A BILL TO BE ENTITLED

AN ACT TO MODIFY THE PRISON POPULATION CAP.

The General Assembly of North Carolina enacts:

Section 1. G.S. 148-4.1 reads as rewritten:

"§ 148-4.1. Release of inmates.

(a) Whenever the Secretary of Correction determines from data compiled by the Department of Correction that it is necessary to reduce the prison population to a more manageable level, he shall direct the Parole Commission to release on parole over a reasonable period of time a number of prisoners sufficient to that purpose.

(b) Except as provided in subsection (c) and (e), only inmates who are otherwise eligible for parole pursuant to Article 85 of Chapter 15A or pursuant to Article 3B of this Chapter may be released under this section.

(c) Persons eligible for parole under Article 85A of Chapter 15A shall be eligible for early parole under this section nine months prior to the discharge date otherwise applicable, and six months prior to the date of automatic 90-day parole authorized by G.S. 15A-1380.2.

(c1) For purposes of this section only, 'prison capacity' means the following number of prisoners housed in facilities located in North Carolina and owned or operated by the State of North Carolina, effective on the following dates:

(1) Effective March 1, 1994 22,000 prisoners

(2) Effective April 1, 1994 22,500 prisoners

1 (3) Effective May 15, 1994 23,000 prisoners

2 (4) Effective June 30, 1994 23,500 prisoners.

3

4 The Secretary of Correction may advance or delay the effective date of the changes in
5 prison capacity by not more than 45 days from the dates provided in this section, based
6 upon the availability or lack of prison space.

7 (d) If the number of prisoners housed in facilities located in North Carolina and
8 owned or operated by the State of North Carolina for the Division of Prisons exceeds
9 ninety-eight percent (98%) of 21,400-prison capacity for 15 consecutive days, the
10 Secretary of Correction shall notify the Governor and the Chairman of the Parole
11 Commission of this fact. Upon receipt of this notification, the Parole Commission shall
12 within 90 days release on parole a number of inmates sufficient to reduce the prison
13 population to ninety-seven percent (97%) of 21,400-prison capacity.

14 From the date of the notification until the prison population has been reduced to
15 ninety-seven percent (97%) of 21,400-prison capacity, the Secretary may not accept any
16 inmates ordered transferred from local confinement facilities to the State prison system
17 under G.S. 148-32.1(b). Further, the Secretary may return any inmate housed in the
18 State prison system under an order entered pursuant to G.S. 148-32.1(b) to the local
19 confinement facility from which the inmate was transferred.

20 (e) In addition to those persons otherwise eligible for parole, from the date of
21 notification in subsection (d) until the prison population has been reduced to ninety-
22 seven percent (97%) of 21,400-prison capacity, any person imprisoned only for a
23 misdemeanor also shall be eligible for parole and immediate termination upon
24 admission, notwithstanding any other provision of law, except:

25 (1) Those persons convicted under G.S. 20-138.1 of driving while
26 impaired or any offense involving impaired driving, and

27 (2) Those persons convicted pursuant to G.S. 130A-25 of failing to obtain
28 the treatment required by Part 3 or Part 5 of Article 6 of Chapter 130A
29 or of violating G.S. 130A-144(f) or G.S. 130A-145.

30 (f) In complying with the mandate of subsection (d), the Parole Commission may
31 exercise the discretion granted to refuse parole by G.S. 15A-1371 in selecting felons to
32 be paroled under this section so long as the prison population does not exceed 21,400-
33 prison capacity.

34 (g) In order to meet the requirements of this section, the Parole Commission shall
35 not parole any person convicted under Article 7A of Chapter 14 of a sex offense, under
36 G.S. 14-39, 14-41, or 14-43.3, under G.S. 90-95(h) of a drug trafficking offense, or
37 under G.S. 14-17. The Parole Commission may continue to consider the suitability for
38 release of such persons in accordance with the criteria set forth in Articles 85 and 85A
39 of Chapter 15A."

40 Sec. 2. Sections 7 through 9 of Chapter 91 of the 1993 Session Laws are
41 repealed.

42 Sec. 3. This act is effective upon ratification.
