

§ 47F-1-106. Applicability of local ordinances, regulations, and building codes.

A zoning, subdivision, or building code or other real estate use law, ordinance, or regulation may not prohibit a planned community or impose any requirement upon a planned community which it would not impose upon a substantially similar development under a different form of ownership or administration. Otherwise, no provision of this Chapter invalidates or modifies any provision of any zoning, subdivision, or building code or any other real estate use law, ordinance, or regulation. No local ordinance or regulation may require the recordation of a declaration prior to the date required by this Chapter. (1998-199, s. 1.)
