A BILL TO BE ENTITLED

1 AN ACT TO CONSOLIDATE ALL OF THE SCHOOL ADMINISTRATIVE UNITS  
2 IN GUILFORD COUNTY OR TO PROVIDE FOR THE TWO CITY SCHOOL  
3 ADMINISTRATIVE UNITS IN THAT COUNTY TO HAVE BOUNDARIES  
4 COTERMINOUS WITH THE CITIES, SUBJECT TO A REFERENDUM.  
5

6 Whereas, commitments have been made by the school administrative units in  
7 Guilford County to pursue the goals of excellence and equity predicated on school  
8 integration as a base from which such goals can be attained. While progress has been  
9 made in achieving such goals of excellence and equity, more remains to be done if, we  
10 as citizens of Guilford County, are to live up to our potential and our responsibility to  
11 all the citizens of Guilford County and, most importantly, to the children and youth of  
12 Guilford County upon whom our future depends. This commitment is hereby  
13 reaffirmed. In order to achieve these goals, it is imperative that equity in educational  
14 opportunity be assured to each student, regardless of where that student resides and  
15 regardless of where that student attends school within Guilford County. It is imperative  
16 that each school within Guilford County truly become and remain a school of  
17 excellence. It is imperative that the needs of all Guilford County students – regardless  
18 of race, gender, social or economic condition – be addressed to the extent that each  
19 student's academic, vocational, civic and human potential can be maximized and that the  
20 resources are available through which this can be accomplished. It is also imperative  
21 that the governance structure, the administrative, teaching and educational support  
22 personnel appropriately reflect the demographic makeup of Guilford County. Further, it

1 is imperative that greater opportunity be provided for parents to become involved in  
2 supporting, enhancing and nurturing the educational process as it affects their children.

3         Should any plan be prepared for implementing a system of magnet schools –  
4 or any other similar plan – that plan should be based upon strong academic programs  
5 and fair and equitable processes for student assignment. Such plan should provide  
6 reasonable opportunity for students to enroll at the school, or one of the schools,  
7 offering a curriculum that is desired by the student. At a minimum, the academic  
8 program and curriculum at each school, regardless of whether it is a magnet school,  
9 should provide the foundation for students to meet the standards for admission to a four-  
10 year institution of higher education within The University of North Carolina System.  
11 Any magnet school plan – or other similar plan – should be designed in such a manner  
12 that the availability of any given curriculum is adequate, as far as is reasonably possible,  
13 to meet the demand for that curriculum, even to the extent that it is made available at  
14 two or more school sites; Now, therefore,

15 The General Assembly of North Carolina enacts:

16                 **PART I. CONSOLIDATION OF ALL THREE SYSTEMS**

17         Section 1. The existing Guilford County School Administrative Unit, the  
18 existing Greensboro City School Administrative Unit, and the existing High Point City  
19 School Administrative Unit within Guilford County are consolidated effective July 1,  
20 1993. The resulting consolidated school administrative unit shall be known as the  
21 Guilford County School Administrative Unit.

22         Sec. 2. (a) The Board of Education of the Guilford County School  
23 Administrative Unit shall be composed of eleven members elected on a nonpartisan  
24 primary basis at the time of the regular county primary and general elections except that  
25 in 1992 the dates of the primary and general election shall be in accordance with  
26 subsections (a1) and (b) of this section. One shall be elected from each of nine single-  
27 member districts established under subsection (g) of this section, and two shall be  
28 elected at large from within the entirety of Guilford County. The results shall be  
29 determined in accordance with G.S. 163-294.

30         The terms of office of members are staggered to allow for continuity on the  
31 Board, and all terms, following the initial terms, shall be for four years.

32         (a1) The initial primary election for the Guilford County Board of Education  
33 shall be held on Tuesday, March 10, 1992, and the initial general election shall be held

37 year terms. Also, on Tuesday, May 5, 1992, one of the two at-large members shall be  
38 elected for a two-year term; and the other at-large member shall be elected for a four-  
39 year term. In 1992, the candidate receiving the highest number of votes is elected to a  
40 four-year term, and the candidate receiving the next highest number of votes is elected  
41 to a two-year term. Thereafter, all members shall be elected for four-year terms at the  
42 same time as the regular primary and general election dates for county officers.

43         (c) The members elected in 1992 shall take the oath of office on Monday, June 1,  
44 1992. At that time, this elected Board shall have and assume the powers and duties set

1 forth in Section 4 of this act. On July 1, 1993, this Board shall have and assume all  
2 duties granted by law and shall supersede the previous board or boards that had  
3 previously administered and governed the schools in Guilford County.

4 (d) The districts set out in subsection (g) of this section are devised and  
5 constituted to meet the requirements of the Voting Rights Act of 1965, as amended, and  
6 other applicable constitutional provisions. These districts shall remain the same until  
7 changed as provided by law and constitutional mandate.

9 of the board of education.

36 of Chapter 115C and Chapter 163 of the General Statutes, except that the Guilford  
37 County Board of Elections shall establish the candidate filing period and for 1992 shall  
38 establish absentee voting timetables.

39 Sec. 4. The Board shall take office June 1, 1992, and shall immediately  
40 assume authority and responsibility for:

41 (1) Electing a chairperson and other officers of the Board for one year  
42 terms;

- 1           (2) Supervising, coordinating, acquiring, contracting for and constructing  
2 all new school buildings to be built within the boundaries of the  
3 existing three units; and  
4           (3) Making contracts, hiring personnel and adopting policies and  
5 procedures for the 1993-94 and subsequent school years;  
6           (4) Otherwise planning for the implementation and operation of the  
7 consolidated system; and  
8           (5) Preparing and submitting to the Guilford County Board of  
9 Commissioners all necessary budgets for school purposes beginning  
10 with that for the 1993-94 school year as well as for its own operations  
11 prior to that school year. Otherwise, except as provided by Section 9  
12 of this act, the existing Guilford County and Greensboro and High  
13 Point City Boards of Education shall continue to administer their  
14 respective units until June 30, 1993.

15       Sec. 5. (a)       The terms of the Guilford County, Greensboro City and High Point  
16 City Boards of Education members elected in 1990 who are in office on January 1,  
17 1992, shall be extended through June 30, 1993. The terms of all other members of the  
18 Guilford County and Greensboro City Boards of Education and all the members of the  
19 High Point City Board of Education in office on January 1, 1992, shall also expire June  
20 30, 1993.

21       (b)       Notwithstanding G.S. 163-125, a member of one of the three existing boards  
22 of education shall not be required to resign from the board in order to seek election to  
23 the new Guilford County Board of Education.

24       (c)       Upon the effective date of consolidation, the existing Guilford County and  
25 Greensboro and High Point City Boards of Education are abolished and replaced by the  
26 new Guilford County Board of Education. The Board shall have all the powers and  
27 responsibilities previously provided for the Guilford County, Greensboro City and High  
28 Point City Boards and provided by State law generally for county boards of education.

29       (d)       During the period from June 1, 1992 through June 30, 1993, the new Board  
30 shall be known as the Interim Guilford County Board of Education and on July 1, 1993,  
31 without the necessity of further action by any governmental body, that Board shall  
32 thereafter be known as the Guilford County Board of Education.

33       Sec. 6. Vacancies on the new Guilford County Board of Education shall be  
34 filled by vote of a majority of the remaining members of the Board present and voting  
35 for the remainder of the unexpired term. In instances in which the member being  
36 replaced was elected from within a single member district, the Board must appoint a  
37 resident of the district where the vacancy exists.

38       Sec. 7. Upon the effective date of consolidation, the title to all property of the  
39 existing Guilford County Board of Education, the existing Greensboro City Board of  
40 Education and the existing High Point City Board of Education vests in the new  
41 Guilford County Board of Education established under this Part. All claims and  
42 demands of every kind which either of the three boards may have at the time of  
43 consolidation shall pass and be transferred to the Guilford County Board of Education  
44 and that Board shall have the same authority to enforce those claims and demands as the

1 existing Guilford County and Greensboro and High Point City Boards would have if  
2 they continued to exist. Any obligations and liabilities of the existing Guilford County  
3 and Greensboro and High Point City Boards of Education shall become the obligations  
4 and liabilities of the Guilford County Board of Education at the time of consolidation,  
5 and those obligations and liabilities may be enforced against that Board to the same  
6 extent they might be enforced against the existing boards had they continued to exist.

7       Sec. 8. Any existing school tax in effect in Guilford County as of the  
8 effective date of this legislation shall continue in full force and effect until changed on a  
9 county-wide basis as provided by law.

10       Sec. 9. During the period beginning December 1, 1992, and ending with the  
11 abolition of those boards on July 1, 1993, the existing Guilford County Board of  
12 Education, the Greensboro City Board of Education, and the High Point City Board of  
13 Education may not enter into any contract for a capital outlay item, or appropriate any  
14 money for such item, or grant or increase any local salary supplement, or sell, lease,  
15 trade or otherwise encumber any property, real or personal, of any of the existing boards  
16 of education, without the approval of the Interim Guilford County Board of Education.

17       Sec. 11. (a) The Interim Guilford County Board of Education shall conduct a  
18 facilities study for the consolidated school system. The purpose of the study will be to  
19 identify the extent to which new facilities, modification or rehabilitation to existing  
20 facilities, or closing of existing facilities are needed. The study shall be conducted with  
21 emphasis on assuring the most efficient use of facilities and the most equitable manner  
22 in which facilities can be made available throughout Guilford County. The study shall,  
23 further, emphasize achieving the highest level of fiscal responsibility related to capital  
24 expenditures consistent with providing an excellent and equitable system of education.

25       (b) The Interim Guilford County Board of Education, as a part of such study,  
26 shall determine what portion, if any, of the identified capital needs it recommends be  
27 funded through bonded indebtedness. Should it be determined that bonded indebtedness  
28 is appropriate, the determination shall be in accordance with G.S. 115C-506.

29       Sec. 12. The Interim Guilford County Board of Education shall conduct an  
30 organizational study for the consolidated school system. The purpose of the study will  
31 be to determine the appropriate number and categories of administrative, supervisory  
32 and operational staff for the new system, and to determine the appropriate assignment  
33 and duties of such personnel. As a part of the study, the Board shall establish an  
34 equitable process relative to employment of such persons who held such positions in  
35 one of the existing three school systems. Where positions are not available for such  
36 persons because of any reduction in force relative to administrative, supervisory or  
37 operational personnel, the Board shall establish fair and equitable policies through  
38 which such persons can be given consideration for available vacant positions in which  
39 their past experience in that position, or as a principal or classroom teacher, or other  
40 certified personnel, can best be utilized for the benefit of the students in the new  
41 consolidated system.

42       Sec. 13. Any student enrolled in a given school at the end of the 1992-93  
43 school year shall have the option, if otherwise qualified, of continuing to attend that  
44 school, if operational, until completion of the grades at that school.

1 within Guilford County of the city limits and concomitant jurisdiction of the City of  
2 Greensboro by annexation, or by other means, the Greensboro City School  
3 administrative unit shall expand, by operation of law, to include all the area within  
4 Guilford County that is added to and which becomes a part of the jurisdiction of the  
5 City of Greensboro within the city limits thereof, but shall not include, and shall not be  
6 a part of any extraterritorial jurisdiction that the City of Greensboro may, in its  
7 discretion as a government, decide to assume.

8 The Greensboro Board of Education shall plan for expansion of its  
9 administrative unit when it is apprised, by any means, of the proposed expansion of the  
10 city limits within Guilford County of the City of Greensboro, and shall be made aware  
11 of any proposed expansion of the city limits within Guilford County of the City of  
12 Greensboro by the elected officials of the City of Greensboro, by letter, at the time the  
13 City of Greensboro, through its elected officials, formally decides to expand its limits.  
14 The giving of such notice by the elected officials of the City of Greensboro shall not be  
15 a prerequisite to the duty of the Greensboro Board of Education to plan for expansion of  
16 such Board's administrative unit. Such planning for expansion shall be a continuing  
17 duty of the Greensboro Board of Education.

18 Sec. 18. From and after the effective date of this Part, the school  
19 administrative unit of the High Point Board shall become and thereafter shall include  
20 the current boundaries of the City of High Point within Guilford County and will,  
21 further, include the High Point area specified in the Greensboro-High Point Joint  
22 Annexation Agreement adopted December 20, 1988, and duly placed on file in the  
23 Offices of the City Clerks in Greensboro and High Point, respectively, and will further  
24 include any future annexations within Guilford County. Provided, that if by September  
25 1, 1991, the City of High Point and the Town of Jamestown have adopted a joint  
26 annexation agreement duly placed on file in the Offices of the City Clerks in High Point  
27 and Jamestown respectively, the school administration unit of the High Point Board  
28 shall not include the Jamestown area specified in the agreement.

29 The High Point Board shall plan for expansion of its administrative unit when  
30 it is apprised, by any means, of the proposed expansion of the city limits in Guilford  
31 County of the City of High Point, and shall be made aware of any proposed expansion  
32 of the city limits in Guilford County of the City of High Point by the elected officials of  
33 the City of High Point by letter at the time the City of High Point, through its elected  
34 officials, formally decides to expand its limits. The giving of such notice by elected  
35 officials of the City of High Point shall not be a prerequisite to the duty of the High  
36 Point Board to plan for expansion of the High Point Board's administrative unit, which  
37 shall be a continuing duty of the High Point Board.

38 Sec. 19. After the effective date of this Part, students living in Guilford  
39 County outside the city limits of the City of Greensboro or outside of the boundaries  
40 that establish the extent to which the City of High Point city limits can be extended as  
41 set out in the Greensboro-High Point Joint Annexation Agreement adopted December  
42 20, 1988, and duly placed on file in the Offices of the City Clerks in Greensboro and  
43 High Point, shall become and shall be students of the County Board, and the County  
44 Board shall assign such students to school in the administrative unit of the County

1 Board. The County Board shall do all things necessary and proper, according to law,  
2 for the assigning of students to school within the administrative unit.

3 Sec. 20. The respective Boards of Education of Greensboro, High Point and  
4 Guilford shall continue to have all the powers and all the authority that are presently  
5 reposed in and delegated to them by law, and the three shall have all the duties and  
6 responsibilities presently reposed in them by law, and shall have all authority and power  
7 to effect the purposes of this Part.

8 Sec. 21. (a) The enactment of this Part shall not change the membership and  
9 composition of the Greensboro Board of Education, the High Point Board of Education  
10 nor of the Guilford County Board of Education. The three boards shall remain as they  
11 are by law presently composed except as provided by subsection (b) of this section. If  
12 the enactment of this Part shall later evince or suggest a need to change the membership  
13 or composition of any board which the enactment of this Part may affect, then such  
14 change may be made through appropriate legislation at that time, but no change is  
15 contemplated by this Part.

16 (b) The electoral districts of the three boards of education shall be changed by the  
17 respective boards when areas are added to or deleted from their respective school  
18 administrative units. After any such areas are added to or deleted, in order to conform to  
19 the purposes and provisions of this Part, such changes to the respective electoral  
20 districts shall be made no later than 60 days prior to the next filing date for election of  
21 members to the respective boards.

22 Sec. 22. (a) The respective boards of the three administrative units herein  
23 defined shall presently continue to use their respective buildings, property, equipment  
24 and other personalty and real estate as they have done in the past. The immediate effect  
25 of constituting the city limits in Guilford County of the named municipalities as the  
26 limits and outer boundaries of the administrative units of the City Board and the High  
27 Point Board may require that one or the other of the board's buildings and property shall  
28 be physically within the geographic limits of one of the other boards as defined by this  
29 act, or it may occur, upon the effective date of this act, or in the future, upon the  
30 expansion of the boundaries and jurisdictional limits of one or the other of the  
31 municipalities defined herein owing to the exercise of statutory annexation or some  
32 other reason, that the buildings, property, equipment, and other personalty of one of the  
33 boards shall be physically within the new limits of one of the boards defined in this act.  
34 In such an event or upon the happening of such an event, the administrative unit inside  
35 of whose boundaries the property is located shall have the authority to use real and  
36 personal property of the other board until such time as the ownership of the property  
37 shall be determined and payment or other consideration is made therefor, including  
38 payment of the use of all such property, by the Special Compensation Board, which is  
39 hereby provided for.

40 (b) Authority to create a Special Compensation Board, for the purpose of  
41 providing fair and equitable compensation to a board for the use and appropriation of its  
42 property by another board under the authority of this act is hereby given, delegated, and  
43 otherwise provided for.

1 (c) The number of the members of the Special Compensation Board shall be  
2 seven. One each shall be named to serve, by proper nomination and resolution of the  
3 respective boards and bodies, by the County Board, the City Board, the High Point  
4 Board, the City of Greensboro, the City of High Point, the Guilford County Board of  
5 Commissioners, and the State Board of Education.

6 (d) The Special Compensation Board shall meet and adopt a plan of procedure  
7 and such bylaws and other devices of governance as it deems necessary. It may elect  
8 officers and a chairperson. This Board shall determine the just compensation that  
9 should be paid by a board that appropriates the property of another board for use when  
10 property of the one board comes within the area and limits of another board.

11 (e) The Special Compensation Board shall determine the properties that were  
12 financed, in whole or in part, by funds from the State of North Carolina, and for  
13 properties, real or personal, that were so financed no compensation shall be made. Only  
14 when the properties were financed by funds from the County of Guilford or the special  
15 school tax, or both, or from some other local source (such as the forfeiture of bonds by  
16 criminal defendants) shall compensation be made.

17 (f) The Special Compensation Board should make its findings of  
18 compensation within six months of the use or the appropriation by one education board  
19 from another.

20 (g) The Special Compensation Board need not use the fair market value  
21 approach to value in determining the compensation, but may consider that approach.  
22 The Special Compensation Board shall itemize its findings and conclusions in a report  
23 in which it makes its compensation report and this report shall be distributed to each of  
24 the boards and bodies represented by a member thereon.

25 (h) The Special Compensation Board shall, as a body with all members  
26 present, hear such evidence as the State Board of Education, the County of Guilford, the  
27 City of Greensboro, the City of High Point, and the three school administrative units  
28 defined herein wish to present. The Board shall also hear any evidence that any  
29 financial institution that has an interest in any of the property involved wishes to  
30 present. The Board shall hear any evidence that indenture trustees of, or offices  
31 concerned with, any outstanding bond issue that may or might affect the property wish  
32 to give. The Board may hear such other evidence that it wishes to hear.

33 (i) The Special Compensation Board shall not change the security of any  
34 financial institution, the obligations under any bonds, or the manner of financing any of  
35 the affected property, but it may and should recommend ways in which any affected  
36 bonds, financial arrangements, mortgages, security devices, indentures, or other devices  
37 can be assumed, assigned, or continued in effect by using an appropriating board or by  
38 other means, such as refinancing or refloating of a bond issue.

39 (j) The decision of the Special Compensation Board shall be based upon a  
40 majority vote of all the members, and the decision shall be presented in writing to all the  
41 parties. Upon its presentation the decision shall be final. Appeal may be taken to the  
42 Superior Court of Guilford County within 10 days of the presentation of the Special  
43 Compensation Board's written report, but the Superior Court shall affirm the Special  
44 Compensation Board's findings and conclusions unless it finds by clear and convincing

1 proof from the evidence presented to it that the Special Compensation Board did not  
2 make its findings based on the evidence or on fair methods of appraisal.

3 (k) The board required by the Special Compensation Board to make  
4 compensation to another board shall take all the necessary steps to make the payments  
5 required and to assume all the obligations required thereunder. The board whose  
6 property is used or appropriated, or both, shall take all the necessary steps to convey  
7 property and otherwise to comply with the Special Compensation Board's decision.

8 Sec. 23. The tax rates currently applicable for support of the schools in the  
9 administrative units involved herein shall not be changed by the enactment of this Part,  
10 and all such taxes shall remain in full force and effect.

11 Sec. 24. The methods and legally instituted means of financing any of the  
12 property that might be affected by the use or appropriation, or both, of any such  
13 property by one of the three respective boards of education shall not be changed by  
14 enactment of this Part, and the board or entity responsible for paying or otherwise  
15 compensating any financial institution or other entity or person to whom payment or  
16 compensation is owed under any indenture, contract or other security or financing  
17 device shall continue to make all required payments or other compensation. Such  
18 payment or other compensation shall continue until such time as the using or  
19 appropriating board has assumed the payments and any other obligations and until such  
20 time as the affected institution, entity or person agrees to accept the new board as the  
21 responsible legal entity under the obligation and until such time as all legal documents  
22 required by the transfer, assignment, assumption or other legal or contractual devices  
23 are executed and approved. In lieu of assumption or assignment by an appropriating or  
24 using board, refinancing may be considered as a means of paying any outstanding  
25 obligations.

### 26 PART III. ELECTION AND OTHER PROVISIONS

27 Sec. 25. If a majority of the voters voting in the election vote in favor of Part  
28 I of this act, and it has not been approved under section 5 of the Voting Rights Act of  
29 1965 by the time of opening of candidate filing for the Guilford County Board of  
30 Education or the Greensboro City Board of Education, then the Guilford County Board  
31 of Elections, with the approval of the United States Department of Justice, may delay  
32 the opening and closing dates for filing of the old Guilford County Board of Education  
33 and the Greensboro City Board of Education scheduled to be elected in 1992. This is
