The fees paid for special examination shall be based on the assets of the bank examined as of the date of such examination.

- (3) The Commissioner of Banks may ~~require reimbursement for all costs and expenses incurred in by rule set the amount to be collected for processing any application or petition required by law to be filed with the Commissioner and for obtaining copies of any publication or public record of the Banking Commission providing services other than examination for any bank or any licensee under Article 15 of this Chapter.~~

If the estimated fees provided for under subdivisions (1) and (2) shall be less than the estimated cost of maintaining the office of the Commissioner of Banks for the next fiscal year, then the State Banking Commission may increase by uniform percentage the fees provided for in subdivisions (1) and (2) of this section to an amount which will increase the amount of the fees to be collected to an amount at least equal to the estimated cost of maintaining the office of the Commissioner of Banks for the next fiscal year. Such fees shall be reduced whenever a surplus exists which exceeds the estimated cost of operating the office of the Commissioner of Banks for one year, even if such reduction shall result in the collection of a smaller sum than the estimated cost of maintaining the office of the Commissioner of Banks for that year. In no event shall any surplus at the end of any fiscal year resulting from the collection of fees pursuant to this section revert to the general fund."
