§ 143-134. Applicable to Department of Transportation and Department of Public Safety; exceptions; all contracts subject to review by Attorney General and State Auditor.

(a) This Article applies to the Department of Transportation and the Department of Public Safety except in the construction of roads, bridges and their approaches; provided however, that whenever the Director of the Budget determines that the repair or construction of a building by the Department of Transportation or by the Department of Public Safety can be done more economically through use of employees of the Department of Transportation and/or prison inmates than by letting the repair or building construction to contract, the provisions of this Article shall not apply to the repair or construction.

(b) Notwithstanding subsection (a) of this section, the Department of Transportation and the Department of Public Safety shall: (i) submit all proposed contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars ($1,000,000) to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all contracts to be awarded by the Department of Transportation or the Department of Public Safety a standard clause providing that the State Auditor and internal auditors of the Department of Transportation or the Department of Public Safety may audit the records of the contractor during and after the term of the contract to verify accounts and data affecting fees and performance. Neither the Department of Transportation nor the Department of Public Safety shall award a cost plus percentage of cost agreement or contract for any purpose.
