23 with the clerk and abstracted on the judgment docket.

24 (c) The rules shall require that all documents received for docketing shall be
25 immediately indexed either on a permanent or temporary index. The rules may prescribe
26 any technological process deemed appropriate for the economical and efficient indexing,
27 storage and retrieval of information.

28 (d) In order to facilitate public access to court records, except where public access
29 is prohibited by law, the Director may enter into one or more nonexclusive contracts
30 under reasonable cost recovery terms with third parties to provide remote electronic
31 access to the records by the public."

32 Sec. 2. If any contracts entered into under G.S. 7A-109(d) are in effect during
