

Part 8. Sexual Harassment Policies.

§ 115C-335.5. Policies addressing harassment of school employees; protection against retaliation for reporting harassment.

(a) Each local board of education may adopt a policy addressing the sexual harassment of local board employees by students, other local board employees, or school board members. The policy may, at a minimum, set out (i) the consequences of sexually harassing school employees and (ii) a procedure for reporting incidents of sexual harassment.

(b) No local board of education or employee of a local board shall discharge, threaten, or otherwise retaliate against another employee of the board regarding that employee's compensation, terms, conditions, location, or privileges of employment because the employee files a written complaint alleging sexual harassment by students, other local board employees, or school board members, unless the employee reporting the harassment knew or should have known the report was false.
