3 Chair, but substitution shall not extend beyond one day, except in the case of sickness or
4 by leave of the House.

5 **RULE 7. Obtaining Floor.**—(a) When any member desires recognition for any
6 purpose, he shall rise from his seat and respectfully address the Speaker. No member
7 shall proceed until recognized by the Speaker for a purpose.

8 (b) When a member desires to interrupt a member having the floor, he shall first
9 obtain recognition by the Speaker and permission of the member occupying the floor,
10 and when such recognition and permission have been obtained, he may propound a
11 question to the member occupying the floor; but he shall not otherwise interrupt the
12 member having the floor, except as provided in subsection (c) of this rule; and the
13 Speaker shall, without the point of order being raised, enforce this rule.

28 this rule.

29 **RULE 9. Points of Order.**—(a) The Speaker shall decide questions of order
30 and may speak to points of order in preference to other members arising from their seats
31 for that purpose. Any member may appeal from the ruling of the Chair on questions of
32 order; on such appeal no member may speak more than once, unless by leave of the
33 House. A two-thirds (2/3) vote of the members present shall be necessary to sustain any
34 appeal from the ruling of the Chair.

35 (b) When the Speaker calls a member to order, the member shall take his seat
36 except that a member called to order may clear a matter of fact, or explain, but shall not
37 proceed in debate so long as the decision stands. If the member appeals from the ruling

5 the second speech.

6 (c) A member may speak only once and for not more than 20 minutes on the
7 question of the adoption of a minority report.

8 (d) The House, by consent of a majority of the members present, may suspend
9 the operation of subsections (b) and (c) of this rule during any debate on any particular
10 question before the House.

11 **RULE 11. Reading of Papers.**—When there is a call for the reading of the
12 text of a paper which has been presented to the House, and there is objection to such
13 reading, the question shall be determined by a majority vote of the members of the
14 House present. Except for protests permitted by the Constitution, no member may have
15 material printed in the Journal until said material has been presented to the House and

32 (h) Members shall observe appropriate attire, coat and tie for male members
33 and dignified dress for female members.

34 III. MOTIONS

35 **RULE 13. Motions Generally.**—(a) Every motion shall be reduced to writing, if
36 the Speaker or any two members request it. No motion relating to a bill shall be in
37 order which does not identify the bill by its number and short title.

38 (b) When a motion is made, it shall be stated by the Speaker, or, if written, it
39 shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.

40 (c) After a motion has been stated by the Speaker or read by the Speaker or
41 Clerk, it shall be in the possession of the House; but it may be withdrawn before a
42 decision or amendment, except in case of a motion to reconsider, which motion, when
43 made by a member, shall be in possession of the House and shall not be withdrawn
44 without leave of the House.

1 RULE 14. **Motions, Order of Precedence.**—When there are motions before
2 the House, the order of precedence is as follows:

3 To adjourn

4 To lay on the table

5 To postpone indefinitely

6 Previous question

7 To reconsider

8 To postpone to a day certain

9 To re-refer

10 To amend an amendment

11 To amend

12 To substitute

13 To pass the bill

14 No motion to lay on the table, to postpone indefinitely, to postpone to a day
15 certain, to commit or to make a particular amendment, being decided, shall be again
16 allowed at the same stage of the bill or proposition.

17 **RULE 15. Motion to Adjourn.**—(a) A motion to adjourn shall be seconded before
18 the motion is put to the vote of the House.

19 (b) A motion to adjourn shall be decided without debate, and shall always be in
20 order, except when the House is voting or some member is speaking; but a motion to
21 adjourn shall not follow a motion to adjourn until debate or some other business of the
22 House has intervened.

23 **RULE 16. Motion to Table.**—(a) A motion to table shall be seconded before the
24 motion is put to the vote of the House and is in order except when a motion to adjourn is
25 before the House.

26 (b) A motion to table shall be decided without debate.

27 (c) A motion to table a bill shall constitute a motion to table the bill and all
28 amendments thereto.

29 (d) When the question before the House is the adoption of an amendment to a bill
30 or resolution, a motion to table the bill is not in order, and a motion to table an
31 amendment applies to the amendment only, and the motion may not expressly or by
32 implication or construction be expanded to include a motion to table the bill also.

33 (e) When a question has been tabled, it shall not thereafter be considered
34 except on motion to reconsider under Rule 18, or to remove from the table approved by
35 a two-thirds (2/3) vote.

36 **RULE 17. Motion to Postpone Indefinitely.**—A motion to postpone
37 indefinitely is in order except when a motion to adjourn or to lay on the table is before
38 the House. However, after one motion to postpone indefinitely has been decided,
39 another motion to postpone indefinitely shall not be allowed at the same stage of the bill
40 or proposition. When a question has been postponed indefinitely, it shall not thereafter
41 be considered except on motion to reconsider under Rule 18, or to place on the
42 favorable calendar approved by a two-thirds (2/3) vote.

43 **RULE 18. Motion to Reconsider.**—(a) When a question has been decided, it is
44 in order for any member to move for the reconsideration thereof, on the same or the

1 succeeding legislative day; provided that if the vote by which the motion was originally
2 decided was taken by a recorded vote, only a member of the prevailing side may move
3 for reconsideration.

4 (b) A motion to reconsider shall be determined by a majority vote, except a
5 motion to reconsider a vote upon a motion to table, a motion to postpone indefinitely, a
6 motion to remove a bill from the unfavorable calendar, a motion that a bill be read twice
7 on the same day, or a motion to remove from the table, which shall require a two-thirds
8 (2/3) vote.

9 (c) A motion to reconsider the vote by which a person has been elected as
10 Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule
11 cannot be suspended.

12 **RULE 19. Previous Question.**—(a) The previous question may be called only by
13 the member submitting the report on the bill or other matter under consideration, by the
14 member introducing the bill or other matter under consideration, or by the member in
15 charge of the measure, who shall be designated by the Chair of the standing committee
16 reporting the same to the House at the time the bill or other matter under consideration
17 is reported to the House or taken up for consideration.

18 (b) The previous question shall be as follows: "Shall the main question now be
19 put?" When the call for the previous question has been decided in the affirmative by a
20 majority vote of the House, the "main question" is on the passage of the bill, resolution
21 or other matter under consideration.

22 (c) The call for the previous question shall preclude all motions, amendments and
23 debate, except the motion to adjourn or motion to table or motion to postpone
24 indefinitely made prior to the determination of the previous question.

25 (d) If the previous question is decided in the negative, the main question remains
26 under debate.

27 IV. VOTING

28 **RULE 20. Use of Electronic Voting System.**—(a) Votes on the following questions
29 shall be taken on the electronic voting system, and the ayes and noes shall be recorded
30 on the Journal:

- 31 (1) The passage as required by Article II, Section 23 of the Constitution of
32 North Carolina, on second and third readings of any bill:
- 33 a. Raising money on the credit of the State,
 - 34 b. Pledging the faith of the State for the payment of a debt,
 - 35 c. Imposing a State tax, or
 - 36 d. Authorizing a county, municipality, or other local governmental
37 unit to
 - 38 1. Raise money on its credit,
 - 39 2. Pledge its faith for the payment of a debt, or
 - 40 3. Impose a local tax.
- 41 (2) All measures affecting a fee imposed by the State or any subdivision
42 thereof.

- 1 (3) All questions on which a call for the ayes and noes under Rule 24(a)
2 and Article II, Section 19 of the Constitution of North Carolina has
3 been sustained.
- 4 (4) Both second and third readings of bills proposing amendment of the
5 Constitution of North Carolina or ratifying resolutions amending the
6 Constitution of the United States.
- 7 (b) Votes on the following questions shall be taken on the electronic voting
8 system:
- 9 (1) Second reading of all public bills, all amendments to public bills
10 offered after second reading, third reading if a public bill was amended
11 after second reading or if the reading occurs on a day or days
12 following the second reading, all conference reports on public bills, all
13 motions to lay public bills on the table, and all motions to postpone
14 public bills indefinitely.
- 15 (2) Upon a call for division.
- 16 (3) Any other question upon direction of the Speaker or upon motion of
17 any member supported by one-fifth (1/5) of the members present.
- 18 (c) When the electronic voting system is used, 15 seconds shall be allowed for
19 voting on the question before the House, unless the Chair shall direct otherwise. The
20 system shall be set to close automatically when that time has expired. Once the system
21 is locked, the vote shall be recorded and printed.
- 22 (d) The voting station at each member's desk in the Chamber shall be used only
23 by the member to which the station is assigned. Under no circumstances shall any other
24 person vote at a member's station. It is a breach of the ethical obligation of a member
25 either to request that another person vote at the requesting member's station, or to vote
26 at another member's station. The Speaker shall enforce this rule without exception.
- 27 (e) When the electronic voting system is used, the Speaker shall state the
28 question and shall then state substantially the following: "All in favor vote 'aye'; all
29 opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the
30 member must vote by the electronic voting system within the time allowed for that vote,
31 unless the voting station assigned to a member is malfunctioning. The Speaker shall
32 enforce this rule without exception. After the allotted time for voting has elapsed, the
33 Speaker shall say: "The Clerk will now lock the machine and record the vote." After
34 the machine is locked and the vote recorded, the Speaker shall announce the vote and
35 declare the result.
- 36 (f) One copy of the machine printout of the vote record of all votes taken on
37 the electronic system shall be filed in the office of the Principal Clerk, and one copy
38 shall be filed in the Legislative Library where it shall be open to public inspection.
- 39 (g) When the Speaker ascertains that the electronic voting system is
40 inoperative before a vote is taken or while a vote is being taken on the electronic
41 system, he shall announce that fact to the House and any partial electronic system
42 voting record shall be voided. In such a case, if the Constitution of North Carolina or
43 the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of
44 the House, and the ayes and noes shall be taken manually and shall be recorded on the

1 Journal. All roll call votes shall be taken alphabetically. All other votes shall be taken
2 by voice vote. If, after a vote is taken on the electronic system, it is discovered that a
3 malfunction caused an error in the electronic system printout, the Speaker shall direct
4 the Reading Clerk and the Principal Clerk to verify and correct the printout record and
5 so advise the House.

6 (h) For the purpose of identifying motions on which the vote is taken on the
7 electronic system, the motions are coded as follows:

- 8 1. To adjourn
- 9 2. To lay on the table
- 10 3. To postpone indefinitely
- 11 4. Previous question
- 12 5. To postpone to a day certain
- 13 6. To re-refer
- 14 7. To amend an amendment
- 15 8. To amend
- 16 9. To substitute
- 17 10. To reconsider
- 18 11. To concur or not concur
- 19 12. Miscellaneous

20 **RULE 21. Voice Votes; Stating Questions.**—(a) When the electronic voting
21 system is not used, the Speaker shall rise and put a question.

22 (b) The question shall be put in this form, namely, "Those in favor (as the
23 question may be) will say 'Aye'," and after the affirmation voice has been expressed,
24 "Those opposed will say 'No'".

25 (c) No statement, explanation, debate, motion, parliamentary inquiry, or point of
26 order shall be allowed once the voice vote has begun. Any point of order or
27 parliamentary inquiry may be raised, however, after the completion of the vote.

28 **RULE 22. Determining Questions.**—(a) Unless otherwise provided by the
29 Constitution of North Carolina or by these rules, all questions shall be determined by a
30 simple majority of the members present and voting.

31 (b) No member may vote unless he is in the chamber when the question is put.
32 This subsection of this rule cannot be suspended.

33 **RULE 23. Voting by Division.**—Any member may call for a division of the
34 members upon the question before the result of the vote has been announced. Upon a
35 call for a division, the Speaker shall cause the number voting in the affirmative and in
36 the negative to be determined. Upon a division and count of the House on any question,
37 no member away from his seat shall be counted.

38 **RULE 24. Roll Call Vote.**—(a) Before a question is put, any member may call
39 for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present,
40 the question shall be decided by the ayes and noes upon a roll call vote.

41 (b) Every member who is in the Hall of the House when the question is put shall
42 vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

43 **RULE 24.1A. Excuse From Deliberations and Voting on a Bill.**—(a) Any
44 member shall upon request be excused from the deliberations and voting on a particular

1 bill, but to do so must make that request after the second reading of the bill and before
2 any motion or vote on the bill or any amendment thereto. If the reason for the request
3 arises at some point later in the proceedings, the request may be made at that time.

4 (b) The member may make a brief statement of the reasons for making that
5 request. The member may send forward to the Principal Clerk, on a form provided by
6 the Clerk, a concise statement of the reason for the request, and the Clerk shall include
7 this statement in the Journal.

8 (c) The member so excused shall not debate the bill or any amendment to the
9 bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any
10 motion concerning the bill at that reading, any subsequent reading, or any subsequent
11 consideration of the bill.

12 (d) A member may request that his excuse from deliberations on a particular bill
13 be withdrawn.

14 **RULE 24.1B. Division of Amendments.**—Any member may call for an
15 amendment to be divided into two or more amendments to be voted on separately, and
16 the Speaker shall determine whether the amendment admits of such a division.

17 **RULE 25. Voting by Speaker.**—In all elections the Speaker may vote. In all
18 other instances he may exercise his right to vote, or he may reserve this right until there
19 is a tie in which event he may vote, but in no instance may he vote twice on the same
20 question.

21 V. COMMITTEES

22 **RULE 26. Standing Committees and Permanent Subcommittees Generally.**—(a)

23 The Speaker shall appoint a Chair, or Cochairs, of every standing committee
24 and select committee, if any. The Speaker shall have the exclusive right and authority
25 to establish select committees, but this does not exclude the right of the House by
26 resolution to establish select committees.

27 (b) All permanent subcommittees of each standing committee shall be appointed
28 by the Speaker and the members appointed, along with the Chair of the standing
29 committee, shall constitute the standing committee of which the permanent
30 subcommittee is a part. The Speaker shall appoint all members and Chairs of
31 permanent subcommittees at the beginning of the first regular session in a manner to
32 reflect the partisan membership of the House.

33 (c) The Speaker shall appoint the Ethics, Pensions and Retirement, and Rules,
34 Appointments and Calendar Committee.

35 (d) The first member announced on each permanent subcommittee shall be the
36 Chair, and where the Speaker so desires he may designate one Vice-Chair.

37 (e) Each Chair of a permanent subcommittee shall be a Vice-Chair of the
38 standing committee of which it is a permanent subcommittee and no other member may
39 be named as a Vice-Chair of the standing committee. The Speaker may name one or
40 more Vice-Chair for any standing committee not having permanent standing
41 subcommittees.

42 (f) Either the Chair or Acting Chair, designated by the Chair or by the
43 Speaker, and five other members of the standing committee or permanent
44 subcommittee, or a majority of the standing committee or permanent subcommittee,

1 whichever is fewer, shall constitute a quorum of that standing committee or permanent
2 subcommittee.

3 (g) In any joint meeting of the Senate and House committees or

41 Committee of the Whole House, so far as they may be applicable, except the rule
42 limiting the time of speaking and the previous question.

1 (d) In the Standing Committee of the Whole House a motion that the standing
2 committee rise shall always be in order, except when a member is speaking, and shall be
3 decided without debate.

4 (e) When a bill is submitted to the Standing Committee of the Whole House,

6 body of the bill shall not be defaced or interlined, but all amendments, noting the page
7 and line, shall be duly entered by the clerk on a separate paper as the same shall be
8 agreed to by the standing committee, and be so reported to the House. After report, the

4 reading be referred by the Speaker to such standing committee as he deems appropriate.

5 (b) The standing committee Chair shall refer each bill referred to the standing
6 committee to the permanent subcommittee specifically charged with the subject matter
7 of the bill. A report of that referral shall be made in writing and submitted to the body
8 pursuant to Rule 5(5). The permanent subcommittee to which the bill is referred shall
9 report the bill back to the full standing committee. That report shall be a
10 recommendation and include a recommendation as follows:

- 14 (3) Unfavorable to the original bill, and favorable, or without prejudice, to
15 the proposed committee substitute.

16 Any recommendation of favorable or without prejudice may include a
17 recommendation of re-referral to another standing committee. After a bill is reported to
18 a standing committee by a permanent subcommittee of that standing committee, the
19 standing committee Chair may re-refer the bill to another permanent subcommittee of
20 that standing committee.

21 Upon recommendation to the standing committee the bill shall be before that
22 body for further action pursuant to Rule 36.

23 (c) When a committee substitute is adopted by a permanent subcommittee or a
24 standing committee for a bill which was introduced with no substantive provisions and
25 the committee substitute deletes a majority of the provisions of the original bill and adds
26 provisions that are not germane to the original bill, no further action may be taken by
27 any standing committee or permanent subcommittee upon such bill until the 2nd
28 legislative day thereafter.

29 **RULE 33. Papers Addressed to the House.**—Petitions, memorials and other
30 papers addressed to the House shall be presented by the Speaker. A brief statement of
31 the contents thereof may be orally made by the introducer before reference to a

33 being read unless the House shall direct otherwise.

34 **RULE 34. Introduction of Resolutions and Bills, Copies Required.**—(a)
35 Whenever any resolution or bill is introduced, a duplicate copy thereof shall
36 be attached thereto, and the Principal Clerk shall cause said duplicate copy to be
37 numbered as the original resolution or bill is numbered, and shall cause the same to be
38 available at all times to the member introducing the same.

39 (b) Numbering of House Bills shall be designated as "H.B. ____." (No. following).
40 A Joint Resolution shall be designated as "H.J.R. ____." (No. following). A House

4 **RULE 35. Duplicating and Availability of Copies of Bills.**—(a) The Legislative
5 Administrative Officer shall cause such bills as are introduced to be duplicated in such
6 numbers as may be specified by the Speaker. The Legislative Administrative Officer
7 shall cause one copy of each resolution and public bill for each legislator to be delivered
8 to his clerk or secretary who shall place it in the appropriate notebook on the legislator's
9 desk. If a legislator so requests, a second copy shall be delivered to his clerk or
10 secretary who shall place it in the legislator's office. The remaining copies shall be
11 placed in the Printed Bills Room and made available to the committees to which the bill
12 is referred, to individual legislators on request, and to the general public.

13 (b) A public bill is a bill affecting 15 or more counties. A local bill is one
14 affecting fewer than 15 counties. No public bill and, upon objection by a member, no
15 local bill may be considered unless copies of the bill have been made available to the
16 entire membership of the House.

17 **RULE 35.1. Assessment Reports.**—Every bill or resolution proposing the
18 establishment of an occupational or professional licensing plan or a study for the need to
19 establish such a plan shall have attached to the jacket of the original bill or resolution at
20 the time of its consideration on second and third readings by the House or by any
21 standing committee or permanent subcommittee of the House, an assessment report
22 from the Legislative Standing Committee on New Licensing Plans pursuant to Article
23 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute
24 any part of the expression of legislative intent proposed by the formation of a licensing
25 plan. Upon receipt of the request the Legislative Standing Committee on New
26 Licensing Plans shall prepare and return the assessment report as soon as possible but
27 not later than 60 days, reserving the right to extend this time to 90 days.

28 **RULE 36. Report by Standing Committee or Permanent Subcommittee.**—
29 All House bills and resolutions shall be reported from the standing committee or
30 permanent subcommittee to which referred with such recommendations as the standing
31 committee or permanent subcommittee may desire to make except in the case where the
32 principal introducer requests in writing to the Chair of the standing committee or
33 permanent subcommittee that the bill not be considered.

34 (a) **Favorable Report.** When a standing committee reports a bill with the
35 recommendation that it be passed, the bill shall be placed on the favorable calendar for
36 the next succeeding legislative day; except that committee substitutes for bills shall be
37 placed on the favorable calendar for the second next succeeding legislative day after
38 being reported. When a committee substitute is adopted and receives a favorable report
39 by the committee, the standing committee Chair shall submit to the standing committee
40 the question of an unfavorable report on the original bill. The standing committee's
41 action, if any, on the original bill shall be reported at the same time the committee
42 substitute is reported.

43 (b) **Report Without Prejudice.** When a standing committee reports a bill
44 without prejudice, the bill shall be placed on the favorable calendar.

1 (c) **Postponed Indefinitely.** When a standing committee reports a bill with the
2 recommendation that it be postponed indefinitely, and no minority report accompanies
3 it, the bill shall be placed on the unfavorable calendar.

4 (d) **Unfavorable Report.** When a standing committee reports a bill with the
5 recommendation that it be not passed, and no minority report accompanies it, the bill
6 shall be placed on the unfavorable calendar.

7 (e) **Minority Report.** When a bill is reported by a standing committee with
8 a recommendation that it be not passed or that it be postponed indefinitely, but it is
9 accompanied by a minority report signed by at least one-fourth (1/4) of the members of
10 the standing committee who were present and voting when the bill was considered in
11 standing committee, the question before the House shall be: "The adoption of the
12 minority report." If the minority report is adopted by majority vote, the bill shall be
13 placed on the favorable calendar for consideration. If the minority report fails of
14 adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

15 **RULE 36.1. Fiscal notes.**—(a) The Chair, Co-chair or Vice-Chairman of the
16 Appropriations Committee, of the Finance Committee or of the Rules, Appointments,
17 and Calendar Committee, upon the floor of the House may request that a fiscal analysis
18 be made of a bill, resolution or an amendment to a bill or resolution which is in the
19 possession of the House and that a fiscal note be attached to the measure, when in the
20 opinion of that Chair or Vice-Chair the fiscal effects of that measure are not apparent
21 from the language of the measure.

22 (b) The fiscal note shall be filed and attached to the bill or amendment within two
23 legislative days of the request. If it is impossible to prepare a fiscal note within two
24 legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker,
25 the Principal Clerk, and the member introducing or proposing the measure and shall
26 indicate the time when the fiscal note will be ready.

27 (c) The fiscal note shall be prepared by the Fiscal Research Division on a form
28 approved by the Rules, Appointments, and Calendar Committee as to content and form
29 and signed by the staff member or members preparing it. If no estimate in dollars is
30 possible, the fiscal note shall indicate the reasons that no estimate is provided. The
31 fiscal note shall not comment on the merit but may identify technical problems. The
32 Fiscal Research Division shall make the fiscal note available to the membership of the
33 House.

34 (d) A sponsor of a bill or amendment may deliver a copy of his bill or
35 amendment to the Fiscal Research Division for the preparation of a fiscal note. The
36 sponsor shall attach the fiscal note to the bill when he files the bill or to the amendment
37 when he moves its adoption.

38 (e) The sponsor of a bill or amendment to which a fiscal note is attached who
39 objects to the estimates and information provided may reduce to writing his objections.
40 These objections shall be appended to the fiscal note attached to the bill or amendment
41 and to the copies of the fiscal note available to the membership.

42 (f) Subsection (a) of this rule shall not apply to the current operations
43 appropriations bill or the capital improvements appropriations bill. This rule shall not
44 apply to a bill or amendment requiring an actuarial note under these rules.

1 RULE 36.2. **Actuarial Notes.** (a) Every bill or resolution proposing any change
2 in the law relative to any:

3 (1) State, municipal or other retirement system funded in whole or in part
4 out of public funds; or

5 (2) Program of hospital, medical, disability or related benefits provided for
6 teachers and State employees, funded in whole or in part by State
7 funds;

8 shall have attached to it at the time of its consideration by any standing committee or
9 permanent subcommittee a brief explanatory statement or note which shall include a
10 reliable estimate of the financial and actuarial effect of the proposed change to that
11 retirement or pension system. The actuarial note shall be attached to the jacket of each
12 proposed bill or resolution which is reported favorably by any standing committee or
13 any permanent subcommittee, shall be separate therefrom, and shall be clearly
14 designated as an actuarial note.

15 (b) The sponsor of the bill or resolution shall present a copy of the measure, with
16 his request for an actuarial note, to the Fiscal Research Division which shall prepare the
17 actuarial note as promptly as possible but not later than two weeks after the request is
18 made unless an extension of time is agreed to by the sponsor as being necessary in the
19 preparation of the note. Actuarial notes shall be prepared in the order of receipt of
20 request and shall be transmitted to the sponsor of the measure. The actuarial note of the
21 Fiscal Research Division shall be prepared and signed by an actuary.

22 (c) The sponsor of the bill or resolution shall also present a copy of the measure
23 to the actuary employed by the system or program affected by the measure. Actuarial
24 notes shall be prepared and transmitted to the sponsor of the measure not later than two
25 weeks after the request is received, unless an extension of time is agreed to by the
26 sponsor as being necessary in the preparation of the note. The actuarial note shall be
27 attached to the jacket of the measure. The provisions of this subsection may be waived
28 by the measure's sponsor for a measure affecting local government retirement or
29 pension plans not administered by the State or any local government program of
30 hospital, medical, disability or related benefits for local government employees not
31 administered by the State.

32 (d) The note shall be factual and shall, if possible, provide a reliable estimate of
33 both the immediate effect and, if determinable, the long range fiscal and actuarial effect
34 of the measure. If, after careful investigation, it is determined that no dollar estimate is
35 possible, the note shall contain a statement to that effect, setting forth the reasons why
36 no dollar estimate can be given. No comment or opinion shall be included in the
37 actuarial note with regard to the merits of the measure for which the note is prepared.
38 Technical and mechanical defects in the measure may be noted.

39 (e) When any permanent subcommittee or standing committee reports a
40 measure to which an actuarial note is attached at the time of permanent subcommittee or
41 standing committee consideration, with any amendment of such nature as would
42 substantially affect the cost to or the revenues of any retirement or pension system, the
43 Chair of the permanent subcommittee or standing committee reporting the measure shall
44 obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial

1 effect of the proposed amendment. The actuarial note shall be attached to the jacket of
2 the measure. An amendment to any bill or resolution shall not be in order if the
3 amendment affects the costs to or the revenues of a State-administered retirement or
4 pension system, unless the amendment is accompanied by an actuarial note, prepared by
5 the Fiscal Research Division, as to the actuarial effect of the amendment.

6 (f) The Fiscal Research Division shall make all relevant actuarial notes
7 available to the membership of the House.

8 **RULE 37. Removing Bill from Unfavorable Calendar.**—A bill may be
9 removed from the unfavorable calendar upon motion carried by a two-thirds (2/3) vote.
10 A motion to remove a bill from the unfavorable calendar is debatable.

11 **RULE 38. Reports on Appropriation and Revenue Bills.**—(a) All standing
12 committees, other than the Standing Committee on Appropriations, when favorably
13 reporting any bill or resolution which:

- 15 2. requires or will require in the future substantial additional State monies
16 from the General Fund or Highway Fund to implement its provisions,
17 shall indicate same in the report, and said bill or resolution shall be
18 referred to the Standing Committees on Appropriations for a further
19 report before being acted upon by the House.

20 (b) All standing committees, other than the Standing Committee on Finance,
21 when favorably reporting any bill which in any way or manner raises revenue, reduces
22 revenue, levies a tax, authorizes the levying of a tax or a fee, or authorizes the issue of
23 bonds or notes, whether public, public-local, or private, shall indicate same in the report,
24 and said bill shall be referred to the Standing Committee on Finance for a further report
25 before being acted upon by the House.

26 (c) Action on Amendment Before Re-Referral. If any standing committee
27 recommends adoption of an amendment or committee substitute of a bill which, under
28 the rules of the House must be referred to the Standing Committees on Appropriations
29 or Standing Committee on Finance, the amendment or committee substitute shall be
30 considered and, if adopted, the amendment or substitute engrossed before the bill is re-
31 referred.

32 **RULE 39. Recall of Bill from Standing Committee.**—When a House bill
33 has been introduced and referred to a standing committee, if after 10 legislative days the
34 standing committee has failed to report thereon, then the introducer of the bill or some
35 member designated by him may, after three legislative days' public notice given in the
36 House and delivered in writing to the Chair of the standing committee, on motion
37 supported by a majority vote of the members present and voting, recall the same from
38 the standing committee to the floor of the House for consideration and such action
39 thereon as a majority of the members present may direct. This rule shall not be
40 temporarily suspended without one day's notice on the motion given in the House and
41 delivered in writing to the Chair of the standing committee, and to sustain that motion
42 two-thirds (2/3) of the members present and voting shall be required.

43 **RULE 39.1. Recall of Bill from Permanent Subcommittee.**—When a House
44 bill has been referred to a permanent subcommittee, if after 10 legislative days the

1 subcommittee has failed to act thereon or, at any time, with the agreement of the
2 subcommittee chair, the standing committee Chair may re-refer the bill from that
3 permanent subcommittee to another permanent subcommittee of the same standing
4 committee provided the report of the re-referral shall be made pursuant to Rule 32.

5 **RULE 39.2. Re-referral of Bills from One Standing Committee to**
6 **Another Standing Committee.**—Upon consent of the sponsor of the bill, the Speaker,
7 the Chair of the standing committee from whom the bill is to be re-referred, and the
8 Chair of the standing committee to whom the bill is to be re-referred, the Chair may
9 move for a re-referral to another standing committee and the bill shall be re-referred
10 upon vote of the majority present during a regular session of the House.

11 **RULE 40. Calendars and Schedules of Business.**—The Clerk of the House
12 shall prepare a daily schedule of business, including the Calendar of Bills and
13 Resolutions for consideration and debate that day, in accordance with the Order of
14 Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the
15 order in which they are introduced. All bills and resolutions shall be taken up as they
16 appear in each category (Rule 5(10)) in the order they were reported by standing
17 committee; but the Standing Committee on Rules, Appointments and Calendar may at
18 any time arrange the order of precedence in which bills may be considered.

19 **RULE 41. Reading of Bills.**—(a) Every bill shall receive three readings in the
20 House prior to its passage. The first reading and reference to standing committee of a

34 to pledge the faith of the State directly or indirectly for the payment of any debt, or to
