"§ 116B-53. Presumptions of abandonment.

(a) Property is unclaimed if the apparent owner has not communicated in writing or by other means reflected in a contemporaneous record prepared by or on behalf of the holder, with the holder concerning the property or the account in which the property is held, and has not otherwise indicated an interest in the property. A communication with an owner by a person (other than the holder or its representative) who has not, in writing, identified the property to the owner is not an indication of interest in the property by the owner.

(b) An indication of an interest in property includes:

- (1) The presentment of a check or other instrument of payment of a dividend or other distribution made with respect to an account or underlying stock or other interest in a business association or, in the case of a distribution made by electronic or similar means, evidence that the distribution has been received;
- (2) The presentment of a check or other instrument of payment of interest made with respect to debt of a business association or, in the case of an interest payment made by electronic or similar means, evidence that the interest payment has been received;
- (3) Owner-directed activity in the account in which the property is held, including a direction by the owner to increase, decrease, or change the amount or type of property held in the account;
- (4) The making of a deposit to or withdrawal from an account in a financial organization;
- (5) Owner activity in another account with the holder of a deposit described in subdivisions (c)(2) and (c)(6) of this section; and
- (6) The payment of a premium with respect to a property interest in an insurance policy; but the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy does not prevent a policy from maturing or terminating if the insured has died or the insured or the beneficiary of the policy has otherwise become entitled to the proceeds before the depletion of the cash surrender value of a policy by the application of those provisions.

(c) Property is presumed abandoned if it is unclaimed by the apparent owner during the time set forth below for the particular property:

- (1) Traveler's check, 15 years after issuance;
- (2) Time deposit, including a deposit that is automatically renewable, 10 years after the later of initial maturity or the date of the last indication by the owner of interest in the property;

- (3) Money order, cashier's check, teller's check, and certified check, seven years after issuance;
- (4) Stock or other equity interest in a business association, including a security entitlement under Article 8 of the Uniform Commercial Code, Chapter 25 of the General Statutes, five years after the earlier of:
 - a. The date of a cash dividend or other cash distribution unclaimed by the apparent owner, or
 - b. The date of the second mailing of a stock certificate or other evidence of ownership, a statement of account, or other notification or communication which second mailing was returned as undeliverable or the date the holder discontinued mailings, notifications, or communications to the apparent owner;
- (5) Debt of a business association, other than a bearer bond or an original issue discount bond, five years after the date of an interest payment unclaimed by the apparent owner;
- (6) Demand or savings deposit, five years after the date of the last indication by the owner of interest in the property;
- (7) Money or credits owed to a customer as a result of a retail business transaction, three years after the obligation accrued;
- (8) Any gift certificate or electronic gift card bearing an expiration date and remaining unredeemed or dormant for more than three years after the gift certificate or electronic gift card was sold is deemed abandoned. The amount abandoned is deemed to be sixty percent (60%) of the unredeemed portion of the face value of the gift certificate or the electronic gift card;
- (9) Amount owed by an insurer on a life or endowment insurance policy or an annuity that has matured or terminated, three years after the obligation to pay arose or, in the case of a policy or annuity payable upon proof of death, three years after the insured has attained, or would have attained if living, the limiting age under the mortality table on which the reserve is based;
- (10) Property distributable by a business association in a course of dissolution, one year after the property becomes distributable;
- (11) Property received by a court as proceeds of a class action, and not distributed pursuant to the judgment, one year after the distribution date;
- (12) Property held by a court, government, governmental subdivision, agency, or instrumentality, one year after the property becomes distributable;
- (13) Wages or other compensation for personal services, two years after the compensation becomes payable;
- (14) Deposit or refund owed to a subscriber by a utility, one year after the deposit or refund becomes payable;
- (15) Property in an individual retirement account, defined benefit plan, or other account or plan that is qualified for tax deferral under the income tax laws of the United States, three years after the earliest of the date of the distribution or attempted distribution of the property, the date of the required distribution as stated in the plan or trust agreement governing the plan, or the date, if determinable by the holder, specified in the income tax laws of the United States by which distribution of the property must begin in order to avoid a tax penalty; and
- (16) All other property, five years after the owner's right to demand the property or after the obligation to pay or distribute the property arises, whichever first occurs.

(d) At the time that an interest in property is presumed abandoned under subsection (c) of this section, any other property right accrued or accruing to the owner as a result of the interest, and not previously presumed abandoned, is also presumed abandoned.

(e) Property is payable or distributable for purposes of this Chapter notwithstanding the owner's failure to make demand or present an instrument or document otherwise required to obtain payment or distribution, except as otherwise provided by the Uniform Commercial Code.

"§ 116B-54. Exclusion for forfeited reservation deposits, certain gift certificates or electronic gift cards, prepaid calling cards, certain manufactured home buyer deposits, and certain credit balances.

(a) A forfeited reservation deposit is not abandoned property. For the purposes of this section, the term 'reservation deposit' means an amount of money paid to a business association to guarantee that the business association holds a specific service, such as a room accommodation at a hotel, seating at a restaurant, or an appointment with a doctor, for a specified date and place. The term 'reservation deposit' does not include an application fee, a utility deposit, or a deposit made toward the purchase of real property.

(b) A gift certificate or electronic gift card is not abandoned property when the gift certificate or electronic gift card:

- (1) Conspicuously states that the gift certificate or electronic gift card does not expire;
- (2) Bears no expiration date; or
- (3) States that a date of expiration printed on the gift certificate or electronic gift card is not applicable in North Carolina.

(c) A prepaid calling card issued by a public utility as defined in G.S. 62-3(23)a.6. is not abandoned property.

(d) A buyer deposit that a dealer is authorized to retain under either G.S. 143-143.21A or G.S. 143-143.21B is not abandoned property and is not subject to this Article.

(e) Credit balances as shown on the records of a business association to or for the benefit of another business association, shall not constitute abandoned property. For purposes of this section, the term 'credit balances' means items such as overpayments or underpayments on the sale of goods or services.

"§ 116B-55. Contents of safe deposit box or other safekeeping depository.

Contents of a safe deposit box or other safekeeping depository held by a financial organization is presumed abandoned if the apparent owner has not claimed the property within the period established by G.S. 53-43.7 and shall be delivered to the Treasurer as provided by that section. If the contents include property described in G.S. 116B-53, the Treasurer shall hold the property for the remainder of the applicable period set forth in that section before the property is deemed to be received for purpose of sale under G.S. 116B-65.

"§ 116B-56. Rules for taking custody.

(a) Except as otherwise provided in this Chapter or by other statute of this State, property that is presumed abandoned, whether located in this or another state, is subject to the custody of this State if:

- (1) The last known address of the apparent owner, as shown on the records of the holder, is in this State;
- (2) The records of the holder do not reflect the identity of the person entitled to the property, and it is established that the last known address of the person entitled to the property is in this State;
- (3) The records of the holder do not reflect the last known address of the apparent owner and it is established that:
 - a. The last known address of the person entitled to the property is in this State; or

- b. The holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State and has not previously paid or delivered the property to the state of the last known address of the apparent owner or other person entitled to the property;
- (4) The last known address of the apparent owner, as shown on the records of the holder, is in a state that does not provide for the escheat or custodial taking of the property, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State;
- (5) The last known address of the apparent owner, as shown on the records of the holder, is in a foreign country, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State; or
- (6) The property is a traveler's check or money order purchased in this State or the issuer of the traveler's check or money order has its principal place of business in this State and the issuer's records show that the instrument was purchased in a state that does not provide for the escheat or custodial taking of the property or do not show the state in which the instrument was purchased.
- (b) In the case of an amount payable under the terms of an annuity or insurance policy, the last known address of the person entitled to the property is presumed to be the same as the last known address of the insured or the principal, as shown on the records of the insurance company, if:
- (1) A person other than the insured or the principal is entitled to the property; and
- (2) Either:
- a. No address of the person is known to the insurance company; or
- b. The records of the insurance company do not reflect the identity of the person.

"§ 116B-57. Dormancy charge; other lawful charges.

(a) A holder may deduct from property presumed abandoned a reasonable charge imposed by reason of the owner's failure to claim the property within a specified time only if there is a valid and enforceable written contract between the holder and the owner under which the holder may impose the charge and the holder regularly imposes the charge, which is not regularly reversed or otherwise canceled.

(b) This Chapter does not prevent a holder from deducting from property presumed abandoned other lawful charges specifically authorized by statute or by a valid and enforceable contract.

"§ 116B-58. Burden of proof as to property evidenced by record of check or draft.

A record of the issuance of a check, draft, or similar instrument is prima facie evidence of an obligation. In claiming property from a holder who is also the issuer, the Treasurer's burden of proof as to the existence and amount of the property and its abandonment is satisfied by showing issuance of the instrument and passage of the requisite period of abandonment. Defenses of payment, satisfaction, discharge, and want of consideration are affirmative defenses that must be established by the holder. In asserting these affirmative defenses, a holder who is also the issuer may satisfy the holder's burden of proof by showing a written acknowledgement by the payee of a check, draft, or similar instrument that no obligation is owed the payee.

"§ 116B-59. Notice by holders to apparent owners.

(a) A holder of property presumed abandoned shall make a good faith effort to locate an apparent owner.

(b) The holder shall send written notice, by first-class mail, to the apparent owner, not more than 120 days or less than 60 days before filing the report required by

G.S. 116B-60, to the last known address of the apparent owner as reflected in the holder's records, if the value of the property is fifty dollars (\$50.00) or more.

(c) The notice must contain:

- (1) A statement that, according to the records of the holder, property is being held to which the addressee appears entitled and the amount or description of the property;
- (2) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder;
- (3) A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the following October 1 or, if the holder is an insurance company, by the following April 1, the property will be placed in the custody of the Treasurer, to whom all further claims shall be directed.

"§ 116B-60. Report of abandoned property; certification by holders with tax return.

(a) A holder of property presumed abandoned shall make a report to the Treasurer concerning the property.

(b) The report must be verified and must contain:

- (1) A description of the property;
- (2) Except with respect to a traveler's check or money order, the name, if known, and last known address, if any, and the social security number or taxpayer identification number, if readily ascertainable, of the apparent owner of property of the value of fifty dollars (\$50.00) or more;
- (3) An aggregated amount of items valued under fifty dollars (\$50.00) each;
- (4) In the case of an amount of fifty dollars (\$50.00) or more held or owing under an annuity or a life or endowment insurance policy, the full name and last known address of the annuitant or insured and of the beneficiary;
- (5) The date, if any, on which the property became payable, demandable, or returnable, and the date of the last transaction or communication with the apparent owner with respect to the property; and
- (6) Other information that the Treasurer by rule prescribes as necessary for the administration of this Chapter.

(c) If a holder of property presumed abandoned is a successor to another person who previously held the property for the apparent owner or the holder has changed its name while holding the property, the holder shall file with the report its former names, if any, and the known names and addresses of all previous holders of the property.

(d) The report must be filed before November 1 of each year and cover the 12 months next preceding July 1 of that year, but a report with respect to a life insurance company must be filed before May 1 of each year for the calendar year next preceding.

(e) Before the date for filing the report, the holder of property presumed abandoned may request the Treasurer to extend the time for filing the report. A request for an extension for filing a report shall be accompanied by an extension processing fee of ten dollars (\$10.00). The Treasurer may grant the extension for good cause. The holder, upon receipt of the extension, may make an interim payment on the amount the holder estimates will ultimately be due, which terminates the accrual of additional interest on the amount paid.

(f) The holder of property presumed abandoned shall file with the report an affidavit stating that the holder has complied with G.S. 116B-59.

(g) Every business association holding property presumed abandoned under this Chapter shall certify the holding in the income tax return required by Chapter 105 of the General Statutes. The certification shall be a part of the tax return with which it is filed.

If the business association is not required to file an income tax return under Chapter 105, the certification shall be made in the form and manner required by the Secretary of Revenue. The information appearing on the certification is not privileged or confidential, and this information shall be furnished by the Secretary of Revenue to the Escheat Fund on October 1 of each year, or if this date shall fall on a weekend or holiday, on the next regular business day.

"§ 116B-61. Payment or delivery of abandoned property.

(a) Upon filing the report required by G.S. 116B-60, the holder of property presumed abandoned shall pay, deliver, or cause to be paid or delivered to the Treasurer the property described in the report, but if the property is an automatically renewable deposit, and a penalty or forfeiture in the payment of interest would result, the time for compliance is extended to the next filing and delivery date at which a penalty or forfeiture would no longer result.

(b) If the property reported to the Treasurer is a security or security entitlement under Article 8 of Chapter 25 of the General Statutes, the Treasurer is an appropriate person to make an indorsement, instruction, or entitlement order on behalf of the apparent owner to invoke the duty of the issuer or its transfer agent or the securities intermediary to transfer or dispose of the security or the security entitlement in accordance with Article 8 of Chapter 25 of the General Statutes.

(c) If the holder of property reported to the Treasurer is the issuer of a certificated security, the Treasurer has the right to obtain a replacement certificate pursuant to G.S. 25-8-405, but an indemnity bond is not required.

(d) An issuer, the holder, and any transfer agent or other person acting pursuant to the instructions of and on behalf of the issuer or holder in accordance with this section is not liable to the apparent owner and must be indemnified against claims of any person in accordance with G.S. 116B-63.

"§ 116B-62. Preparation of list of owners by Treasurer.

(a) There shall be delivered to the clerk of superior court of each county prior to June 30 of each year a list prepared by the Treasurer of escheated and abandoned property reported to the Treasurer. The list shall contain:

- (1) The names, if known, in alphabetical order of surname, and last known addresses, if any, of apparent owners of escheated and abandoned property;
- (2) The names and addresses of the holders of the abandoned property; and
- (3) A statement that claim and proof of legal entitlement to escheated or abandoned property shall be presented by the owner to the Treasurer, which statement shall set forth where further information may be obtained.

(b) At the time the lists are distributed to the clerks of superior court, the Treasurer shall cause to be published once each week for two consecutive weeks, in at least two newspapers having general circulation in this State, a notice stating the nature of the lists and that the lists are available for inspection at the offices of the respective clerks of superior court, together with any other information the Treasurer deems appropriate to appear in the notice.

(c) The Treasurer is not required to include in any list any item of a value, as determined by the Treasurer, in the Treasurer's discretion, of less than fifty dollars (\$50.00), unless the Treasurer deems inclusion of items of lesser amounts to be in the public interest.

(d) The clerks of superior court shall retain the lists on permanent file in their offices and shall make them available for public inspection.

(e) The lists prepared by the Treasurer shall include only escheated and abandoned property reported for the current reporting date and are not required to be cumulative lists of escheated and abandoned property previously reported.

(f) Notwithstanding the provisions of Chapter 132 of the General Statutes, the supporting data and lists of apparent owners of escheated and abandoned property may be confidential until six months after the notice to clerks of superior court required by subsection (b) of this section has been distributed. This subsection shall not apply to owners of reported property making inquiries about their property to the Escheat Fund.

"§ 116B-63. Custody by State; recovery by holder; defense of holder.

(a) In this section, payment or delivery is made in 'good faith' if:

- (1) Payment or delivery was made in a reasonable attempt to comply with this Chapter;
- (2) The holder was not then in breach of a fiduciary obligation with respect to the property and had a reasonable basis for believing, based on the facts then known, that the property was presumed abandoned; and
- (3) There is no showing that the records under which the payment or delivery was made did not meet reasonable commercial standards of practice.

(b) Upon payment or delivery of property to the Treasurer, the State assumes custody and responsibility for the safekeeping of the property. A holder who pays or delivers property to the Treasurer in good faith is relieved of all liability arising thereafter with respect to the property.

(c) A holder who has paid money to the Treasurer pursuant to this Chapter may subsequently make payment to a person reasonably appearing to the holder to be entitled to payment. Upon a filing by the holder of proof of payment and proof that the payee was entitled to the payment, the Treasurer shall promptly reimburse the holder for the payment without imposing a fee or other charge. If reimbursement is sought for a payment made on a negotiable instrument, including a traveler's check or money order, the holder must be reimbursed upon filing proof that the instrument was duly presented and that payment was made to a person who reasonably appeared to be entitled to payment. The holder must be reimbursed for payment made even if the payment was made to a person whose claim was barred under G.S. 116B-71(a).

(d) A holder who has delivered property other than money to the Treasurer pursuant to this Chapter may reclaim the property if it is still in the possession of the Treasurer, without paying any fee or other charge, upon filing proof that the apparent owner has claimed the property from the holder.

(e) The Treasurer may accept a holder's affidavit as sufficient proof of the holder's right to recover money and property under this section.

(f) If a holder pays or delivers property to the Treasurer in good faith and thereafter another person claims the property from the holder or another state claims the money or property under its laws relating to escheat or abandoned or unclaimed property, the Treasurer, upon written notice of the claim, shall defend the holder against the claim and indemnify the holder against any liability on the claim resulting from payment or delivery of the property to the Treasurer.

"§ 116B-64. Income or gain accruing after payment or delivery.

If property other than money is delivered to the Treasurer under this Chapter, the owner is entitled to receive from the Treasurer any income or gain realized or accruing on the property at or before liquidation or conversion of the property into money. If the property is interest-bearing or pays dividends, the interest or dividends shall be paid until the date on which the amount of the deposits, accounts, or funds, or the shares must be remitted or delivered to the Treasurer under G.S. 116B-61. Otherwise, when property is delivered or paid to the Treasurer, the Treasurer shall hold the property without liability for income or gain.

"§ 116B-65. Public sale of abandoned property.

(a) Except as otherwise provided in this section, the Treasurer, within three years after the receipt of abandoned property, shall sell it to the highest bidder at public sale at a location in the State which in the judgment of the Treasurer affords the most favorable

market for the property. The Treasurer may decline the highest bid and reoffer the property for sale if the Treasurer considers the bid to be insufficient. The Treasurer need not offer the property for sale if the Treasurer considers that the probable cost of sale will exceed the proceeds of the sale. A sale held under this section must be preceded by a single publication of notice, at least three weeks before sale, in a newspaper of general circulation in the county in which the property is to be sold. The Treasurer is not required to sell money unless it is a collector's species having value greater than the face value of the money as cash.

(b) Securities listed on an established stock exchange must be sold at prices prevailing on the exchange at the time of sale. Other securities may be sold over the counter at prices prevailing at the time of sale or by any reasonable method selected by the Treasurer. If securities are sold by the Treasurer before the expiration of three years after their delivery to the Treasurer, a person making a claim under this Chapter before the end of the three-year period is entitled to the proceeds of the sale of the securities or the market value of the securities at the time the claim is made, whichever is greater, less any deduction for expenses of sale. A person making a claim under this Chapter after the expiration of the three-year period is entitled to receive the securities delivered to the Treasurer by the holder, if they still remain in the custody of the Treasurer, or the net proceeds received from sale, and is not entitled to receive any appreciation in the value of the property occurring after delivery to the Treasurer, except in a case of intentional misconduct by the Treasurer.

(c) A purchaser of property at a sale conducted by the Treasurer pursuant to this Chapter takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The Treasurer shall execute all documents necessary to complete the transfer of ownership.

"§ 116B-66. Claim of another state to recover property.

(a) After property has been paid or delivered to the Treasurer under this Article, another state may recover the property if:

- (1) The property was paid or delivered to the custody of this State because the records of the holder did not reflect a last known location of the apparent owner within the borders of the other state, and the other state establishes that the apparent owner or other person entitled to the property was last known to be located within the borders of that state and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;
- (2) The property was paid or delivered to the custody of this State because the laws of the other state did not provide for the escheat or custodial taking of the property, and under the laws of that state subsequently enacted, the property has escheated or become subject to a claim of abandonment by that state;
- (3) The records of the holder were erroneous in that they did not accurately identify the owner of the property and the last known location of the owner within the borders of another state, and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;
- (4) The property was subjected to custody by this State under G.S. 116B-56(6), and under the laws of the state of domicile of the holder, the property has escheated or become subject to a claim of abandonment by that state; or
- (5) The property is a sum payable on a traveler's check, money order, or similar instrument that was purchased in the other state and delivered into the custody of this State under G.S. 116B-56(7), and under the laws of the other state, the property has escheated or become subject to a claim of abandonment by that state.

(b) A claim of another state to recover escheated or abandoned property must be presented in a form prescribed by the Treasurer, who shall decide the claim within 90 days after it is presented. The Treasurer shall allow the claim upon determining that the other state is entitled to the abandoned property under subsection (a) of this section.

(c) The Treasurer shall require another state, before recovering property under this section, to agree to indemnify this State and its officers and employees against any liability on a claim to the property.

"§ 116B-67. Claim for property paid or delivered to the Treasurer.

(a) A person, excluding another state, claiming property paid or delivered to the Treasurer may file a claim on a form prescribed by the Treasurer and verified by the claimant.

(b) At the discretion of the Treasurer, the claim shall be made to the holder or to the holder's successor. If the holder is satisfied that the claim is valid and that the claimant is the owner of the property, the holder shall so certify to the Treasurer by written statement attested by the holder under oath, or in the case of a corporation, by two principal officers, or one principal officer and an authorized employee of the corporation. The determination of the holder that the claimant is the owner shall, in the absence of fraud, be binding upon the Treasurer and upon receipt of the certificate of the holder to this effect, the Treasurer shall forthwith authorize and make payment of the claim or return of the property, or if the property has been sold, the amount received from the sale, to the owner, or to the holder in the event the owner has assigned the claim to the holder and the certificate of the holder is accompanied by an assignment. In the event the holder rejects the claim, the claimant may appeal to the Treasurer.

If the holder, or the holder's successor, is not available, the owner may file a claim with the Treasurer on a form prescribed by the Treasurer. In addition to any other information, the claim shall state the facts surrounding the unavailability of the holder and the lack of a successor.

(c) Within 90 days after a claim is filed, the Treasurer shall allow or deny the claim and give written notice of the decision to the claimant. If the claim is denied, the Treasurer shall inform the claimant of the reasons for the denial and specify what additional evidence is required before the claim will be allowed. The claimant may then file a new claim with the Treasurer or maintain an action under G.S. 116B-68.

(d) Within 30 days after a claim is allowed, the property or the net proceeds of a sale of the property must be delivered or paid by the Treasurer to the claimant.

(e) The claimant or claimants and the holder, if the holder either certifies that the claimant is the owner under subsection (b) of this section or recovers money and property from the Treasurer under G.S. 116B-63, shall agree to indemnify, save harmless, and defend the State, the Treasurer, and the Escheat Fund from any claim arising out of or in connection with refund of the property claimed. In like manner, the claimant shall also agree to indemnify, save harmless, and defend the holder, if the holder certifies the claim under subsection (b) of this section or pays or delivers property to the claimant under G.S. 116B-63.

"§ 116B-68. Action to establish claim.

A person aggrieved by a decision of the Treasurer or whose claim has not been acted upon within 90 days after its filing may maintain an original action to establish the claim in the Superior Court of Wake County, naming the Treasurer as a defendant.

"§ 116B-69. Election to take payment or delivery.

(a) The Treasurer may decline to receive property reported under this Chapter which the Treasurer considers to have a value less than the expenses of notice and sale.

(b) A holder, with the written consent of the Treasurer and upon conditions and terms prescribed by the Treasurer, may report and deliver property before the property is presumed abandoned. Property so delivered must be held by the Treasurer and is not presumed abandoned until it otherwise would be presumed abandoned under this Article.

"§ 116B-70. Destruction or disposition of property having no substantial commercial value; immunity from liability; property of historical significance.

(a) If the Treasurer determines after investigation that property delivered under this Chapter has no substantial commercial value, the Treasurer may destroy or otherwise dispose of the property at any time. An action or proceeding may not be maintained against the State or any officer, employee, or agent of the State, both past and present, in the person's individual and official capacity, or against the holder for or on account of an act of the Treasurer under this subsection, except for intentional misconduct.

(b) Notwithstanding the provisions of G.S. 116B-65, the Treasurer may retain any tangible property delivered to the Treasurer, if the property has recognized historic significance. The historic significance shall be certified by the Treasurer, with the advice of the Secretary of Cultural Resources; and a statement of the appraised value of the property shall be filed with the certification. Historic property retained under this subsection may be stored and displayed at any suitable location.

"§ 116B-71. Periods of limitation.

(a) The expiration, before or after the effective date of this Article, of a period of limitation on the owner's right to receive or recover property, whether specified by contract, statute, or court order, does not preclude the property from being presumed abandoned or affect a duty of a holder to file a report or to pay or deliver or transfer property to the Treasurer as required by this Article.

(b) An action or proceeding may not be maintained by the Treasurer to enforce this Article in regard to the reporting, delivery, or payment of property more than five years after the holder filed a report with the Treasurer in which the holder specifically identified property, should have but failed to identify property, or gave express notice to the Treasurer of a dispute regarding property. In the absence of such a report or other express notice, the period of limitation is tolled. The period of limitation is also tolled by the filing of a report that is fraudulent.

"§ 116B-72. Requests for reports and examination of records.

(a) The Treasurer may require a person who has not filed a report, or a person who the Treasurer believes has filed an inaccurate, incomplete, or false report, to file a verified report in a form specified by the Treasurer. The report must state whether the person is holding property reportable under this Chapter, describe property not previously reported or as to which the Treasurer has made inquiry, and specifically identify and state the value of property that may be in issue.

(b) The Treasurer, at reasonable times and upon reasonable notice, may examine the records of any person to determine whether the person has complied with this Chapter. The Treasurer may conduct the examination even if the person believes it is not in possession of any property that must be reported, paid, or delivered under this Chapter. The Treasurer may contract with any other person to conduct the examination on behalf of the Treasurer.

(c) The Treasurer at reasonable times may examine the records of an agent, including a dividend disbursing agent or transfer agent, of a business association that is the holder of property presumed abandoned if the Treasurer has given the notice required by subsection (b) of this section to both the association and the agent at least 90 days before the examination.

(d) Documents and working papers obtained or compiled by the Treasurer, or the Treasurer's agents, employees, or designated representatives, in the course of conducting an examination are confidential, but the documents and papers may be:

- (1) Used by the Treasurer in the course of an action to collect unclaimed property or otherwise enforce this Chapter;
- (2) Used in joint examinations conducted with or pursuant to an agreement with another state, the federal government, or any other governmental subdivision, agency, or instrumentality;

- (3) Produced pursuant to subpoena or court order; or
- (4) Disclosed to the abandoned property office of another state for that state's use in circumstances equivalent to those described in this subsection, if the other state is bound to keep the documents and papers confidential.

(e) If an examination results in the disclosure of property reportable under this Chapter, the Treasurer may assess, against a holder who made a fraudulent report, the cost of the examination at the rate of two hundred dollars (\$200.00) a day for each examiner, or a greater amount that is reasonable and was incurred, but the assessment may not exceed the value of the property found to be reportable. The cost of an examination made pursuant to subsection (c) of this section may be assessed only against the business association.

(f) If a holder does not maintain the records required by G.S. 116B-73 and the records of the holder available for the periods subject to this Chapter are insufficient to permit the preparation of a report, the Treasurer may require the holder to report and pay to the Treasurer the amount the Treasurer reasonably estimates, on the basis of any available records of the holder or by any other reasonable method of estimation, should have been, but was not reported.

"§ 116B-73. Retention of records.

(a) Except as otherwise provided in subsection (b) of this section, a holder required to file a report under G.S. 116B-60 shall maintain the records containing the information required to be included in the report for 10 years after the holder files the report, unless a shorter period is provided by rule of the Treasurer.

(b) A business association that sells, issues, or provides to others for sale or issue in this State, traveler's checks, money orders, or similar instruments other than third-party bank checks, on which the business association is directly liable, shall maintain a record of the instruments while they remain outstanding, indicating the state and date of issue, for three years after the holder files the report.

"§ 116B-74. Discretionary precompliance review.

A holder may request the Treasurer to conduct a precompliance review of the holder's compliance program to educate the holder's employees on the unclaimed property laws and filing procedures and to recommend ways to facilitate the holder's compliance with the law. Subject to the availability of staff, the Treasurer may conduct a precompliance review upon request. The Treasurer may charge the holder a precompliance review fee of up to five hundred dollars (\$500.00) per day for conducting this review.

"§ 116B-75. Enforcement.

(a) The Treasurer may maintain an action in this or another state to enforce this Chapter.

(b) The Treasurer may order a person required to report, pay, or deliver property under this Chapter, or an officer or employee of the person, or a person having possession, custody, care, or control of records relevant to the matter under inquiry, or any other person having knowledge of the property or records, to appear before the Treasurer, at a time and place named in the order, and to produce the records and to give such testimony under oath or affirmation relevant to the inquiry. For purposes of this subsection, the Treasurer may administer oaths or affirmations. If a person refuses to obey an order of the Treasurer, the Treasurer may apply to the Superior Court of Wake County for an order requiring the person to obey the order of the Treasurer. Failure to comply with the court order is punishable for contempt.

"§ 116B-76. Interstate agreements and cooperation; joint and reciprocal actions with other states.

(a) The Treasurer may enter into an agreement with another state to exchange information relating to abandoned property or its possible existence. The agreement may permit the other state, or another person acting on behalf of a state, to examine records as authorized in G.S. 116B-72. The Treasurer by rule may require the reporting

of information needed to enable compliance with an agreement made under this section and prescribe the form.

(b) The Treasurer may join with another state to seek enforcement of this Chapter against any person who is or may be holding property reportable under this Chapter.

(c) At the request of another state, the Attorney General of this State may maintain an action on behalf of the other state to enforce, in this State, the unclaimed property laws of the other state against a holder of property subject to escheat or a claim of abandonment by the other state, if the other state has agreed to pay expenses incurred by the Attorney General in maintaining the action.

(d) The Treasurer may request that the attorney general of another state or another attorney commence an action in the other state on behalf of the Treasurer. With the approval of the Attorney General of this State, the Treasurer may retain any other attorney to commence an action in this State on behalf of the Treasurer. This State shall pay all expenses, including attorneys' fees, in maintaining an action under this subsection. With the Treasurer's approval, the expenses and attorneys' fees may be paid from money received under this Chapter. The Treasurer may agree to pay expenses and attorneys' fees based in whole or in part on a percentage of the value of any property recovered in the action. Any expenses or attorneys' fees paid under this subsection may not be deducted from the amount that is subject to the claim by the owner under this Chapter.

(e) The Treasurer is authorized to make such expenditures from the funds of the Escheat Fund as may be necessary to effectuate the provisions of this section.

"§ 116B-77. Interest and penalties; waiver.

(a) A holder who fails to report, pay, or deliver property within the time prescribed by this Chapter shall pay to the Treasurer interest at the rate established pursuant to this subsection on the property or value of the property from the date the property should have been reported, paid, or delivered. On or before June 1 and December 1 of each year, the Treasurer shall establish the interest rate to be in effect during the six-month period beginning on the next succeeding July 1 and January 1, respectively, after giving due consideration to current market conditions. If no new rate is established, the rate in effect during the preceding six-month period shall continue in effect. The rate established by the Treasurer may not be less than five percent (5%) per year and may not exceed sixteen percent (16%) per year.

(b) A holder who willfully fails to report, pay, or deliver property within the time prescribed by this Chapter, or willfully fails to perform other duties imposed by this Chapter, shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section, a civil penalty of one thousand dollars (\$1,000) for each day the report, payment, or delivery is withheld, or the duty is not performed, up to a maximum of twenty-five thousand dollars (\$25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(c) A holder who makes a fraudulent report shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section, a civil penalty of one thousand dollars (\$1,000) for each day from the date a report under this Chapter was due, up to a maximum of twenty-five thousand dollars (\$25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(d) The Treasurer for good cause may waive, in whole or in part, interest under subsection (a) of this section and penalties under subsection (b) of this section.

"§ 116B-78. Agreement to locate property.

(a) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property that is presumed abandoned, is void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is 24 months after the date the property is paid or delivered to the Treasurer. This subsection does not apply to an owner's agreement with an attorney to file a claim as to identified property or contest the Treasurer's denial of a claim.

(b) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property, is enforceable only if the agreement is in writing, clearly sets forth the nature of the property and the services to be rendered, is signed by the owner, and states the value of the property before and after the fee or other compensation has been deducted.

(c) If an agreement covered by this section applies to mineral proceeds and the agreement contains a provision to pay compensation that includes a portion of the underlying minerals or any mineral proceeds not then presumed abandoned, the provision is void and unenforceable.

(d) An agreement covered by this section that provides for compensation that is unconscionable is unenforceable except by the owner. An owner who has made an agreement to pay compensation that is unconscionable, or the Treasurer on behalf of the owner, may maintain an action to reduce the compensation to a conscionable amount. The court may award reasonable attorneys' fees to an owner who prevails in the action.

(e) This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than as provided in subsection (d) of this section.

(f) Any person who enters into an agreement covered by this section with an owner shall register annually with the Treasurer. The information to be required under this subsection shall include the person's name, address, telephone number, state of incorporation or residence, as applicable, and the person's federal identification number. A registration fee of one hundred dollars (\$100.00) shall be paid to the Treasurer at the time of the filing of the registration information. Fees received under this subsection shall be credited to the General Fund.

"§ 116B-79. Transitional provisions.

(a) An initial report filed under this Article for property that was not required to be reported before the effective date of this Article but which is subject to this Article must include all items of property that would have been presumed abandoned during the 10-year period next preceding the effective date of this Article as if this Article had been in effect during that period.

(b) This Article does not relieve a holder of a duty that arose before the effective date of this Article to report, pay, or deliver property. Except as otherwise provided in G.S. 116B-71(b) and G.S. 116B-77(d), a holder who did not comply with the law in effect before the effective date of this Article is subject to the applicable provisions for enforcement and penalties which then existed, which are continued in effect for the purpose of this section.

"§ 116B-80. Rules.

The Treasurer may adopt rules necessary to carry out this Chapter."

Section 7. G.S. 44A-4(b)(1) reads as rewritten:

"(b) Notice and Hearings. –

- (1) If the property upon which the lien is claimed is a motor vehicle that is required to be registered, the lienor following the expiration of the relevant time period provided by subsection (a) shall give notice to the Division of Motor Vehicles that a lien is asserted and sale is proposed and shall remit to the Division a fee of ten dollars (\$10.00). The Division of Motor Vehicles shall issue notice by registered or certified mail, return receipt requested, to the person having legal title to the property, if reasonably ascertainable, to the person with whom the lienor dealt if different, and to each secured party and other person claiming an interest in the property who is actually known to the Division or who can be reasonably ascertained. The notice shall state that a lien has been asserted against specific property and shall identify the lienor, the date that the lien arose, the general nature of the services performed and materials used or sold for which the lien is asserted, the amount of the lien, and that the lienor intends to sell the property in

satisfaction of the lien. The notice shall inform the recipient that the recipient has the right to a judicial hearing at which time a determination will be made as to the validity of the lien prior to a sale taking place. The notice shall further state that the recipient has a period of 10 days from the date of receipt in which to notify the Division by registered or certified mail, return receipt requested, that a hearing is desired and that if the recipient wishes to contest the sale of his property pursuant to such lien, the recipient should notify the Division that a hearing is desired. The notice shall state the required information in simplified terms and shall contain a form whereby the recipient may notify the Division that a hearing is desired by the return of such form to the Division. The Division shall notify the lienor whether such notice is timely received by the Division. In lieu of the notice by the lienor to the Division and the notices issued by the Division described above, the lienor may issue notice on a form approved by the Division pursuant to the notice requirements above. If notice is issued by the lienor, the recipient shall return the form requesting a hearing to the lienor, and not the Division, within 10 days from the date the recipient receives the notice if a judicial hearing is requested. Failure of the recipient to notify the Division or lienor, as specified in the notice, within 10 days of the receipt of such notice that a hearing is desired shall be deemed a waiver of the right to a hearing prior to the sale of the property against which the lien is asserted, and the lienor may proceed to enforce the lien by public or private sale as provided in this section and the Division shall transfer title to the property pursuant to such sale. If the Division or lienor, as specified in the notice, is notified within the 10-day period provided above that a hearing is desired prior to sale, the lien may be enforced by sale as provided in this section and the Division will transfer title only pursuant to the order of a court of competent jurisdiction.

If the registered or certified mail notice has been returned as undeliverable, or if the name of the person having legal title to the vehicle cannot reasonably be ascertained and the fair market value of the vehicle is less than eight hundred dollars (\$800.00), the lienor may institute a special proceeding in the county where the vehicle is being held, for authorization to sell that vehicle. Market value shall be determined by the schedule of values adopted by the Commissioner under G.S. 105-187.3.

In such a proceeding a lienor may include more than one vehicle, but the proceeds of the sale of each shall be subject only to valid claims against that vehicle, and any excess proceeds of the sale shall ~~escheat to the State and be paid immediately to the treasurer~~ Treasurer for disposition pursuant to Chapter 116B of the General Statutes. ~~A vehicle owner or possessor claiming an interest in such proceeds shall have a right of action under G.S. 116B-38.~~

The application to the clerk in such a special proceeding shall contain the notice of sale information set out in subsection (f) hereof. If the application is in proper form the clerk shall enter an order authorizing the sale on a date not less than 14 days therefrom, and the lienor shall cause the application and order to be sent immediately by first-class mail pursuant to G.S. 1A-1, Rule 5, to each person to whom notice was mailed pursuant to this subsection. Following the authorized sale the lienor shall file with the clerk a report in the form of an affidavit, stating that the lienor has complied with the public or private sale provisions of G.S. 44A-4, the name, address, and bid of

the high bidder or person buying at a private sale, and a statement of the disposition of the sale proceeds. The clerk then shall enter an order directing the Division to transfer title accordingly.

If prior to the sale the owner or legal possessor contests the sale or lien in a writing filed with the clerk, the proceeding shall be handled in accordance with G.S. 1-399."

Section 8. G.S. 29-12 reads as rewritten:

"§ 29-12. Escheats.

If there is no person entitled to take under G.S. 29-14 or ~~29-15~~, G.S. 29-15, or if in case of an illegitimate intestate, there is no one entitled to take under G.S. 29-21 or ~~29-22~~ G.S. 29-22 the net estate shall escheat as provided in ~~G.S. 116A-2~~, G.S. 116B-2."

Section 9. G.S. 53-43.7(b) reads as rewritten:

"(b) Any property, including documents or writings of a private nature, which has little or no apparent value, need not be sold but may be destroyed ~~by the Treasurer or by the lessor, if retained by the lessor pursuant to a determination by the Treasurer under G.S. 116B-31(e)~~, lessor if the Treasurer declines to receive the property under G.S. 116B-69(a)."

Section 10. G.S. 53-43.7(d) reads as rewritten:

"(d) The lessor shall submit to the Treasurer a verified inventory of all of the contents of the safe-deposit box upon delivery of the contents of the box or such part thereof as shall be required by the Treasurer under ~~G.S. 116B-31(e)~~, G.S. 116B-55; but the lessor may deduct from any cash of the lessee in the safe-deposit box an amount equal to accumulated charges for rental and shall submit to the Treasurer a verified statement of such charges and deduction. If there is no cash, or insufficient cash to pay accumulated charges, in the safe-deposit box, the lessor may submit to the Treasurer a verified statement of accumulated charges or balance of accumulated charges due, and the Treasurer shall remit to the lessor the charges or balance due, up to the value of the property in the safe-deposit box delivered to ~~him~~, the Treasurer, less any costs or expenses of sale; but if the charges or balance due exceeds the value of such property, the Treasurer shall remit only the value of the property, less costs or expenses of sale. Any accumulated charges for safe-deposit box rental paid by the Treasurer to the lessor shall be deducted from the value of the property of the lessee delivered to the Treasurer."

Section 11. G.S. 53B-4 reads as rewritten:

"§ 53B-4. Access to financial records.

Notwithstanding any other provision of law, no government authority may have access to a customer's financial record held by a financial institution unless the financial record is described with reasonable specificity and access is sought pursuant to:

Section 12. G.S. 116-209.3 reads as rewritten:

"§ 116-209.3. Additional powers.

The Authority is authorized to develop and administer programs and perform all functions necessary or convenient to promote and facilitate the making and insuring of student loans and providing such other student loan assistance and services as the Authority shall deem necessary or desirable for carrying out the purposes of this Article and for qualifying for loans, grants, insurance and other benefits and assistance under any program of the United States now or hereafter authorized fostering student loans. There shall be established and maintained a trust fund which shall be designated 'State Education Assistance Authority Loan Fund' (the 'Loan Fund') which may be used by the Authority in making student loans directly or through agents or independent contractors, insuring student loans, acquiring, purchasing, endorsing or guaranteeing promissory notes, contracts, obligations or other legal instruments evidencing student loans made by banks, educational institutions, nonprofit corporations or other eligible lenders, and for defraying the expenses of operation and administration of the Authority for which other funds are not available to the Authority. Section 13. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity does not affect the provisions or

applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Section 14. The Revisor of Statutes shall cause to be printed with this act all explanatory comments of the drafters of this act as the Revisor may deem appropriate.

Section 15. This act becomes effective January 1, 2000, and shall apply to property existing on or after that date. G.S. 116B-54(d), as enacted in Section 6 of this act, is intended to clarify and not change existing law.
