

§ 106-65.45. Authority of the Board to adopt regulations.

The Board of Agriculture is hereby authorized to adopt regulations to implement and carry out the purposes of this Article so as to protect the environment from detrimental importation, rearing, sale, and/or release of insects, parasites, predators and other biological organisms in North Carolina, and to protect organisms that are beneficial to man and/or his environment. No viable biological organism shall be brought into North Carolina, reared, collected, propagated or offered for sale or released except under such conditions as are prescribed by regulations adopted under the provisions of this Article. (1973, c. 713, s. 4.)
