The General Assembly of North Carolina enacts:

Section 1. Chapter 100 of the 1955 Session Laws, as amended by Chapter 960 of the 1973 Session Laws, is rewritten to read:

"Sec. 1. There is established a Supplementary Pension Fund for the Fire Department of the City of Lumberton, this fund is to be known as the 'Lumberton Firemen's Supplementary Fund,' hereinafter referred to as 'Supplementary Pension Fund,' and this fund is to be maintained by the board of trustees of the Local Firemen's Relief Fund of the City of Lumberton, the board being the board established in accordance with G.S. 118-6, hereinafter called the board of trustees. The board of trustees shall maintain books of account for the 'Supplementary Pension Fund' separate from the books of account of the Firemen's Relief Fund of the City of Lumberton. The board of trustees shall pay into the Supplementary Pay Fund the funds prescribed by Section 2 of this act.

"Sec. 2. All funds in the Firemen's Relief Fund of the City of Lumberton in excess of five hundred dollars (\$500.00) shall be transferred to the 'Supplementary Pension Fund' so as to leave in the Firemen's Relief Fund an amount not greater than five hundred dollars (\$500.00) at any time.

"Sec. 3. Any person who is a full time paid member of the Lumberton Fire Department, as shown by the records of the City of Lumberton at the time of the ratification of this act, or any person who shall become a full time paid member, shall be eligible for benefits from the 'Supplementary Pension Fund': Provided that no such person shall be eligible for benefits from the 'Supplementary Pension Fund' unless or

1 until the person has been retired as a member of the Lumberton Fire Department under  
2 the provisions of the retirement system for counties, cities and towns as set out in  
3 Article 3 of Chapter 128 of the General Statutes of North Carolina and as participated in  
4 by the City of Lumberton. It is further provided that this act does not modify or alter in  
5 any way the Workers' Compensation Laws of the State of North Carolina.

6 "Sec. 4. Any full time paid member of the fire department who retires or is retired  
7 under the provisions of Section 3 of this act shall receive monthly for the remainder of  
8 his life from the 'Supplementary Pension Fund' an amount equal to two dollars and fifty  
9 cents (\$2.50) for each full year of service with the Fire Department.

10 "Sec. 5. The board of trustees shall administer and maintain, through the finance  
11 officer of the City of Lumberton, the 'Supplementary Pension Fund,' and, to the extent  
12 that monies are available for such purpose, shall pay the beneficiaries thereof on the  
13 first day of each and every month any monies that the beneficiaries may be entitled to  
14 under the provisions of this act. The finance officer and city manager of the City of  
15 Lumberton shall serve as ex officio members of the board of trustees without privilege  
16 of voting on matters before the board.

17 "Sec. 6. The board of trustees shall bond the treasurer of the board of trustees with a  
18 good and sufficient bond, in an amount at least equal to the amount of funds in his  
19 control, payable to the board of trustees, and conditioned upon the faithful performance  
20 of his duties; this bond shall be in lieu of the bond required by G.S. 118-6. The board of  
21 trustees is hereby authorized to pay the premiums for the bond of the treasurer from the  
22 supplemental retirement fund.

23 "Sec. 7. The board of trustees shall invest any funds either of the 'Supplementary  
24 Pension Fund' or the Firemen's Relief Fund of the City of Lumberton, only in  
25 investments permissible for investment by a local government or public authority. The  
26 investment program shall be so managed that investments and deposits can be converted  
27 into cash when needed for the prompt payment of claims and expenses.

28 "Sec. 8. The board of trustees as herein provided for may, in its discretion, take and  
29 receive any gift, grant, bequest, or devise or any real or personal property or other things  
30 of value for, and as, the property of the said 'Supplementary Pension Fund' and transfer  
31 the same to be added to the other assets of the 'Supplementary Pension Fund.'

32 "Sec. 9. The provisions of Chapter 118 of the General Statutes of North Carolina  
33 creating a Firemen's Relief Fund are repealed as to the City of Lumberton insofar and  
34 only insofar as the provisions are inconsistent with and contradictory to the provisions  
35 of this act.

36 "Sec. 10. All laws and clauses of laws in conflict with the provisions of this act are  
37 hereby repealed."

38 Sec. 2. None of the provisions of this act shall create an additional liability  
39 for the Lumberton's Firemen's Supplementary Fund unless sufficient assets are available  
40 to pay for the liability.

41 Sec. 3. This act shall become effective July 1, 1989.
