Likewise, in each party primary, all candidates seeking that party's nominations shall be listed together on one ballot, and each voter of that party shall be entitled to vote for as many candidates as there are places to be filled. Except as provided in Section 2 of this act, all members of the Board of Education shall serve four-year terms.

Sec. 2. The five members of the Board of Education elected in 1986 and 1988 and the two members appointed in February 1989 shall be entitled to serve the remainder of the terms for which they were elected or appointed. Their successors shall be elected for four-year terms as the terms of the current members expire. Accordingly, four members shall be elected in 1990 and every four years thereafter, and three members shall be elected in 1992 and every four years thereafter.

Sec. 3. Any vacancy on the Board of Education shall be filled by appointment by the remaining members of the board.
