6 The General Assembly of North Carolina enacts:

7 Section 1. The Department of Administration shall study the feasibility of  
8 consolidating the property units of the State Surplus Property Section and the Federal  
9 Surplus Property Section at the federal facility site. In the course of the study the  
10 Department shall consider enhanced service the consolidation would provide to  
11 customers, the funds that the State would realize from the sale of the State facility,  
12 annual savings that would result from decreased staffing required by a consolidated  
13 facility, and the feasibility and cost of constructing sufficient additional space at the  
14 federal facility to house a consolidated facility.

15 The Department shall report to the General Assembly on the results of this  
16 study before March 15, 1994.

17 Sec. 2. This act is effective upon ratification.
