June 3, 1992

1 A JOINT RESOLUTION DIRECTING THE JOINT LEGISLATIVE EDUCATION
2 OVERSIGHT COMMITTEE TO STUDY THE ISSUE OF REQUIRING OUT-OF-
3 STATE STUDENTS WHO ATTEND PUBLIC SCHOOLS IN NORTH
4 CAROLINA TO PAY THE FULL COST OF THEIR EDUCATION.

5 Whereas, the Joint Legislative Education Oversight Committee reviewed
6 information regarding the cost to the State of North Carolina of educating out-of-state
7 students in the public schools of North Carolina; and

8 Whereas, in the course of its review, the Joint Legislative Education
9 Oversight Committee determined that there may be many unanticipated consequences
10 both for children and for school systems if these children are required to pay the full
11 costs of their education; and

12 Whereas, the Joint Legislative Education Oversight Committee determined
13 that the number of out-of-state children attending school in North Carolina has not yet
14 been accurately determined; and

15 Whereas, the Joint Legislative Education Oversight Committee found that it
16 would be appropriate to look at tuition policies in other states, especially the home
17 states of these out-of-state students, before changing the policy for North Carolina;
18 Now, therefore, be it resolved by the Senate, the House of Representatives concurring:

19 Section 1. The Joint Legislative Education Oversight Committee shall study
20 the issue of requiring out-of-state students who attend public schools in North Carolina
21 to pay the full cost of their education. The Committee shall report the results of its
22 study to the 1993 General Assembly.

23 Sec. 2. This resolution is effective upon ratification.
