

§ 63-58. Municipal jurisdiction exclusive.

Every airport and other air navigation facility controlled and operated by any municipality, or jointly controlled and operated pursuant to the provisions of this Article, shall, subject to federal and State laws, rules, and regulations, be under the exclusive jurisdiction and control of the municipality or municipalities controlling and operating it, and no other municipality in which such airport or air navigation facility is located shall have any police jurisdiction of the same. (1945, c. 490, s. 11.)
