1 A JOINT RESOLUTION AUTHORIZING THE LEGISLATIVE RESEARCH  
2 COMMISSION TO STUDY WATER ISSUES.

3 Be it resolved by the House of Representatives, the Senate concurring:

4           Section 1. The Legislative Research Commission may study issues relating  
5 to surface water and groundwater, including the following: regional management of the  
6 State's water resources; watershed protection; the effect on the State's water resources of  
7 pollution caused by package treatment plants, hog farms, pesticides, sedimentation,  
8 stormwater runoff, and land application of petroleum products; the need for a statewide  
9 groundwater program; and the State Water Supply Plan. The Commission may further  
10 study any other issues relevant to the State's water resources.

11           Sec. 2. The Legislative Research Commission may make its  
12 recommendations and submit an interim report to the 1993 General Assembly, Regular  
13 Session 1994, and may make a final report to the 1995 General Assembly.

14           Sec. 3. This resolution is effective upon ratification.
