8 The General Assembly of North Carolina enacts:

9 Section 1. Chapter 62 of the General Statutes is amended by adding a new  
10 section to read:

11 "**§ 62-36A. Natural gas planning.**

12 (a) The Commission shall require each franchised natural gas local distribution  
13 company to file reports with the Commission detailing its plans for providing natural  
14 gas service in areas of its franchise territory in which natural gas service is not available.  
15 Initial reports shall be filed at a time set by the Commission, but not later than January  
16 1, 1990. Commission rules shall require that each local distribution company shall  
17 update its report at least every two years.

18 (b) The Commission shall develop rules to carry out the intent of subsection (a)  
19 of this section, and to produce an orderly system for reviewing current levels of natural  
20 gas service and planning the orderly expansion of natural gas service to areas not  
21 served.

22 (c) Within 120 days after all local distribution companies have filed their initial  
23 or biennial update reports, the Commission and the Public Staff shall independently

- 1 provide analyses and summaries of those reports, together with status reports of natural  
2 gas service in the State, to the Joint Legislative Utility Review Committee."  
3       Sec. 2. This act is effective upon ratification.
