 - b. All communication between a member state, the Commission, and among member states regarding the verification of eligibility for licensure through the Compact shall not include any information received from the Federal Bureau of Investigation relating to a federal criminal records check performed by a member state under P.L. 92-544.
 - (6) Comply with the rules of the Commission.
 - (7) Utilize only a recognized national examination as a requirement for licensure pursuant to the rules of the Commission.

- (d) A member state shall provide for the state's delegate to attend all Occupational Therapy Compact Commission meetings.
- (e) Individuals not residing in a member state shall continue to be able to apply for a member state's single-state license as provided under the laws of each member state. However, the single-state license granted to these individuals shall not be recognized as granting the Compact privilege in any other member state.
- (f) Nothing in this Compact shall affect the requirements established by a member state for the issuance of a single-state license. (2021-31, s. 1.)
