5 The General Assembly of North Carolina enacts:

6 Section 1. G.S. 153A-225(a) reads as rewritten:

7 "(a) Each unit that operates a local confinement facility shall develop a plan for  
8 providing medical care for prisoners in the facility. The plan

9 (1) Shall be designed to protect the health and welfare of the prisoners and  
10 to avoid the spread of contagious disease;

11 (2) Shall provide for medical supervision of prisoners and emergency  
12 medical care for prisoners to the extent necessary for their health and  
13 welfare;

14 (3) Shall provide for the detection, examination and treatment of prisoners  
15 who are infected with tuberculosis or venereal diseases.

16 The unit shall develop the plan in consultation with appropriate local officials and  
17 organizations, including the sheriff, the county physician, the local or district health  
18 director, and the local medical society. The plan must be approved by the local or district  
19 health director after consultation with the area mental health, developmental disabilities,  
20 and substance abuse authority, if it is adequate to protect the health and welfare of the

1 prisoners. Upon a determination that the plan is adequate to protect the health and  
2 welfare of the prisoners, the plan must be adopted by the governing body.

3 As a part of its plan, each unit may establish fees for the provision of nonemergency  
4 medical care to prisoners. In establishing fees pursuant to this section, each unit shall  
5 establish a procedure for waiving fees for indigent prisoners."

6 Sec. 2. This act is effective upon ratification.
