

§ 133-6. Declaration of purpose.

The purpose of this Article is to establish a uniform policy for the fair and equitable treatment of persons displaced as a result of public works programs in order that such persons shall not suffer disproportionate injuries as a result of programs designed for the benefit of the public as a whole and to insure continuing eligibility for federal aid funds to the State and its agencies and subdivisions. (1971, c. 1107, s. 1.)
