

§ 14-113.25. Sale of certain cash registers and other receipt printing machines.

(a) No person shall sell or offer to sell a cash register or other machine or device that electronically prints receipts of credit, charge, or debit card transactions that cannot be programmed or operated to produce a receipt with five or fewer digits of the credit, charge, or debit card account number and no expiration date printed on the receipt. This subsection applies to cash registers or other machines or devices sold or offered for sale for use in the ordinary course of business in this State.

(b) A person who violates this section commits an infraction as defined in G.S. 14-3.1 and is subject to a penalty of up to five hundred dollars (\$500.00) per violation. For purposes of assessing penalties pursuant to this subsection, the sale or offer for sale of each individual cash register or other machine or device that electronically prints receipts of credit, charge, or debit card transactions in violation of this section is treated as a separate violation.
