

§ 115D-31.2. Maintenance of plant.

Notwithstanding any provisions of law to the contrary, any community college that has an out-of-county student head count served on the main campus of the college in excess of fifty percent (50%) of the total student head count as defined by the State Board of Community Colleges, shall be provided funds for the purpose of "operations of plant". Each college that qualifies for these funds shall receive a pro rata amount of the funds that are appropriated for this purpose. (1993, c. 321, s. 110; 2001-424, s. 30.13.)
