3 PROCESS.

5 The General Assembly of North Carolina enacts:

6 Section 1. (a) There is appropriated from the General Fund to the Division
7 of Social Services, Department of Human Resources the sum of three hundred ninety-
8 eight thousand four hundred thirty-seven dollars (\$398,437) for the 1989-90 fiscal year
9 to establish and evaluate a minimum of eight pilot projects in a minimum of eight
10 counties designed to improve service of process in Title IV-D child support cases by
11 enabling the local child support offices and the county sheriff departments better to
12 effect adequate child support service of process. These pilot projects shall terminate
13 June 30, 1991, unless continued or extended by the General Assembly. Of these funds,
14 three hundred sixty-four thousand four hundred thirty-seven dollars (\$364,437) shall
15 be used to establish and implement the projects and thirty-four thousand dollars
16 (\$34,000) shall be used to provide the evaluation of the projects. A maximum of five
17 percent (5%) of the establishment and implementation funds may be used by the
18 Division of Social Services as administrative costs.

19 (b) It is the intent of the General Assembly that the pilot projects selected be
20 geographically representative, that they be in areas of need for improvement of service
21 of process, and that they be in areas in which the local child support offices and the
22 county sheriff's departments are willing and able to cooperate as the project requires.

1 (c) The Division of Social Services, Department of Human Resources, shall
2 notify all 85 local child support offices that the minimum of eight projects are to be
3 established and shall send to all counties an application form that those counties
4 requesting a project shall submit. The Division shall design the form in consultation
5 with the Administrative Office of the Courts and the North Carolina Sheriff's
6 Association, to ensure that the applying counties will be able to provide the data
7 necessary to permit proper evaluation of the projects and to provide the necessary
8 cooperation with the particular county sheriff's departments. The application forms
9 shall include a general description of the data that the counties will need to keep, which
10 data shall include the Title IV-D child support case load at the beginning of the project,
11 throughout the project, and at the end of the project, the percentages of successful
12 service of process, and the resources the particular child support offices and sheriff's
13 departments have available. The form shall also require that applying counties submit
14 the signature of the county sheriff and the county clerk of court, to indicate that the
15 sheriff's office is willing to participate in cooperation with the local child support office.

16 (d) By November 1, 1989, the Division of Social Services, in consultation
17 with the Administrative Office of the Courts and the North Carolina Sheriff's
18 Association, shall have selected the counties to participate in the projects and shall have
19 so notified these counties.

20 (e) By January 1, 1990, the Division of Social Services shall have committed
21 all the funds appropriated to establish and administer the projects to the participating
22 counties. The participating counties shall contract with the county sheriff's offices to
23 enable the sheriff to provide Title IV-D child support service of process. The allocation
24 contract shall have attached the evaluation form that participating counties will be
25 required to submit pursuant to subsection (g) of this act. This form shall be developed
26 by the division, in consultation with the Administrative Office of the Courts and the
27 North Carolina Sheriff's Association.

28 (f) By October 1, 1990, the Division of Social Services, in consultation with
29 the Administrative Office of the Courts and the North Carolina Sheriff's Association,
30 shall make a tracking report to the Joint Legislative Commission on Governmental
31 Operations and to the Fiscal Research Division of the Legislative Services Office.

32 (g) By December 31, 1990, the participating counties shall have submitted the
33 evaluation forms that were attached to their allocation contracts to the Division of
34 Social Services.

35 (h) By April 15, 1991, the Department of Human Resources, in consultation
36 with the Administrative Office of the Courts and the North Carolina Sheriff's
37 Association, shall make a final report in writing to the appropriate Appropriations
38 subcommittees of the House and Senate. This report shall include an evaluation of the
39 projects and any legislative recommendations, including whether the pilot projects
40 should be continued into the next fiscal biennium, should be expanded to non-Title IV-
41 D cases, or should be implemented statewide.

42 Sec. 2. This act shall become effective July 1, 1989.
