23       Upon the failure of the Interim Board to submit a written plan of merger and  
24 consolidation as herein provided, or upon the failure of the State Board to approve prior  
25 to June 1, 1992, any plan submitted hereunder by the Interim Board, the State Board

42 the systemwide average minority student enrollment.

43       (b) For all schools other than those covered in subsection (a) of this section, the

21 Nash-Rocky Mount Board of Education, and said board of education shall have the  
22 same powers and authority to enforce said claims and demands as the county board and  
23 the city board and the Interim Board would have had in the event of their continued  
24 existence. Any obligations and liabilities of the city board and the county board and the  
25 Interim Board existing as of July 1, 1992, shall become the obligations of the Nash-  
26 Rocky Mount Board of Education as of July 1, 1992, and such obligations and liabilities

17 located in the County with the lower current per pupil expenditure, multiplied by the  
18 amount which the current per pupil appropriation made by the Board of Commissioners  
19 of the county with the higher current per pupil expenditure to the Nash-Rocky Mount  
20 School Administrative Unit exceeds the current per pupil appropriation made by the  
21 county with the lower current per pupil expenditure to the Nash-Rocky Mount School  
22 Administrative Unit.

23 (c) The Rocky Mount City Council and the county commissioners shall each
