**A BILL TO BE ENTITLED**

**AN ACT TO APPROPRIATE FUNDS FOR THE NORTH CAROLINA CLEAN  
WATER REVOLVING LOAN AND GRANT FUND.**

Whereas, the General Assembly established the North Carolina Clean Water Revolving Loan and Grant Fund in 1987 to receive available federal wastewater assistance funds and appropriated State funds; and

Whereas, federal law requires a 20% State match for the \$34,000,000 in federal wastewater funds expected to be available to North Carolina in fiscal year 1993-94; and

Whereas, many communities have benefitted from low-interest loans and supplemental grants for essential water and wastewater improvement projects, but the statewide needs far outstrip the available funding assistance; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. There is appropriated from the General Fund to the Department of Environment, Health, and Natural Resources the sum of six million eight hundred thousand dollars (\$6,800,000) for the 1993-94 fiscal year for the North Carolina Clean Water Revolving Loan and Grant Fund.

Sec. 2. This act becomes effective July 1, 1993.
