

§ 108A-147.6. Health advancement acute care hospital HASP component.

The health advancement acute care hospital HASP component is an amount of money that is calculated by multiplying the aggregate amount of HASP directed payments due to PHPs in the current quarter for reimbursements to acute care hospitals attributable to newly eligible individuals by the nonfederal share for newly eligible individuals. (2023-7, s. 1.6(b); 2025-64, s. 6.1(p).)
