

§ 45-83. Future advances statute shall not apply.

The provisions of Article 7 of this Chapter shall not apply to an equity line of credit or the equity line security instrument securing it, if the equity line security instrument shows on its face that it secures an equity line of credit governed by the provisions of this Article. (1985, c. 207, s. 2; 2011-312, s. 26.)
