

§ 131E-128. Nursing home advisory committees.

(a) It is the purpose of the General Assembly that community advisory committee members function as representatives of the Office of the State Long-Term Care Ombudsman and through their designation work to maintain the intent of the Nursing Home Resident's Bill of Rights within the nursing homes in this State, including nursing homes operated by hospitals licensed under Article 5 of G.S. Chapter 131E. It is the further purpose of the General Assembly that the committees promote community involvement and cooperation with nursing homes and an integration of these homes into a system of care for the elderly.

- (b) (1) A community advisory committee shall be established in each county which has a nursing home, including a nursing home operated by a hospital licensed under Article 5 of G.S. Chapter 131E, shall serve all the homes in the county, and shall work with each home in the best interest of the persons residing in each home. In a county which has one, two, or three nursing homes, the committee shall have five members. In a county with four or more nursing homes, the committee shall have one additional member for each nursing home in excess of three, and may have up to five additional members per committee at the discretion of the county commissioners.
- (2) In each county with four or more nursing homes, the committee shall establish a subcommittee of no more than five members and no fewer than three members from the committee for each nursing home in the county. Each member must serve on at least one subcommittee.
- (3) Boards of county commissioners are encouraged to appoint the Nursing Home Community Advisory Committees. Of the members, a minority (not less than one-third, but as close to one-third as possible) must be chosen from among persons nominated by a majority of the chief administrators of nursing homes in the county and of the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes. If the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes fail to make a nomination within 45 days after written notification has been sent to them by the board of county commissioners requesting a nomination, these appointments may be made by the board of county commissioners without nominations.
- (4) Notwithstanding any other provision of this Article, appointment to a nursing home community advisory committee is contingent upon designation of the appointee by the Office of the State Long-Term Care Ombudsman in accordance with G.S. 143B-181.18. A designated appointee is directly accountable to the State Long-Term Care Ombudsman Program in order to perform the duties as a representative of the Office of the State Long-Term Care Ombudsman. Removal of the appointee's designation by the Office of the State Long-Term Care Ombudsman automatically rescinds the appointment to the nursing home community advisory committee.
- (5) Any individual who serves as a community advisory committee member must go through the Office of the State Long-Term Care Ombudsman's certification and designation process and meet the certification and designation requirements in accordance with the State Long-Term Care Ombudsman Program Policies and Procedures.

(c) Each committee member shall serve an initial term of one year. Any person reappointed to a second or subsequent term in the same county shall serve a three-year term. Persons who were originally nominees of nursing home chief administrators and the governing

bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes, or who were appointed by the board of county commissioners when the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes failed to make nominations, may not be reappointed without the consent of a majority of the nursing home chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes within the county. If the nursing home chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes fail to approve or reject the reappointment within 45 days of being requested by the board of county commissioners, the commissioners may reappoint the member if they so choose.

(d) Any vacancy shall be filled by appointment of a person for a one-year term. Any person replacing a member nominated by the chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes or a person appointed when the chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes failed to make a nomination shall be selected from among persons nominated by the administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes, as provided in subsection (b). If the county commissioners fail to appoint members to a committee, or fail to fill a vacancy, the appointment shall be made or vacancy filled by the Office of the State Long-Term Care Ombudsman no sooner than 45 days after the commissioners have been notified of the appointment or vacancy if nomination or approval of the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes is not required. If nominations or approval of the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes is required, the appointment shall be made or vacancy filled by the Office of the State Long-Term Care Ombudsman no sooner than 45 days after the commissioners have received the nomination or approval, or no sooner than 45 days after the 45-day period for action by the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes.

(e) The committee shall elect from its members a chair, to serve a one-year term.

Membership on a committee shall not be considered an office as defined in G.S. 128-1 or G.S. 128-1.1. Any county commissioner who is appointed to the committee shall be deemed to be serving on the committee in an ex officio capacity. Members of the committee shall serve without compensation, but may be reimbursed for the amount of actual expenses incurred by them in the performance of their duties. The names of the committee members and the date of expiration of their terms shall be filed with the Office of the State Long-Term Care Ombudsman, which shall supply a copy to the Division of Health Service Regulation.

(g) The Office of the State Long-Term Care Ombudsman shall develop training requirements for certification and designation in accordance with 45 C.F.R. § 1324.13(c)(2). Each committee member must receive certification training as specified by the State Long-Term Care Ombudsman Program Policies and Procedures and be designated as representatives of the State Long-Term Care Ombudsman Program prior to exercising any power under subsection (h) of this section. This may include assisting persons who have grievances with the home and facilitating the resolution of grievances at the local level.
- (2) Each committee shall quarterly visit the nursing home it serves. For each official quarterly visit, a majority of the committee members shall be present. In addition, each committee may visit the nursing home it serves whenever it deems it necessary to carry out its duties. In counties with four or more nursing homes, the subcommittee assigned to a home shall perform the duties of the committee under this subdivision, and a majority of the subcommittee members must be present for any visit.
- (3) Each member of a committee shall have the right to enter into the facility the committee serves in order to carry out the members' responsibilities. In a county where subcommittees have been established, this right of access shall be limited to homes served by those subcommittees to which the member has been appointed.
- (4) The committee or subcommittee may communicate through its chair with the Department or any other agency in relation to the interest of any patient. The identity of any complainant or resident involved in a complaint shall not be disclosed except as permitted under the Older Americans Act of 1965, as amended, 42 U.S.C. § 3001 et seq.
- (5) Each home shall cooperate with the committee as it carries out its duties.
- (6) Before entering into any nursing home, the committee, subcommittee, or member shall identify itself to the person present at the facility who is in charge of the facility at that time.

(i) Any written communication made by a member of a nursing home advisory committee within the course and scope of the member's duties, as specified in G.S. 131E-128, shall be privileged to the extent provided in this subsection. All communication shall be considered the property of the Office of the State Long-Term Care Ombudsman and subject to the Office's disclosure policies. This privilege shall be a defense in a cause of action for libel if the member was acting in good faith and the statements or communications do not amount to intentional wrongdoing.

To the extent that any nursing home advisory committee or any member thereof is covered by liability insurance, that committee or member shall be deemed to have waived the qualified immunity herein to the extent of indemnification by insurance.
