For this purpose, the Department may purchase or lease sites and suitable lands adjacent thereto and erect necessary buildings thereon, or purchase or lease existing facilities, all within the limits of allotments as approved by the Department of Administration.

(b) The Secretary of Correction may contract with the proper official of the United States or of any county or city of this State for the confinement of federal prisoners after they have been sentenced, county, or city prisoners in facilities of the State prison system or for the confinement of State prisoners in any county or any city facility located in North Carolina, ~~Carolina~~ or any out-of-state public or private facility, or any facility of the United States Bureau of Prisons, when to do so would most economically and effectively promote the purposes served by the Department of

4 provide for reimbursing the State in full for all costs involved. The financial provisions  
5 shall have the approval of the Department of Administration before the contract is  
6 executed. Payments received under such contracts shall be deposited in the State

11 (c) Subject to the provisions of subsection (b) of this section, the Secretary of  
12 Correction may contract to house offenders in private out-of-state correctional facilities
