Official Cotton Growers' Organization.

§ 106-65.84. Findings and purpose.

The General Assembly of North Carolina finds that due to the interstate nature of boll weevil infestation, it is necessary to secure the cooperation of cotton growers, other State governments and agencies of the federal government, in order to carry out a program of boll weevil suppression and eradication. The purpose of this Article is to provide for the certification of a cotton growers' organization to cooperate with State and federal agencies in the administration of cost-sharing programs for the eradication and suppression of the boll weevil (*Anthonomus grandis* Boheman) and other cotton pests.
