June 21, 1993

A BILL TO BE ENTITLED

1  
2 AN ACT TO PROVIDE THAT A MANUFACTURED HOME SHALL BE  
3 AUTHORIZED TO BE CONNECTED TO A PROPERLY OPERATING  
4 EXISTING WASTEWATER SYSTEM IF THE WASTEWATER SYSTEM WILL  
5 SERVE ONLY THAT ONE HOME, INCLUDING A HOME LOCATED IN A  
6 MANUFACTURED HOME PARK.

7 The General Assembly of North Carolina enacts:

8 Section 1. G.S. 130A-337(c) reads as rewritten:

9 '(c) Upon determination that an existing wastewater system that is to be  
10 physically connected to a manufactured home and that serves only that manufactured  
11 home has a valid operation permit or a valid certificate of completion and is operating  
12 properly in a manufactured home park, the local health department shall issue  
13 authorization in writing for a manufactured home to be connected to the existing system  
14 and to be occupied. Notwithstanding G.S. 130A-336, an improvement permit is not  
15 required for the connection of a manufactured home to an existing system with a valid  
16 operation permit or a valid certificate of completion in a manufactured home park."

17 Sec. 2. This act is effective upon ratification.
