1 A JOINT RESOLUTION AUTHORIZING THE LEGISLATIVE RESEARCH

3 ISSUES.

4 Be it resolved by the Senate, the House of Representatives concurring:

5 Section 1. The Legislative Research Commission may study the following:

6 (1) Whether a private citizen, if qualified, should be exempted from G.S.
7 14-269 and issued a permit to carry a firearm concealed on or about his
8 or her person;

9 (2) Whether a sworn law enforcement officer should be authorized by
10 statute to carry a firearm concealed on or about his or her person while
11 outside his or her territorial jurisdiction if he or she (i) has the written
12 permission of his or her agency head, (ii) the firearm is carried solely
13 for the purpose of self defense and not for arrest purposes, and (iii) the
14 officer has on his or her person the agency badge and identification
15 with picture;

16 (3) The effectiveness and sufficiency of mutual assistance agreements
17 between local law enforcement agencies, and cooperation in law
18 enforcement matters under G.S. 153A-212 and G.S. 160A-288, in
19 relation to jurisdictional and liability issues concerning
20 multijurisdictional drug task force programs; and

21 (4) Whether records kept by the clerk of superior court, which indicate
22 that certain persons have been involuntarily committed to mental
23 institutions pursuant to Article 5 of Chapter 122C of the General

1 Statutes, should be made available to the issuers of pistol permits
2 under G.S. 14-402 and G.S. 14-409.1 in order that the issuer of the
3 permit may determine if a person is qualified to receive a permit to
4 purchase a pistol.

5 Sec. 2. The Legislative Research Commission may make an interim report of
6 the results of this study, including legislative recommendations, to the 1991 General
7 Assembly, Regular Session 1992, and may make a final report to the 1993 General
