A BILL TO BE ENTITLED

AN ACT TO ALLOW COUNTIES TO REQUIRE PRISONERS TO WORK ON
PROJECTS TO BENEFIT UNITS OF STATE OR LOCAL GOVERNMENT.

The General Assembly of North Carolina enacts:

Section 1. Article 4 of Chapter 162 of the General Statutes is amended by
adding four new sections to read:

§ 162-58. Counties may work prisoners.

The board of commissioners of the several counties may enact by resolution all
necessary rules and regulations for work on projects to benefit units of State or local
government by persons convicted of crimes and imprisoned in the local confinement
facilities or satellite jail/work release units of their respective counties. The sheriff shall
approve rules and regulations enacted by the board. Prisoners working under this
section shall be supervised by county employees or by the sheriff. The rules enacted by
the board of county commissioners and approved by the sheriff shall specify a
procedure for ensuring that county employees supervising prisoners pursuant to this
section be provided with notice that the persons placed under their supervision are
inmates from a local confinement facility or a satellite jail/work release unit.

§ 162-59. Person having custody to approve prisoners for work.

No prisoner shall perform work pursuant to G.S. 162-58 unless the prisoner has been
approved for the work by the person having custody of the prisoner. The decision to
approve a prisoner for work shall be based on the prisoner's history of violence, if any,
past criminal convictions, and current sentence. For purposes of this section, the person

1 having custody of the prisoner is the sheriff, except that when the prisoner is confined in
2 a district confinement facility the person having custody of the prisoner is the jail
3 administrator. The person having custody of the prisoner may use his discretion to
4 revoke his approval at any time and to return the prisoner to the local confinement
5 facility or satellite jail/work release unit. Neither the person having custody of the
6 prisoner nor any jailer may be held liable for the actions of any prisoner, including those
7 actions committed during and after the escape of a prisoner, while the prisoner is
8 outside their supervision pursuant to this section.

9 **"§ 162-60. Reduction in sentence allowed for work.**

10 In addition to any gain time credit to which he is otherwise entitled, a prisoner who
11 has faithfully performed the duties assigned to him pursuant to G.S. 162-58 is entitled to
12 a reduction in his sentence of four days for each 30 days of work performed. The
13 person having custody of the prisoner, as defined in G.S. 162-59, shall be the sole judge
14 as to whether the prisoner has faithfully performed his duties. A prisoner who escapes
15 or attempts to escape while performing work pursuant to G.S. 162-58 shall forfeit any
16 reduction in sentence that he would have been entitled to under this section.

17 **"§ 162-61. Liability of county.**

18 The county working prisoners pursuant to G.S. 162-58 shall remain liable for
19 emergency medical services for those prisoners pursuant to G.S. 153A-224 while the
20 prisoners are working. The county working the prisoners shall be liable to third parties
21 for injuries incurred by the third parties through the negligence of the working prisoners
22 to the same extent as the county is liable for the actions of its employees. Chapters 96
23 and 97 of the General Statutes shall have no application to prisoners working pursuant
24 to G.S. 162-58."
