6 "(e) Every public body shall cause full and accurate written minutes, or sound or
7 video recordings, to be made of all official meetings, including any executive sessions
8 held pursuant to G.S. 143-318.11. Such minutes shall be public records; provided,
9 however, that notwithstanding the provisions of G.S. 132-6, minutes of an executive
10 session may be withheld from public inspection so long as public inspection would

19 final authorization to acquire or lease is to be given, it shall be given at
20 an open meeting.

21 (2) To consider and authorize the acquisition by gift or bequest of personal
22 property offered to the public body or the government of which it is a
23 part.

- 1 (3) To consider and authorize the acquisition by any means of paintings,

9 litigation of a potential or pending judicial action or administrative
10 proceeding in which the public body or an officer or employee of the
11 public body is a party or in which the public body finds that it has a
12 substantial interest. During such an executive session, the public body

34 the appointment or removal of a member of another body in executive
35 session but may not consider or fill a vacancy among its own
36 membership except in an open meeting.
- 37 Final action making an appointment or discharge or removal by a
