

§ 150B-21.3. Effective date of rules.

(a) Temporary and Emergency Rules. – A temporary rule or an emergency rule becomes effective on the date the Codifier of Rules enters the rule in the North Carolina Administrative Code.

(b) Permanent Rule. – A permanent rule approved by the Commission becomes effective on the first day of the month following the month the rule is approved by the Commission, unless (i) the Commission received written objections to the rule in accordance with subsection (b2) of this section, (ii) the rule would have an aggregate financial cost, as defined in G.S. 150B-19.4(d), on all persons affected of at least twenty million dollars (\$20,000,000) in a five-year period and requires ratification by the General Assembly pursuant to subsection (b3) of this section, or (iii) the agency that adopted the rule specifies a later effective date.

(b1) Delayed Effective Dates. – Except as provided in G.S. 14-4.1, if the Commission received written objections to the rule in accordance with subsection (b2) of this section, the rule becomes effective on the earlier of the thirty-first legislative day or the day of adjournment of the next regular session of the General Assembly that begins at least 25 days after the date the Commission approved the rule, unless a different effective date applies under this section. If a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of either the day an unfavorable final action is taken on the bill or the day that session of the General Assembly adjourns without ratifying a bill that specifically disapproves the rule. If the agency adopting the rule specifies a later effective date than the date that would otherwise apply under this subsection, the later date applies. A permanent rule that is not approved by the Commission or that is specifically disapproved by a bill enacted into law before it becomes effective does not become effective.

A bill specifically disapproves a rule if it contains a provision that refers to the rule by appropriate North Carolina Administrative Code citation and states that the rule is disapproved. Notwithstanding any rule of either house of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of any regular session to disapprove a rule that has been approved by the Commission and that either has not become effective or has become effective by executive order under subsection (c) of this section.

(b2) Objection. – Any person who objects to the adoption of a permanent rule may submit written comments to the agency. If the objection is not resolved prior to adoption of the rule, a person may submit written objections to the Commission. If the Commission receives written objections from 10 or more persons, no later than 5:00 P.M. of the day following the day the Commission approves the rule, clearly requesting review by the legislature in accordance with instructions posted on the agency's website pursuant to G.S. 150B-19.1(c)(4), and the Commission approves the rule, the rule will become effective as provided in subsection (b1) of this section. The Commission shall notify the agency that the rule is subject to legislative disapproval on the day following the day it receives 10 or more written objections. If the Commission receives objections from 10 or more persons clearly requesting review by the legislature, and the rule objected to is one of a group of related rules adopted by the agency at the same time, the agency that adopted the rule may cause any of the other rules in the group to become effective as provided in subsection (b1) of this section by submitting a written statement to that effect to the Codifier of Rules before the other rules become effective. A rule that requires ratification by the General Assembly pursuant to subsection (b3) of this section shall not be subject to this subsection.

(b3) [Legislative Ratification for Certain Rules. –] A permanent rule that would have an aggregate financial cost, as defined in G.S. 150B-19.4(d), on all persons affected of at least twenty million dollars (\$20,000,000) in a five-year period shall become effective only if the General Assembly ratifies a bill to approve the rule. If a bill that specifically approves the rule is

ratified by the General Assembly, the rule shall become effective on the later of (i) the first day of the month following the month that the bill ratifying the rule becomes effective or (ii) the date specified by the agency adopting the rule. If the General Assembly does not ratify a bill approving the rule, the Commission shall return the rule to the agency within 15 days of the General Assembly adjourning for a period of 30 days or more. This subsection shall not apply to a rule or set of rules that is required by federal law, including a rule or set of rules necessary to maintain compliance with a program delegated to the State from a federal agency.

(c) Executive Order Exception. – The Governor may, by executive order, make effective a permanent rule that has been approved by the Commission but the effective date of which has been delayed in accordance with subsection (b1) of this section upon finding that it is necessary that the rule become effective in order to protect public health, safety, or welfare. A rule made effective by executive order becomes effective on the date the order is issued or at a later date specified in the order. When the Codifier of Rules enters in the North Carolina Administrative Code a rule made effective by executive order, the entry must reflect this action.

A rule that is made effective by executive order remains in effect unless it is specifically disapproved by the General Assembly in a bill enacted into law on or before the day of adjournment of the regular session of the General Assembly that begins at least 25 days after the date the executive order is issued. A rule that is made effective by executive order and that is specifically disapproved by a bill enacted into law is repealed as of the date specified in the bill. If a rule that is made effective by executive order is not specifically disapproved by a bill enacted into law within the time set by this subsection, the Codifier of Rules must note this in the North Carolina Administrative Code.

(c1) Fees. – Notwithstanding any other provision of this section, a rule that establishes a new fee or increases an existing fee shall not become effective until the agency has complied with the requirements of G.S. 12-3.1.

(d) Legislative Day and Day of Adjournment. – As used in this section:

- (1) A "legislative day" is a day on which either house of the General Assembly convenes in regular session.
- (2) The "day of adjournment" of a regular session held in an odd-numbered year is the day the General Assembly adjourns by joint resolution or by operation of law for more than 30 days.
- (3) The "day of adjournment" of a regular session held in an even-numbered year is the day the General Assembly adjourns sine die.

(e) OSHA Standard. – A permanent rule concerning an occupational safety and health standard that is adopted by the Occupational Safety and Health Division of the Department of Labor and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor becomes effective on the date the Division delivers the rule to the Codifier of Rules, unless the Division specifies a later effective date. If the Division specifies a later effective date, the rule becomes effective on that date.

(f) Technical Change. – A permanent rule for which no notice or hearing is required under G.S. 150B-21.5(a)(1) through (a)(5) or G.S. 150B-21.5(b) becomes effective on the first day of the month following the month the rule is approved by the Rules Review Commission or the Codifier of Rules, as applicable.
