(a) The Committee may require by regulation from a licensee or certified applicator or an applicant for a license or certified applicator's identification card under this Article evidence of his financial ability to properly indemnify persons suffering from the use or application of pesticides in the form of liability insurance or other means acceptable to the Committee. The amount of this insurance or financial ability shall be determined by the Committee.

Such regulations may classify financial responsibility requirements according to the separate license classifications and subclassifications as may be prescribed by the Committee.
