§ 104E-11. Inspections, agreements, and educational programs.

(a) Authorized representatives of the Department shall have the authority to enter upon any public or private property, other than a private dwelling, at all reasonable times for the purpose of determining compliance with the provisions of this Chapter and rules, regulations and standards adopted hereunder.

(b) After approval by the Commission, the Governor is authorized to enter into agreements with the federal government, other states, or interstate agencies, whereby this State will perform on a cooperative basis with the federal government, other states, or interstate agencies, inspections, emergency response to radiation accidents, and other functions related to the control of radiation.

(c) The Department is authorized to institute educational programs for the purpose of training or educating persons who may possess, use, handle, transport, or service radioactive materials or radiation machines. (1975, c. 718, s. 1.)
