§ 66-407. Permits.

(a) Dealer Permit. – Except as provided in subsection (c) of this section, it is unlawful for any person to engage as a dealer in the business of purchasing precious metals either as a separate business or in connection with other business operations without first obtaining a permit for the business from the local law enforcement agency. The Department of Public Safety shall approve the forms for both the application and the permit. The application shall be given under oath and shall be notarized. A 30-day waiting period from the date of filing of the application is required prior to initial issuance of a permit. A separate permit shall be issued for each location, place, or premises within the jurisdiction of the local law enforcement agency which is used for conducting a precious metals business, and each permit shall designate the location, place or premises to which it applies. No business shall be conducted in a place other than that designated in the permit, or in a mobile home, trailer, camper, or other vehicle, or structure not permanently affixed to the ground or in any room customarily used for lodging in any hotel, motel, tourist court, or tourist home. The permit shall be posted in a prominent place on the designated premises. Permits shall be valid for a period of 12 months from the date issued and may be renewed without a waiting period upon filing of an application and payment of the annual fee. The annual fee for a permit within each jurisdiction is one hundred eighty dollars ($180.00) to provide for the administrative costs of the local law enforcement agency, including the purchase of required forms and the cost of conducting the criminal history record check of the applicant. The fee is not refundable even if the permits are denied or later suspended or revoked. A permit issued under this section is in addition to and not in lieu of other business licenses and is not transferable. No person other than the dealer named on the permit and that dealer's employees may engage in the business of purchasing precious metals under the authority of the permit.

Any dealer applying to the local law enforcement agency for a permit shall furnish the local law enforcement agency with the following information:

(1) The applicant's full name, and any other names used by the applicant during the preceding five years. In the case of a partnership, association, or corporation, the applicant shall list any partnership, association, or corporate names used during the preceding five years.
