-391, s. 43(j); 2012-83, s. 3; 2014-100, s. 17.1(www); 2018-5, s. 16B.3(b); 2019-203, s. 4.)

§ 18B-501. Local ABC officers.

(a) Appointment. – Except as provided in subsection (f), each local board shall hire one or more ABC enforcement officers. Local ABC enforcement officers shall be designated as "ABC Officers". The local board may designate one officer as the chief ABC officer for that board.

(b) Subject Matter Jurisdiction. – After taking the oath prescribed for a peace officer, a local ABC officer may arrest and take other investigatory and enforcement actions for any criminal offense; however, the primary responsibility of a local ABC officer is enforcement of the ABC laws and Article 5 of Chapter 90 (The Controlled Substances Act).

(c) Territorial Jurisdiction. – A local ABC officer has jurisdiction anywhere in the county in which he is employed except that a city ABC officer's territorial jurisdiction is subject to any limitation included in any local act governing that city ABC system. A local ABC officer may pursue outside his normal territorial jurisdiction anyone who commits an offense within that jurisdiction, as provided in G.S. 15A-402(d).

(d) Assisting Other Local Agencies. – The local ABC officers employed by a local board shall constitute a "law-enforcement agency" for purposes of G.S. 160A-288, and a local board shall have the same authority as a city or county governing body to approve cooperation between law-enforcement agencies under that section.

(e) Assisting State and Federal Enforcement. – A local ABC officer may assist State and federal law-enforcement agencies in the investigation of criminal offenses in North Carolina, under the following conditions:

- (3) The local ABC officer is supervised by someone in the requesting agency; and
- (4) As soon as practical after the assistance begins, an acknowledgement of the action is placed in the records of the local board.

A local ABC officer shall have territorial jurisdiction throughout North Carolina while assisting a State or federal agency under this section. While providing that assistance the officer shall continue to be considered an employee of the local board for purposes of salary, worker's compensation, and other benefits, unless a different arrangement is negotiated between the local board and the requesting agency.

(f) Contracts with Other Agencies. – Instead of hiring local ABC officers, a local board may contract to pay its enforcement funds to a sheriff's office, city police department, or other local law-enforcement agency for enforcement of the ABC laws within the law-enforcement agency's territorial jurisdiction. Enforcement agreements may be made with more than one agency at the same time. When such a contract for enforcement exists, the designated officers of the contracting law-enforcement agency shall have the same authority to inspect under G.S. 18B-502 that an ABC officer employed by that local board would have. An agency contracted to provide ABC law enforcement shall designate no more than five officers to conduct inspections pursuant to this section and G.S. 18B-502. If a city located in two or more counties approves the sale of some type of alcoholic beverage pursuant to the provisions of G.S. 18B-600(e4), and there are no local ABC boards established in the city and one of the counties in which the city is located, the local ABC board of any county in which the city is located may enter into an enforcement agreement with the city's police department for enforcement of the ABC laws within the entire city, including that portion of the city located in the county of the ABC board entering into the enforcement agreement.

(f1) Accountability; Enforcement Reports. – To ensure accountability to the appointing authority and the Commission, every local board's ABC officers and those law enforcement agencies subject to an enforcement agreement entered into pursuant to subsection (f) of this section shall report to the local board, by the fifth business day of each month, on a form developed by the Commission, the following:

- (1) The number of arrests made for ABC law, Controlled Substance Act, or other violations, by category, at ABC permitted outlets.
- (2) The number of arrests made for ABC law, Controlled Substance Act, or other violations, by category, at other locations.
- (3) The number of agencies assisted with ABC law or controlled substance related matters.
- (4) The number of alcohol education and responsible server programs presented.

The local board shall submit a copy of the enforcement report to the appointing authority and the Commission not later than five business days after receipt of the enforcement report by the local board. The Commission shall publish this information, by local board and enforcement agency, on a public website maintained by the Commission.

(g) Discharge. – Local ABC officers and the designated officers of agencies which contract with local boards for enforcement of the ABC laws are subject to the discharge and ineligibility provisions of G.S. 18B-202. (1949, c. 1251, s. 4; 1961, c. 645; 1963, c. 426, s. 2; 1967, c. 868; 1971, c. 872, s. 1; 1973, c. 29; 1977, c. 908; 1981, c. 412, s. 2; 1993, c. 193, s. 2; 1995, c. 466, ss. 3, 4; 2010-122, ss. 5, 6, 7(a); 2021-182, s. 3(e); 2025-25, s. 29(5).)

§ 18B-502. Inspection of licensed premises.

The inspection authorized by this section may be made at any time it reasonably appears that someone is on the premises. Alcohol law-enforcement agents are also authorized to be on the premises to the extent necessary to enforce the provisions of Article 68 of Chapter 143 of the General Statutes. For purposes of this subsection, the phrase "licensed premises for which an ABC permit has been issued" includes a social district authorized under G.S. 18B-300.1 and an extended area authorized under G.S. 18B-904(h).

(b) Interference with Inspection. – Refusal by a permittee or by any employee of a permittee to permit officers to enter the premises to make an inspection authorized by subsection (a) shall be cause for revocation, suspension or other action against the permit of the permittee as provided in G.S. 18B-104. It shall be a Class 2 misdemeanor for any person to resist or obstruct an officer attempting to make a lawful inspection under this section.

(c) Notice to Permit Holders. – If the Commission receives a report from a law enforcement agency other than the Division of Alcohol Law Enforcement of the Department of Public Safety or a local ABC officer documenting violations of this Chapter or Chapter 14 of the General Statutes for conduct occurring on the premises of a permitted establishment, the Commission shall send notice of the alleged violation to the holder of the permit within five business days of receipt of the law enforcement agency report. The written notice shall identify the currently alleged violations and the involved employee. § 18B-503. Disposition of seized alcoholic beverages.

(a) Storage. – A law-enforcement officer who seizes alcoholic beverages as evidence of an ABC law violation shall provide for the storage of those alcoholic beverages until the commencement of the trial or administrative hearing relating to the violation, unless some other disposition is authorized under this section.

(b) Disposition Before Trial. – After giving notice to each defendant, to any other known owner, and to the Commission, a judge may order any of the following dispositions of alcoholic beverages seized as evidence of an ABC law violation:

- (1) The destruction of any malt beverages except that amount needed for evidence at trial.
 - (2) The sale of any alcoholic beverages other than malt beverages or nontaxpaid alcoholic beverages, and other than any alcoholic beverages needed for evidence at trial, if the trial is likely to be delayed for more than 90 days, or if the quantity or nature of the alcoholic beverages is such that storage is impractical or unduly expensive.
 - (3) The destruction of the alcoholic beverages if storage or sale is not practical.
 - (4) Continued storage of the alcoholic beverages.
- (c) Disposition After Trial. – After the criminal charge is resolved, a judge may order the following dispositions of seized alcoholic beverages:
- (1) If the owner or possessor of the alcoholic beverages is found guilty of a criminal charge relating to those alcoholic beverages, the judge may order the sale or destruction of any alcoholic beverages that were held until trial.
 - (2) If the owner or possessor of the alcoholic beverages is found not guilty, or if charges are dismissed or otherwise resolved in favor of the owner or possessor, the judge shall order the alcoholic beverages returned to that owner or possessor, except as provided in subdivision (3).
 - (3) If the owner or possessor of the alcoholic beverages is found not guilty, or if charges are otherwise resolved in favor of the owner or possessor, but possession of the alcoholic beverages by that owner or possessor would be unlawful, the judge shall order the alcoholic beverages either sold or destroyed.
 - (4) If ownership of the alcoholic beverages remains uncertain after trial or after the charges have been dismissed, the judge may order the alcoholic beverages held, or the alcoholic beverages sold and the proceeds held, for a specified time, until ownership of the alcoholic beverages can be determined.
- (d) Holding for Administrative Hearings. – If alcoholic beverages used as evidence in a criminal proceeding are also needed as evidence at an administrative hearing, a judge shall not order any of the dispositions set out in subsection (c), but shall order the alcoholic beverages held for the administrative hearing and for a determination of final disposition by the Commission. The Commission may, before or after an administrative hearing, order any of the dispositions authorized under subsections (b) and (c). If no related criminal proceeding has commenced, the Commission shall not order sale or destruction of alcoholic beverages until notice has been given to the district attorney for the district where the alcoholic beverages were seized or any violation of ABC laws related to the seizure of the alcoholic beverages is likely to be prosecuted.
- (e) Sale Procedure. – The sale of unfortified wine or fortified wine shall be by public auction unless those wines would likely become spoiled or lose value in the time required to arrange a public auction. If spoilage or loss of value is likely, the judge ordering the sale or the Commission may authorize sale at the prevailing wholesale price, as determined by the Commission, to one or more persons holding the appropriate retail wine permits in the county in which the wine was seized, or in a neighboring county if there are no such persons in the county in which the wine was seized. Spirituous liquor may be sold only to the local ABC board serving the city or county in which the liquor was seized, or, if there is no local board for that city or county, to the nearest local board. The sale price shall be at least ten percent (10%) less than the price the local board would pay for the same liquor bought through the State warehouse.

(f) Sale Proceeds. – An agency selling alcoholic beverages seized under the provisions of this Chapter shall keep the proceeds in a separate account until some other disposition is ordered by a judge or the Commission. In a criminal proceeding, if the owner or possessor of the alcoholic beverages is found guilty of a violation relating to seizure of the alcoholic beverages, if the owner or possessor is found not guilty or the charge is dismissed or otherwise resolved in favor of the owner or possessor, but the possession of the alcoholic beverages by that owner or possessor would be unlawful, or if the ownership of the alcoholic beverages cannot be determined, the proceeds from the sale of those alcoholic beverages shall be paid to the school fund of the county in which the alcoholic beverages were seized. If the owner or possessor of alcoholic beverages seized for violation of the ABC laws is found not guilty of criminal charges relating to the seizure of those beverages or the charge is dismissed or otherwise resolved in favor of the owner or possessor, and if possession of the alcoholic beverages by that owner or possessor was lawful when the beverages were seized, the proceeds from the sale of those alcoholic beverages shall be paid to the owner or possessor. The agency making the sale may deduct and retain from the amount to be placed in the county school fund the costs of storing the seized alcoholic beverages and of conducting the sale, but may not deduct those costs from the amount to be turned over to an owner or possessor of the alcoholic beverages.

(g) Court Action by Owner. – Any person who claims any of the following resulting from the seizure of alcoholic beverages may bring an action in the superior court of the county in which the alcoholic beverages were seized:

- (1) To be the owner of alcoholic beverages that are wrongfully held.
- (2) To be the owner of alcoholic beverages that are needed as evidence in another proceeding.
- (3) To be entitled to proceeds from a sale of seized alcoholic beverages.
- (4) To be entitled to restitution for alcoholic beverages wrongfully destroyed. (1923, c. 1, s. 12; C.S., s. 3411(l); 1939, c. 12; 1941, c. 310; 1957, c. 1235, s. 3; 1971, c. 872, s. 1; 1981, c. 412, s. 2; 1993, c. 415, s. 5.)

§ 18B-504. Forfeiture.

(a) Property Subject to Forfeiture. – The following kinds of property shall be subject to forfeiture:

- (1) Motor vehicles, boats, airplanes, and all other conveyances used to transport nontaxpaid alcoholic beverages in violation of the ABC laws;
- (2) Containers for alcoholic beverages which are manufactured, possessed, sold, or transported in violation of the ABC laws; and
- (3) Equipment or ingredients used in the manufacture of alcoholic beverages in violation of the ABC laws.

(b) Exemption for Forfeiture. – Property which may be possessed lawfully shall not be subject to forfeiture when it was used unlawfully by someone other than the owner of the property and the owner did not consent to the unlawful use.

(c) Seizure of Property. – If property subject to forfeiture has not already been seized as part of an arrest or search, a law-enforcement officer may apply to a judge for an order authorizing seizure of that property. An order for seizure may be issued only after criminal process has been issued for an ABC law violation in connection with that property. The order shall describe the property to be seized and shall state the facts establishing probable cause to believe that the property is subject to forfeiture.

(d) Custody until Trial. – A law-enforcement officer seizing property subject to forfeiture shall provide for its safe storage until trial. The officer may destroy stills and perishable materials seized under subdivision (a)(3), if storage is impractical and if the absence of the property will not be likely to adversely affect the defendant's right to defend against the charge that is the basis for the forfeiture. If the officer having custody of the property is satisfied that it will be returned at the time of trial, he may return the property to the owner upon receiving a bond for the value of the property, signed by sufficient sureties. If the property is not returned at the time of trial, the full amount of the bond shall be forfeited to the court. Property which it is unlawful to possess may not be returned to the owner.

(e) Disposition after Trial. – The presiding judge in a criminal proceeding for violation of ABC laws may take the following actions after resolution of a charge against the owner or possessor of property subject to forfeiture under this section:

- (1) If the owner or possessor of the property is found guilty of an ABC offense, the judge may order the property forfeited.
- (2) If the owner or possessor of the property is found not guilty, or if the charge is dismissed or otherwise resolved in favor of the owner or possessor, the judge shall order the property returned to the owner or possessor.
- (3) If ownership of the property remains uncertain after trial, the judge may order the property held for a specified time to determine ownership. If the judge finds that ownership cannot be determined with reasonable effort, the judge shall order the property forfeited.
- (4) Regardless of the disposition of the charge, if the property is something that may not be possessed lawfully, the judge shall order it forfeited.
- (5) If the property is also needed as evidence at an administrative hearing, the judge shall provide that the order does not go into effect until the Commission determines that the property is no longer needed for the administrative proceeding.

(f) Disposition of Forfeited Property. – A judge ordering forfeiture of property may order any one of the following dispositions:

- (1) Sale at public auction;
- (2) Sale at auction after notice to certain named individuals or groups, if only a limited number of people would have use for that property;
- (3) Delivery to a named State or local law-enforcement agency, if the property is not suited for sale, with preference to be given in the following order, to: the agency that seized the property, the ALE Division, the Commission, the local board of the jurisdiction in which the property was seized, and the Department of Justice; or
- (4) Destruction, if possession of the property would be unlawful and it could not be used or is not wanted for law enforcement, or if sale or other disposition is not practical.

(g) Proceeds of Sale. – If forfeited property is sold, the proceeds of that sale shall be paid to the school fund of the county in which the property was seized, except as provided in subsection (h). Before placing the proceeds in the school fund the agency making the sale may deduct and retain the costs of storing the property and conducting the sale.

(h) Innocent Parties. – At any time before forfeiture is ordered, an owner of seized property or a holder of a security interest in seized property, other than the defendant, may apply to protect

his interest in the property. The application may be made to any judge who has jurisdiction to try the offense with which the property is associated. If the judge finds that the property owner or holder of a security interest did not consent to the unlawful use of the property, and that the property may be possessed lawfully by the owner or holder, the judge may order:

- (1) That the property be returned to the owner, if it is not needed as evidence at trial;
- (2) That the property be returned to the owner following trial or other resolution of the case; or
- (3) That, if the property is sold following trial, a specified sum be paid from the proceeds of that sale to the holder of the security interest.

(i) Defendant Unavailable. – When property is seized for forfeiture, but the owner is unknown, the district attorney may seek forfeiture under this section by an action in rem against the property. If the owner is known and has been charged with an offense, but is unavailable for trial, the district attorney may seek forfeiture either by an action in rem against the property or by motion in the criminal action.

(j) When No Charge is Made. – Any owner of property seized for forfeiture may apply to a judge to have the property returned to him if no criminal charge has been made in connection with that property within a reasonable time after seizure. The judge may not order the return of the property if possession by the owner would be unlawful. (1923, c. 1, s. 6; C.S., s. 3411(f); 1927, c. 18; 1945, c. 635; 1951, c. 850; 1955, c. 560; 1957, c. 1235, s. 1; 1969, c. 789; 1971, c. 872, s. 1; 1977, c. 854, s. 2; 1981, c. 412, s. 2; c. 747, s. 48; 1993, c. 415, s. 6; 2011-145, s. 19.1(q); 2014-100, s. 17.1(xxx); 2019-203, s. 9(a).)

§ 18B-505. Restitution.

When a person is convicted of a violation of the ABC laws, the court may order him to make restitution to any law-enforcement agency for reasonable expenditures made in purchasing alcoholic beverages from him or his agent as part of an investigation leading to his conviction. (1981, c. 412, s. 2.)

§§ 18B-506 through 18B-599. Reserved for future codification purposes.

More than one kind of alcoholic beverage election may be included in a single request or petition.

(e) Petitions. – A petition for an election shall be on a form provided by the appropriate local board of elections and shall contain the signature, name, address and precinct of each voter who signs. The persons authorized to appoint observers shall, by noon on the business day before the observer is scheduled to serve, submit in writing to the county board of elections a signed list of the observers appointed for voting places in that county. Before each voting place

(d1) In any county in which the sale of mixed beverages has been approved in elections in at least three cities that, combined, contain more than two-thirds the total county population as of the most recent federal census, the county board of commissioners may by resolution approve the sale of mixed beverages throughout the county, and the Commission may issue permits as if mixed beverages had been approved in a county election.

(d2) If a county or city holds a mixed beverage election and an ABC store election at the same time and the voters do not approve the establishment of an ABC store, the Commission may issue mixed beverages permits in that county or city.

No city alcoholic beverage election may be held within three years of the certification of the results of a previous election on the same kind of alcoholic beverage in that city. Otherwise, alcoholic beverage elections may be held at any time, subject to the applicable provisions of this Chapter and Chapter 163.

(b) Effect of Favorable County Vote on City or Township. – If a majority of voters vote in favor of certain alcoholic beverage sales in a county election, sale of that kind of alcoholic beverage shall be lawful throughout the county, regardless of the vote in any city or township at that or any previous or subsequent election, and regardless of any local act making sales unlawful in that city or township, unless the local act was ratified before the effective date of Article II, Section 24(1)(j) of the Constitution of North Carolina. A county malt beverage or unfortified [wine] election in favor of a particular ballot proposition which is more restrictive than the form of sale already allowed in a city or township within that county shall not affect the legality of those previously authorized sales in the city or township.

(c) Effect of Negative County Vote on City or Township. – If a majority of voters vote against certain alcoholic beverage sales in a county election, sale of that kind of alcoholic beverage shall be unlawful throughout the county, except that sale of that alcoholic beverage shall remain lawful in any city or township in which sale is lawful because of a city or township election or a local act.

(d) Effect of City or Township Election on County. – A city or township alcoholic beverage election shall not affect the lawfulness of sale in any part of the county outside that city or township.

(e) Repealed by Session Laws 2003-218, s. 2, effective June 19, 2003.

(f) When Sales Stop. – When the sale of any alcoholic beverage that was previously lawful becomes unlawful because of an election, the sale of that alcoholic beverage shall cease 90 days after certification of the results of the election. (1937, c. 49, ss. 25, 26; c. 431; 1947, c. 1084, ss. 1, 2, 4; 1951, c. 999, ss. 1, 2; 1957, c. 816; 1963, c. 265, ss. 1-3; 1965, c. 506; 1969, c. 647, s. 1; 1971, c. 872, s. 1; 1973, cc. 32, 33; 1977, c. 149, s. 1; c. 182, s. 2; 1977, 2nd Sess., c. 1138, s. 15; 1979, c. 140, ss. 2, 3; c. 609, s. 1; c. 683, s. 13; 1979, 2nd Sess., c. 1174; 1981, c. 412, s. 2; 1993, c. 415, s. 29; 2003-218, s. 2; 2017-6, s. 3; 2018-146, ss. 3.1(a), (b), 6.1.)

§ 18B-605. Local act elections.

If a jurisdiction has lawfully voted in favor of ABC stores or in favor of the sale of some kind of alcoholic beverage, and the jurisdiction would not be eligible to hold another election under the conditions set by G.S. 18B-600, then that jurisdiction may continue to hold elections as though qualified under G.S. 18B-600. Except for the authority to hold the election, however, the procedures of this Chapter shall apply to any subsequent election. (1981, c. 412, s. 2; 1983, c. 457, s. 4.)

§§ 18B-606 through 18B-699. Reserved for future codification purposes.

Article 7.

Local ABC Boards.

§ 18B-700. Appointment and organization of local ABC boards.

(a) **Membership.** – A local ABC board shall consist of three or five members appointed for three-year terms unless the board is a board for a merged ABC system under G.S. 18B-703 and a different size membership has been provided for as part of the negotiated merger. If the board is a three-member board, one member of the initial board of a newly created ABC system shall be appointed for a three-year term, one member for a two-year term, and one member for a one-year term. If the board is a five-member board, one member of the initial board of a newly created ABC system shall be appointed for a three-year term, two members for two-year terms, and two members for one-year terms. As the terms of initial board members expire, their successors shall each be appointed for three-year terms. If a board is initially a three-member board and the appointing authority determines a five-member board is preferable, the terms of the two new members shall be for three years. If a local board has five members and the appointing authority determines a three-member board is preferable, the appointing authority shall not reduce the size of the board except upon the expiration of a member's term and only with the approval of the Commission. The appointing authority shall designate one member of the local board as chairman.

(a1) **Mission.** – The mission of local ABC boards and their employees shall be to serve their localities responsibly by controlling the sale of spirituous liquor and promoting customer-friendly, modern, and efficient stores.

(b) **City Boards.** – City ABC board members shall be appointed by the city governing body, unless a different method of appointment is provided in a local act enacted before the effective date of this Chapter.

(c) **County Boards.** – County ABC board members shall be appointed by the board of county commissioners, unless a different method of appointment is provided in a local act enacted before the effective date of this Chapter.

(c1) **Limit on Creation of New Boards.** – Notwithstanding any provision of law to the contrary, no new local board may be created in any county where a local board operates an ABC store. If a jurisdiction holds an ABC store election under G.S. 18B-602(g), the establishment of ABC stores is approved, and the jurisdiction is located in a county where a local board is already in operation, the jurisdiction that held the election shall enter into an agreement with an existing local board to create a merged local board in accordance with G.S. 18B-703. Nothing in this subsection shall be construed as prohibiting a local board from serving multiple cities, counties, or cities and counties.

(d) **Qualifications.** – The appointing authority shall appoint members of a local board on the basis of the appointees' interest in public affairs, good judgment, knowledge, ability, and good moral character.

(e) **Vacancy.** – A vacancy on a local board shall be filled by the appointing authority for the remainder of the unexpired term. If the chairman's seat becomes vacant, the appointing authority may designate either the new member or an existing member of the local board to complete the chairman's term.

(f) **Removal.** – A member of a local board may be removed for cause at any time by the appointing authority. Local board members are subject to the removal provisions of G.S. 18B-202.

(g) **Compensation of Board Members.** – A local board member shall receive compensation in an amount not to exceed one hundred fifty dollars (\$150.00) per board meeting unless a different level of monetary compensation is approved by the appointing authority. If a different level is

approved by the appointing authority, the appointing authority shall notify the Commission of the approved level of compensation in writing. Any change in compensation approved by the appointing authority shall be reported to the Commission in writing within 30 days of the effective date of the change. No local board member shall receive any nonmonetary compensation or benefits unless specifically authorized by this section.

(g1) **(See Editor's note for applicability)** Compensation of General Managers of Local Boards. – The salary authorized for the general manager, as defined in G.S. 18B-101, of a local board shall not exceed the salary authorized by the General Assembly for the clerk of superior court of the county in which the appointing authority was originally incorporated unless such compensation is otherwise approved by the appointing authority. The local board shall provide the appointing authority's written confirmation of such approval to the Commission. Any change in compensation approved by the appointing authority shall be reported to the Commission in writing within 30 days of the effective date of the change. The general manager of a local board may receive any other benefits to which all employees of the local board are entitled. The salary authorized for other employees of a local board may not exceed that of the general manager.

(g2) Travel Allowance and Per Diem Rates. – Approved travel on official business by the members and employees of local boards shall be reimbursed pursuant to G.S. 138-6 unless the local board adopts a travel policy that conforms to the travel policy of the appointing authority and such policy is approved by the appointing authority. The local board shall annually provide the appointing authority's written confirmation of such approval to the Commission and a copy of the travel policy authorized by the appointing authority. Any excess expenses not covered by the local board's travel policy shall only be paid with the written authorization of the appointing authority's finance officer. A copy of the written authorization for excess expenses shall be submitted to the Commission by the local board within 30 days of approval.

(h) Conflict of Interest. – The provisions of G.S. 18B-201 shall apply to local board members and employees.

(i) Bond. – Each local board member and the employees designated as the general manager and finance officer of the local board shall be bonded in an amount not less than fifty thousand dollars (\$50,000) secured by a corporate surety, for the faithful performance of his duties. A public employees' blanket position bond in the required amount satisfies the requirements of this subsection. The bond shall be payable to the local board and shall be approved by the appointing authority for the local board. The appointing authority may increase the amount of the bond required for any member or employee who handles board funds.

(j) Limited Liability. – A person serving as a member of a local ABC board shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of this service, except where the person:

- (1) Was not acting within the scope of his official duties;
- (2) Was not acting in good faith;
- (3) Committed gross negligence or willful or wanton misconduct that resulted in the damage or injury;
- (4) Derived an improper personal financial benefit from the transaction; or
- (5) Incurred the liability from the operation of a motor vehicle.

The immunity in this subsection is personal to the members of local ABC boards, and does not immunize the local ABC board for liability for the acts or omissions of the members of the local ABC board.

(k) **(See Editor's note for applicability)** Nepotism. – Members of an immediate family shall not be employed within the local board if such employment will result in one member of the immediate family supervising another member of the immediate family, or if one member of the immediate family will occupy a position which has influence over another member's employment, promotion, salary administration, or other related management or personnel considerations. This subsection applies to local board members and employees.

For the purpose of this subsection, the term "immediate family" includes wife, husband, mother, father, brother, sister, son, daughter, grandmother, grandfather, grandson, and granddaughter. Also included are the step-, half-, and in-law relationships. It also includes other people living in the same household, who share a relationship comparable to immediate family members, if either occupies a position which requires influence over the other's employment, promotion, salary administration, or other related management or personnel considerations.

(l) Local Acts. – Notwithstanding the provisions of any local act, this section applies to all local boards. (1981, c. 412, s. 2; c. 747, s. 50; 1981 (Reg. Sess., 1982), c. 1262, s. 10; 1989, c. 800, s. 19; 2010-122, ss. 9-16; 2019-182, s. 16(b).)

§ 18B-701. Powers and duties of local ABC boards.

(a) Powers. – A local board shall have authority to do all of the following:

- (1) Buy, sell, transport, and possess alcoholic beverages as necessary for the operation of its ABC stores. In providing delivery of spirituous liquor to a mixed beverages permittee, as required by G.S. 18B-404(f), the local board may use its employees or contract with one or more independent contractors and may charge a fee to the permittee. A mixed beverage permittee may contract with an independent contractor to provide delivery of spirituous liquor from an ABC board's store or warehouse to the permittee's premises.
- (1a) Contract with an independent contractor to provide delivery of its spirituous liquor from the local board's warehouse to the local board's ABC stores, provided all of the following conditions are met:

 - c. The contract may be terminated at will by either party without cause.
 - d. The independent contractor maintains in force an indemnity and fidelity insurance policy with the local board named as an additional insured in an amount sufficient to insure the value of the alcoholic beverages to be transported and delivered by the independent contractor on the behalf of the local board.
 - e. The independent contractor contractually assumes liability for any damage, breakage, or theft of the spirituous liquor to be delivered from the time possession is taken by the independent contractor from the local board until delivery of the spirituous liquor to the ABC store is acknowledged in writing by the manager or an employee of that ABC store.
- (2) Adopt rules for its ABC system, subject to the approval of the Commission.

- (3) Hire and fire employees for the ABC system.

(a) Generally. – A local board may transact business as a corporate body, except as limited by this section. A local board shall not be considered a public authority under G.S. 159-7(b)(10).

(b) Budget Officer. – The general manager of the local board shall be the budget officer for the local board. In the absence of a general manager, a local board may impose the duties of budget officer on the chairman or any member of the local board or any other employee of the board.

(c) Annual Balanced Budget. – Each local board shall operate under an annual balanced budget administered in accordance with this section. A budget is balanced when the sum of estimated gross revenues and both restricted and unrestricted funds are equal to appropriations. Expenditures shall not exceed the amount of funds received or in reserve for the purpose to which the funds are appropriated. It is the intent of this section that all monies received and expended by a local board should be included in the budget. Therefore, notwithstanding any other provision of law, no local board may expend any monies, regardless of their source, except in accordance with a budget adopted under this section. The budget of a local board shall cover a fiscal year beginning July 1 and ending June 30.

(d) Preparation and Submission of Budget and Budget Message. – Upon receipt of the budget requests and revenue estimates and the financial information supplied by the finance

The budget, together with a budget message, shall be submitted to the local board, the appointing authority, and the Commission not later than June 1. The budget and budget message should, but need not, be submitted at a formal meeting of the board. The budget message should contain a concise explanation of the goals fixed by the budget for the budget year, explain important features of the activities anticipated in the budget, set forth the reasons for stated changes from the previous year in appropriation levels, and explain any major changes in fiscal policy.

(e) Filing and Publication of the Budget. – On the same day the budget officer submits the budget to the local board, the budget officer shall make a copy for public inspection, and it shall remain available for public inspection until the budget is adopted. The budget officer shall make a copy of the budget available to all news media in the county. The budget officer shall also publish a statement that the budget has been submitted to the local board and is available for public inspection in the office of the general manager of the local board. The statement shall also give notice of the time and place of the budget hearing required by subsection (f) of this section.

(f) Budget Hearings. – Before adopting the budget, the board shall hold a public hearing at which time any persons who wish to be heard on the budget may appear.

(g) Adoption of Budget. – Not earlier than 10 days after the day the budget is presented to the board and not later than July 1, the local board shall adopt a budget making appropriations for the budget year in such sums as the board may consider sufficient and proper, whether greater or less than the sums recommended in the budget. The budget shall authorize all financial transactions of the local board. The budget may be in any form that the board considers most efficient in enabling it to make the fiscal policy decisions embodied therein, but it shall make appropriations by department, function, or project and show revenues by major source. The local board may authorize the budget officer to authorize expenditures from working capital funds subject to such limitations and procedures as it may prescribe. Any such expenditure shall be deemed an amendment and reported to the board at its next regular meeting and recorded in the minutes.
- (4) Estimated revenues shall include only those revenues reasonably expected to be realized in the budget year.
- (5) Sufficient funds to meet the amounts to be paid during the fiscal year under continuing contracts previously entered into shall be appropriated unless such contract reserves to the local board the right to limit or not to make such appropriation.

- (6) The sum of estimated net revenues and appropriated fund balance in each fund shall be equal to appropriations in that fund. Appropriated fund balance in a fund shall not exceed the sum of cash and investments minus the sum of liabilities, encumbrances, and deferred revenues arising from cash receipts, as those figures stand at the close of the fiscal year next preceding the budget year.

The budget shall be entered in the minutes of the local board and within five days after adoption, and copies thereof shall be filed with the finance officer, the budget officer, the appointing authority, and the Commission.

(h) Amendments to the Budget. – Except as otherwise restricted by law, the local board may amend the budget at any time after adoption, in any manner, so long as the budget, as amended, continues to satisfy the requirements of this section. The local board by appropriate resolution may authorize the budget officer to transfer monies from one appropriation to another within the same fund subject to such limitations and procedures as it may prescribe. Any such transfers shall be reported to the local board at its next regular meeting and shall be entered in the minutes. The Commission may grant one or more waivers to a board.

No obligation may be incurred for a capital project unless the budget authorizes the obligation and an unencumbered balance remains in the appropriation sufficient to pay the sums obligated by the transaction. If an obligation is evidenced by a contract or agreement requiring the payment of money or by a purchase order for supplies and materials, the contract, agreement, or purchase order shall include on its face a certificate stating that the instrument has been preaudited to assure compliance with this subsection. The certificate, which shall be signed by the finance officer or any deputy finance officer approved for this purpose by the local board, shall take substantially the following form:

"This instrument has been preaudited in the manner required by G.S. 18B-702.

- (2) The budget includes an appropriation authorizing the expenditure and either (i) an encumbrance has been previously created for the transaction or (ii) an unencumbered balance remains in the appropriation sufficient to pay the amount to be disbursed.

A bill, invoice, or other claim may not be paid unless it has been approved by the finance officer or, under subsection (o) of this section, by the local board. The finance officer shall establish procedures to assure compliance with this subsection.

(o) Local Board Approval of Bills, Invoices, or Claims. – The local board may, as permitted by this subsection, approve a bill, invoice, or other claim against the local board that has been disapproved by the finance officer. It may not approve a claim for which no appropriation appears in the budget, or for which the appropriation contains no encumbrance and the unencumbered balance is less than the amount to be paid. The local board shall approve payment by formal resolution stating the board's reasons for allowing the bill, invoice, or other claim. The performance improvement plan shall include, but not be limited to, recommendations for improved performance based on the performance standards established by the Commission. The plan shall also state a period of time in which the performance improvements are to occur and what action will be taken by the Commission if performance standards are not met within the given time limits. The appointing authority shall allow up to, but no more than, 12 months' time to the local board to implement and show improvement under the performance improvement plan. The local appointing authority, in consultation with the Commission and upon good cause shown, may allow up to an additional six-month period of time for the local board to meet all requirements in the performance improvement plan and to establish that the performance standards established by the Commission are met.

(c) Remedies. – If the Commission determines that the established performance standards identified in the statement of findings cannot be met after a performance improvement plan has

been implemented and adequate time has been given, but in no case less than 12 months, the Commission shall take appropriate action to avoid insolvency. This action may include closing the board pursuant to G.S. 18B-801(d), closing a store or multiple stores, or merging the local board with another local board in order to maintain solvency. The Commission may also seize the assets of the local board and liquidate any assets necessary to satisfy any debt in order to maintain the solvency of the local board. Before allowing the local board to sell spirituous liquor below the price paid by the local board, the Commission shall verify that allowing the price reduction will not cause the local board to operate at an annual net loss or, if the local board was already operating at a loss, will not cause the local board to incur additional annual net revenue losses.

(b) If a distillery requests to be notified if its products are authorized for pricing below the distiller's price pursuant to this section, the Commission shall notify the distiller of the product and the local board for which the reduced pricing is authorized within 24 hours of the authorization. The Commission shall then determine if the eligible distillery desires to directly ship the ordered product directly to the local board, and if so the Commission shall authorize the eligible distillery to ship the spirituous liquor ordered to the local board for the fulfillment of the mixed beverages permittee's order. Merchandise authorized to be shipped by direct shipment under this subsection shall be consigned by the State ABC warehouse to the distiller's account in care of the local board. The local board shall acknowledge receipt of the merchandise on the shipping documents and forward them to the State ABC warehouse for processing through the accounting system as though the merchandise were shipped from the State ABC warehouse. - (2) Whether the citizens of the community or city in which the proposed store is to be located voted for or against ABC stores in the last election on the question.
- (3) The proximity of the new location to existing ABC stores operated by the local board or any other board.

(b1) Notwithstanding subsection (b) of this section, no local board may establish an ABC store at any location within the corporate limits of a municipality if the governing body of the municipality has passed a resolution objecting to the location of the proposed ABC store and the resolution is based upon information and evidence presented to the governing body of the municipality at a public hearing. If a municipality objects to the location of a proposed ABC store, the local board may request the Commission to approve the proposed ABC store location notwithstanding the objection of the municipality. The Commission shall have final authority to determine if the operation of an ABC store at the contested proposed location is suitable.

Upon notice given to the Commission by an affected municipality, any statutory and administrative time limits allowed for objections to, or public hearings concerning the location of, an ABC store shall be extended by 45 days to allow a municipality sufficient time to conduct a public hearing and submit its objection and resolution to the Commission.

If the Commission orders a local system to close, the Commission may:

The appointing authority may increase the amount of bond required for store managers under this subsection.

(c) Bonding of Other Employees. – A local board or the appointing authority may require any of its other employees who handle funds to obtain bonds. The amount and form of those bonds shall be determined by the local board.

- (1) The board shall pay the expenses, including salaries, of operating the local ABC system.
- (2) Each month the local board shall pay to the Department of Revenue the taxes due the Department. In addition to the taxes levied under Chapter 105 of the General Statutes, the local board shall pay to the Department one-half of both the mixed beverages surcharge required by G.S. 18B-804(b)(8) and the guest room cabinet surcharge required by G.S. 18B-804(b)(9).
- (3) Each month the local board shall pay to the Department of Health and Human Services five percent (5%) of both the mixed beverages surcharge required by G.S. 18B-804(b)(8) and the guest room cabinet surcharge required by G.S. 18B-804(b)(9). The Department of Health and Human Services shall spend those funds for the treatment of alcoholism or substance abuse, or for research or education on alcohol or substance abuse.
- (4) Each month the local board shall pay to the county commissioners of the county where the charge is collected the proceeds from the charge required by G.S. 18B-804(b)(6), to be spent by the county commissioners for the purposes stated in subsection (h) of this section.

(c) Other Statutory Distributions. – After making the distributions required by subsection (b), a local board shall make the following quarterly distributions from the remaining gross receipts.

- (1) Before making any other distribution under this subsection, the local board shall set aside the clear proceeds of the three and one-half percent (3 ½%) markup provided for in G.S. 18B-804(b)(5) and the charge provided for in G.S. 18B-804(b)(6b), to be distributed as part of the remaining gross receipts under subsection (e) of this section.
- (2) The local board shall spend for law enforcement an amount set by the board which shall be at least five percent (5%) of the gross receipts remaining after the distribution required by subdivision (1). The local board may contract with the

- (3) The local board shall spend, or pay to the county commissioners to spend, for the purposes stated in subsection (h), an amount set by the board which shall be at least seven percent (7%) of the gross receipts remaining after the distribution required by subdivision (1). This provision shall not be applicable to a local board which is subject to a local act setting a different distribution.

(d) Working Capital. – After making the distributions provided for in subsections (b) and (c), the local board may set aside a portion of the remaining gross receipts, within the limits set by the rules of the Commission, as cash to operate the ABC system. With the approval of the appointing authority for the board, the local board may also set aside a portion of the remaining gross receipts as a fund for specific capital improvements.

(e) Other Distributions. – After making the distributions provided in subsections (b), (c), and (d), the local board shall pay each quarter the remaining gross receipts to the general fund of the city or county for which the board is established, unless some other distribution or some other schedule is provided for by law. If the governing body of each city and county receiving revenue from an ABC system agrees, those governing bodies may alter at any time the distribution to be made under this subsection or under any local act. Copies of the governing body resolutions agreeing to a new distribution formula and a copy of the approved new distribution formula shall be submitted to the Commission for review and audit purposes. If any one of the governing bodies later withdraws its consent to the change in distribution, profits shall be distributed according to the original formula, beginning with the next quarter.

(f) Surcharge Profit Shared. – When, pursuant to G.S. 18B-603(d1), spirituous liquor is bought at a city ABC store by a mixed beverages permittee for premises located outside the city, the local board operating the store at which the sale is made shall retain seventy-five percent (75%) of the local share of both the mixed beverages surcharge required by G.S. 18B-804(b)(8) and the guest room cabinet surcharge required by G.S. 18B-804(b)(9) and the remaining twenty-five percent (25%) shall be divided equally among the local ABC boards for all other cities in the county that have authorized the sale of mixed beverages.

(g) Quarterly Distributions. – When this section requires a distribution to be made quarterly, at least ninety percent (90%) of the estimated distribution shall be paid to the recipient by the local board within 30 days of the end of that quarter. Adjustments in the amount to be distributed resulting from the closing of the books and from audit shall be made with the next quarterly payment.

(h) Expenditure of Alcoholism Funds. – Funds distributed under subdivisions (b)(4) and (c)(3) of this section shall be spent for the treatment of alcoholism or substance abuse, or for research or education on alcohol or substance abuse. The minutes of the board of county commissioners or local board spending funds allocated under this subsection shall describe the activity for which the funds are to be spent. Any agency or person receiving funds from the county commissioners or local board under this subsection shall submit an annual report to the board of

county commissioners or local board from which funds were received, describing how the funds were spent.

(i) Calculation of Statutory Distributions When Liquor Sold at Less Than Uniform Price. – If a local board sells liquor at less than the uniform State price, distributions required by subsections (b) and (c) shall be calculated as though the liquor was sold at the uniform price. (a) Requirements. – To be eligible to receive and to hold an ABC permit, a person must satisfy all of the following requirements:

- (1) Be at least 21 years old.
- (2) Be a resident of North Carolina, unless any of the following apply:
 - a. The person is an officer, director, or stockholder of a corporate applicant or permittee and is not a manager or otherwise responsible for the day-to-day operation of the business.
 - b. The person has executed a power of attorney designating a qualified resident of this State to serve as attorney in fact for the purposes of receiving service of process and managing the business for which permits are sought.

- (4) Not have been convicted of an alcoholic beverage offense within two years.

- (5) Not have been convicted of a misdemeanor controlled substance offense within two years.

- (7) Not have, whether as an individual or as an officer, director, shareholder or manager of a corporate permittee, an unsatisfied outstanding final judgment that was entered against him or her in an action under Article 1A of this Chapter.

(b) Definition of Conviction. – A person has been "convicted" for the purposes of subsection (a) of this section when the person has been found guilty, or has entered a plea of guilty or nolo contendere, and judgment has been entered. A felony conviction in another jurisdiction disqualifies a person from being eligible to receive or hold an ABC permit if the conduct would also constitute a felony in North Carolina. A conviction of an alcoholic beverage offense or misdemeanor drug offense in another jurisdiction disqualifies a person from being eligible to receive or hold an ABC permit if the conduct would constitute an offense in North Carolina, unless the Commission determines that under North Carolina procedure judgment would not have been entered under the same circumstances. Revocation of a permit in another jurisdiction disqualifies a person if the conduct would be grounds for revocation in North Carolina.

- (4) The manager of an establishment operated by a corporation.
- (5) Any manager who has been empowered as attorney-in-fact for a nonresident individual or partnership.
- (6) Any manager or person otherwise responsible for the day-to-day operation of the business, if none of the persons listed in subdivisions (1) through (5) of this

subsection is a manager or person otherwise responsible for the day-to-day operation of the business.

(e) **Convention Centers.** – With the approval of the Commission, the manager of a convention center may contract with another person to provide food and beverages at conventions and banquets at the convention center, and that person may engage in the activities authorized by the convention center's permit, under conditions set by the Commission. The person with whom the convention center contracts must meet the qualifications of this section.

(f) **Procedure to Confirm State Tax Compliance.** – Upon request of the Commission, the Department of Revenue must provide information to the Commission to confirm a person's compliance with subdivision (a)(8) of this section. If the Department of Revenue notifies the Commission that a person is not in compliance, then the Commission shall not issue or renew the person's permit until the Commission receives notice from the Department of Revenue that the person is in compliance. The requirement to pay all taxes, interest, and penalties may be satisfied by an operative agreement under G.S. 105-237 covering any amounts that are collectible under G.S. 105-241.22. Chapter 150B of the General Statutes does not apply to a Commission action on issuance, suspension, or revocation of an ABC permit under subdivision (a)(8) of this section. If the establishment is not inside a city, the Commission shall give notice to the governing body of the county. The Commission shall allow the local governing body 15 days from the time the notice was mailed or delivered to file written objection to the issuance of the permit. To be considered by the Commission, the objection shall state the facts upon which it is based.

(c) **Factors in Issuing Permit.** – Before issuing a permit, the Commission shall be satisfied that the applicant is a suitable person to hold an ABC permit and that the location is a suitable place to hold the permit for which the applicant has applied. To be a suitable place, the local governing body shall return a Zoning and Compliance Form to the Commission on a form provided by the Commission to show the establishment is in compliance with all applicable building and fire codes and, if applicable, has been notified that it is located in an Urban Redevelopment Area as defined

by Article 22 of Chapter 160A of the General Statutes and as required by G.S. 18B-904(e)(2). Other factors the Commission shall consider in determining whether the applicant and the business location are suitable are all of the following:

- (7) The recommendations of the local governing body.
- (8) Any other evidence that would tend to show whether the applicant would comply with the ABC laws.

 - a. Past revocations, suspensions, and violations of ABC laws by prior permittees related to or associated with the applicant, or a business with which the applicant is associated, within the immediate preceding 12-month period at this location.

 - c. Evidence of fighting, disorderly conduct, and other dangerous activities on or about the licensed premises.

(c1) Limitation on Commission's Discretion. – The Commission's discretion whether to issue a permit to a cigar bar is limited to the factors in this Chapter. The Commission shall not consider whether the cigar bar may allow smoking indoors pursuant to G.S. 130A-496 in deciding whether to issue the cigar bar a permit.

(d) Commission's Authority. – The Commission shall have the sole power, in its discretion, to determine the suitability and qualifications of an applicant for a permit. The Commission shall also have the authority to determine the suitability of the location to which the permit may be issued. (1945, c. 903, s. 1; 1947, c. 1098, ss. 2, 3; 1949, c. 974, s. 1; 1957, cc. 1048, 1448; 1963, c. 426, ss. 10, 12; c. 460, s. 1; 1971, c. 872, s. 1; 1973, c. 476, s. 128; 1975, c. 586, s. 1; c. 654, ss. 1, 2; c. 722, s. 1; 1977, c. 70, s. 19; c. 182, s. 1; c. 669, ss. 1, 2; c. 676, ss. 1, 2; c. 911; 1979, c. 348, ss. 2, 3; c. 683, ss. 5, 6, 11, 12; 1981, c. 412, s. 2; 1993 (Reg. The Commission may request the assistance of local ABC officers in investigating applications. An applicant shall cooperate fully with the investigation.

The Department of Public Safety may provide a criminal record check to the ALE Division for a person who has applied for a permit through the Commission. The ALE Division shall provide to

the Department of Public Safety, along with the request, the fingerprints of the applicant, any additional information required by the Department of Public Safety, and a form signed by the applicant consenting to the check of the criminal record and to the use of the fingerprints and other identifying information required by the State or national repositories. - (2) Limited special occasion permits shall be valid for 48 hours before and after the occasion for which the permit was issued.
- (3) Special one-time permits issued under G.S. 18B-1002 shall be valid for the period stated on the permit.
- (4) Temporary permits issued under G.S. 18B-905 shall be valid for 90 days. After 90 days, a temporary permit shall no longer be deemed a temporary permit and shall be deemed to have been issued under either subdivision (a)(1) or (a)(5) of this section, as applicable, and shall remain valid pursuant to the applicable subdivision.
- (5) All other ABC permits shall be valid for one year, from May 1 to April 30.

(b) Renewal. – Application for renewal of an ABC permit shall be on a form provided by the Commission. An application for renewal shall be accompanied by an application fee. The application fee shall be the same amount as the initial fee set in G.S. 18B-902, except that the renewal application fee for each wine shop permit or malt beverage shop permit shall be five hundred dollars (\$500.00), and the renewal application fee for each mixed beverages permit and each guest room cabinet permit shall be one thousand dollars (\$1,000). A renewal fee shall not be refundable.

(b1) Registration. – Each person holding a malt beverage, fortified wine, or unfortified wine permit issued pursuant to G.S. 18B-902(d)(1) through G.S. 18B-902(d)(6) shall register by May 1 of each year on a form provided by the Commission, in order to provide information needed by the State in enforcing this Chapter and to support the costs of that enforcement. The registration required by this subsection shall be accompanied by an annual registration and inspection fee of

four hundred dollars (\$400.00) for each permit held. The fee shall be paid by May 1 of each year. A registration fee shall not be refundable. Failure to pay the annual registration and inspection fee shall result in revocation of the permit.

(b2) Recycling Plan Required. – Each person holding an on-premises malt beverage permit, on-premises unfortified wine permit, on-premises fortified wine permit, or a mixed beverages permit shall submit, along with the annual registration or renewal application, either a current plan for the collection and recycling of all recyclable beverage containers of all beverages sold at retail on the premises, or an application for a waiver pursuant to G.S. 18B-902(h). Each person holding a mobile bar services permit shall submit, along with the annual renewal application, either a current plan for the collection and recycling of all recyclable beverage containers of all beverages to be served at an event pursuant to the permit, or an application for a waiver pursuant to G.S. 18B-902(h).

(b3) Safe Harbor; Late Fees. – Notwithstanding subsection (a) of this section, the Commission shall not revoke a permit for failure to pay a renewal application fee or an annual registration and inspection fee until June 1 of each year. No later than five business days after April 30 of each year, the Commission shall notify permittees who have not paid any required renewal application fees or annual registration and inspection fees as of April 30. The Commission shall charge a late fee of twenty-five percent (25%) of the renewal application fee or registration and inspection fee for a permit for which the renewal application fee or registration and inspection fee is submitted after April 30.

(c) Change in Ownership. –

- (1) Except as provided in subdivisions (2) and (2a) of this subsection, all permits for an establishment shall automatically expire and shall be surrendered to the Commission in any of the following circumstances:
 - a. Ownership of the establishment changes.
 - b. There is a change in the membership of the firm, association or partnership owning the establishment, involving the acquisition of a twenty-five percent (25%) or greater share in the firm, association or partnership by someone who did not previously own a twenty-five percent (25%) or greater share.
 - c. Twenty-five percent (25%) or more of the stock of the corporate permittee owning the establishment is acquired by someone who did not previously own twenty-five percent (25%) or more of the stock.
- (2) Notwithstanding subsection (e) of this section, any person who through contract, lease, management agreement, or change of ownership or transfer of business as provided in subdivision (1) of this subsection becomes lawfully entitled to use and control of the premises of an establishment that holds permits immediately prior to such change of ownership may continue to operate the establishment, as successor to the prior permittee, to the same extent as the predecessor permittee until the person receives a temporary or new permit, including purchasing malt beverages, unfortified wine, or fortified wine to be resold for on-premises or off-premises consumption, or spirituous liquor for use in mixed beverages sold by the establishment, as applicable under the permit, subject to the following limitations:
 - a. The person shall provide written or electronic notice to the Commission of the name of the non-permitted person, the name and address of the

permitted establishment, and the date of the change in ownership. The person may not operate the establishment as provided in this subdivision until the person has provided notice to the Commission. The Commission shall not require any additional documentation besides the written or electronic notice to satisfy this requirement. The prior permittee shall not be liable for any acts or omissions of the non-permitted person operating the establishment. Any alcoholic beverage offenses committed by the person or any actions taken by the Commission to revoke or suspend the permit based on the acts or omissions of the person operating the establishment shall not preclude the prior permittee from receiving an ABC permit for a different establishment.

- b. The person shall submit a new permit application to the Commission within 60 days after the change of ownership. If the person does not apply for a new permit within 60 days, all permits for the establishment shall automatically expire and shall be surrendered to the Commission. If the person has applied to the applicable local government for the Inspection/Zoning Compliance and Local Government Opinion forms required for the application but has not received approvals or denials from the local government within the 60-day period, the applicant may submit a sworn affidavit with the application stating that the person has applied to the local government for the Inspection/Zoning Compliance and Local Government Opinion approvals in lieu of those approvals. The person shall send the local government approvals or denials to the Commission within three business days of receiving the approvals or denials. If the local government finds the person to be in noncompliance, the person may not operate during the transition period allowed by this subdivision until the establishment is brought into compliance.
- c. The 60-day period to file a new permit application shall only be allowed once per 24 months for each establishment that holds an ABC permit, unless the establishment requests and the Commission grants a waiver of the 24 month requirement. The Commission shall grant a waiver of the 24 month requirement if it determines that the public health, safety, and welfare would not be harmed by granting the waiver.
- d. This subdivision shall apply only to establishments that hold ABC permits that are in good standing and that have not been found responsible by the Commission or a court of competent jurisdiction of a gambling, assault, disorderly conduct, prostitution, or controlled substances violation within 12 months prior to the date the non-permitted person becomes entitled to use and control of the establishment.
- e. The person shall be authorized to operate the establishment as successor to the prior permittee to the same extent as the predecessor permittee until the Commission either issues or denies the permit application submitted pursuant to sub-subdivision b. of this subdivision.

(2a) The transfer by a person of any ownership interest to a revocable or irrevocable trust established by the person shall not constitute a change in ownership for purposes of subdivision (1) of this subsection if the person transferring the ownership interest to the trust continues to operate the establishment. If the person who transferred the ownership interest ceases to operate the establishment following the transfer of the ownership interest to the trust, this shall constitute a change in ownership for purposes of subdivision (1) of this subsection. The trustee shall notify the Commission within 30 days if the person who transferred the ownership interest ceases to operate the establishment.

(c1) Construction of Change in Ownership. – Nothing in subsection (c) of this section shall be construed to limit alternating proprietorships in which the holder of a permit under G.S. 18B-1101, 18B-1102, 18B-1104, or 18B-1105 leases or otherwise makes available its facility to another holder of a permit under G.S. 18B-1101, 18B-1102, 18B-1104, or 18B-1105. For purposes of this section, if authorized by federal law, the host facility may also hold, at the same facility, brewery, unfortified winery, fortified winery, and distillery permits pursuant to G.S. 18B-1101, 18B-1102, 18B-1104, and 18B-1105. In this arrangement, the tenant producer shall maintain title to the beverages at all states of the process and shall be responsible for all aspects associated with manufacturing the product, including maintaining appropriate records, obtaining label approval in its own name, and remitting the appropriate taxes. Alternating brewery proprietorships are authorized between affiliated breweries, but shall not be used as a means to allocate production quantities between affiliated breweries to obtain a malt beverage wholesaler permit pursuant to G.S. 18B-1104(a)(8) where either brewery would not otherwise qualify for a permit, and the Commission shall have no authority to grant an exemption to this requirement pursuant to G.S. 18B-1116(b).

(d) Change in Management. – A corporation holding a permit for an establishment for which the manager is required to qualify as an applicant under G.S. 18B-900(c) shall, within 30 days after employing a new manager, submit to the Commission an application for substitution of a manager. The application shall be signed by the new manager, shall be on a form provided by the Commission, and shall be accompanied by a fee of ten dollars (\$10.00). The fee shall not be refundable.

(e) Transfer. – An ABC permit may not be transferred from one person to another or from one location to another.

(f) Lost Permits. – The Commission may issue duplicate ABC permits for an establishment when the existing valid permits have been lost or damaged. The request for duplicate permits shall be on a form provided by the Commission, certified by the permittee and the Alcohol Law Enforcement Division, and accompanied by a fee of ten dollars (\$10.00).

(g) Name Change. – The Commission may issue new permits to a permittee upon application and payment of a fee of ten dollars (\$10.00) for each location when the permittee's name or name of the business is changed. (1971, c. 872, s. 1; 1975, c. 330, s. 1; c. 411, s. 4; 1981, c. 412, s. 2; c. 747, s. 57; 1983, c. 713, s. 106; 1989, c. 800, s. 8; 1991, c. 565, ss. 3, 7; 1991 (Reg. § 18B-903.1. Reissuance of certain permits.

(a) Reissuance. – Notwithstanding G.S. 18B-902(b) or G.S. 18B-903, if a nonprofit organization has received a limited special occasion permit pursuant to G.S. 18B-1001(9) or a special one-time permit pursuant to G.S. 18B-1002(a)(2) or (a)(5) within the previous 18 months, the Commission shall reissue the permit to the nonprofit organization if the same individual representing the organization requests reissuance of the permit for the same location. The Commission shall require only the following information in order to reissue the permit:

- (1) The street address of the location where the event will take place.

(c) Exception on New Evidence. – In making a final decision in a contested case in which an issue is whether to deny an application for an ABC permit because either the applicant or the location for the proposed ABC permit is unsuitable, the Commission may hear evidence of acts that occurred after the date the contested case hearing was held if the evidence is admissible under G.S. 150B-29(a). New evidence heard under this subsection is not grounds for reversal or remand under G.S. 150B-51(a). (1939, c. 158, s. 514; 1943, c. 400, s. 6; 1945, c. 903, s. 1; 1947, c. 1098, ss. 2, 3; 1949, c. 974, ss. 8, 14; 1953, c. 1207, ss. 2-4; 1957, cc. 1048, 1440; 1963, c. 426, ss. 4, 5, 10-12; c. 460, s. 1; 1971, c. 872, s. 1; 1975, c. 825, s. 1; 1977, c. 176, s. 9; 1981, c. 412, s. 2; 1987, c. 827, s. 1; 1993, c. 415, s. 13; 2005-392, s. 5; 2014-3, s. 10.1(b).)

(b) Payments. – The Commission shall accept electronic payments for any fee required under this Chapter to receive a permit. For purposes of this subsection, the term "electronic payment" means payment by charge card, credit card, debit card, or by electronic funds transfer as defined in G.S. 105-228.90.

(c) Fee. – The Commission may charge a fee to be used to cover costs incurred by the Commission in processing forms electronically and accepting payments electronically. The fee authorized under this subsection may not exceed five dollars (\$5.00). (2019-182, s. 18(a); 2025-25, s. 29(5).)

§ 18B-1001.1. Authorization of wine shipper permit.

(a) A winery holding a federal basic wine manufacturing permit located within or outside of the State may apply to the Commission for issuance of a wine shipper permit that shall authorize the shipment of brands of fortified and unfortified wines identified in the application. The applicant shall not be required to pay an application fee for the wine shipper permit. A wine shipper permittee may amend the brands of wines identified in the permit application but shall file any amendment with the Commission. Any winery that applies for a wine shipper permit shall notify in writing any wholesalers that have been authorized to distribute the winery's brands within the State that an application has been filed for a wine shipper permit. A wine shipper permittee may sell and ship not more than two cases of wine per month to any person in North Carolina to whom alcoholic beverages may be lawfully sold. All sales and shipments shall be for personal use only and not for resale. A case of wine shall mean any combination of packages containing not more than nine liters of wine.

(b) A wine shipper permittee that ships to addresses in the State more than 1,000 cases of wine in a calendar year must appoint at least one wholesaler to offer and sell the products of the wine shipper permittee under Article 12 of this Chapter if the wine shipper permittee is contacted by a wholesaler that wishes to sell the products of the wine shipper permittee. This provision shall not be construed to require the wine shipper permittee to appoint the wholesaler that originally contacted the wine shipper permittee. Wine purchased by a resident of the State at the premises of the wine shipper permittee and shipped to an address in the State under G.S. 18B-109(d) shall not be included in calculating the total of 1,000 cases per year.

(c) A wine shipper permittee may contract with the holder of a wine shipper packager permit for the packaging and shipment of wine pursuant to this section. The direct shipment of wine by wine shipper or wine shipper packager permittees pursuant to this section shall be made by approved common carrier only. Each common carrier shall apply to the Commission for approval to provide common carriage of wines shipped by holders of permits issued pursuant to this section.

Each common carrier making deliveries pursuant to this section shall:

- (1) Require the recipient, upon delivery, to demonstrate that the recipient is at least 21 years of age by providing a form of identification specified in G.S. 18B-302(d)(1).
- (2) Require the recipient to sign an electronic or paper form or other acknowledgment of receipt as approved by the Commission.
- (3) Refuse delivery when the proposed recipient appears to be under the age of 21 years and refuses to present valid identification as required by subdivision (1) of this subsection.
- (4) Submit any other information that the Commission shall require.

All wine shipper and wine shipper packager permittees shipping wines pursuant to this section shall affix a notice in 26-point type or larger to the outside of each package of wine shipped within or to the State in a conspicuous location stating: "CONTAINS ALCOHOLIC BEVERAGES; SIGNATURE OF PERSON AGED 21 YEARS OR OLDER REQUIRED FOR DELIVERY". Any delivery of wines to a person under 21 years of age by a common carrier shall constitute a violation of G.S. 18B-302(a)(1) by the common carrier. The common carrier and the wine shipper or wine shipper packager permittee shall be liable only for their independent acts.

(d) A wine shipper permittee shall be subject to jurisdiction of the North Carolina courts by virtue of applying for a wine shipper permit and shall comply with any audit or other compliance requirements of the Commission and the Department of Revenue. (2003-402, s. 2; 2004-203, s. 26(a); 2005-380, s. 2; 2006-227, s. 4.)

§ 18B-1001.2. Additional wine shipping requirements.

(a) A wine shipper permittee shall:

- (1) Compile and submit to the Commission quarterly a summary indicating all wine products shipped, including brand and price of each product, date of each shipment, quantity of each shipment, and amount of excise and sales tax remitted to the Department of Revenue. The report shall include all wine products shipped on the permittee's behalf under contract with a wine shipper packager.
- (2) Register with the Department of Revenue as a wine shipper permittee and provide any additional information required by the Department.

(b) The Commission may adopt rules to carry out the provisions of this section and other related provisions governing the direct shipping of wine. (2003-402, s. 3; 2006-227, s. 5.)

§ 18B-1001.3. Authorization of wine shipper packager permit.

The holder of a wine shipper packager permit may provide services for the warehousing, packaging, and shipment of wine on behalf of a winery holding a wine shipper permit. A wine shipper packager permit authorizes the holder to receive, in closed containers, wine produced by and belonging to a wine shipper permittee and to place the unopened wine in containers or packaging materials as a service to the wine shipper permittee in connection with the marketing and sale of its wine products. A wine shipper packager may package and return wine products to the wine shipper permittee or, on behalf of the wine shipper permittee, may package and ship wine products in closed containers to individual purchasers inside and outside this State in accordance with the provisions of G.S. 18B-1001.1. The permit may be issued to a USDA-approved company specializing in warehousing and contract packaging. (2006-227, s. 6.)

§ 18B-1001.4. Authorization of delivery service permit.

(a) Authorization. – The holder of a delivery service permit, or the permit holder's employee or independent contractor, may deliver malt beverages, unfortified wine, or fortified wine on behalf of a retailer holding a permit issued pursuant to subdivisions (1) through (6) and (16) of G.S. 18B-1001, and mixed beverages on behalf of a retailer holding a permit issued pursuant to subdivision (3), (5), or (10) of G.S. 18B-1001 when delivered in accordance with the requirements of those subdivisions, to a location designated by the purchaser. A delivery service permittee may also facilitate delivery through technology services that connect consumers and licensed retailers through the use of the internet, mobile applications, and other similar technology.

(b) Training and Payment. – Prior to making any deliveries, each individual delivering alcoholic beverages pursuant to a delivery service permit shall successfully complete a course approved by the Commission related to the delivery of alcoholic beverages. Upon receipt of a proposed training program from a holder of a delivery service permit, the Commission shall have 15 business days to approve, deny, or request modifications to the proposed training program. An individual delivering alcoholic beverages pursuant to a delivery service permit shall not handle or possess funds used to purchase an alcoholic beverage that is to be delivered, but may facilitate the sales transaction in a manner that does not involve taking possession of funds.

(c) Age of Recipient and Notice. – An individual may only deliver alcoholic beverages pursuant to a delivery service permit to an individual who is at least 21 years of age and who immediately takes actual possession of the alcoholic beverages purchased. Delivery of single-serving unfortified wine drinks shall be made in accordance with G.S. 18B-1001(3). Delivery of single-serving fortified wine drinks shall be made in accordance with G.S. 18B-1001(5). Delivery of mixed beverages shall be made in accordance with G.S. 18B-1001(10). A delivery of alcoholic beverages in a package that obscures the manufacturer's original packaging shall have affixed to the outside of the package a notice in 26-point type or larger stating: "CONTAINS ALCOHOLIC BEVERAGES; AGE VERIFICATION REQUIRED."

(d) Limitations. – A delivery service permittee shall deliver alcoholic beverages only within the time allowed for lawful sales and consumption in the jurisdiction where the delivery is located. No delivery shall be made to any jurisdiction within the State that has not authorized the sale of the purchased alcoholic beverages. A delivery service permittee shall not deliver alcoholic

beverages to the premises of another licensed retailer or more than 50 miles from the retailer's licensed premises. Only alcoholic beverages purchased for personal consumption and from a licensed retailer's existing inventory located on the retailer's premises may be delivered pursuant to a delivery service permit, except for single-serving unfortified wine drinks in sealed containers meeting the requirements of G.S. 18B-1001(3), single-serving fortified wine drinks in sealed containers meeting the requirements of G.S. 18B-1001(5), and mixed beverages in sealed containers meeting the requirements of G.S. 18B-1001(10).

(e) Scope and Construction. – A delivery service permit is not required for a common carrier lawfully transporting or shipping alcoholic beverages. Nothing in this section shall be construed as exempting the delivery of alcoholic beverages pursuant to a delivery service permit from the requirements set forth in Article 4 of Chapter 18B of the General Statutes. Nothing in this section shall be construed to require a technology services company to obtain a delivery service permit if the company does not employ or contract with delivery drivers, but rather provides software or an application that connects consumers and licensed retailers for the delivery of alcoholic beverages from the licensed retailer. Nothing in this section shall be construed to require a retailer that holds a permit issued pursuant to subdivisions (1) through (6), (10), and (16) of G.S. 18B-1001 to obtain a delivery service permit in order for employees of the retail permittee to deliver malt beverages, unfortified wine, or fortified wine to a location designated by the purchaser, however, the other provisions of this section apply to the retailer.

(f) Penalties for Violations in Residence Halls. – Notwithstanding G.S. 18B-104, if a delivery service permittee commits a violation of this Chapter when delivering to a residence hall located on the premises of an institution of higher education the delivery service permittee shall be subject to a fine of up to one thousand dollars (\$1,000) for the first violation, up to one thousand five hundred dollars (\$1,500) for a second violation within three years of the first violation, and up to two thousand dollars (\$2,000) for a third or subsequent violation within three years of the first violation. In any case in which there are two or more violations within three years by a delivery service permittee when delivering to a residence hall on the premises of an institution of higher education in which the Commission is entitled to suspend or revoke a permit, the Commission may accept from the permittee an offer in compromise to pay a penalty of not more than ten thousand dollars (\$10,000). The Commission may either accept a compromise or revoke a permit, but not both. The Commission may accept a compromise and suspend the permit in the same case. (2019-182, s. 20(a); 2021-150, s. 26.1; 2022-51, s. 13(a); 2024-41, s. 5(c); 2025-25, s. 29(3).)

§ 18B-1001.5. Authorization of common area entertainment permit.

(a) Policy. – The intent of this section is to regulate open containers of alcoholic beverages that customers of a multi-tenant establishment take from a permittee's licensed premises into another area where consumption of the alcoholic beverages is allowed. This section shall not in any way limit the consumption or possession of alcoholic beverages otherwise allowed under this Chapter.

(b) Definitions. – For purposes of this section:

- (1) Common area. – An indoor or outdoor portion of a multi-tenant establishment that is open to the public.
- (2) Customer. – A person who purchases an alcoholic beverage from a permittee that is in a designated consumption area.
- (3) Designated consumption area. – An indoor or outdoor common area on the premises of a multi-tenant establishment designated by the owner or property

owners' association of the multi-tenant establishment for consumption of alcoholic beverages and either of the following:

- a. Any indoor or outdoor area of a permittee business that is contiguous to the designated common area.
 - b. Any indoor or outdoor area of a non-permittee business that is contiguous to the designated common area and that chooses to allow customers to bring open containers of alcoholic beverages onto its premises.
- (4) Mixed-use development. – An integrated development containing both residential and nonresidential uses and adhering to a comprehensive plan and located on a single tract of land, or on two or more tracts of land which may be separated only by a privately maintained street or other right-of-way, or which may be contained in a single building.
- (5) Multi-tenant establishment. – A building or structure, or multiple buildings and structures on the same property, or within the same planned development project, that may be subject to a common declaration of restrictive covenants administered by a common property owners' association, and under common ownership, control, or property owners' association governance, that contains or contain multiple businesses that sell food, goods, services, or a combination of food, goods, and services, and that include or are connected by common areas. The term multi-tenant establishment includes a mixed-use development.
- (6) Non-permittee business. – A business that is a commercial tenant of a multi-tenant establishment and does not hold any ABC permit.
- (7) Permittee. – A business that is a tenant of a multi-tenant establishment and that holds any of the following permits issued by the Commission:

(c) Authorization. – A common area entertainment permit may be issued to the owner or property owners' association of a multi-tenant establishment that has at least two tenants anywhere within the multi-tenant establishment that are permittees. A customer of a permittee may exit the permittee's licensed premises with an open container of the alcoholic beverage sold by the tenant and consume the alcoholic beverage within the confines of any indoor or outdoor designated consumption area.

(d) Designation of Areas Allowed for Consumption. – The owner or property owners' association of a multi-tenant establishment that holds a common area entertainment permit shall designate one or more areas as designated consumption areas. A designated consumption area may include the premises of any business that is open to customers, if the business chooses to allow outside alcoholic beverages on its premises during the days and hours set by the owner or property owners' association of the multi-tenant establishment pursuant to subsection (e) of this section. A

permittee may be included in the designated consumption area even if it chooses to exclude open containers of alcoholic beverages purchased from other permittees. A designated consumption area may include privately maintained streets, parking spaces on privately maintained streets, sidewalks, and courtyards. Privately maintained streets and parking areas may be open to vehicular traffic during the dates and times when the designated consumption area is active. The boundaries of a designated consumption area must be marked in a way that clearly indicates to customers where the boundaries of the designated consumption area are located, such as with conspicuous signage, in the discretion of the owner or property owners' association. Vertical delineated boundaries shall not be required to indicate the boundaries of a designated consumption area. The owner or property owners' association of the multi-tenant establishment shall submit to the Commission for review and approval (i) a plat or site map of the multi-tenant establishment property with the designated consumption areas clearly marked or (ii) a detailed map of the relevant building or buildings on the multi-tenant establishment property with the designated consumption area clearly marked. The Commission shall reject any plat or map submitted under this subsection that does not meet the requirements of this section. The owner or property owners' association of the multi-tenant establishment shall submit a plat or map as required under this subsection for each renewal of the permit issued under this section and at least 10 days prior to making any adjustments to a designated consumption area. Only one common area entertainment permit shall be required at a multi-tenant establishment regardless of how many common areas are designated by the multi-tenant establishment as designated consumption areas, and all indoor and outdoor common areas designated by the multi-tenant establishment as designated consumption areas shall be covered by that permit. If there are adjacent indoor and outdoor common areas designated by the multi-tenant establishment as designated consumption areas, they shall be deemed one single designated consumption area such that a customer of an ABC permittee located in the multi-tenant establishment may transition from the indoor common area to the adjacent outdoor common area or from the outdoor common area to the adjacent indoor common area without disposing of the customer's alcoholic beverage.

(e) Days and Hours When Consumption is Allowed. – Customer-purchased alcoholic beverages may only be consumed within designated consumption areas during the hours in which the alcoholic beverage may be sold under G.S. 18B-1004, and the owner or property owners' association of the multi-tenant establishment may further limit the days and times in which an alcoholic beverage may be consumed in a designated consumption area. The owner or property owners' association of the multi-tenant establishment shall post signs in conspicuous locations on the multi-tenant establishment property indicating the days and times in which a customer may consume alcoholic beverages in a designated consumption area.

(f) Open Containers Sold by Permittees. – A permittee located in a designated consumption area may sell open containers of alcoholic beverages and allow customers to exit the premises to the designated consumption area in accordance with the following requirements:

- (1) The permittee shall only sell and serve alcoholic beverages on its licensed premises.

 - d. The container displays, in no less than 12-point font, the statement, "Drink Responsibly – Be 21."
 - e. The container shall not hold more than 16 fluid ounces.
- (3) Nothing in this subsection shall be construed to authorize the sale and delivery of alcoholic beverage drinks in excess of the limitation set forth in G.S. 18B-1010.

(g) **Limitations on Open Containers.** – Unless open containers otherwise allowed by law are allowed in designated consumption areas by the owner or property owners' association of the multi-tenant establishment, the possession and consumption of an open container of an alcoholic beverage in a designated consumption area is subject to all of the following requirements:

- (1) A customer may only possess and consume open containers of alcoholic beverages that were purchased from a permittee located in the designated consumption area.
- (2) Customer-purchased open containers of alcoholic beverages in the designated consumption area shall only be in containers meeting the requirements set forth in subsection (f) of this section, except for open containers sold by a permittee for consumption on the permittee's premises.
- (3) A customer may only possess and consume open containers of alcoholic beverages in the designated consumption area during the days and hours set by the owner or property owners' association of the multi-tenant establishment in accordance with subsection (e) of this section, not to exceed the hours for consumption authorized pursuant to G.S. 18B-1004.
- (4) A customer shall not possess at one time open containers of alcoholic beverages in the designated consumption area in excess of the number of alcoholic beverages that may be sold and delivered by a retail permittee as set forth in G.S. 18B-1010.

- (6) Notwithstanding G.S. 18B-300 and G.S. 18B-301, a permittee or non-permittee business may allow a customer to possess and consume on the business's premises alcoholic beverages purchased from a permittee in the designated consumption area.

(h) **Closed Containers.** – A person, including a customer who is in possession of an open container of an alcoholic beverage authorized under this section, may possess alcoholic beverages in closed containers in a designated consumption area to the extent otherwise allowed by this Chapter.

(i) **Responsibilities of Non-Permittee Businesses.** – A non-permittee business that is part of a designated consumption area and that allows customers to bring alcoholic beverages onto its premises shall not be responsible for enforcement of this Chapter. All non-permittee businesses that are part of a designated consumption area and that allow customers to bring alcoholic beverages onto their premises shall clearly post signage on any exits that do not open to a designated consumption area indicating that alcoholic beverages may not be taken past that point.

During the days and hours when the designated consumption area is active, a non-permittee business that allows customers to bring alcoholic beverages onto its premises shall allow law enforcement officers access to the areas of the premises accessible by customers.

(j) Responsibilities of Permit Holder. – The owner or property owners' association of a multi-tenant establishment shall comply with this section but shall not be responsible for enforcement of other sections of this Chapter. The Commission shall take no action against the owner or property owners' association of a multi-tenant establishment for violations of other sections of this Chapter unless the owner or property owners' association of the multi-tenant establishment knowingly committed the violation or knowingly allowed the violation to occur. (2022-49, s. 2(c); 2024-41, s. 27.)

 - (3) Sell, deliver and ship malt beverages in closed containers to wholesalers licensed under this Chapter as authorized by the ABC laws, except that malt beverages may be sold to exporters and nonresident wholesalers only when the purchase is not for resale in this State. However, nothing in this subdivision shall prohibit the holder of a brewery permit from selling malt beverages to a nonresident wholesaler, nonresident malt beverage vendor, bottler, or other similar party for resale in this State if the malt beverages are shipped from the brewery to wholesalers licensed under this Chapter.
 - (4) Receive malt beverages manufactured by the permittee in some other state for transshipment to (i) dealers in other states or (ii) wholesalers licensed under this Chapter as authorized by the ABC laws.
 - (5) Furnish or sell marketable malt beverage products, or packages which do not conform to the manufacturer's marketing standards, if State taxes have been or will be paid, to its employees for the use of the employees or their families and guests in this State.
 - (6) Give its products to customers, visitors, and employees for consumption on its premises. Nothing in this subdivision shall be construed as excluding customers and visitors at the brewery as part of a paid or complimentary tour of the brewery.
 - (6a) Receive, in closed containers, and sell at the brewery, malt beverages produced inside or outside North Carolina under contract with a contract brewery. The contract brewery that manufactures the malt beverages shall be responsible for all aspects associated with manufacturing the product, subject to the rules of the Commission and the Department of Revenue. The brewery, not the contract brewery, shall be responsible for registering the contracted product with the Commission, submitting the appropriate reports regarding the malt beverages, and remitting the appropriate taxes if required by those rules. The contract malt beverages may be sold also at affiliated retail outlets of the brewery physically

located on or adjacent to the brewery. Any malt beverages received from a contract brewery under this subdivision shall be made available for sale by the brewery to wholesalers for distribution to retailers, without discrimination, in the same manner as if the malt beverages were being imported by the brewery. Contract brewing is authorized between affiliated breweries, but shall not be used as a means to allocate production quantities between affiliated breweries to obtain a malt beverage wholesaler permit pursuant to subdivision (8) of this subsection where either brewery would not otherwise qualify for a permit, and the Commission shall have no authority to grant an exemption to this requirement pursuant to G.S. 18B-1116(b).

- (7) In an area where the sale of any type of alcoholic beverage is authorized by law, and upon receiving the appropriate permit under G.S. 18B-1001, sell at the brewery, and any additional retail location authorized under subdivision (8) of this subsection, any or all of the following:

 - b. Malt beverages manufactured by the permittee in some other state that have been approved by the Commission for sale in North Carolina.
 - c. Any other alcoholic beverages approved by the Commission for sale in North Carolina, if sale of the alcoholic beverage is otherwise authorized in that area.
- (7a) Repealed by Session Laws 2019-182, s. 21(a), effective October 1, 2019.

- (8) Obtain a malt beverage wholesaler permit to sell, deliver, and ship at wholesale up to 50,000 barrels of malt beverages manufactured by the brewery per year to unaffiliated retail permittees. The authorization of this subdivision applies to a brewery that sells, to consumers at the brewery, to wholesalers, to retailers, and to exporters, fewer than 100,000 barrels of malt beverages produced by it per year. The barreage limitations set forth in this subdivision apply regardless of the number or type of permits that may be issued to a brewery under this Chapter. A brewery not exceeding the sales quantity limitations in this subdivision may also sell the malt beverages manufactured by the brewery, and malt beverages produced under subdivision (6a) of this subsection, at not more than three other locations in the State, where the sale is legal, upon obtaining the appropriate permits under G.S. 18B-1001. A brewery operating any additional retail location pursuant to this subdivision under a different trade name than that used at the brewery shall also offer for sale at that location a reasonable selection of competitive malt beverage products. A sale at any additional retail location under this subdivision shall not be considered a wholesale sale for the purposes of Article 13 of this Chapter. Except as provided in G.S. 18B-1116(b), the Commission shall have no authority to grant an exemption to or otherwise allow a brewery permittee more than the three additional retail locations authorized by this subdivision. Malt beverages manufactured by a supplier permittee that owns five percent (5%) or more of a brewery permittee acting

under the authority granted in this subdivision shall be included in determining whether the brewery permittee complies with the barrelage limitations set forth in this subdivision.

(b) Sales or Gifts. – A sale or gift under subdivision (5) or (6) of subsection (a) of this section shall not be considered a retail or wholesale sale under the ABC laws.

(c) Tax Compliance. – By October 1 of each year, the Commission shall confirm that the holder of a brewery permit is in compliance with G.S. 18B-900(a)(8). The provisions of G.S. 18B-900(f) apply to the confirmation required under this subsection, except that the Commission may suspend a person's brewery permit until the Commission receives notice from the Department of Revenue that the person is in compliance.

(d) Sales Report Upon Commission Request. – Within 60 days of a request by the Commission, a holder of a brewery permit who obtains a malt beverage wholesaler permit pursuant to subdivision (8) of subsection (a) of this section shall provide a sales report to the Commission. The report shall list separately all of the following for the 12-month period preceding the date of the request:

- (1) The number of barrels of malt beverages sold by the permit holder that were produced by the permit holder.
- (2) The quantity and dollar amount of malt beverages sold by the permit holder under subdivision (7) of subsection (a) of this section.
- (3) The quantity and dollar amount of malt beverages sold on-premises under subdivision (8) of subsection (a) of this section.
- (4) The quantity and dollar amount of malt beverages sold off-premises under subdivision (8) of subsection (a) of this section.
- (5) The quantity and dollar amount of malt beverages sold under G.S. 18B-1114.5.

The Commission shall not request more than one sales report from a brewery within a 12-month period. The information shall not be a public record under Chapter 132 of the General Statutes.

(4) To govern all wine wholesalerships, including any renewals or amendments, to the full extent consistent with the Constitution of this State and the United States.

(c) The effect of this Article may not be waived or varied by contract or agreement. Any contract or agreement purporting to do so is void and unenforceable to the extent of that waiver or variance.

(d) A North Carolina winery holding a valid wine wholesaler permit issued pursuant to G.S. 18B-1101(7) and G.S. 18B-1107, when acting as its own master wholesaler, shall not be subject to the provisions of G.S. 18B-1204, 18B-1205, and 18B-1207. (1983, c. 85, s. 2; 2005-340, s. 1; 2005-350, s. 4; 2006-264, s. 98; 2007-484, s. 37.)

§ 18B-1201. Definitions.

As used in this Article, unless the context requires otherwise:

 - a. A relationship whereby the wine wholesaler is granted the right to offer and sell a brand offered by a winery;
 - b. A relationship whereby the wine wholesaler, as an independent business, constitutes a component of a winery's distribution system;

 - d. A relationship whereby the wine wholesaler's business is substantially reliant on a winery for the continued supply of wine;
 - e. The shipment, preparation for shipment, or acceptance of any order by any winery or its agent for any wine or beverages to a wine wholesaler within this State;
 - f. The payment by a wine wholesaler and the acceptance of payment by any winery or its agent for the shipment of any order of wine or beverages intended for sale within this State.
- (2) "Territory" or "sales territory" means the area of primary sales responsibility expressly or implicitly designated by any agreement between any wine wholesaler and winery for a brand offered by any winery.
- (3) "Wine wholesaler" means any holder of a wine wholesaler permit, wine importer permit, or bottler permit issued under the authority of this Chapter.
- (4) "Winery" means any holder of an unfortified winery permit, fortified winery permit, limited winery permit, or nonresident wine vendor permit issued under the authority of this Chapter who sells at least 1,250 cases of wine in North Carolina per year. (1983, c. 85, s. 2; 2010-122, s. 26; 2011-73, s. 1.)

§ 18B-1202. No inducement, coercion, or discrimination.

No winery may:

- (1) Induce, coerce, or attempt to induce or coerce any wine wholesaler to accept delivery of any alcoholic beverage or any other commodity which has not been ordered by the wine wholesaler;

- (4) Unlawfully discriminate on the basis of race, color, creed, sex, religion, or national origin in awarding or maintaining agreements covered by this Article. Wineries who contract with wholesalers in this State shall make reasonable efforts to establish and maintain agreements with wholesalers who are females and members of minority groups. (1983, c. 85, s. 2.)

§ 18B-1203. Primary area of responsibility; no discrimination.

(a) Each agreement shall designate the sales territory of the wholesaler. No winery may enter into more than one agreement for each brand of wine or beverage it offers in any territory. A wholesaler shall not distribute any brand of wine to a retailer whose premises are located outside the territory designated in the wholesaler's agreement for that brand, except to a retail permittee's off-site airport storage premises pursuant to G.S. 18B-1011. With the approval of the Commission, a wholesaler may distribute wine outside the wholesaler's designated territory during periods of temporary service interruption when requested to do so by the winery and the wholesaler whose service is interrupted. Unless the winery and wine wholesaler agree otherwise in writing, the territory designated as the wholesaler's "area of primary sales responsibility" as of the effective date of this section shall be the wholesaler's designated sales territory. Redesignations of sales territories occurring after July 1, 2011, shall be reported to the Commission within 30 days. No provisions of this Article, however, may prohibit the continuation of a multi-wholesaler agreement entered into before March 21, 1983, as between the winery and the original wine wholesalers thereto, provided that upon termination of any such agreement, the affected territory shall be designated for a single wholesaler.

(b) A wholesaler shall service retail permit holders within its designated territory without discrimination. Upon request from a retail permit holder, each wholesaler shall make a good faith effort to make available any brand of wine the wholesaler is authorized to distribute in the territory. The provisions of this subsection shall not apply to retail permit holder private label brands. (1983, c. 85, s. 2; 2011-73, s. 2; 2021-150, s. 19.5.)

§ 18B-1204. Cancellation.

Notwithstanding the terms, provisions, or conditions of any agreement, no winery may amend, cancel, terminate, or refuse to continue to renew any agreement, or cause a wholesaler to resign from an agreement, unless good cause exists for amendment, termination, cancellation, nonrenewal, noncontinuation, or resignation. "Good cause" does not include a change in ownership of a winery. "Good cause" does include:

- (1) Revocation of the wholesaler's permit or license to do business in this State;
- (2) Bankruptcy or receivership of the wholesaler;
- (3) Assignment for the benefit of creditors or similar disposition of the assets of the wholesaler; or

- (4) Failure of the wholesaler to comply substantially, without reasonable excuse or justification, with any reasonable and material requirement imposed upon him by the winery, including a substantial failure by a wine wholesaler to:
 - a. Maintain a sales volume of the brands offered by the winery, or
 - b. Render services comparable in quality, quantity, or volume to the sales volumes maintained and services rendered by other wholesalers of the same brands within the State.

In any determination as to whether a wholesaler has failed to comply substantially, without reasonable excuse or justification, with any reasonable and material requirement imposed upon him by the winery, consideration shall be given to the relative size, population, geographical location, number of retail outlets, demand for the products applicable to the territory of the wholesaler in question and to comparable territories, and any reasonable sales quota set by the agreement. The burden of proving good cause for amendment, termination, cancellation, nonrenewal, noncontinuation, or resignation is on the winery. (1983, c. 85, s. 2.)

§ 18B-1205. Notice of intent to terminate.

(a) Except as provided in subsection (c), a winery shall provide a wholesaler at least 90 days prior written notice of any intention to amend, terminate, cancel, or not renew any agreement. The notice, a copy of which shall be mailed at the same time to the Commission, shall state all the reasons for the intended amendment, termination, cancellation, or nonrenewal.

(b) When the reasons relate to conditions that can be rectified by the wholesaler, he has 60 days in which to do so. If the wholesaler rectifies the conditions within the 60-day period, he shall give written notice thereof to the winery and to the Commission. If the wholesaler has rectified the conditions, the proposed amendment, termination, cancellation, or nonrenewal is void, except that when the winery contends that the wholesaler has not completely rectified the conditions, the winery may, within 15 days after the expiration of the 60-day period, request a hearing before the Commission to determine if the wholesaler has rectified all the conditions.

(c) When the reasons relate to conditions that cannot be rectified by the wholesaler within the 60-day period, the wholesaler may request a hearing before the Commission to determine if the winery has good cause for the amendment, termination, cancellation, or nonrenewal of the agreement. The burden of proving good cause for the amendment, termination, cancellation, or nonrenewal is on the winery.

(d) Upon receiving a written request from the winery or wholesaler for a hearing, the Commission shall, after notice and hearing, determine if the wholesaler has rectified the conditions or if good cause exists for the amendment, termination, cancellation, or nonrenewal of the agreement, as appropriate. In any case in which a petition is made to the Commission for such a determination, the agreement in question shall continue in effect, pending the Commission's decision and any judicial review thereof.

(e) In all proceedings before the Commission, the Commission shall ensure that no agreements covered by this Article result in unlawful discrimination on the basis of race, color, creed, sex, religion, or national origin.

(f) No notice is required and an agreement may be immediately terminated, amended, canceled, or allowed to expire if the reason for the amendment, termination, cancellation, or nonrenewal is:

- (1) The bankruptcy or receivership of the wholesaler;

- (2) An assignment for the benefit of creditors or similar disposition of the assets of the business; or
- (3) Revocation of the wholesaler's permit or license. (1983, c. 85, s. 2.)

§ 18B-1206. Transfer of business.

(a) No winery may unreasonably withhold or delay consent to any transfer of the wholesaler's business or transfer of the stock or other interest in the wholesaleship whenever the wholesaler to be substituted meets the material and reasonable qualifications and standards required of the winery's wholesalers.

(b) Notwithstanding subsection (a), no winery may withhold consent to, or in any manner retain a right of prior approval of, the transfer of the wholesaler's business to a member or members of the family of the wholesaler. Subsequent to such a transfer, the rights and obligations of the wholesaleship and its owners are in all respects governed by the provisions of this Chapter. As used in this subsection, "family" means the spouse, parents, siblings, and lineal descendants, including those by adoption, of the wholesaler. (1983, c. 85, s. 2.)

§ 18B-1207. Judicial remedies.

(a) If a winery violates any provision of this Article, a wholesaler may maintain a suit against the winery. The court may grant injunctive and other appropriate relief, including damages to compensate the wholesaler for the value of the agreement and any good will, to remedy violations of this Article.

(b) Any winery that amends, cancels, terminates, or refuses to renew any wine agreement, or causes a wholesaler to resign from an agreement shall compensate the wine wholesaler for the wine wholesaler's wine inventory. The amount of compensation shall include the F.O.B. costs of the wine inventory and any freight charges incurred by the wine wholesaler in receiving them.

(c) For any violation of the provisions of this Article, the Commission may take any of the following actions against the winery:

- (1) Suspend the winery's permit for a specific period of time no longer than three years;
- (2) Revoke the winery's permit;
- (3) Issue an order suspending the shipment of the winery's products to one or more designated sales territories previously served by the wholesaler who has been terminated or who is the successor in interest to a wholesaler who sold the winery's products in the designated territory.
- (4) Impose a monetary penalty up to fifteen thousand dollars (\$15,000) for a first offense and up to thirty-five thousand (\$35,000) for the second offense. The clear proceeds of monetary penalties imposed pursuant to this subdivision shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

In any case in which the Commission is entitled to suspend or revoke a permit, the Commission may accept from the winery an offer in compromise to pay a monetary penalty. The Commission may either accept a compromise or revoke a permit, but not both. The Commission may accept a compromise and suspend the permit in the same case.

(d) Notwithstanding the choice of forum agreed to by the parties, venue for all actions under this Article shall be determined by the trial judge based upon the convenience of witnesses and the promotion of the ends of justice. (1983, c. 85, s. 2; 1989, c. 800, ss. 16, 17; 1998-215, s. 28.)

§ 18B-1208. Price of product.

No winery, whether by means of a term or condition of an agreement or otherwise, may directly or indirectly fix or maintain the prices at which the wholesaler may sell any wine or beverage. (1983, c. 85, s. 2.)

§ 18B-1209. Retaliatory action prohibited.

No winery may take retaliatory action against a wholesaler who files or manifests an intention to file a complaint alleging that the winery violated a State or federal law or rule. Retaliatory action includes refusal without good cause to continue the agreement or a material reduction in the quality of service or quantity of products available to the wholesaler under the agreement. (1983, c. 85, s. 2.)

§ 18B-1210. Management.

No winery may require or prohibit any change in management or personnel of any wholesaler unless the current or potential management or personnel fails to meet reasonable qualifications and standards required by the winery. (1983, c. 85, s. 2.)

§ 18B-1211. No discrimination.

No winery may discriminate among its wholesalers in any business dealings, including the price of wine sold to the wholesaler, unless the classification among its wholesalers is based upon reasonable grounds. (1983, c. 85, s. 2.)

§ 18B-1212. No waiver.

No winery may require any wholesaler to waive compliance with any provision of this Chapter. Nothing in this Chapter, however, may be construed to limit or prohibit good faith settlements of disputes voluntarily entered into between the parties. (1983, c. 85, s. 2.)

§ 18B-1213. Obligations of purchaser.

The purchaser of a winery, and any successor to the import rights of a winery, is obligated to all the terms and conditions of an agreement in effect on the date of the purchase or other acquisition of the right to distribute a brand, except for good cause, which includes,

- (1) Revocation of the wholesaler's permit or license to do business in this State,
- (2) Bankruptcy or insolvency of the wholesaler,
- (3) Assignment for the benefit of creditors or similar disposition of the assets of the wholesaler, or
- (4) Failure by the wholesaler to comply substantially, without reasonable excuse or justification, with any reasonable and material requirement imposed upon the wholesaler by the winery.

As used in this Article, "purchase" includes the sale of stock, sale of assets, merger, lease, transfer, or consolidation. (1983, c. 85, s. 2; 2010-122, s. 25.)

§ 18B-1214. Prohibited practices enumerated.

It is a violation of this Article for any winery, directly or indirectly, to engage in any of the following practices:

- (1) To restrict the sale of any equity or indebtedness or the transfer of any securities of any wholesaler or in any way prevent or attempt to prevent the transfer, sale, or issuance of shares of stock or indebtedness to employees, personnel of the wholesaler, or heirs of the principal owner, as long as basic financial requirements of the winery are complied with and the sale, transfer, or issuance does not have the effect of accomplishing a sale of the wholesaler;
- (2) To impose unreasonable standards of performance upon a wholesaler;
- (3) To prohibit directly or indirectly the right of free association among wholesalers for any lawful purpose. (1983, c. 85, s. 2.)

§ 18B-1215. Intent of nondiscrimination.

It is the intent of this Article that there shall be no unlawful discrimination based on race, color, creed, sex, religion, or national origin in any aspect of the awarding or maintaining of agreements covered by this Article. (1983, c. 85, s. 2.)

§ 18B-1216. Relation of Article to other laws.

Nothing in this Article relieves a winery or wholesaler of any obligation, duty, or prohibition imposed by any other provision of this Chapter or by G.S. 75-1.1 or by any other provision of State law, and the remedies provided in this Article are nonexclusive. (1983, c. 85, s. 2.)

§§ 18B-1217 through 18B-1299. Reserved for future codification purposes.

Article 13.

Beer Franchise Law.

§ 18B-1300. Purpose.

Pursuant to the authority of the State under the Twenty-First Amendment to the United States Constitution, the General Assembly finds that regulation of the business relations between malt beverage manufacturers and importers and the wholesalers of such products is necessary to:

- (1) Maintain stability and healthy competition in the malt beverage industry in this State.
- (2) Promote and maintain a sound, stable and viable three-tier system of distribution of malt beverages to the public.
- (3) Promote the compelling interest of the public in fair business relations between malt beverage suppliers and wholesalers, and in the continuation of beer franchise agreements on a fair basis.
- (4) Maintain a uniform system of control over the sale, purchase and distribution of malt beverages in the State.
- (5) Prevent unfair or unlawful trade practices by enabling wholesalers to refuse to participate in such practices without fear of arbitrary or unlawful retribution from suppliers.
- (6) Provide wholesalers with rights and remedies in addition to those existing by contract or common law.
- (7) Govern all agreements between suppliers and wholesalers, including any renewals or amendments.
- (8) Protect wholesalers against unfair treatment by suppliers.

- (9) Preserve investments made by wholesalers in franchise agreements through minimization of arbitrary termination.
- (10) Promote consumer choice by ensuring an independent wholesale distribution tier that enables wholesalers to distribute competing products of other suppliers.
- (11) Prevent vertical integration of the malt beverage market. (1989, c. 142, s. 1; 2019-18, s. 4.)

§ 18B-1301. Definitions.

(1) "Supplier" means a brewer, bottler, or importer of malt beverages, including anyone who holds a brewery, malt beverages importer or nonresident malt beverages vendor permit.

(2) "Wholesaler" means the holder of a malt beverages wholesaler permit. (1989, c. 142, s. 1; 1995, c. 466, s. 14.)

§ 18B-1302. Franchise agreement.

(a) Nature of Agreement. – A franchise agreement is a commercial relationship between a wholesaler and supplier of a definite or indefinite duration, whether written or oral, including:

- (1) A relationship whereby a wholesaler is granted the right to offer and sell the brands of malt beverages offered by the supplier; or
- (2) An agreement whereby a supplier grants to a wholesaler a license to use a trade name, trademark, service mark or related characteristic and in which there is a community of interest in the marking of the products of the supplier by lease or otherwise.

(b) Existence of Agreement. – A franchise agreement as described in subsection (a) exists when:

- (1) The supplier has shipped malt beverages to a wholesaler or accepted an order for malt beverages from the wholesaler;
- (2) A wholesaler has paid or the supplier has accepted payment for an order of malt beverages intended for sale within this State;
- (3) The supplier and wholesaler have filed with the Commission a distribution agreement as required by G.S. 18B-1303; or
- (4) A supplier acquires the right to manufacture a malt beverage product, or the trade name for such product, or the right to distribute a product, for which a wholesaler has a franchise agreement. (1989, c. 142, s. 1; 2005-350, s. 5.)

§ 18B-1303. Filing of distribution agreement; no discrimination.

(a) Filing. – It is unlawful for a supplier to provide malt beverages to a wholesaler unless the Commission has received notification from the supplier designating the brands of the supplier which the wholesaler is authorized to sell and the territory in which such sales may take place. If the supplier sells several brands, the agreement need not apply to all brands. A franchise agreement applies to all supplier products under the same brand name, and different categories of products manufactured under a common identifying trade name are considered to be the same brand. No supplier may provide by a distribution agreement for the distribution of a brand to more than one wholesaler for the same territory. A wholesaler shall not distribute any brand of malt beverage to a retailer whose premises are located outside the territory specified in the wholesaler's distribution agreement for that brand, except to a retail permittee's off-site airport storage premises pursuant to G.S. 18B-1011. A wholesaler may, however, with the approval of the Commission distribute malt

beverages outside its designated territory during periods of temporary service interruption when requested to do so by the supplier and the wholesaler whose service is interrupted.

(b) No Discrimination. – A wholesaler shall service all retail permit holders within the wholesaler's designated territory without discrimination and shall make a good faith effort to make available to each retail permit holder in the territory each brand of malt beverage which the wholesaler has been authorized to distribute in that area. The provisions of this subsection shall not apply to retail permit holder private label brands, which, at the retail permit holder's direction, may be sold either exclusively to the retailer that owns the brand name or to all retail permit holders within each territory without discrimination. For purposes of this subsection, the term "retail permit holder private label brand" means a malt beverage product that is labeled with a brand name owned by a retailer.

(c) No Price Maintenance. – A franchise agreement shall not, either expressly or by implication or in its operation, establish or maintain the resale price of any brand of malt beverages by a wholesaler. (1989, c. 142, s. 1; 1991, c. 459, s. 9; 1993, c. 415, s. 28; 1995, c. 466, s. 15; 2012-4, s. 1; 2019-182, s. 7; 2021-150, s. 19.6.)

§ 18B-1304. Prohibitions.

It is unlawful for a supplier, or an officer, agent or representative of a supplier, to:

- (1) Coerce or attempt to coerce or persuade a wholesaler to violate any provision of the ABC laws or rules of the Department of Revenue.
- (2) Except as authorized by G.S. 18B-1305(a1), alter in a material way, terminate, fail to renew, or cause a wholesaler to resign from, a franchise agreement with a wholesaler except for good cause and with the notice required by G.S. 18B-1305.
- (3) Withdraw money from or otherwise access a wholesaler's bank accounts without the wholesaler's consent.
- (4) Present a franchise agreement, amendment, or renewal to a wholesaler that attempts to waive compliance with any provision of this Article or that requires a wholesaler to waive compliance with any provision of this Article. A wholesaler entering into a franchise agreement containing provisions in conflict with this Article shall not be deemed to waive rights protected by, or in compliance with, any provision of this Article.
- (5) Induce or coerce, or attempt to induce or coerce, any wholesaler to assent to any franchise agreement, amendment, or renewal that does not comply with this Article and the laws of this State.
- (6) Coerce or attempt to coerce a wholesaler, or its designated or anticipated successor, to sign a franchise agreement, amendment, or renewal to a franchise agreement by threatening to refuse to approve or delay issuing an approval for the sale, transfer, or merger of a wholesaler's business.
- (7) Terminate, cancel, or nonrenew or attempt to terminate, cancel, or nonrenew a franchise agreement on the basis that the wholesaler fails to agree or consent to an amendment to the franchise agreement.
- (8) Prohibit a wholesaler from distributing the product of any other supplier, except that a supplier may prohibit a wholesaler from distributing the product of another supplier if reasonable grounds exist for prohibiting the wholesaler's acquisition of the product and the acquisition would result in the wholesaler

- acquiring eighty percent (80%) or more by volume of all malt beverage products sold in the territory being acquired at the time of the acquisition.
- (9) Refuse to approve or require a wholesaler to terminate a brand manager or successor manager without good cause. A supplier has good cause only if the person designated for approval by the wholesaler fails to meet reasonable standards and qualifications.
 - (10) Discriminate in price, allowance, rebate, refund, payment term, commission, discount, or service between wholesalers licensed in North Carolina. As used in this subsection, "discriminate" means the granting of a more favorable price, allowance, rebate, refund, payment term, commission, discount, or service to one North Carolina wholesaler than to another North Carolina wholesaler based on the quantity of malt beverages purchased or for any other reason, but "discriminate" shall exclude the granting of more favorable freight and transportation costs, price promotions on malt beverage products for special events in a particular market not to exceed 14 consecutive days, point-of-sale advertising materials, sponsorships, consumer specialty items, consumer sweepstakes, and novelties. A supplier may, however, offer a lower price or discount in order to match that of a competing supplier on a similar category of malt beverage products in the entire State or in a particular market. (1989, c. 142, s. 1; 2012-4, s. 1.)

§ 18B-1305. Cause for termination of franchise agreement.

(a) Meaning of Good Cause. – Good cause for altering or terminating a franchise agreement, or failing to renew or causing a wholesaler to resign from such an agreement, exists when the wholesaler fails to comply with provisions of the agreement which are reasonable, material, not unconscionable, and which are not discriminatory when compared with the provisions imposed, by their terms or in the manner of enforcement, on other similarly situated wholesaler by the supplier. The meaning of good cause set out in this section may not be modified or superseded by provisions in a written franchise agreement prepared by a supplier if those provisions purport to define good cause in a manner different than specified in this section. In any dispute over alteration, termination, failure to renew or causing a wholesaler to resign from a franchise agreement, the burden is on the supplier to establish that good cause exists for the action.

(a1) Termination by a Small Brewery. – A brewery's authorization to distribute its own malt beverage products pursuant to G.S. 18B-1104(a)(8) shall revert back to the brewery, in the absence of good cause, following the fifth business day after confirmed receipt of written notice of such reversion by the brewery to the wholesaler. The brewery shall pay the wholesaler fair market value for the distribution rights for the affected brand. For purposes of this subsection, "fair market value" means the highest dollar amount at which a seller would be willing to sell and a buyer willing to buy at the time the self-distribution rights revert back to the brewery, after each party has been provided all information relevant to the transaction. This subsection only applies to a brewery that sells to consumers at the brewery, to wholesalers, to retailers, and to exporters fewer than 25,000 barrels of malt beverages produced by it per year. Malt beverages manufactured by a supplier permittee that owns five percent (5%) or more of a brewery permittee shall be included in determining whether the brewery permittee complies with the barrelage limitations set forth in this subdivision. For purposes of this subsection, the term "barrel" is as defined in G.S. 18B-1104.

(b) Notice of Cause. – At least 90 days before altering, terminating or failing to renew a franchise agreement for good cause, the supplier must give the wholesaler written notice of the intended action and the specific reasons for it. If the cause for the alteration, termination or failure to renew is subject to correction by the wholesaler, and the wholesaler makes such correction within 45 days of receipt of the notice, the notice shall be void.

(c) Termination for Cause without Advance Notice. – A supplier may terminate or fail to renew a franchise agreement for any of the following reasons, and the termination shall be complete upon receipt by the wholesaler of a written notice of the termination and the reason:

- (1) Insolvency of the wholesaler, the dissolution or liquidation of the wholesaler, or the filing of any petition by or against the wholesaler under any bankruptcy or receivership law which materially affects the wholesaler's ability to remain in business.
- (2) Revocation of the wholesaler's State or federal permit or license for more than 30 days.
- (3) Conviction of the wholesaler, or of a partner or individual who owns ten percent (10%) or more of the partnership or stock of the wholesaler, of a felony which might reasonably be expected to adversely affect the goodwill or interest of the wholesaler or supplier. The provisions of this subdivision shall not apply, however, if the wholesaler or its existing partners or stockholders shall have the right to purchase the interest of the offending partner or stockholder, and such purchase is completed within 30 days of the conviction.
- (4) Fraudulent conduct by the wholesaler in its dealings with the supplier or its products.
- (5) Failure of the wholesaler to pay for the supplier's products according to the established terms of the supplier.
- (6) Assignment, sale or transfer of the wholesaler's business or control of the wholesaler without the written consent of the supplier, except as provided in G.S. 18B-1307.

(d) Absence of Good Cause. – Good cause for alteration, termination or failure to renew a franchise agreement does not include:

- (1) The failure or refusal of the wholesaler to engage in any trade practice, conduct or activity which would violate federal or State law.
- (2) The failure or refusal of the wholesaler to take any action which would be contrary to the provisions of this Article.
- (3) A change in the ownership of the supplier or the acquisition by another supplier of the brewery, brand or trade name or trademark, or acquisition of the right to distribute a product, from the original supplier.
- (4) Sale or transfer of the rights to manufacture, distribute, or use the trade name of the brand to a successor supplier.
- (5) Failure of the wholesaler to meet standards of operation or performance that have been imposed or revised unilaterally by the supplier without a fair opportunity for the individual wholesaler to bargain as to the terms, unless the supplier has implemented the standards on a national basis and those standards are consistently applied to all similarly situated North Carolina wholesalers in a nondiscriminatory manner.

- (6) The establishment of a franchise agreement between a wholesaler and another supplier, or similar acquisition by a wholesaler of the right to distribute a brand of another supplier.
- (7) The desire of a supplier to consolidate its franchises. (1989, c. 142, s. 1; 2012-4, s. 1; 2012-194, s. 45.5; 2017-87, s. 16(g); 2019-18, s. 5.)

§ 18B-1306. Remedies for wrongful termination.

(a) Injunctive Relief. – A wholesaler whose franchise agreement is altered, terminated or not renewed in violation of this Article may bring an action to enjoin such unlawful alteration, termination or failure to renew. The action may be brought in the county in which the wholesaler has its principal place of business or in any county in which the wholesaler receives or distributes the products in issue. Any injunction issued pursuant to this subsection shall require the wholesaler to supply the customers in its territory with their reasonable retail requirements and to otherwise serve the territory.

(b) Monetary Damages. – In lieu of injunctive relief, a wholesaler whose franchise agreement is altered, terminated or not renewed in violation of this Article shall be entitled to recover monetary damages from the supplier. The amount to which the wholesaler is entitled shall be the value of the wholesaler's business distributing the supplier's products, including:

- (1) The laid-in costs to the wholesaler of the inventory of the supplier's products, including any State and local taxes paid on the inventory by the wholesaler, plus a reasonable charge for handling of the products upon surrender of the inventory to the supplier.
- (2) The fair market value of all assets, including ancillary businesses of the wholesaler used in distributing the supplier's products. The total compensation to be paid to the wholesaler shall be reduced, however, by any amount received by the wholesaler from sale of assets of the business used in distributing the supplier's products as well as by the value such assets have to the wholesaler unrelated to the supplier's products. "Fair market value" means the highest dollar amount at which a seller would be willing to sell and a buyer willing to buy at a time prior to the alteration, termination or failure to renew, when each possesses all information relevant to the transaction. (1989, c. 142, s. 1; 2012-4, s. 1.)

§ 18B-1307. Transfer or merger of wholesaler's business.

(a) Right of Transfer to Designated Family Member. – An individual's interest in a wholesaler business, including the rights under the franchise agreement with the supplier, may be transferred or assigned to a designated family member. The transfer or assignment shall not be effective until written notice is given to the supplier, but the supplier's consent is not required for the transfer or assignment. "Designated family member" means the wholesaler's spouse, child, grandchild, parent, brother, sister, niece, or nephew. With respect to an incapacitated individual having an ownership interest in a wholesaler, the term "designated family member" also means the person appointed by the court as the conservator of such individual's property. The term also includes the appointed and qualified personal representative and the testamentary trustee of a deceased wholesaler.

(b) Approval of Certain Transfers and Mergers. – Upon notice to and approval by the supplier, an individual owning an interest in a wholesaler may sell, assign or transfer that interest,

including the wholesaler's rights under its franchise agreement with the supplier, to any qualified person. Likewise, a wholesaler may merge with another wholesaler in the State, transferring to the new wholesaler entity the merging wholesaler's existing franchise rights. Within 30 days of receipt of notice of the intended sale, assignment, transfer, or merger, the supplier shall request any additional relevant, material information reasonably necessary for deciding whether to approve the transaction. The supplier shall have 30 days from receipt of that information to object to the sale, assignment, transfer, or merger. The supplier may object only if the proposed transferee, or the wholesaler resulting from the merger, fails to meet qualifications and standards that are nondiscriminatory, material, reasonable and consistently applied to North Carolina wholesalers by the supplier. The burden shall be upon the supplier to prove that the proposed transferee or merged wholesaler is not qualified. In determining whether the proposed transferee or merged wholesaler is a qualified person, the supplier shall consider, but is not limited to, the following factors:

- (1) Whether the proposed transferee has the financial capacity to purchase the wholesaler or the specified interest upon terms that will not jeopardize the future operation of the business, or whether the new entity resulting from a merger will have such financial capacity to operate successfully, and whether under such ownership the wholesaler will be able to provide financial support necessary to the successful operation of the business, including market spending, capital expenditures, and any equity capitalization or refinancing requirements.
- (2) Whether the proposed transferee, or the new entity resulting from a merger, has the proven business experience to hire and maintain a management team to successfully operate the business.
- (3) If the proposed transferee does not have experience in the beer business, whether the transferee has other experience to enable it to operate a distributorship successfully and whether the transferee is willing to participate in training provided by the supplier.
- (4) Whether the proposed transferee, or a party to the merger, already is a wholesaler for the supplier in a different territory and, if so, whether sufficient time and attention can be devoted to an additional market area.

In determining whether a proposed transferee, or the entity resulting from a merger, is a qualified person, a supplier must consider the business on its own merits and may not designate a specifically identified person as the only purchaser who will be approved. Nothing in this subsection is intended to or should be construed to authorize a supplier to match and reassign to a designee the right to purchase the ownership interest, subject to the designee purchasing the ownership interest. Provided, however, a supplier may match and reassign to a designee the right to purchase the ownership interest, subject to the designee purchasing the ownership interest at the price and on the conditions applicable to the purchase proposed by the transferee, if the total annual gross sales of the supplier's malt beverages sold by the selling wholesaler total no more than five percent (5%) of the selling wholesaler's total annual gross sales of wine and malt beverages in dollars.

(c) Damages. – A supplier who disapproves or prevents a proposed assignment or change of ownership or merger in violation of this section shall be liable to the wholesaler who proposed to make the sale, assignment, transfer, or merger for the difference between the disapproved sale price and a subsequent actual price of a sale of the same assets completed within a reasonable period. If, however, the proposed transfer or sale was to a business associate at a bargain price, the amount of

compensation shall be at least the fair market value of the interest proposed to be sold or transferred, minus the proceeds of an actual sale of the interest completed within a reasonable time. (1989, c. 142, s. 1; 2012-4, s. 1; 2018-100, s. 7(a).)

§ 18B-1308. Article part of all franchise agreements.

The provisions of this Article shall be part of all franchise agreements as defined in G.S. 18B-1302 and may not be altered by the parties. A wholesaler's rights under this Article may not be waived or superseded by the provisions of a written franchise agreement prepared by a supplier that are in any way inconsistent with or contrary to any part of this Article. The rights of a wholesaler under this Article shall remain in effect regardless of a provision in a written franchise agreement prepared by a supplier that purports to require arbitration of a franchise dispute or that purports to require legal remedies to be sought in a different jurisdiction. (1989, c. 142, s. 1; 2012-4, s. 1.)

§ 18B-1309. Mediation at direction of Alcoholic Beverage Control Commission.

If a dispute arises between a wholesaler and supplier under this Article, and such dispute appears likely to lead to litigation, the Commission, upon request of any party or on its own initiative, may require the parties to participate in mediation in an effort to resolve the dispute. This authority shall be in addition to the Commission's authority to issue declaratory rulings pursuant to G.S. 150B-4. The Commission may designate the mediator, in which case the Commission shall pay the mediator's fee, or the Commission may direct the parties to agree upon and share the costs of a mediator. If the parties then cannot agree upon a mediator, the Commission shall designate the mediator, and the fees shall be divided evenly by the parties. The Commission shall direct that the mediation be completed within a specified period of time. Except for injunctive relief, no lawsuit or other legal action concerning the dispute may be filed until the mediation is completed and is unsuccessful, unless necessary to avoid expiration of a statute of limitation.
