

§ 106-316.3. Unlawful to import hogs inoculated with virulent virus; exceptions for immediate slaughter; health certificate and permit required.

It shall be unlawful to bring hogs into North Carolina that have been inoculated with virulent hog-cholera virus less than 30 days prior to the date of entry, except for immediate slaughter, and in addition thereto the transportation or importation of such hogs that have been inoculated with virulent hog-cholera virus must be accompanied by the health certificate and permit as required by the rules and regulations of the North Carolina Board of Agriculture or emergency rules and regulations of the North Carolina Commissioner of Agriculture. The provisions of this section shall not be construed to be in conflict with or to repeal any provisions of G.S. 106-317 through 106-322 or any other statute or rule or regulation prohibiting, restricting or controlling the interstate movement of hogs for other reasons. (1955, c. 824, s. 3; 1959, c. 576, s. 5.)
