

Part 4. Compensation for Killing Diseased Animals.

§ 106-323. State to pay part of value of animals killed on account of disease; purchase by State of animals exposed to certain diseases.

If it appears to be necessary for the control or eradication of Bang's disease and tuberculosis and paratuberculosis in cattle, or glanders in horses and mules, to destroy such animals affected with such diseases and to compensate owners for loss thereof, the State Veterinarian is authorized, within his discretion, to agree on the part of the State, in the case of cattle destroyed for Bang's disease and tuberculosis, and paratuberculosis to pay one third of the difference between the appraised value of each animal so destroyed and the value of the salvage thereof: Provided, that in no case shall any payment by the State be more than twenty-five dollars (\$25.00) for any grade animal nor more than one hundred dollars (\$100.00) for any purebred animal; provided further, that the State indemnity shall not be in excess of the indemnity payments made by the federal government. In the case of horses or mules destroyed for glanders, to pay one half of the appraised value, said half not to exceed one hundred dollars (\$100.00).

The State Veterinarian is also authorized, in his discretion, and subject to the maximum payment hereinabove provided, to purchase in the name of the State, cattle which have been exposed to Bang's disease, tuberculosis or paratuberculosis and horses and mules which have been exposed to glanders.
