A BILL TO BE ENTITLED

1  
2 AN ACT TO ESTABLISH A FORESTRY PILOT PROGRAM THAT PROMOTES  
3 COLLABORATIVE EFFORTS AMONG COUNTIES, LOCAL SOIL AND  
4 WATER CONSERVATION DISTRICTS, AND THE DIVISION OF FOREST  
5 RESOURCES OF THE DEPARTMENT OF ENVIRONMENT AND NATURAL  
6 RESOURCES.

7 The General Assembly of North Carolina enacts:

8 **SECTION 1.** Pilot Program Established. – A forestry pilot program is  
9 established. Each county participating in the pilot program, the local soil and water  
10 conservation district having jurisdiction in that county, and the Division of Forest  
11 Resources of the Department of Environment and Natural Resources shall work  
12 cooperatively to develop this pilot program in accordance with this act.

13 **SECTION 2.** Pilot Program Purposes. – The purposes of the pilot program  
14 are:

- 15 (1) To maximize available resources.
- 16 (2) To promote collaborative efforts among counties, soil and water  
17 conservation districts having jurisdiction in those counties, and the  
18 Division of Forest Resources of the Department of Environment and  
19 Natural Resources.
- 20 (3) To manage natural resources effectively.
- 21 (4) To improve air and water quality.
- 22 (5) To promote public awareness of the benefits of managing forestlands.
- 23 (6) To promote public awareness of the benefits of replanting timbered  
24 areas of forestland.

25 **SECTION 3.** Public Education Campaign. – As part of the pilot program,  
26 each county participating in the pilot program, the local soil and water conservation  
27 district having jurisdiction in that county, and the Division of Forest Resources of the  
28 Department of Environment and Natural Resources shall develop a coordinated public

1 education campaign to promote awareness of the benefits of obtaining a forest  
2 management plan and the benefits of replanting timbered areas of forestland. The public  
3 education campaign shall employ the use of G.I.S. maps and written education  
4 materials. Each county participating in the pilot program, the local soil and water  
5 conservation district having jurisdiction in that county, and the Division of Forest  
6 Resources of the Department of Environment and Natural Resources shall conduct  
7 public meetings as part of this public education campaign.

8       **SECTION 4.(a)** Advance Public Notification of Logging. – The county  
9 forest ranger of each county participating in the pilot program shall provide advance  
10 notice of known logging operations, as follows:

11       (1) The county forest ranger and the county department of emergency  
12 services shall coordinate a means of addressing citizen inquiries  
13 regarding air quality issues associated with logging activities.

14       (2) The county forest ranger shall post the property on which the logging  
15 activity is to occur at least 15 days before the logging activity begins.

16       **SECTION 4.(b)** Prior Notification of Logging to Local Agencies. – The  
17 county forest ranger of each county participating in the pilot program shall notify the  
18 county erosion and sedimentation control program and the soil and water conservation  
19 district having jurisdiction in that county, of every known logging operations, and these  
20 entities so notified may inspect the operation to ensure that applicable water quality  
21 standards are being complied with.

22       **SECTION 5.** Limit on Burning Permits. – The county forest ranger of each  
23 county participating in the pilot program shall not issue a burning permit under Article  
24 4C of Chapter 113 of the General Statutes on any day when the ozone air quality in that  
25 county is projected to attain code orange, red, or purple, as certified by the web site of  
26 the Division of Air Quality, Department of Environment and Natural Resources, by 3:00  
27 P.M. of the preceding day.

28       **SECTION 6.** Orange County and the water and soil conservation district  
29 having jurisdiction in Orange County shall participate in the pilot program under this  
30 act.

31       **SECTION 7.** This act is effective when it becomes law and expires June 30,  
32 2004.
