4 FOR IMPLEMENTATION OF THIS COMPREHENSIVE COMPENSATION
5 SYSTEM.

7 The General Assembly of North Carolina enacts:

8 Section 1. G.S. 126-7 reads as rewritten:

9 "**§ 126-7. Compensation of State employees. Comprehensive Compensation System.**

10 (a) It is the policy of the State to compensate its employees at a level sufficient to
11 encourage excellence of performance and to maintain the labor market competitiveness
12 necessary to recruit and retain a competent work force. To this end, salary increases to
13 State employees ~~may be based, in part, on each individual employee's job performance and, in~~
14 ~~part, on general increases given to all State employees.~~ shall be implemented through the
15 Comprehensive Compensation System based upon the individual performance of each
16 State employee. The Comprehensive Compensation System shall combine salary
17 increases and awards into an interrelated system of compensation that furthers the
18 recruitment, retention, career service, and outstanding performance of State employees.

19 (a1) ~~General salary increases for State employees shall precede any consideration~~
20 ~~of a performance pay allocation. Performance pay shall be allocated only when the total~~
21 ~~allocation for increases equals or exceeds two percent (2%).~~

22 (a2) For the purpose of this section, unless the context indicates otherwise:

- 1 (1) 'Career growth recognition award' means an annual salary increase
2 awarded to a State employee whose final annual performance appraisal
3 indicates job performance that meets or exceeds management's
4 expectations and performance requirements;
- 5 (2) 'Cost-of-living adjustment' means a general salary increase given to
6 State employees in response to inflation and labor market factors;
- 7 (3) 'Midpoint' means that amount of compensation that represents the
8 mean of the lowest and highest amounts in a State employment salary
9 grade as determined by the State Personnel Commission;
- 10 (4) 'Performance bonus' means a salary increase that is awarded in a lump
11 sum to a State employee whose final annual performance appraisal
12 indicates job performance that exceeds management's expectations and
13 performance requirements.

14 (b) To guide the Governor and the General Assembly in making appropriations
15 ~~to further the compensation policy of the State, fund the Comprehensive Compensation~~
16 System, the State Personnel Commission shall conduct annual compensation surveys.
17 The Commission shall present the results of the compensation survey to the
18 Appropriations Committees of the House and Senate no later than two weeks after the
19 convening of the legislature in odd years and May 1st of even years.

20 (b1) The Comprehensive Compensation System shall consist of the following
21 components: (i) the career growth recognition award, (ii) the performance bonus, and
22 (iii) the cost-of-living adjustment. The career growth recognition award shall be the
23 primary method by which an employee progresses through his or her salary range and
24 shall be awarded annually to employees who qualify for the award. An employee may
25 receive, within a 12-month period, the career growth recognition award, performance
26 bonus, and cost-of-living adjustment if the employee's job performance equals or
27 exceeds the level of performance set forth in subdivisions (4), (4a), and (4b) of
28 subsection (c). No employee shall be eligible to receive during a 12-month period a
29 performance bonus greater than the maximum amount or less than the minimum amount
30 established by the Commission. Nothing in this section shall affect the system of
31 longevity payments established by the Commission.

32 (c) ~~Performance increases, if awarded, Career growth recognition awards,~~
33 performance bonuses, and cost-of-living adjustments shall be based on annual
34 performance appraisals of all employees conducted by each department, agency, and
35 institution. The State Personnel Commission, under the authority of G.S. 126-4(8),
36 shall adopt policy and regulations for performance appraisal. The policy and
37 regulations shall include the following:

- 38 (1) The performance appraisal system of each department, agency, or
39 institution shall be designed and administered to ensure that
40 performance increases are distributed fairly and reward only performance
41 that exceeds performance requirements. ~~career growth recognition~~
42 awards, performance bonuses, and cost-of-living adjustments are
43 distributed fairly.

1 (2) ~~To be eligible to distribute its share of the performance increase allocation,~~
2 ~~career growth recognition awards, performance bonuses, and cost-of-~~
3 ~~living adjustments, a department, agency, or institution shall have an~~
4 ~~operative performance appraisal system which has been approved by~~
5 ~~the State Personnel Director Commission. The performance appraisal~~
6 ~~system adopted shall use a rating scale of five levels, with level four or~~
7 ~~better qualifying for performance bonuses, level three or better~~
8 ~~qualifying for career growth recognition awards, and level two or~~
9 ~~better qualifying for cost-of-living adjustments. The performance~~
10 ~~appraisal system adopted shall adhere to modern personnel~~
11 ~~management techniques and practices in common use in the public and~~
12 ~~private sectors. The performance appraisal system adopted shall use a~~
13 ~~rating scale of:~~

14 a. ~~Five levels, with the top two levels qualifying for performance~~
15 ~~increases or~~

16 b. ~~Other than five levels, with the levels qualifying for~~
17 ~~performance increases to be designated by the State Personnel~~
18 ~~Commission, for those job classifications in those employing~~
19 ~~units where a department, agency, or institution demonstrates to~~
20 ~~the State Personnel Commission that some number of levels~~
21 ~~other than five would be appropriate, and the State Personnel~~
22 ~~Commission, after conducting a public hearing, determines that~~
23 ~~a rating scale of other than five levels is more appropriate than~~
24 ~~five levels for a particular job classification within a particular~~
25 ~~employing unit.~~

26 ~~There shall be a presumption that a five level system is the most~~
27 ~~appropriate system, and the department, agency, or institution must~~
28 ~~demonstrate with clear and convincing evidence that a different system~~
29 ~~is more appropriate. The performance appraisal system adopted shall~~
30 ~~adhere to modern personnel management techniques and practices in~~
31 ~~common use in the public and private sectors. Departments, agencies,~~
32 ~~and institutions with existing performance appraisal systems which use~~
33 ~~a rating scale which is not consistent with the system described above~~
34 ~~shall have until July 1, 1991, to bring their systems into compliance~~
35 ~~with this subsection.~~

36 (3) The State Personnel Director shall help departments, agencies, and
37 institutions to establish and administer their performance appraisal
38 systems and shall provide initial and ongoing training in performance
39 appraisal and performance system administration.

40 (4) An employee whose performance exceeds performance requirements
41 shall receive a performance increase unless the employee's supervisor
42 justifies in writing to the employee the decision not to award the
43 performance increase. An employee whose performance does not
44 exceed performance requirements shall not receive a performance

1 ~~increase. Standards for performance and standards for performance~~
2 ~~pay increases may be established for each department, agency, or~~
3 ~~institution. These standards may not set limits so as to preclude an~~
4 ~~employee whose performance exceeds performance requirements from~~
5 ~~consideration for an increase. An employee whose performance is~~
6 ~~rated at or above level four of the rating scale shall be eligible to~~
7 ~~receive, subject to the rules and regulations of the Commission, a~~
8 ~~performance bonus unless the employee's supervisor justifies in~~
9 ~~writing to the employee the decision not to award the performance~~
10 ~~bonus. Other than the Commission, no department, agency, or~~
11 ~~institution shall set limits so as to preclude an employee whose~~
12 ~~performance exceeds management's expectations and performance~~
13 ~~requirements from consideration for a performance bonus.~~

14 (4a) An employee whose performance is rated at or above level three of the
15 rating scale shall receive a career growth recognition award unless the
16 employee's supervisor justifies in writing to the employee the decision
17 not to give the career growth recognition award. If an employee's
18 salary is below the midpoint of the salary range, the employee shall
19 receive a career growth recognition award equal to three percent (3%)
20 of the midpoint of the salary range. If an employee's salary is above
21 the midpoint of the salary range, the employee shall receive a career
22 growth recognition award equal to two percent (2%) of the midpoint of
23 the salary range. In no event shall any award increase an employee's
24 compensation above the maximum of the range. The Commission
25 may provide for fair treatment of employees whose salaries are near
26 the midpoint of their salary ranges. Other than the Commission, no
27 agency, department, or institution shall set limits so as to preclude an
28 employee whose performance meets or exceeds management's
29 expectations and performance requirements from receiving a career
30 growth recognition award.

31 (4b) An employee whose performance is rated at or above level two of the
32 rating scale and who is not involved in the final written stage of the
33 disciplinary procedure shall receive a cost-of-living increase. Other
34 than the Commission, no agency, department, or institution shall set
35 limits or initiate written disciplinary procedures for the purpose of
36 precluding an eligible employee from receiving a cost-of-living
37 adjustment.

38 ~~(5) The State Personnel Director shall set the performance~~
39 ~~increase ranges allowable for levels of performance that exceed~~
40 ~~performance requirements. An employee whose performance~~
41 ~~exceeds expectations shall receive a percentage increase equal to the~~
42 ~~midrange value for his rating, unless the supervisor can justify an~~
43 ~~increase above or below the midrange value within the allowable~~
44 ~~range. The supervisor shall give an employee written justification of~~

1 his decision to award an increase above or below the midrange value
2 when the employee requests written justification. A supervisor's
3 performance appraisal plan, evaluation standards for each employee,
4 and individual employee ratings and recommended performance
5 increase amounts, with justification, shall be reviewed and approved
6 by that supervisor's next higher level supervisor.

7 (5a) If an employee is otherwise eligible for a performance increase and is
8 at the top of (but does not exceed) a pay scale, the employee shall
9 receive a performance increase in the form of a performance bonus.
10 This performance bonus shall be a one-time, lump-sum award paid
11 separately from any other payment to the employee for the year. Such
12 award shall not serve to increase the base pay of such employee. An
13 award of this bonus pursuant to this subdivision does not affect:

14 a. The value of the top of any pay scale; and

15 b. The employee's current salary, which will remain at the top of
16 the pay scale.

17 Except as provided in this subdivision, all other provisions of this
18 subsection shall apply to an employee at the top of a pay scale.

19 (6) The State Personnel Director may suspend rescind any performance
20 increase bonus or career growth recognition award that does not appear
21 to meet the intent of the provisions of the performance pay appraisal
22 system and require the originating department, agency, or institution to
23 reconsider or justify the increase.

24 (7) An employee who disputes the fairness of his or her performance
25 evaluation appraisal or the sufficiency amount of a performance bonus
26 increase awarded or who believes that he or she was unfairly denied a
27 performance increase bonus or career growth recognition award shall
28 first discuss the problem with his or her supervisor. Appeals of the
29 supervisor's decision shall be made only to the grievance committee or
30 internal performance review board of the department, agency, or
31 institution which shall make a recommendation to the head of the
32 department, agency, or institution for final decision. The State
33 Personnel Director shall help a department, agency, or institution
34 establish an internal performance review board or, if it includes
35 employee members, to use its existing grievance committee to hear
36 performance pay disputes. Notwithstanding G.S. 150B-2(2) and G.S.
37 126-22, 126-25, and 126-34, performance pay disputes, including
38 disputes about individual performance appraisals, shall not be
39 considered contested case issues.

40 (7a) Each department, agency, and institution shall establish a performance
41 management and pay advisory committee as part of the performance
42 appraisal system. The purpose of the committee is to ensure that
43 performance pay increases salary increases and awards are made in an
44 equitable manner. The committee shall be responsible for reviewing:

11 each department, agency, and institution shall appoint the
12 members of the committee with equal representation of
13 nonsupervisory, supervisory, and management employees. The
14 committee shall elect its own chair.
