
**Statewide Misdemeanant Confinement Program
Monthly Status Report**

North Carolina Sheriffs' Association

August 2024

NORTH CAROLINA SHERIFFS' ASSOCIATION

Statewide Misdemeanant Confinement Program

Monthly Status Report

August 2024

The Statewide Misdemeanant Confinement Program (SMCP) manages the housing, transportation and medical expenses of state inmates housed in a local jail who have been convicted of a misdemeanor crime with a sentence of 91 days or more and those convicted of a misdemeanor Driving While Impaired (DWI) offense. The North Carolina Sheriffs' Association (NCSA) provides a critical role in managing the day-to-day operations of the program. The Monthly Status Report is prepared by NCSA staff and then sent to all interested parties. The report includes the daily inmate population for the reported month, the number of volunteered beds in the program, the number of confinements in response to violations (CRV's) for the month, the number of DWI's for the month, roadway cleanup status for the reported month, and the SMCP reimbursement statement.

Pursuant to G.S. § 148-32.1 (b2) the North Carolina Sheriffs' Association must provide a monthly report on the status of the Statewide Misdemeanant Confinement Program to the Office of State Budget and Management and the Fiscal Research Division no later than the 15th day of each month.

NCSA staff continues to process entries into, and releases out of, the Statewide Misdemeanant Confinement Program. The daily population of SMCP is monitored and recorded. Inmate bed space allocation continues to be tracked throughout the state as well. These data points are necessary to be able to determine if supply is meeting demand.

All counties holding SMCP inmates continue to receive reimbursements for housing and transportation costs. The NCSA staff continues to ensure reimbursements are calculated appropriately through a monthly reconciliation process. All reimbursements for the month of July 2024 were issued to counties on a timely basis, according to policy, on August 31, 2024.

The county map has been adjusted to differentiate between receiving counties (those with an active SMCP contract) and sending only counties. The map can be found on page 8 of the Monthly Status Report.

Total Number of Volunteered Beds			
	Male	Female	Total
Occupied Beds	667	136	803
Unoccupied Beds	95	13	108
Total Beds	762	149	911

* As of August 31, 2024

The DAC and SMCP Cost Comparison Chart below reflects the amount saved by the State using the SMCP to house misdemeanor inmates in county jails. This is determined by multiplying the total number of nights that SMCP inmates were housed in the month by (1) the average cost per inmate per day (using DAC’s medium custody average) and (2) \$40 per day reimbursement allotted by receiving counties by statute. The NCSA chose to use medium custody cost because it is most closely resembles the custody level of a jail. The reimbursement to counties is then subtracted from the projected cost to DAC to determine the savings to the state.

In the 2021 Regular Session, the North Carolina General Assembly enacted Senate Bill 105 [S.L. 2021 – 180] – the 2021 Appropriations Act. This bill included a provision that increased the reimbursement rate from \$40 per day to \$60 per day for all SMCP inmates in those counties that utilize SMCP inmate labor to perform at least 500 work hours of roadway cleanup per month. In the 2023 Regular Session, the North Carolina General Assembly enacted House Bill 259 [S.L. 2023-134] – the 2023 Appropriations Act and provided additional funds to allow the increased reimbursement rate to continue through 2025.

The below table reflects the counties that used SMCP inmate labor for roadway cleanup in August 2024.

Roadway Cleanup Program Status as of August 31, 2024

County	Roadway Hours	Road Miles
Bladen	486	152
Columbus	324	28.5
Northampton	696	24
Polk	504	90.5
Yancey	528.5	38.5
Total	2,538.5	333.5

NCSA staff continues to evaluate and manage the operations of the SMCP. We are constantly evaluating ways to evolve and expand the capacity of the SMCP that are mutually acceptable among all stakeholders.
