9 This Article shall be known as the ‘Pork Promotion Assessment Act.’

10 **“§ 106-791. Purpose.**

11 It is in the public interest for the State to enable producers of swine to assess  
12 themselves in order to raise funds to promote the interests of the pork industry.

13 **“§ 106-792. Definitions.**

14 As used in this Article:

15 (1) ‘Association’ means the North Carolina Pork Producers Association,  
16 Inc., a North Carolina nonprofit corporation.

17 (2) ‘Commissioner’ means the Commissioner of Agriculture.

18 (3) ‘Department’ means the North Carolina Department of Agriculture.

19 (4) ‘Porcine animal’ means swine raised for feeder pigs, seed stock or

21 **“§ 106-793. Referendum.**

1       (a) The Association may conduct among pork producers a referendum upon the  
2 question of whether an assessment shall be levied upon the sale of porcine animals as  
3 set forth herein.

4       (b) The amount of the proposed assessment shall be set forth on the referendum  
5 ballot. The assessment shall not exceed five cents (5¢) per head of swine produced or  
6 sold in this State. The assessment may be set at less than five cents (5¢) per head by the  
7 Association, and may be increased on an annual basis by no more than one cent (1¢) per  
8 head, subject to the maximum of five cents (5¢) per head.

9       (c) The Board of Directors of the Association shall determine who may vote in  
10 the referendum, as prescribed by Article II of the Bylaws of the Association.

11       (d) The referendum shall be conducted under rules and procedures determined by  
12 the Association. The Association may provide for balloting by mail. Any dispute over  
13 eligibility to vote or any other matter relating to the referendum shall be determined by  
14 the Association. The Association shall make reasonable efforts to provide pork  
15 producers with notice of the referendum and an opportunity to vote.

16       (e) If more than half of the votes cast in the referendum are in favor of the  
17 assessment, the Association shall so notify the Commissioner and the assessment shall  
18 be collected as set forth herein.

19 **"§ 106-794. Collection of assessment.**

20       (a) Upon passage of the referendum, the Commissioner of Agriculture shall  
21 notify all buyers of porcine animals of the assessment. The assessment shall be  
22 deducted from the purchase price of the animal at the time of sale and remitted to the  
23 Commissioner no later than the tenth day of the following month. The Commissioner  
24 shall provide forms to buyers for reporting the assessment. If the total assessments due

27 received by the Commissioner shall be promptly remitted to the Association.

28       (b) Buyers of swine shall keep records of the number of swine purchased and the  
29 date of purchase. The Association may bring an action in a court of competent  
30 jurisdiction to recover any unpaid assessments, plus the reasonable cost incurred in such  
31 action, including attorney fees, as approved by the court. All information or records  
32 regarding swine purchases by individual buyers shall be kept confidential by employees  
33 or agents of the Department and the Association, and shall not be disclosed except by  
34 court order.

35       (c) Any pork producer may request a refund of assessments paid under this act  
36 by submitting a written request for a refund to the Association within 30 days after the  
37 assessment has been collected by the buyer. The refund request must be accompanied  
38 by proof of payment of the assessment satisfactory to the Association. The Association  
39 shall mail the refund to the producer within 30 days of receipt of a properly documented  
40 refund request.

41 **"§ 106-795. Use of assessments.**

42       Assessments collected under this Article shall be used for promoting the interests of  
43 the pork industry, including representation before governmental bodies on matters  
44 affecting the pork industry. In order to prevent duplication of effort, these funds shall

1 not be used for activities funded under the Pork Promotion, Research, and Consumer  
2 Information Act of 1985, 7 USC 4801, et seq.

3 **"§ 106-796. Termination of assessment.**

4 Upon receipt of petition signed by at least ten percent (10%) of the pork producers in  
5 North Carolina known to the Association, the Commissioner shall notify the  
6 Association, and the Association shall, within six months, conduct a referendum upon  
7 the question of the continuation of the assessment. If a majority of the votes cast in  
8 such referendum are against continuation of the assessment, or if the Association fails to  
9 conduct a referendum within the six-month period, the collection of the assessment shall  
10 cease at the end of the six-month period. If a majority of the votes cast in such  
11 referendum are in favor of the continuation of the assessment, then no subsequent  
12 referendum shall be held for a least three years."
