6 The General Assembly of North Carolina enacts:

7 Section 1. The Charter of the City of Durham, being Chapter 671, 1975  
8 Session Laws, is amended by adding the following new section:

9 "Sec. 74.1. Acquisition of Property by Eminent Domain.

10 (a) In order to provide housing for persons of low and moderate income, the City  
11 shall have the power of eminent domain to acquire property on which is located a  
12 dwelling which the City Council or Housing Appeals Board has ordered to be either  
13 vacated and closed or removed or demolished.

14 (b) The City shall not institute an action to acquire property pursuant to this  
15 section until at least 30 days after the date of recording, in the office of the Register of  
16 Deeds, of the order by the City Council or Housing Appeals Board which ordered that  
17 the dwelling be either vacated and closed or removed or demolished.

18 (c) Before exercising the authority granted to it by this section, the City Council  
19 shall authorize a program to use condemned property for housing for persons of low and  
20 moderate income. The program shall: (i) include or identify sources of financing  
21 adequate to demolish or rehabilitate the dwellings acquired pursuant to this section; (ii)  
22 designate the geographical areas in which the program will be conducted; and (iii)  
23 describe other activities being conducted by or on behalf of the City of Durham within  
24 those areas to address housing needs for persons of low and moderate income.

1 (d) The provisions of Chapter 40A of the General Statutes shall apply to the  
2 exercise of the power of eminent domain authorized by this section. Vesting of title to  
3 the property taken under this section and right to possession thereto shall occur pursuant  
4 to the provisions of G.S. 40A-42(b).

5 (e) The initiation of an action to acquire property by eminent domain shall not  
6 prevent the City from exercising the powers granted to it by Part 6 of Article 19 of the  
7 General Statutes, as amended by this Charter and local act, with respect to the property  
8 that is the subject of the eminent domain action.

9 (f) Limitations or prohibitions, in any provision of general law, on the use or  
10 disposition of property acquired by eminent domain, including but not limited to G.S.  
11 160A-279 and G.S. 160A-457, shall not apply to property acquired pursuant to this  
12 section. Buildings acquired pursuant to this section may be deemed to be 'private  
13 buildings' for purposes of any program of assistance and financing of rehabilitation and  
14 construction undertaken by the City principally for the benefit of low- and moderate-  
15 income persons.

16 (g) The authority contained in this section is in addition to and not in limitation  
17 of any other authority granted by this Charter or any other law."
